ARTICLE V. RECALL

Sec. 1. General provisions.

Any member of the commission may be removed from office by recall. Any voter of the city may make and file with the city secretary an affidavit containing the name of any member of the commission whose removal is sought and a statement of the grounds for removal. The city secretary shall thereupon deliver to the voter making such affidavit, copies of petition blanks demanding such removal, printed forms of which the city secretary shall keep on hand. Such blanks shall be issued by the secretary with the city secretary's signature and official seal thereto attached; they shall be dated and addressed to the commission and shall indicate the name of the person to whom issued, the number of blanks so issued, and the name of the member whose removal is sought. A copy of the petition shall be entered in the record book to be kept for the purpose in the office of the secretary. If the Mayor or one of the at-large commissioners' removal is sought, the recall petition to be effective must be returned and filed with the secretary within thirty days after the filing of the affidavit, and it must bear the signatures of voters of the city to the number of at least fifty percent of the number of voters who cast their votes at the last preceding regular municipal election; provided, however, that the petition shall not be effective unless it bears the signatures of at least one hundred voters of the city.

If the removal of a district commissioner is sought the recall petition to be effective must be returned and filed with the city secretary within thirty days after the filing of the affidavit and bear the signatures of voters of said district in a number equal to at least fifty percent of the number of voters who voted in the district at the last preceding regular municipal election at which said district commissioner was elected; provided, however, the petition shall not be effective unless it bears the signatures of at least one hundred voters of the said district.

Sec. 2. Recall election ordered.

If a recall petition, or amended petition as defined in Article VIII, Section 3, shall be certified by the city secretary to be sufficient the city secretary shall at once submit it to the commission with the city secretary's certificate to that effect and notify the member whose removal is sought of such action. If the member of the commission whose removal is sought does not resign within five days after such notice, the commission shall thereupon fix a day for holding a recall election as provided in state law. Any such election shall be held not less than forty-five nor more than sixty days after the petition has been presented to the commission, and at the same time as any other special or general election held within such period; but if no such election is to be held within such period, the commission shall call a special election to be held within the time aforesaid.

In case of a recall election for a district commissioner, only qualified voters residing in the subject commissioner's district shall be eligible to vote in the recall election. (Ord. 19-31, passed 11-18-2019)

Sec. 3. Ballots in recall elections.

Ballots used at recall elections shall conform to the following requirements: For the member of the commission whose removal is sought, the question to be submitted shall be: "SHALL (name of person) BE REMOVED FROM THE COMMISSION BY RECALL?" With respect to the mayor if the mayor's removal is sought, the question shall be: "Shall (name of person) be removed as mayor by recall?" Immediately below such question there shall be printed on the ballots the two following propositions, one above the other, in the order here indicated:

"Against the recall of (name of person)"

"For the recall of (name of person)"

Sec. 4. Result of recall election.

If a majority of the votes cast on the question of recalling a member of the commission shall be against the member's recall the member shall continue in office for the remainder of the member's unexpired term, but subject to recall as before. If a majority of such votes be for the recall of the member indicated on the ballots the member shall, regardless of any defect in the recall petition, be deemed removed from office, and the member's place shall be filled in the manner prescribed in Article II, Section 4.

Sec. 5. Limitations on recall petitions.

No recall petitions shall be filed against a member of the commission within three months after the member takes office, nor, in respect to a member subjected to a recall election and not removed thereby, until at least six months after such election.

ARTICLE VIII. INITIATIVE, REFERENDUM AND RECALL PETITIONS

Sec. 1. Signatures to petitions.

The signatures to initiative, referendum or recall petitions need not all be appended to one paper, but to each separate petition there shall be attached an affidavit of the circulator thereof as provided by this section. Each signer of any petition paper shall sign his/her name in ink or indelible pencil and shall indicate after his/her name place of residence by street and number, or other description sufficient to identify the place. There shall appear on each petition the names and addresses of five voters of the city, and on each paper the names and addresses of the same five voters, who, as a committee of the petitioners, shall be regarded as responsible for the circulation and filing of the petition. The affidavit attached to each petition shall be as follows:

STATE OF TEXAS)

ss.

COUNTY OF GALVESTON)

_____ , being duly sworn, deposes and says that he/she, and he/she only, personally circulated the foregoing paper, that all the signatures appended thereto were made in his/her presence, and that he/she believes them to be the genuine signatures of the persons whose names they purport to be.

