Dear Mr. Aven,

Alfa Laval Inc. is pleased to offer its proposal on new upgrade replacement parts and site machine reconditioning for the above referenced location. Alfa Laval's experience in designing and building new belt filter presses and repairing/rebuilding earlier model belt filter presses, can only enhance our position in offering the services and parts needed to provide additional years of service to your Alfa Laval Klampress.

Alfa Laval started its "Rebuild Program" to provide customers with "today's technology" on earlier model belt filter presses as an alternative to purchasing new replacement equipment. For nearly thirty years, Alfa Laval has completed rebuild projects consisting of partial site repairs, complete site machine reconditioning, complete factory machine reconditioning, partial factory machine reconditioning and site machine upgrades.

Equipment on these projects included Bellmer Winklepresses (German), English Belt Filter Presses, Alfa Laval's MKII & Type 85 Klampresses, and other Belt Filter Presses.

All parts supplied by Alfa Laval for reconditioning your machines shall meet Alfa Laval's latest O.E.M. design standards. All parts will be made to Alfa Laval's standard level of quality under ISO2001:2015 certified procedures. All labor shall be performed by qualified Alfa Laval trained service technicians who are experienced in the disassembly/reassembly of the Klampress.

Scope of Supply:

Recondition one (1) Klampress Type 85 Size 3 (2.0 meter) belt filter press at job site. Alfa Laval's scope for reconditioning the Klampress includes using only new O.E.M. (Original Equipment Manufacturer) parts, labor for removal/installation and inbound freight charges.

Alfa Laval shall be responsible for the removal and installation of Klampress replacement parts. Estimated down time for disassembly/reassembly of the Klampress is 12-14 extended working days at 10-12 hours per day, including weekend work.

Klampress Type 85 Size 3 (2.0 meter) Reconditioning: The list below details the parts and services provided for the Klampress reconditioning.

<u>QUANTITY</u>	<u>DESCRIPTION</u>
(1) Lot	New upper and lower dewatering filter belts.
(1)	Complete set of new 2 9/16" stub shaft/forged end rollers consisting of the following: <ul style="list-style-type: none">(2) Belt guide retrofit assemblies (replaces 4" rollers)(7) 8" Plain rollers (steering/guide)(2) 12" Drive rollers(4) 12" Plain pressure rollers(1) 18" Plain pressure roller(1) 24" Perforated roller
	Drive rollers shall be coated with ¼" Buna-N rubber. Perforated roller shall be fabricated from 316 stainless steel. All other rollers coated with 30 mils of thermoplastic nylon .
(30)	New Alfa Laval 2 9/16" bearing housing assemblies. New Alfa Laval bearing assemblies consist of housing, triple labyrinth seal, bearing with steel bronze machined cage, 316 stainless steel hardware and taper lock nut assembly. Housings will be nylon coated for maximum protection against corrosion. Housing shall have a triple labyrinth seal for superior sealing against contaminants. Greasing intervals every 6 months.
(1) Lot	New 316 stainless steel mounting hardware for bearing assemblies.
(1) Lot	New retrofit 316 stainless steel upper and lower washbox assemblies with adjustable side panels. Includes mounting brackets, wash tube spray showers, and UHMWPE mounting blocks.
(1)	Retrofit existing platform mounted drive to dual shaft mounted drive units (Eurodrive KA87). Note: Customer shall disconnect existing wiring/conduit and connect all electrical wiring/conduit to the new motor.
(2)	New 316 stainless steel hydraulic steering valves and paddle assemblies with ceramic wear pads.
(1)	New 316 stainless steel hydraulic tensioning valve.
(4)	New fiberglass steering and tensioning cylinders. New hydraulic cylinders shall have fiberglass outer casing, laminated phenolic heads, stainless steel tie rods and 316 stainless steel piston rods.

