Monica,

The HCLS meeting was today at 11:30. As soon as the Minutes are typed out we'll get them to you. Armandina, our secretary and the Director of the San Juan Library is finishing them up.

The board voted on equal distribution of HCLS funds after the TLC (automation services) expenses.

Thanks for the follow-up.

Adolfo

Monica,

The HCLS meeting will be on the last Thursday of the month, Jan 26th, due to a conflicting schedule by the Alamo Public Library. The distribution formula for the HCLS funds will be discussed at that meeting. As soon as we agree on the equal distribution I will send you the minutes of the meeting .

Thanks,

Adolfo

The interlocal agreements with the various cities for library services provide that funding to the cities will be based on an allocation formula established, reviewed, and approved by the HCLS. However, the agreements do not contain the amounts to be paid by the County to the HCLS or directly to the cities. At a minimum, the HCLS board agenda and minutes that contain the allocation formula approved by the HCLS Board should be attached to the agenda item.

This is necessary to determine if sufficient funding is available to cover these agreements.