Signed _____ (Signature of Circulator)

_____

Notary Public

(or other officer authorized to administer oaths)

The foregoing affidavit shall be strictly construed and any affiant convicted of swearing falsely as regards to any particular thereof shall be punishable in accordance with existing law.

Sec. 2. Filing examination and certification of petitions.

All petition papers comprising an initiative, referendum or recall petition shall be assembled and filed, with the city secretary as one instrument. Within ten days after a petition is filed, the city secretary shall determine whether each paper of the petition is properly attested and whether the petition is signed by a sufficient number of voters. The city secretary shall declare any petition paper entirely invalid which is not attested by the circulator thereof as required by Article VIII, Section 1, of this Charter. Upon completing his/her examination of the petition, the city secretary shall certify the result of his/her examination to the commission. If the city secretary shall certify that the petition is

insufficient, the city secretary shall set forth in his/her certificate the particulars in which it is defective and shall at once notify the committee of the petitioners of his/her finding.

Sec. 3. Amendment of petitions.

An initiative, referendum, or recall petition may be amended at any time within ten days after the making of a certificate of insufficiency by the city secretary, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The city secretary shall, within five days after such an amendment is filed, make examination of the amended petition and, if the city secretary's certificate shall show the petition still to be insufficient, the city secretary shall file it in the city secretary's office and notify the committee of the petitioners of the findings and no further action shall be had on such insufficient petition. The finding of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose.

Affirmation of Planned Development District for the vacant and undeveloped parcels of the Hwy 66 Partners PUD established by Ordinance 09-27 and located at the southwest quadrant of the intersection of Emmett F Lowry and S. H. 3

ACTION REQUEST

Consider and take action on the Affirmation of Planned Development District for the vacant and undeveloped parcels of the Hwy 66 Partners PUD established by Ordinance 09-27 and located at the southwest quadrant of the intersection of Emmett F Lowry and S. H. 3

BACKGROUND (Brief Summary)

The City Commission receives this PUD Affirmation in an unusual posture because the site has already been rezoned and a good part of the mixed-use subdivision has already been developed. This action refers to the area commonly referred to the Mainland Medical Center at the southwest quadrant of the intersection of Emmett F. Lowry Expressway and SH 3, near the HCA Hospital. There is no question that a General Plan existed, was approved by the City and has been the basis for the development to date. Unfortunately, a copy of the Planned Development District cannot be located at this time. A document is needed to support the further development of the site consistent with the original intent and approved plan.

The City Commission approved the annexation of 248 acres into Galveston County Mud 66 by Metes and Bounds legal description attached thereto by Resolution No. 05-130 adopted on 11/02/2005. At that same meeting the City Commission also approved by Resolution No. 05-131, a Memorandum of Understanding (MOU) for the development of the 248 acres which included among other conditions the creation of a Planned Unit Development (PUD) governing the development of the Property.

Approximately two years later, on 08/15/2007 by Resolution No. 2007-101, the City Commission approved the execution of a Development Agreement with Highway 66 Partners in connection with the development of the 248 acres annexed into MUD 66 plus additional properties added subsequent thereto which made the total 310 acres. Article 4.02 required the Project to be developed as a Planned Unit Development (PUD) in accordance with the Zoning Code.

Through the approved MOU and Development Agreement, the entire PUD/Special District (MUD 66) project which includes the area which is commonly referred to as the Mainland Medical Center is required to have the amenities, sidewalks, connectivity package as presented and represented to the City at the time the project moved forward as part of a General Plan. The Costa Mariposa apartments, the VCA Mainland Animal Hospital, Quest Diagnostics, the Shoal Assisted Living Facility, and the Pearlbrook Subdivision were all developed in accordance with this approved General Plan.

Ordinance No. 09-27 permanently rezoned a portion of the acreage annexed into MUD 66 from District “A” (Single Family Residential) to District “I” (Planned Unit Development). The legal description attached to the ordinance included all of the area which have been developed by HWY 66 Partners and or Newcor Medical Partners, to date and generally referred to as the Mainland Medical Center. However, no copy of the Planned Development District was attached to the ordinance and no copy has been located in the City’s records or by the Developer. To facilitate the continued development of the area in accordance with the intent of the General Plan, the proposed Affirmation of Planned Unit District (PUD) is presented to memorialize the mutual understanding of the intended parameters for development of the area.

