Subject: Blanket Cover Appl.

With reference to our telephone conversation regarding the *Blanket Covers,* these are Certificate of Plat and Utility Status applications that are submitted to commissioners court once a Subdivision has received final approval.

The blanket cover basically covers all lots in a Subdivision with regard to verifying the compliance with the Subdivision regulations instead of each lot owner coming forth after the fact and filling at individual certificates which would state the same thing.

If you have any questions or require additional information please do not hesitate to contact me.