<u>QUANTITY</u>	<u>DESCRIPTION</u>
(4)	New steering pivot plate assemblies fabricated from A-36 carbon steel and hot-dip galvanized, with UHMWPE pivot bushings.
(2)	New upper and lower tension bars for hydraulic cylinders. New tension bars fabricated from A-36 carbon steel then hot-dip galvanized.
(1)	New single stage hydraulic retrofit lid assembly for control of the automatic steering and tensioning systems on the belt press. Lid assembly shall be mounted on customer's existing 20-gallon reservoir. Lid assembly will include new hydraulic lid, filter, pump/motor assembly, 316 stainless steel tubing, neoprene tank gasket, low pressure switch and 20 gallons of hydraulic oil. Note: Customer shall disconnect existing wiring/conduit and connect all electrical wiring/conduit to the new motor/pressure switch.
(1) Lot	New press mounted electrical components consisting of: <ul style="list-style-type: none">(1) No cake limit switch.(2) Belt misalignment limit switches.(2) Belt breakage limit switches.(1) Emergency-stop trip cord switch.(1) NEMA-4X stainless steel junction box assembly.
(1)	New neoprene rubber flap on reversal roller guard.
(2)	New discharge end scraper blades fabricated from UHMWPE.
(1)	New wedge section scraper blade fabricated from UHMWPE.
(1) Lot	New poly wear bars (UHMWPE) for the upper and lower grid weldments.
(2)	New gravity section cross members fabricated from A-36 carbon steel then hot dipped galvanized.
(51)	New chicane assemblies with galvanized carbon steel chicane castings and UHMWPE chicane blades.
(1) Lot	New rubber seals on washboxes, gravity and wedge section sludge restrainers.
(1) Lot	New tension yoke bearings fabricated from A-36 carbon steel and hot-dip galvanized with Teflon sleeves at the pivot point.
(1) Lot	Site labor for disassembly/assembly.
(1)	Inbound freight charges. Off-loading at site by others.

Total Sell Price for one (1) Klampsess Reconditioning,
F.O.B. Origin with freight allowed to jobsite.

Pricing Breakdown

Parts & Freight	\$ 186,677.00
Site Services	\$ 72,149.00
Total	<u>\$ 258,816.00</u>

Purchase Order to be made out to "Alfa Laval Inc." **with above breakdown pricing.**

Adder:

Notes: Adder cost is in addition to the above listed pricing.

New Belt Filter Press Main Control Panel (Qty. 1)

The Belt Filter Press (BFP) Main Control Panel (MCP) will be designed, based on the original panel design. It will be powered from a 480 VAC power source, supplied by others. IEC style motor starters will be supplied for the hydraulic pump and washwater pump, with Allen Bradley PowerFlex style VFD for the belt drive. All other starters / controllers, and 120 VAC power for the polymer system, will be supplied by others.

The BFP Control Panel will be a NEMA 4X 316 Stainless Steel enclosure. The controls for the BFP and ancillary equipment will be manually controlled. START/STOP pushbuttons with RUNNING status lights will be provided for control of the washwater pump/valve, the hydraulic pump, and the belt drive. Speed control and speed indication will be provided for the belt drive. Operator interface will be accomplished using Allen Bradley, Type 800H pilot devices. All logic will be performed via relays and timers, with NO network communication capabilities.

Main Control Panel Installation Shall Be By Others.

Start-Up Service

Start-up services shall be provided. Alfa Laval will provide one trip for up to (5) five days to perform Panel check-out/startup/training. During the trip, the sequence of operations will be verified.

Total Adder Sell Price: \$ 47,327.00

Terms and Conditions:

Shipment of parts to reconditioning the Klampsess can be made within 18-20 weeks after receipt of Purchase Order. Invoice(s) are due after receipt of parts on site and/or after completion of site work. **Payment terms are 100% Net 30 days. Alfa Laval's "Terms and Conditions of Sale" are enclosed and apply in their entirety.**

Customer shall be responsible for offloading of belt press parts (crates) at job site and placing crates in the work area adjacent to the machine where work will be performed. Customer shall be responsible for disposing of all crating material and all old parts and movement of any obstructions, as needed, to gain full access to the machine (i.e. elevated catwalk, odor hood, etc.).

Prior to Alfa Laval service technician's arrival at site, customer to remove belts and washdown machine to remove any process build-up in the gravity/wedge drainage sections and drain pans.

All local motor disconnect devices and/or local motor lockouts that may be required by a governing electrical code shall be provided and installed by others.

