SECTION 3 BUSINESS CERTIFICATION AND NARRATIVE

For Applicable City of Texas City Programs and Projects

Section 3 is a provision of the Housing and Urban Development Act of 1968. Section 3 is intended to ensure that when employment or contracting opportunities are generated because a federally funded project necessitates the employment of additional persons or the awarding of contracts for work, preference must be given to low - and very low-income persons or business concerns residing in the community where the project is located. Section 3 applies to the department as a recipient of HUD funds for any projects, in which the HUD investment is \$200,000 or more, and contractors or subcontractors receiving \$100,000 or more in covered funds.

PURPOSE

The purpose of this Plan is to provide employment and business opportunity for businesses and lower income persons who are residents of the Texas City - Houston, Sugarland, and Woodland MSA referred to as the Section 3 Area under the Community Development Block Grant Program, by setting forth procedures to be implemented by contractors and subcontractors to assure compliance with Section 3 of the Housing and Urban Development Act, as defined in 24 CFR part 135 (for project receiving federal assistance of \$200,000 or more or contracts for covered projects receiving \$100,000 or more).

RACE AND GENDER NEUTRAL - Section 3 is both race and gender neutral. The preferences provided under this regulation are based on income level and location.
