Dear Mr. Haralson:

On December 12, 2023, three (3) bids were received for the above referenced project. The project involves rehabilitation of approximately 3,100 L.F. of existing $112^{"} \times 75^{"}$ corrugated metal arch pipe with a geopolymer liner. Following is a summary of our bid evaluation:

1. <u>Bid Tabulation Sheet</u> – Three (3) construction firms participated in the bidding process. The bids were checked for mathematical errors and/or bid irregularities. The bids for the project are as follows:

Bidder	<u>Total Bid</u>
PM Construction & Rehab, LLC.	\$ 2,109,450.00
Vortex Lining Systems	\$ 2,748,800.00
Lewis Concrete Restoration	\$ 3,128,250.00

 Qualifications and References – PM Construction & Rehab, LLC submitted a List of Qualifications and references for this project. ARKK has reviewed the documentation and their experience appears to be in line with this project's requirements. PM Construction & Rehab, LLC has worked on several projects of similar nature in and around the Greater Houston area. PM Construction & Rehab, LLC has indicated they have the personnel and experience to complete the work in a timely manner.

Purchase and Replacement of Clarifier Drive at the Wastewater Treatment Plant **Submitted For:** Mike McKinley, Public Works **Submitted By:** Mike McKinley, Public

Works

Department: Public Works

Information

ACTION REQUEST

Approve the purchase of parts and labor to replace the clarifier drive at the Wastewater Treatment Plant.

BACKGROUND (Brief Summary)

This gear drive unit runs the entire clarifier, and the current unit is near its end of life. By replacing it now, this will eliminate the need to take the clarifier out of service for an extended period of time, keeping the City in compliance with our TCEQ Effluent Permit.

The total price, including parts and labor, is \$130,000.00. Funding for this project is available in the maintenance account (501-703-53440) for the Waste Water Treatment Plant.

The quote and sole source letter are attached for your review.

RECOMMENDATION

It is the recommendation of the Public Works Department that the City Commission approve this purchase.

Thank you.

Resolution 2024-011 regarding Gulf Coast Transit Services provided in Texas City limits and payment therefor

Submitted For: Kim Golden, Transportation and Planning

Submitted By: Veronica Carreon, Transportation and Planning

Department: Transportation and Planning

Information

ACTION REQUEST

Consider and take action on Resolution 2024-XX, regarding Gulf Coast Transit Services provided in Texas City limits and payment therefor.

BACKGROUND (Brief Summary)

The Gulf Coast Transit District (GCTD) is providing transit services for the citizens and residents of Texas City in accordance with the terms of a contract which has expired. GCTD has not yet presented an updated contract or requested an extension of the expired contract, but is continuing to provide services in accordance with its terms. Texas City desires the Gulf Coast Transit Authority to continue to provide transit service within the city limits of Texas City and has approved funding in accordance with the expired contract in the FY 2024-2025 budget.

RECOMMENDATION

Staff recommend the City Commission of the City of Texas City, Texas authorize the continued payment for transit services as provided in the expired contract until such contract is extended or replaced with a new contract approved by the City Commission. Such payments are to be made from the funds approved in the FY 2024-2025 budget.

RESOLUTION NO. 2024-011

A RESOLUTION STATING THE DESIRE OF THE CITY OF TEXAS CITY TO CONTINUE TO UTILIZE GULF COAST TRANSIT AUTHORITY TO PROVIDE TRANSIT SERVICE WITHIN THE CITY LIMITS OF TEXAS CITY; AND PROVIDING THAT THIS RESOLUTION SHALL BECOME EFFECTIVE FROM AND AFTER ITS PASSAGE AND ADOPTION.

WHEREAS, The Gulf Coast Transit District is providing transit services for the citizens and residents of Texas City in accordance with the terms of a contract which has expired; and

WHEREAS, Gulf Coast Transit District has not yet presented an updated contract or requested an extension of the expired contract, but is continuing to provide services in accordance with its terms; and

WHEREAS, the City of Texas City desires the Gulf Coast Transit Authority to continue to provide transit service within the city limits of Texas City and has approved funding in accordance with the expired contract in the FY 2024-2025 budget.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF TEXAS CITY, TEXAS:

SECTION 1: That the City Commission of the City of Texas City, Texas authorize the continued payment for transit services as provided in the expired contract until such contract is extended or replaced with a new contract approved by the City Commission. Such payments are to be made from the funds approved in the FY 2024-2025 budget.

Approval of revised Meeting Room and Study Room Policy for Moore Memorial Public LibrarySubmitted For:Cheryl Loewen, LibraryDepartment:Library

Information

ACTION REQUEST

Consider approving an updated policy for the use of the study rooms and meeting rooms at Moore Memorial Public Library.