Alfa Laval will warrant, unless otherwise indicated, the new parts, of its own manufacture, for a period of (1) one year from date of delivery. Alfa Laval's obligation under this warranty being limited to repairing or replacing, at its option, any part found to its satisfaction to be so defective, provided that such part is, upon request, returned to Alfa Laval's factory, freight prepaid. This warranty does not cover parts damaged by decomposition from chemical reaction or wear caused by abrasive materials, nor does it cover damage resulting from misuse, accident, neglect, or from improper operation, maintenance, modification or adjustment.

The quoted prices do not include any bonding, local, state or federal taxes, permits or other fees. Any bonding, taxes or fees that may apply must be added to the quoted price and paid by the buyer. This proposal is offered for acceptance within sixty (60) days from date of quotation. Prices are subject to review thereafter. Prices are firm, based upon receipt of Letter of Intent or Purchase Order and notice to proceed within this sixty (60) day period.

We wish to thank you for the opportunity to provide this rebuild proposal. Should you have any questions, please feel free to contact Ross Locklin @ (346) 366-5909.

Best regards,

Ross Locklin

Ross Locklin
SE Regional Manager – Water Separation Sales

TERMS AND CONDITIONS OF SALE

These Terms and Conditions of Sale ("Terms and Conditions") apply to all quotations, orders, and contracts for Alfa Laval Inc. products (hereafter "Equipment") and associated services ("Services") As used in these Terms and Conditions, the word "Equipment" includes all hardware, parts, components, software and options.

1. **ACCEPTANCE:** Our sale to you is limited to and expressly made conditional on your assent to these Terms and Conditions and, if applicable, on the attendant quotation, both of which form a part of the contract between us and which supersede and reject all prior agreements, representations, discussions or negotiations, whether written or oral, with respect to this sale and any conflicting terms and conditions of yours, whether or not signed by you. Any terms and conditions contained in your purchase order or request for quotation or other form which are different from, in addition to, or vary from these Terms and Conditions are expressly rejected, shall not be binding upon us, and are void and of no force or effect. These Terms and Conditions may not be changed except by the written agreement of both parties.
2. **PRICES:** Unless otherwise specified in writing, all quoted prices are in U.S. Dollars and are firm for thirty (30) days from the date of offer. Prices quoted are exclusive of taxes, freight and insurance, and you agree to pay any and all sales, revenue, excise or other taxes (exclusive of taxes based on our net income) applicable to the purchase of Equipment. If you claim an exemption from any such taxes you shall provide us with a tax exemption certificate acceptable to the taxing authorities.
3. **DELIVERY; FORCE MAJEURE:** Dates for the furnishing of Services and/or delivery or shipment of Equipment are approximate only and are subject to change. Quoted lead times are figured from the date of receipt of complete technical data and approved drawings as such may be necessary. We shall not be liable, directly or indirectly, for any delay in delivery or failure to deliver caused by carriers or by labor difficulties, shortages, strikes or stoppages of any sort, or difficulties in obtaining materials from ordinary sources and suppliers. In addition, we shall not be liable for any such delays or for any failure to perform our obligations under an order or contract due to any one or more of the following events, whether foreseeable or not: war, hostilities, military operations, terrorism, riots, disorder, accidents, floods, storms, natural disasters, fires, acts of God, epidemics and/or pandemics (and specifically in relation hereto and notwithstanding anything else stated herein, whether or not outbreak of such epidemic or pandemic has occurred prior to acceptance of this order or execution of a contract for the Services), governmental, judicial or administrative decisions, decrees or orders, embargoes or blockades, or any causes beyond our reasonable control. Unless otherwise specifically agreed in writing by us, in no event shall we be liable for any damages or penalties whatsoever, or however designated, resulting from our failure to perform or delay in performing due to any of the causes specified in this paragraph 3.
4. **SHIPMENT, RISK OF LOSS, TITLE:** All sales are made F.O.B. Alfa Laval shipping point, unless otherwise noted. Duty, brokerage fees, insurance, packing and handling as applicable are not included unless otherwise noted. Our liability for delivery ceases upon making delivery of Equipment to the carrier at the shipping point in good condition. The carrier shall be your agent. Risk of loss shall pass to you upon such delivery. Regardless of the delivery term specified, we shall retain title to the Equipment until final payment thereof has been made.
5. **CREDIT AND PAYMENT:** Payment terms are thirty (30) days net, unless agreed otherwise by us in writing. *Pro rata* payments shall become due with partial shipments. Any discount period which may be granted by us begins on the invoice date and all payments are due 30 days after the invoice date. All payments shall be made without deduction, deferment, set-off, lien or counterclaim of any nature. All amounts due not paid within 30 days after the date such amounts are due and payable shall bear interest at the lesser of 1.5 percent per month or the maximum rate of interest allowed by law. We reserve the right at any time to suspend credit or to change credit terms provided herein, when, in our sole opinion, your financial condition so warrants. Failure to pay invoices when such invoices are due and payable, at our election, shall make all subsequent invoices immediately due and payable irrespective of terms, and we may withhold all subsequent deliveries until the full account is settled. We shall not, in such event, be liable for delay of performance or nonperformance of contract in whole or in part subsequent to such event. We shall have the right to deduct from or set off against sums due you any sums due and owing to us from you under any other order or contract between us.

