---

### WHO WE ARE

The Baby Stewart Foundation is a 501c3 founded by Darnell & Ashley Stewart following the death of their 3 1/2 month old son, Carylton "CJ" Stewart Jr.

### WHAT WE DO

The Baby Stewart Foundation is a safe, encouraging, nonjudgmental environment to support women, men, and families with pregnancy, babies, and infants.

### WHY WE DO IT

On August 6, 2015, CJ Stewart died after being left alone in a hot vehicle. Although accidental, we found that we are not alone in this. Every year, 37 babies die as a result of being left alone in a hot vehicle for an extended time. We want to shed light on this epidemic and positively impact the community by reaching out to families who have lost a child, provide families with car seats and baby items, and support females during pregnancy.