RECOMMENDATION

The Affirmation identifies the uses or combination of uses which may be planned, developed or operated as integral land use units on the property as part of the previously approved Planned Development District. The Affirmation as presented is consistent with the existing development and all of the information available to confirm the concept and intent of the original plan as presented to and approved by the City Commission. Developer has responded to all comments and staff offer no objection to approval of the PUD Affirmation. The Planning Board approved the Affirmation of Planned Development District for the Hwy 66 PUD at its regular meeting on August 4, 2025.

The Affirmation, as presented, is consistent with the existing development and all of the information available to confirm the concept and intent of the original plan as presented to and approved by the City Commission. The developer has responded to all comments, and staff offer no objection to approval of the PUD Affirmation. The Planning Board approved the Affirmation of Planned Development District for the Hwy 66 PUD at its regular meeting on August 4, 2025.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF TEXAS CITY, TEXAS:

SECTION 1: That the City Commission of the City of Texas City, Texas, approves the Affirmation of Planned Development District for the vacant and undeveloped parcels of the Hwy 66 Partners PUD established by Ordinance 09-27 and located at the southwest quadrant of the intersection of Emmett F Lowry and S. H. 3, in substantially the same form as **Exhibit "A"** attached hereto and made a part hereof for all purposes.

SECTION 2: That this Resolution shall be in full force and effect from and after its passage and adoption.

I. INTRODUCTION

This Affirmation of the PUD applies only to the Property identified in attached Exhibits A and B which Property has not yet been developed. The Property is part of the larger tract of property which was rezoned to District I Planned Unit Development by Texas City Ordinance No. 09-27. The purpose of this Affirmation is to identify the uses or combination of uses which may be planned, developed or operated as integral land use units on the Property as a part of the previously approved Planned Development District.

II. SITE INVENTORY ANALYSIS

A. Opportunities and Constraints

Similar to surrounding properties, the Subject Tracts are mostly flat with elevations ranging from approximately 12-13 feet above sea level on the northern side of the tract to 14 feet above sea level on the southern side of the tract. Existing physical constraints affecting development of the property Include the following:

- 55' Galveston County Drainage District No. 2 (G.C.C.F. No. 2000037094) adjacent to the southwest boundary of the property

B. Surrounding Land Use

Land uses in proximity to the Subject Tracts include medical offices, apartments and retirement homes. The tract Is adjacent to State Highway 3, a Texas Department of Transportation (TxDOT) managed 4-lane roadway. A median opening exists at the center of the frontage of the tract which will allow for access to the project. On the east side of the highway there is a Union Pacific owned railroad. The area to the northeast of that remains undeveloped. Immediately north of the project is a Texas New Mexico Power Company power substation. Pearlbrook, a single-family residential community lies to the north of 25th Avenue North. The area to the southwest, across FM 1764, is the College of the Mainland, a collegiate educational facility. To the southeast lies a multi-family apartment community currently known as "Retreat at Texas City". It is separated from the Subject Tracts by a +1- 200' strip of vegetation not owned by the Developer. Inside of PUD this has been apartments, medical, vet clinics, medical buildings and a skilled nursing building. All this was approved and recorded PUD.

III. PROJECT DESCRIPTION

A. Land use

Exhibit B - Proposed land uses for the tract are commercial, retirement, medical, apartments, townhouses, general/office.

The property drains into a stormwater detention pond on the property which outfalls into the 55-foot-wide Galveston County Drainage District No. 2 drainage easement adjacent to the southwest boundary of the property. No portion of this tract lies within the floodplain.

B. Phasing

The project consists of three separate sections. The Project is in a PUD.

C. Open Space Amenity Plan

The Developer has already formed a homeowners association ("HOA') for the community. The HOA will be responsible for all subdivisions and common area maintenance other than drainage and detention maintenance which will be maintained by the MUD.

RE: Hwy 66 Partners Project – Affirmation of PUD and memorialization of uses

Background: The City Commission approved the annexation of 248 acres into Galveston County Mud 66 by Metes and Bounds legal description attached thereto by Resolution No. 05-130 adopted on 11/02/2005. At that same meeting the City Commission also approved by Resolution No. 05-131, a Memorandum of Understanding (MOU) for the development of the 248 acres which included among other conditions the creation of a Planned Unit Development (PUD) governing the development of the Property.