"Klampress Proposal – Texas City"

6. **SECURITY AGREEMENT:** You hereby grant us a security interest in the Equipment, including a purchase money security interest, and in such materials, proceeds and accessories thereof, to secure payment of the purchase price of the Equipment. You authorize us to file or record a purchase order or copy thereof or any UCC financing statement showing our interest in the Equipment in all jurisdictions where we may determine filing to be appropriate, and you agree to sign all such documents reasonably related thereto promptly following our request. You will not encumber the Equipment with any mortgage, lien, pledge or other attachment prior to payment in full of the price therefor.

7. **CANCELLATIONS AND CHANGES:** Orders which have been accepted by us are not subject to cancellation or changes in specification except upon prior written agreement by us and upon terms that will indemnify us against all losses resulting from or arising out of such cancellation or change in specifications. In the absence of such indemnification, we shall be entitled to recover all damages and costs of whatever nature permitted by the Uniform Commercial Code.

8. **DEFERRED SHIPMENT:** If shipment is deferred at your request, payment of the contract price shall become due when you are notified that the Equipment is ready for shipment. If you fail to make payment or furnish shipping instructions we may either extend the time for so doing or cancel the contract. In case of deferred shipment at your request, storage and other reasonable expenses attributable to such delay shall be payable by you.

9. **EQUIPMENT WARRANTY AND REMEDY:**

(a) For new Equipment only, we warrant to you that the Equipment that is the subject of this sale is free from defects in design (provided that we have design responsibility), material and workmanship. The duration of this warranty is twelve (12) months from start-up or eighteen (18) months from delivery to you, whichever occurs first (the "Warranty Period"). If you discover within the Warranty Period a defect in design, material or workmanship, you must promptly notify us in writing. Within a reasonable time after such notification, we shall repair, replace, or, at our option, refund you the price of the defective Equipment or part thereof.

(b) For repairs, parts and Services provided by us, we warrant to you that the repairs, parts and Services we provide to you will be free from defects in material and workmanship. The duration of this warranty is ninety (90) days from as applicable (i) the date the Equipment which required the repairs, parts or Services is returned to you by us, (ii) the date of your receipt of the part, or (iii) the date of completion of the repair or other Services, if performed at your facility. If during this ninety day period you discover a defect in the repairs, parts or Services you must promptly notify us in writing and we shall correct such defect with either new or used replacement parts or reperform the Services as applicable. If we are unable to correct the defect after a reasonable number of attempts, we will provide a refund of the price paid for the defective repair, parts or Services.

(c) All warranty service is subject to our prior examination and approval and will be performed by us at your facility or at service centers designated by us. All transportation to and from the designated service center will be at our expense. The remedies set forth above are your exclusive remedies for breach of warranty. Unless otherwise agreed in writing by us, our warranty extends only to you and is not assignable to or assumable by any subsequent purchaser, in whole or in part, and any such attempted transfer shall render all warranties provided hereunder null and void and of no further force or effect.

(d) The warranties set forth above are inapplicable to and exclude any product, components or parts not manufactured by us or covered by the warranty of another manufacturer. We shall have no responsibility for defects, loss or damage to the extent caused by (i) normal wear and tear, (ii) your failure to follow all installation and operation instructions or manuals or to provide normal maintenance, (iii) repairs or modifications by you or by others not under our direct supervision, or (iv) a product or component part which we did not design, manufacture, supply or repair.

