Educational Background:	I am a graduate of La Habra High School. While I haven't yet pursued a formal college degree, I've continued to build skills through professional training, nearly a decade of management experience, and ongoing community involvement. My real-world experience has shaped my ability to lead, problem-solve, and work effectively across a wide range of areas.
Are you the spouse or child of a current City Councilmember, City Manager, or Department Head?	No

Membership or License in Professional or Technical Associations:	N/A
Membership in Civic and or Service Organizations:	La Habra Centennial Committee – Member (2024–Present); La Habra Historical Society – Volunteer (2025–Present); “You Know You Grew Up in La Habra If...” Facebook Group – Administrator (2023–Present); Parent Advocate & Peer Resource – Unofficial, Ongoing (2017–Present)
Civic Interests:	I’m deeply invested in La Habra’s culture, history, and the well-being of families in our community. My interests include preserving local history, improving access to services for families with special needs, and supporting inclusive public events that bring people together. I’m especially passionate about advocating for programs that strengthen parent involvement, early education, community wellness, and civic pride. I also have a strong interest in digital access, local storytelling, and ensuring city resources reach those who need them most.
Do you possess any special skills?	I have strong organizational and communication skills, both in-person and online. I manage large online community groups and have experience conducting historical and genealogical research. I’m also skilled in digital archiving and have helped preserve and share local history through video digitization and online storytelling. In addition, I serve on the La Habra Centennial Committee, where I’ve contributed by sourcing over 70 historical photos for the upcoming Images of America book, identifying homes that are 100 years or older, and assisting the Historical Museum with digitizing HDV camcorder tapes to be featured at Historical Nights. Professionally, I served as a Customer Service Manager for nearly 10 years at Overnight Prints, a division of Farheap Solutions. I led cross-functional teams across California, Nevada, and Kentucky often working within a structure where departments were spun off into independent DBAs for tax and operational purposes. That role strengthened my leadership, training, and problem-solving skills, especially in fast-paced, high-pressure environments. I also bring firsthand knowledge of navigating public services for families, including special education, Regional Center supports, and child development programs. I’m tech-savvy, detail-oriented, and comfortable collaborating with diverse stakeholders to find practical solutions and find common ground.

I'm not seeking a title. I'm hoping for the opportunity to contribute in a meaningful way. I bring lived experience, a collaborative mindset, and a strong work ethic to everything I take on. It would be an honor to serve and help shape the next chapter of community services in La Habra, however I'm needed.

Civic Interests:	To make La Habra a place you want to spend your extra time and money at. I would like to see La Habra Blvd. become more like Birch St in Brea.
Do you possess any special skills?	Yes, I currently help with the Project Management side of the company I work at. This involves seeing a project from start to end. You have to see what steps need to be taken before the next step can proceed. You need to see a few steps ahead of a project so you can run interference if you start seeing things not proceeding like they should be to stay within a completion date.
Additional Comments:	I just want to see La Habra be the city we all know it should be.