Approximately two years later, on 08/15/2007 by Resolution No. 2007-101, the City Commission approved the execution of a Development Agreement with Highway 66 Partners in connection with the development of the 248 acres annexed into MUD 66 plus additional properties added subsequent thereto which made the total 310 acres. Article 3.01 of the Development Agreement required the Developer to pay a Municipal Facilities fee of $500 per lot to the City on or before the recordation of the final plat of such lots for the construction of the municipal use facilities to be constructed to serve the area of the City in which the property is located. Article 4.01 required the Developer to develop or cause any undeveloped property to be developed in accordance with the latest General Plan approved by the City; and, Article 4.02 required the Project to be developed as a Planned Unit Development (PUD) in accordance with the Zoning Code.

Through the approved MOU and Development Agreement, the entire PUD/Special District (MUD 66) project which includes the area which is commonly referred to as the Mainland Medical Center is required to have the amenities, sidewalks, connectivity package as presented and represented to the City at the time the project moved forward. The Master Plan presented by Hwy 66 Partners, and believed to have been approved by the City as its General Plan, is attached as **Exhibit I.** The Costa Mariposa apartments, the VCA Mainland Animal Hospital, Quest Diagnostics, the Shoal Assisted Living Facility, and the Pearlbrook Subdivision were all developed in accordance with this approved General Plan. The Hwy 66 Partners General Plan as presented to the City Commission also showed the development of 225 lots, typical 60ft by 115ft in the area which has been developed as the Vida Costera Subdivision through a PUD affirmation and re-zoning approved by the City Commission at its regular meeting on June 5, 2024.

Ordinance No. 09-27 permanently rezoned a portion of the acreage annexed into MUD 66 from District "A" (Single Family Residential) to District "I" (Planned Unit Development). The legal description attached to the ordinance included all of the area which have been developed by HWY 66 Partners and or Newcor Medical Partners, to date and generally referred to as the Mainland Medical Center. However, no copy of the Planned Development District was attached to the ordinance and no copy has been located in the City's records or by the Developer. To facilitate the continued development of the area in accordance with the intent of the General Plan, the proposed Affirmation of Planned Unit District (PUD) is presented to memorialize the mutual understanding of the intended parameters for development of the area.

Requested Action: Developer Hwy 66 Partners and Newcor Medical Partners have satisfied the requirements of the Development Agreement to establish a Planned Unit Development (PUD) in accordance with the General Plan approved by the City Commission. However, no record of the Planned Development District can be found, so the applicant presents this Affirmation of Planned Development District to complete the record. Developer's request is limited to the undeveloped parcels itemized in Exhibits A and B to the proposed affirmation. The Affirmation is not intended to apply to the areas which have already been developed and built out although it is not considered to be inconsistent with such existing development.

Staff Review and Analysis: The Planning Board receives this PUD Affirmation in an unusual posture because the site has already been rezoned and a good part of the mixed-use subdivision has already been developed. There is no question that a General Plan existed, was approved by the City and has been the basis for the development to date. Unfortunately, a copy of the Planned Development District cannot be located at this time. A document is needed to support the further development of the site consistent with the original intent and approved plan.

The Affirmation identifies the uses or combination of uses which may be planned, developed or operated as integral land use units on the property as part of the previously approved Planned Development District. The Affirmation as presented is consistent with the existing development and all of the information available to confirm the concept and intent of the original plan as presented to and approved by the City Commission. Developer has responded to all comments and staff offer no objection to approval of the PUD Affirmation.

PLANNING BOARD MINUTES

August 4, 2025

The Planning Board of the City of Texas City met in a regular meeting on Monday, August 4, 2025, at 5:00 p.m. Staff members present: Ms. Kimberly Golden, P.E. (City Engineer, Secretary), Casey Bennett (Chief Building Official), David Kinchen (Deputy Building Official), Curt Kelly (Engineering & Planning Administrator), Veronica Carreon (Planning & Zoning Technician) and Caroline Luke (Administrative Assistant). Guests were: Kevin McDonald (Langan Engineering), Sherri McElwee (Quiddity Engineering), Nasser Zia (Nasser Zia Construction), Phil Newton (Highway 66 Partners), Simon Labrosse (Alpha Omega Renewables), & Mohsinal Umatiya (Owner of Paks Food Store).

Co-Chairman Perry O'Brien indicated a quorum was present and called the meeting to order.

(1) ROLL CALL

The following members answered roll call: Commissioner Jami Clark, Commissioner Thelma Bowie, Co-Chairman Perry O'Brien, and Member Aric Owens.

(2) APPROVAL OF MINUTES

A motion to approve the minutes of July 21, 2025 was made by Commissioner Jami Clark/Commissioner Thelma Bowie. All other members present voted aye.

(3) PUBLIC COMMENTS

There were no public comments.