(e) **DISCLAIMER OF IMPLIED WARRANTIES.** THE WARRANTIES SET FORTH ABOVE AND IN SECTION 12 BELOW ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

10. **LIMITATION OF LIABILITY:** In no event shall we be liable, and you hereby waive any claims against us and release us from liability to you, for any indirect, special, punitive, incidental, or consequential damages whatsoever based upon breach of warranty, breach of contract, negligence, strict tort, or any other legal theory. In no circumstance, shall we be liable for, however such damages are characterized, loss of profits, loss of savings or revenue, loss of use of the Equipment or any associated equipment, cost of capital, cost of any substitute Equipment, facilities or services, downtime, or loss of prospective economic advantage. OUR AGGREGATE LIABILITY FOR FAILURE TO PERFORM, BREACH OF WARRANTY OR BREACH OF OTHER CONTRACTUAL OBLIGATIONS, NEGLIGENCE, STRICT TORT OR ANY OTHER LEGAL THEORY SHALL NOT EXCEED THE TOTAL PRICE PAID TO US FOR THE EQUIPMENT OR SERVICES THAT ARE THE SUBJECT OF ANY CLAIM BY YOU.

11. **OWNERSHIP:** All drawings, designs, specifications, data and other proprietary rights supplied by us (including without limitation in connection with the Equipment) have been prepared or assembled by us and are (and shall remain) exclusively our property, and upon our request you agree to execute any additional documents needed to give effect to the foregoing. Such drawings, designs and specifications have been furnished in order to provide full documentation and on the condition that they shall not be disclosed, reproduced or copied in any manner whatsoever, in whole or in part, except for your internal use as necessary, and upon the further condition that, as our sole property, they shall not be used for furnishing information and/or disclosed, in whole or in part, to others or otherwise for any purpose not specifically authorized in a writing signed by one of our corporate officers.

12. **PATENT INFRINGEMENT**

(a) We make no express or implied warranties of non-infringement with respect to the Equipment. We will, however, defend, indemnify and hold you harmless from any third party apparatus claims based upon an issued U.S. patent to the extent such claim relates to the Equipment supplied and sold to you; provided, however, that we undertake no indemnification in respect of third-party rights (i) where the alleged patent infringement is based upon or related to any method, process or design claims in third-party U.S. patents, any combination of the Equipment with other equipment not supplied by us, or any modifications of the Equipment made by you and not approved by us, or (ii) to the extent the alleged infringement is directly attributable to the negligence or intentional misconduct of you or otherwise for which you are obligated to indemnify us for under paragraph 12(c).

(b) We shall assume defense of a claim at our expense in accordance with these Terms and Conditions, provided you shall notify us within 30 days of your receipt of notice of an alleged third-party claim that you believe would entitle you to patent infringement indemnification pursuant to paragraph 12(a). You acknowledge and agree that we shall have the sole right to settle or otherwise compromise such a third-party claim, including but not limited to the right to either (i) modify the Equipment to avoid infringement if you are agreeable to the modification, (ii) repurchase the Equipment from you at a price equal to the then-current fair market value of the Equipment, or (iii) secure rights by assignment or license to permit continued use of the Equipment.

(c) If a third party charges us with patent infringement relating to Equipment sold by us to you, we shall have the right to either (i) modify the Equipment to avoid infringement if you are agreeable to the modification, (ii) repurchase the Equipment from you at a price equal to the then-current fair market value of the Equipment, or (iii) secure rights by assignment or license to permit continued use of the Equipment. If a third party charges us with patent infringement on the bases set forth in paragraph 12(a)(i) or (ii), you shall indemnify and hold us harmless for all expenses as well as any awards of damage assessed against us, and, without limiting any of our other rights and remedies available at law or in equity, we shall also have the right to modify or repurchase the Equipment or to secure rights for continued use by way of assignment or license as set forth in this paragraph.

