Is the property in compliance? yes If no, please explain in the narrative of your request.

I, Ana Chavalo, do hereby submit this Petition in request for a reduction in the total amount of the penalty imposed and in support offer the following statement:

To whom it may concern:

I am writing to request a lien reduction. The lien amount is $190,300.00 for failed to repair the exterior walls, replace broken windows, unsecured doors etc. from property on August 22, 2014. The property was foreclosed in 2010. In 2010 I received a 30 day notice from the bank to move out of the property. I was not notified that the bank dismissed the case. The property has been vacant for the past 6 years. I recently received a letter from the core enforcement of Fort Pierce, letting me know that the property was in violation and that I needed to take care of the violation. The wall was repair, the house was painted, windows and door were secured. Lucks were changed. All was done within the time line required. Currently the property is in compliance within all the Fort Pierce codes. I am planning to improve the conditions of the property and then occupy the property.

Please accept my petition for lien reduction, unfortunally I cannot afford to pay the total amount of the property fees due to my low income and my household expenses. I am willing to provide with all the documents necessary to comply with the city of Fort Pierce.
