RE: Dike Paving Improvement Project

Ladies and Gentlemen:

On March 18, 2010, the City received ten (10) bids for the above referenced project. Each bid was checked for mathematical errors and/or bid irregularities. Stewart Builders, Inc.'s bid was deemed irregular and was not considered. In addition, errors were discovered in Metro City Construction, L.P.'s and W.T. Byler Co., Inc.'s bid. The low, responsible bid was \$4,093,310.00 submitted by SER Construction, Inc. The contractor has been researched and deemed qualified to perform the project. Please find Claunch & Miller's attached letter of recommendation.

I recommend that this project be awarded to SER Construction, Inc. for their total bid amount, and that the Mayor be authorized to execute a contract on behalf of the City Commission. I further recommend that the Mayor be authorized to approve change orders, not to exceed 25% of the contract amount, without bringing the matter before the Commission.

Sincerely