(4) REGULAR AGENDA

a. **Consider and take action on the Final Plat for Lago Mar Commercial Replat No. 5. A portion of unrestricted Reserve "B", Block 2 Lago Mar Commercial according to the map or plat thereof recorded under Instrument Number 2016044734 map records of Galveston County, Texas situated in the Alexander Farmer League Abstract No. 11, Texas City. Located south of Crystal View Blvd Extension on the frontage road of I-45 S and containing 14.24 acres.**

Ms. Kim Golden gave a brief overview of the layout of the commercial replats in Lago Mar to reorient the board with the proposed development location. This replat is south of the HEB location and will be subdivided into seven lots. Ms. Golden pointed out that one of the lots does not have access to a public roadway, but there is an access easement to allow entry and exit from the lot. One of the conditions for approving this project is securing a mutual access agreement for the lots that abut the access easement. Drafting the mutual access agreement may take some time, but the developer indicates the process has begun. Establishing the pending agreement as a condition of approval allows other aspects of the project to continue while the agreement is prepared and executed before the Final Plat is recorded.

Ms. Golden said there are many developers interested in these lots, so it is appropriate to keep the project moving.

Co-Chairman Perry O'Brien asked about the function of the access agreement. Ms. Golden said the agreement would formalize who is responsible for the upkeep and maintenance of the access road since it is not a public road maintained by the City. She also mentioned that this road is

important because it leads to a lift station. This is not a public street that will be dedicated to the City, so there must be an agreement. Agreements like this are conventional practice and are simply a matter of getting it worked out between the lawyers. Ms. Golden said she is comfortable with this being a condition for approval so the plat will not be recorded until the agreement is signed and received by the City.

Member Aric Owens asked if there is any way to access Lot 3 from Lot 7. Ms. Golden said that there is access, but Lot 7 is still considered land-locked because it does not have frontage on a public street. Ms. Sherri McElwee, a representative of Quiddity Engineering, said that there is a 60-foot public access easement on the south side of Lot 7 that exists now. The easement goes all the way from Lago Mar Boulevard to Lot 7 because of the lift station site.

A motion was made by Commissioner Jami Clark/Commissioner Thelma Bowie to approve the Final Plat for Lago Mar Commercial Replat No. 5 upon condition that a mutual access agreement providing for perpetual maintenance be executed and recorded prior to the recording of the plat and that the construction drawings be revised to address the final comments and to include the TxDOT approved plans for improvements to the frontage road. All other members present voted aye.

Motion carried 4-0.

b. Consider and take action on the Final Plat for Lago Mar Commercial Replat No. 6. Being a portion of unrestricted Reserve "A", Block 1 Lago Mar Commercial, according to the map or plat thereof recorded under Instrument Number 2016044734, map records of Galveston County, Texas situated in the Alexander Farmer League, Abstract No. 11, City of Texas City. Located north of Lago Mar Blvd on frontage road of 1-45S and containing 6.51 acres to create 5 lots.

Ms. Golden showed a map of the area to familiarize the board with the location of this project. She then said all lots have frontage on the south bound frontage road which is considered a public street. Everything has been sorted out except for the approval from TxDOT for the changes that will need to be made on the frontage road. The construction plans have been submitted to TxDOT and are under review. This is why the City has not released the construction plans. Approving the Final Plat will allow the project to continue moving forward and reserve the City's authority to withhold recording of the plat until TxDOT gives their approval.

Member Owens asked what the developers are waiting for from TxDOT. Ms. Golden said that there are changes to be made to the deceleration lane to add a driveway for the project. Member Owens asked if there was a timeline on hearing back from TxDOT. Ms. Golden said there is no clear timeline which means the developer will be proceeding at its own risk if it chooses to start construction before it has TxDOT's final approval.

A motion was made by Commissioner Jami Clark/Commissioner Thelma Bowie to approve the Final Plat for Lago Mar Commercial Replat No. 6. All other members present voted aye.

Motion carried 4-0.

c. Consider and take action on a Request for Extension of Time for the Preliminary Zoning Approval of Southern Select Energy Storage, a Battery Energy Storage System (BESS)project to be located on 6.29 acres at 701 Hwy 146 N.

Ms. Golden informed the Planning Board that they reviewed this project approximately a year ago and gave a brief overview of the site location. Last year, the Planning Board and Zoning Commission heard and made a recommendation to approve the initial preliminary zoning change. City Commission granted preliminary zoning approval for 12 months in September 2024.

