The following is a summary of our bid evaluation:

1. Bid Tabulation Sheet – Five (5) construction firms participated in the bidding process. The bids were checked for mathematical errors and/or bid irregularities.
2. The bids for the project are as follows:

Qualifications – After our review of the qualifications of the bidders to perform the work, we offer the following recommendations to the City. Tanksco, Inc. provided a list of qualifications and references with their bid. Tanksco, Inc. has recently completed several similar projects for local area municipalities. Tanksco, Inc. appears to be a qualified firm and should be able to complete the specified work in a satisfactory manner. For these reasons, we recommend that the City of Texas City award the Rehabilitation of the Non-Potable Water Hydro Tank to **Tanksco, Inc. for a total amount of \$66,910.00.**