BACKGROUND (Brief Summary)

The current Study Room Policy was written and approved in the Fall of 2019, while the library was closed for renovation and before the rooms were in use. This policy does not differentiate between the two study rooms and the two meeting rooms that were added during the renovation. Over the last two years it has become clear that the two types of rooms are used for very different purposes, and therefore need different guidelines. The proposed policy includes some general information, a section for Study Rooms and a separate section for Meeting Rooms. There is also an application to be completed by any group that wishes to reserve one of the meeting rooms.

The proposed policy and the accompanying application form were unanimously approved by the Board of Library Trustees at their regular meeting on January 8th, 2024.

Copies of the current policy, the proposed policy, and the application form are attached.

RECOMMENDATION

I recommend that the proposed Meeting Room and Study Room Policy for Moore Memorial Public Library be approved.

Excessive damage or destruction to the Study Room will result in permanent loss of Study Room privileges.

(The Director or his/her designee reserves the right to make changes to any library policy or procedure as the need arises for health, safety and public interest concerns.)

City Of Texas City Moore Memorial Public Library Meeting Room and Study Room Policy Approved by the City of Texas City Commission (date)

Introduction

Moore Memorial Public Library welcomes public use of its meeting facilities in keeping with the library's mission "to create a community of life-long learners in which all citizens share equally in the opportunities to increase skills, knowledge and understanding in all fields, regardless of wealth, race, age or cultural background."

The Meeting Room and Study Room Policy establishes guidelines and procedures for the use of the library's meeting facilities. Use of the Library's meeting rooms by any group or individual signifies acceptance of the terms of the Library's meeting room policies. Failure to follow the guidelines below could result in losing meeting room privileges.

General Information

The Walter Holland Room at Moore Memorial Public Library (MMPL) is reserved for library events and library sponsored programs only. The library has two smaller meeting rooms available for use by individuals and organizations for the purpose of educational, cultural, or charitable meetings or programs. Two study rooms are also available upon request. Meeting and study rooms are available only on days and during hours the library is scheduled to be open to the public and must be vacated at least 15 minutes before the library closes. Individuals using Library Study Rooms or Meeting Rooms must adhere to the Library's Patron Code of Conduct.

Exceptions to the guidelines listed in this policy may be considered by the Library Director.

ACTION REQUEST

Approve and award a contract for Bid # 2024-439 Lago Mar 24 Inch Force Main Phase - 1 and Lago Mar East Offsite 16 Inch Force Main - Phase 2 Project.

BACKGROUND (Brief Summary)

On November 2, 2023, the Notice To Bidders was emailed to the local area newspaper and published on November 7, 2023 and November 14, 2023. Bid packets were made available via CivCast.com and bids were received and opened on December 12, 2023, at 11:00 AM. The bids were read aloud at that time.

Icon GC, LLC submitted the lowest bid at \$6,747,000.00, but, per section 16 of the General Instructions to Bidders, failed to include the requisite 10 project references of similar nature and cost. Therefore, we find the second-lowest bidder, T Construction, LLC., to be the most advantageous bidder for the City, with a base bid price of \$7,977,453.00.

Funds are made available for this project are made available via the City of Texas City 2023 / 2024 Annual Budget.

A letter of recommendation and bid tabulation are attached for your review.

RECOMMENDATION

It is the recommendation of the Public Works Department and Engineering Department to award bid number 2024-439, to T Construction, LLC., in Houston, TX, for the total amount \$7,977,453.00 and that the Mayor be authorized to execute a contract on behalf of the City Commission. It is further recommended that the Mayor be authorized to approve change orders, not to exceed 25% of the total contract price, without taking the matter before the City Commission.

Thank you.

Re: Lago Mar 24-Inch Force Main – Phase 1 and Lago Mar East Offsite 16-Inch Force Main – Phase 2A City of Texas City Sanitary Sewer Impact Fees TIN No. 17460023843

Dear Mr. Haralson:

Bids were received for the referenced contract in the City of Texas City offices on December 12, 2023 at 11:00 AM. Bids were publicly opened and read at that time.

Eight contractors submitted proposals for this work. A summary tabulation of the bids is enclosed for your review. Icon GC, LLC Inc submitted the lowest base bid in the amount of \$6,747,000.00.

Per section 16 of the General Instructions to Bidders, any bid in which the prices are obviously unbalanced may be considered irregular. T Construction, LLC submitted the second lowest base bid in the amount of \$7,977,453.00, which is \$1,230,453.00 (18%) higher.