The 12 months are almost over and not granting an extension will result in the applicant restarting the application process. The applicant has started the permitting process, but this process can take a while. This extension will give them another 12 months to complete the permitting process.

Commissioner Clark asked if anything about the plan had changed. Ms. Golden said nothing in the plans had changed. This request for extension is simply a matter of making sure the applicant doesn't have to repeat the entire rezoning approval process.

Ms. Golden showed the board the Development Plan and said the applicant has complied with spacing, masonry, and landscaping requirements. The site will also include a paved road and two means of access. Ms. Golden said that the plan complies with the City's requirements for these kinds of projects.

Member Owens asked about the connection between Southern Select and Alpha Omega. Mr. Simon Labrosse, a representative of Alpha Omega Renewables, said that Alpha Omega is the development platform that issues project names and LLCs. This relationship allows there to be liability on a certain project instead of the entirety of Alpha Omega. If something happens with a project, it only affects that one project instead of the entire company.

Ms. Golden asked if it would be appropriate to identify Southern Select as a subsidiary of Alpha Omega. Mr. Labrosse said that would be a feasible explanation.

A motion was made by Commissioner Jami Clark/Commissioner Thelma Bowie to approve the Request for Extension of Time for the Preliminary Zoning Approval of Southern Select Energy Storage. All other members present voted aye.

Motion carried 4-0.

d. Consider and make recommendation to the Zoning Commission on a zoning change request from Nasser Zia (NZ Construction Corp.) to change the zoning from District "F" (Light Industrial) to District "D" (Neighborhood Service) for the purpose of remodeling and bringing the convenience store and fuel station into compliance. Located at 1025 5th Avenue North.

Ms. Golden explained the project location and informed the board that this location was formerly known as Tiger Mart. This location has had numerous code compliance issues and has been unoccupied for over one year. The lot is currently zoned as District "F" (Light Industrial) which is why it is on the agenda for a zoning change. The underground gasoline storage tanks that were previously on the property have been removed because it was determined that the tanks had been leaking. The remodel will install new underground gasoline storage tanks in the vacant area east of the existing building. The new location will allow the canopy and the development to meet the setback requirements. One of the existing driveways on 11th Street will be closed and the developer is in the process of securing an easement agreement on the adjacent property which is owned by the Texas City Economic Development Corporation for a new driveway on 5th Ave. The new driveway is needed to allow the fuel trucks to service the fuel station without disrupting traffic on the main roadway. Obtaining an easement agreement with TCEDC is a condition of approval, because this is not a feasible development without the easement for the driveway.

Ms. Golden introduced Mr. Nasser Zia, a representative for the project. Commissioner Jami Clark stated her excitement in seeing something moving to this location since it has been an eyesore for some time.

Co-Chairman O'Brien asked if there were any foreseen issues with TCEDC in obtaining the easement agreement. Ms. Golden said she was unsure, and the conversations had just begun between the parties.

Member Owens asked if there is any need for remediation from the leaking tanks. Ms. Golden said she was unaware if any soil testing had been completed. Mr. Zia said testing was done and no evidence of contamination was found.

A motion was made by Commissioner Jami Clark/Commissioner Thelma Bowie to approve the recommendation of a zoning change request to the Zoning Commission for Nasser Zia for the purpose of remodeling and bringing the owner's convenience store and fuel station into compliance conditioned upon Applicant obtaining the additional easement from TCEDC upon terms acceptable to the TCEDC. All other members present voted aye.

Motion carried 4-0.

e. Consider and take action on the Development Plan for Paks Food Store (Tiger Express) to remodel and bring a convenience store and fuel station into compliance. Located at 1025 5th Avenue North. Subject to approval of District "D" (Neighborhood Service) rezoning.

A motion was made by Commissioner Jami Clark/Commissioner Thelma Bowie to approve the Development Plan for Paks Food Store (Tiger Express) to remodel and bring a convenience and fuel station into compliance contingent upon the approval of the zoning change request. All other members present voted aye.

Motion carried 4-0.

f. Consider and take action on the Affirmation of Planned Development District for Hwy 66 Partners. Located at SH-3 and FM 1764.

Ms. Golden said that this is not a typical agenda item and required to fill in a gap in City records. The property was rezoned as a PUD to District "I" (Planned Unit Development) via ordinance in 2009, but the documents explaining the terms of the PUD cannot be found. The actual development which has already been permitted and occurred to date gives an idea of the intent for development of the area and is consistent with the records that can be found. To help continue this development without hinderance, the Planning Board has been asked to consider the affirmation of the PUD to fill in the blanks.