13. **INSPECTION:** Upon prior written notice, you may make reasonable inspections of Equipment at our facility. We reserve the right to determine the reasonableness of the request and to select an appropriate time and location for such inspection. You agree to execute appropriate confidentiality provisions upon our request prior to visiting our facility. All costs of inspection shall be solely determined by us and shall be payable by you. No inspection or expediting by you at the facilities of our suppliers is authorized.
14. **SOFTWARE PROVISIONS:** If software is provided hereunder (whether such is integrated into the Equipment or otherwise operates alongside the same), you are hereby granted a non-exclusive, non-sublicensable, non-transferable, royalty free license to access and use such software as provided and as intended with our Equipment. Without limiting the foregoing, under the foregoing license you may specifically: (i) use our software in machine readable object code only and only with the Equipment provided; (ii) copy our software into any machine readable object code form solely for back up purposes in support of your use of our software on the Equipment provided in accordance with these Terms and Conditions; and (iii) create one additional copy of the software for archival purposes only. This license may only be assigned, sublicensed or otherwise transferred by you with our prior written consent. You hereby recognize and acknowledge that the software provided to you hereunder comprises valuable trade secret and/or copyright property of Alfa Laval (or its licensors) and you covenant that you will take adequate precautions against access to the software by, or disclosure of the software to, anyone not authorized hereunder to use or have access to the software as contemplated herein. The software is subject to the confidentiality obligations set forth below in paragraph 15.
15. **CONFIDENTIALITY:** Subject to any non-disclosure or confidentiality agreement already in effect between us, any drawings, data, software or other information exchanged between us is proprietary or confidential to us and shall not be used or disclosed by you without our prior written consent. Confidential information shall not be any information that (i) is known previously to you under no obligation of secrecy; (ii) becomes known to the public through no breach of an obligation of secrecy by you; or (iii) is independently developed by you without use or reference to any of the confidential information or materials provided to you by us.
16. **INAPPLICABILITY OF CISG:** The parties specifically agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to any sale or order or the contract between us.
17. **GOVERNING LAW & VENUE:** These Terms and Conditions and any dispute or claim arising out of or related to an order or the contract between us shall be finally decided in accordance with the laws of the Commonwealth of Virginia, without giving effect to the provisions thereof relating to conflict of laws. You agree that the venue for any such dispute shall lie in the United States District Court for the Eastern District of Virginia, Richmond Division. In the event that federal jurisdiction cannot be established pursuant to 28 U.S.C. §§ 1331 or 1332, the venue for any such dispute shall lie in the Circuit Court of Henrico County, Virginia. You expressly submit and waive any objection to the sole and exclusive jurisdiction of such courts.
18. **GENERAL:** All previous agreements or understandings between us, either oral or written, with regard to the subject order, with the exception of a pre-existing non-disclosure agreement between us, are void and these Terms and Conditions constitute the entire agreement between us with respect to the matters addressed herein. Neither of us shall assign an order or contract to which these Terms and Conditions apply without the prior written consent of the other party, which consent shall not be unreasonably withheld. If any provision of these Terms and Conditions is held to be invalid or unenforceable, such holding shall not affect the validity or enforceability of any other provision herein. No waiver by either of us or any default or breach by the other party will operate as or be deemed a waiver of any subsequent default or breach.

To Whom it may Concern,

Alfa Laval Inc. (formerly Ashbrook Simon-Hartley Operations LP) is the Original Equipment Manufacturer (O.E.M.) of the Klampress Type 85 / 2.0 Meter (belt filter press) is the sole source authorized provider for all Original Equipment Manufacturer (O.E.M.) parts and service. Only Alfa Laval Inc. certified personnel are allowed to install parts in order to preserve the equipment warranty. Anyone who is not authorized by Alfa Laval to install the parts will subject the Klampress to be out of warranty.

Alfa Laval continues to develop and bring technology to our industry. Due to the sensitive nature of Alfa Laval's technology, our equipment and most replacement parts are either proprietary or patented, as each is designed specifically for your equipment, the application, and expected use, therefore, others cannot legally manufacture our equipment or offer Alfa Laval O.E.M. replacement parts and service.

Constant investment in reasearch and development, a commitment to quality, and improving our new equipment and our equipment currently in operation around the world, allows Alfa Laval to bring the latest developments in technology to our industry and clients. This includes patented or proprietary items such as chicanes, wedge adjustments, cylinders, hydraulic systems, bearing housings, rollers, steering and tensioning systems and so on. An illustration of this commitment is our quality assurance program. All parts are made to Alfa Laval's standard level of quality under ISO9001:2015 certified procedures.

Thank you for requesting this information and the opportunity to fully explain our commitment. If you have any questions, I can be reached at 713-882-1286.

Sincerely,
