WHEREAS, the proposed development plans include the formation of one or more special districts, and

WHEREAS, the City wishes to perform due diligence and obtain consulting and legal services to evaluate the proposed development; and

WHEREAS, the Developer has agreed to reimburse the cost to the City of the consulting and legal services necessary to review and evaluate the feasibility of the proposed development, including the proposed formation of the special districts and the preparation and review of agreements between the City and the Developer regarding the development of the Property and use of special districts associated with the development of the Property; and

NOW THEREFORE, consistent with the request of the City, the undersigned declare their interest in pursuing the proposed development, and stipulate and agree as follows:

The Developer acknowledges that it must obtain separate approval from the City Commission and this agreement shall not serve as any approval, consent, waiver, or as the basis for any estoppel.