Ms. Golden showed a map of the existing site and the areas that have not yet been developed. This affirmation will pertain only to the areas in the existing PUD that are vacant. The affirmation document is simple and outlines the acceptable uses for these undeveloped areas. With this documentation in place, proposed projects in the PUD can move forward. Ms. Golden informed the board that Phil Newton, from Hwy 66 Partners, is present.

Co-Chairman O'Brien asked if there was anything that could be added to the list of possible developments in the area. Ms. Golden said the developer had the opportunity to add whatever he wanted but chose to keep it simple. Co-Chairman O'Brien said it was a good document, and he supports the staff recommendation.

A motion was made by Commissioner Jami Clark/Member Aric Owens to approve the Affirmation of Planned Development District for Hwy 66 Partners. All other members present voted aye.

Motion carried 4-0.

(5) GENERAL UPDATES

Ms. Golden informed the board that the region is currently in a Master Transportation Planning Process right now. This is being facilitated by HGAC and the process is currently in the public outreach stage. There is a survey that can be completed online to provide input about transportation uses and needs. The survey has nine questions about transportation followed by demographic questions. Ms. Golden encouraged people to take the survey since this end of Galveston County and Texas City are typically underrepresented in regional plans. Commissioner Clark said she can confirm that Texas City is underrepresented in the survey since she is a board member for HGAC. Ms. Golden noted the importance of Texas City being represented in the survey because the regional plans can be used in so many ways, not only for transportation.

Member Owens asked if the City is publicizing this survey. Ms. Golden affirmed that the City's Communication Team is working to spread the survey to the public through the city's website, social media platforms and through the various boards.

(6) OTHER BUSINESS

Nothing to discuss.

(7) MOTION TO ADJOURN

Co-Chairman Perry O'Brien asked if there was any other business to which there was none. **A motion was made by Commissioner Jami Clark/Member Aric Owens to adjourn. All members present voted aye.**

Request to Exceed Annual Spend Threshold with Progressive Commercial Aquatics, Inc.

Submitted For: Nicole Best, Recreation and Tourism

Submitted By: Nancy Heredia, Recreation and Tourism

Department: Recreation and Tourism

Information

ACTION REQUEST

Approval to exceed the $50,000 annual spending threshold with Progressive Commercial Aquatics, Inc. Progressive Commercial Aquatics, Inc. is a BuyBoard Vendor, and the Contract Number is 701-23.

BACKGROUND (Brief Summary)

Progressive Commercial Aquatics, Inc., is a well-established and highly regarded provider of commercial aquatic supplies and services. Since the opening of our pools, Landmark has been a key partner in their development and ongoing operation. They currently provide the chlorine, maintenance supplies, and compliance inspections necessary to ensure our facilities meet all required standards. Landmark's ability to deliver large quantities of commercial-grade pool supplies in a timely manner has been critical to maintaining safe and consistent pool operations. Due to the increased need for ongoing maintenance and timely delivery of essential supplies, we are requesting approval to exceed the annual $50,000 threshold.

RECOMMENDATION

It is recommended that the City Commission authorize the increase of the annual spending limit with Progressive Commercial Aquatics, Inc. Progressive Commercial Aquatics, Inc., has consistently provided reliable, high-quality supplies and services essential to the safe and compliant operation of our aquatic facilities. Given their proven track record, ability to supply commercial-grade materials promptly, and their integral role in maintaining pool operations and regulatory compliance, it is believed that continuing and expanding our partnership with Progressive Commercial Aquatics, Inc., is both necessary and fiscally responsible. Approval of this recommendation will ensure uninterrupted service, maintain health and safety standards, and support the efficient operation of our public aquatic facilities.

Meeting Date: 08/20/2025

Final Reading of Ordinance 2025-14 establishing the Commission Rules of Procedure/Order of Business

Submitted By: Rhomari Leigh, City Secretary

Department: City Secretary

Information

ACTION REQUEST

Consideration and possible action on the third reading regarding adoption by ordinance, the Commission Rules of Procedure/Order of Business.

BACKGROUND (Brief Summary)

In accordance with the Texas City Charter, Article III, titled PROCEDURES OF THE COMMISSION; Legislation, Sec.1., Meeting of the Commission, the Commission shall, by Ordinance, determine its own rules of procedure.

