CONTRACTORS Δ MUNICIPAL Δ INDUSTRY

November 6, 2007

Greetings

Golden Triangle Pipe opened its doors in January 1978 to serve the water and waste water industry. Over the years we have strived to be the customer friendly supplier in southeast Texas. It is with great regret that we must inform you that we are ceasing operations.

We will still have an office staff to conclude our business and inventory to dispose of. We will not be doing business into the future. We appreciate all the support from you our customers and wish all the best going forward.

We will not be able to honor our contracts or yearly bids. However if you have any questions concerning invoices or payments please contact us at our Beaumont office (409-842-0044).

Thank you for all the great years we have enjoyed together.

At your service

Dan Webb, President
