RE: PUMP STATION A ROOF PROJECT

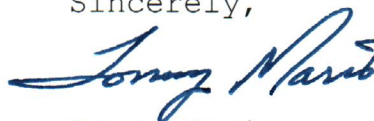

Ladies and Gentlemen:

On March 11, 2011, the City received bids for REPLACEMENT OF THE ROOF AT Pump Station A.

F. W. Walton, Inc. submitted the low bid of \$109,277. A tabulation of bids is attached for your review.

Public Works recommends the City Commission award the project to F.W. Walton, Inc. for the amount bid and authorize the Mayor be authorized to execute a contract on behalf of the City Commission. Public Works also asks that the Mayor be authorized to approve and execute change orders, not to exceed 25% (in the aggregate) of the contract amount. Funding is provided in the City Budget for the project.

Sincerely,

Tommy Maris
Public Works Department
Project Administrator
