

Justification

The current definition of a junked vehicle does not include RV's, trailers, and other pull-behind equipment that has fallen into disrepair and is being left on property to further deteriorate where it is visible from a public place or the public right-of-way and initiating code complaints.

This negative activity is detrimental to the safety and welfare of the general public, tends to reduce the value of private property, invites vandalism, creates fire hazards and constitutes an attractive nuisance creating a hazard to the health and safety by attracting and harboring rodents and snakes in neighborhoods. Furthermore, it is detrimental to the economic welfare of the city by producing urban blight adverse to the maintenance and continuing development of the city, and is a public nuisance.