Per Section 11 of the General Instructions to Bidders, contractors must include 10 projects of similar nature and cost in their statement of qualifications. Icon GC, LLC has been in business for 13 months and their statement of qualifications does not include the requisite 10 project references of similar nature and cost. The reference projects completed by Icon GC, LLC are predominantly paving and drainage improvements with a maximum contract value of \$2,658,928. Icon GC, LLC also included projects in their statement of qualifications that were completed by another contractor for which the owner of Icon GC, LLC was formerly a co-owner. These projects were not considered because they were not completed by Icon GC, LLC.

We find T Construction, LLC to be the most advantageous bidder for the City. We have worked with T Construction, LLC in the past and find them to be an acceptable contractor. We recommend the referenced contract be awarded to T Construction, LLC on the basis of their Base Bid proposal in the amount of \$7,977,453.00 with a substantial completion period of performance of 180 calendar days.

- RE: Recommendation for Award of Contract Lago Mar 24-inch Force Main – Phase I

The Lago Mar 24-inch Force Main – Phase I is one of the projects in the approved 5-year Capital Improvement Plan approved by the City Commission in 2022. Construction of the project will be funded from sewer impact fees collected in Zone 2 as provided in the approved plan.

The Lago Mar East Offsite 16-inch Force Main – Phase 2A is a developer/MUD funded project which is being combined with the 24-inch force main project for efficiency and to reduce disruption to the neighborhoods where the force mains are being installed.

I have reviewed the letter dated January 8, 2024 from David Olf, P.E., and concur in the recommendation to award the construction contract to T Construction, LLC as the lowest qualified and responsive bidder.

I also concur in the recommendation to reject the bid of Icon GC, LLC as non-responsive because it is too low and because Icon GC, LLC, is a very new company which lacks experience with projects of this size and complexity.

Please let me know if you have any questions or would like to discuss these recommendations further.

Mr. Jack Haralson Director of Public Works City of Texas City 7800 Emmett F. Lowry Expressway Texas City, Texas 77591

Re: Letter of Recommendation for 7th Avenue Drainage Improvements Project - Package 2 CDBG DR – GLO Contract No. 22-085-017-D253 BID #2024-441 City of Texas City ARKK Job No. 22-012

Dear Mr. Haralson:

On December 12, 2023, eight (8) bids were received for the above referenced project. This project involves the rehabilitation of the storm sewer system along 7th Ave. N from 29th Street N to N Logan St. (25th Street N). Rehabilitation includes removal of approximately 2,000 linear feet of corrugated metal arch pipe and replacement with approximately 2,500 linear feet of reinforced concrete boxes, reconstruction of the asphalt street with 6,000 square yards of concrete pavement, and relocation of 1,500 linear feet of 8" water line from the south side of 7th Ave. N to the north side. This project also includes the installation of junction boxes, inlets, culvert replacements and ditch regrading. Following is a summary of our bid evaluation:

1. <u>Bid Tabulation Sheet</u> – Eight (8) construction firms participated in the bidding process. The bids were checked for mathematical errors and/or bid irregularities. The bids for the project are as follows:

Bidder	Total Base Bid
Carter Construction, LLC	\$5,079,225.00
Lucas Construction Company, Inc.	\$5,363,584.00
Icon General Construction, LLC.	\$5,919,532.00
TB Concrete Construction, Inc.	\$6,014,395.00
Harper Brothers Construction	\$6,055,269.00
Teamwork Construction	\$6,194,401.00
Tandem Services, LLC.	\$6,437,512.00
SER Construction, LLC	\$6,464,655.00

7322 Southwest Fwy Suite 1040 • Houston, TX 77074 • (713)-400-ARKK • www.arkkengineers.com • TX PE Firm No. 13872

2. <u>Qualifications and References</u> – Carter Construction, LLC submitted a List of Qualifications and References for this project. ARKK has reviewed the documentation and their experience appears to be in line with this project's requirements. Carter Construction, LLC has experienced staff who have previously completed the City of Texas City's 2022 American Rescue Plan Act's Drainage Improvement Project. Carter Construction, LLC completed that project successfully and in a timely manner. Carter Construction, LLC has indicated that they have the personnel and experience to complete the work in a timely manner.

Carter Construction, LLC appears to be a responsible firm that is capable of performing the specified work in a satisfactory manner. For these reasons, we recommend that the City of Texas City award the 7th Avenue Drainage Improvements Project - Package 2 to Carter Construction, LLC for a total amount of \$5,079,225.00.

If you have any questions, please contact me.

Sincerely,

ARKK ENGINEERS, LLC