Currently, there are no known rules and order of business that have been adopted by this or any previous Commission. Therefore, at the direction of Mayor Johnson, a workshop of the Commission was conducted on April 21, 2025, to begin the dialogue of developing the Commission Rules of Procedure/Order of Business to comply with the City Charter.

Prior to the workshop, staff gathered rules of procedure from other cities in the area to develop a framework for the Commission to begin the discussion. At the workshop, the Commission discussed and debated a draft set of rules of procedure.

Following the workshop, Mayor Johnson emailed the Commission on May 30, 2025, requesting them to individually provide any additional input or suggestions beyond what was shared at the workshop and submit them to him by Friday, June 27th for consideration by the Commission on July 16, 2025.

As a result of the comments provided and consultation with staff, please note the attached Commission Rules of Procedure/Order of Business for consideration.

RECOMMENDATION

Staff recommends the City Commission consider the attached Commission Rules of Procedure/Order of Business.

CITY OF TEXAS CITY

COMMISSION RULES OF PROCEDURE / ORDER OF BUSINESS

1. ORGANIZATION

The governing body of the City shall consist of the Mayor and six (6) Commissioners.

The Mayor is elected in the City at large, and four (4) Commissioners of the Commission are elected by District. District 1, District 2, District 3 and District 4. The other remaining two (2) Commissioners are elected At-Large.

The Mayor shall be the presiding officer for all Commission meetings and pursuant the City's Charter, may vote on all matters of the City. These Commission Rules of Procedure and Order of Business serve as guidelines for the organization and conduct of the Commission to ensure that the City is governed in an orderly and consistent manner.

2. REGULAR MEETINGS

The Commission shall schedule no less than two regular meetings per month in accordance with the City Charter. Regular meetings shall be held at dates and times adopted by City Commission Resolution and shall generally be on the first (1st) and third (3rd) Wednesday of each month at 5:00 P.M. unless designated otherwise, meetings of the Commission shall take place in the Commission Chambers of City Hall, and the public is invited to attend the meetings. If the Commission meets at a place or time other than its regular meeting place, then public notice to such effect shall be posted in accordance with the Texas Open Meetings Act.

3. SPECIAL MEETINGS

The Charter allows Special Meetings to be called by a majority of the Commission. The procedure to present such a call is as follows:

1) The call shall be presented as separate written requests from at least four (4) Commissioners filed with the City Secretary.
2) As required by the Charter, the written requests shall state the subjects to be considered at the Special Meeting. Each subject to be considered must be requested by at least four (4) Commissioners.
3) The Mayor is not precluded from placing additional items on the Agenda for a Special Meeting.
4) Special meetings shall be set for regular business days to commence no later than 6:00pm.
5) Special meeting requests must be fully submitted by noon at least one calendar week prior to the date stated for the meeting.
6) Agendas for the Special Meeting must be prepared and posted by the City Secretary in accordance with the Texas Open Meetings Act and all applicable policies or procedures of the regularly scheduled meetings of the Commission.

4. JOINT MEETINGS/WORKSHOPS

The Commission may, for specific reasons to be stated in the notice posted for the meetings hold Joint Meetings or joint workshops with various Boards, Commissions, and/or various governmental entities that share a community interest with the City. Such meetings shall be scheduled for a specific purpose or goal, agreed to by the City and the other board or entity prior to the meeting and posted in accordance with the Texas Open Meetings Act.

5. EXECUTIVE SESSIONS

Pursuant to the Texas Open Meetings Act, the Commission may conduct closed meetings that are not open to the public when the following matters are considered:

A. Consultation with an attorney regarding pending or contemplated litigation; a settlement offers; or to receive advice on legal matters not associated with litigation.

B. Deliberations associated with the sale, purchase or exchange of real property.

C. Personnel matters.

D. Deliberations regarding security matters.

E. Deliberations regarding economic development negotiations.

The purpose of an executive session shall be stated in the motion to call the closed session. Any action taken on a matter discussed in executive session shall occur in an open meeting following the deliberation in closed session.

6. AGENDA

An agenda is a document that informs the public about the specific topics to be discussed and acted upon during a meeting which shall include a resolution or ordinance.

The City Secretary, with consultation and approval of the Mayor, shall prepare an agenda for business to be considered at each Regular Commission Meeting. It shall be the practice of the City to include on any Regular Commission Meeting agendas, all items that are deemed appropriate by the Mayor.

Two (2) Commissioners may submit proposed items for inclusion on the meeting agenda. In accordance with the Mayor's role as the City's chief executive officer, all proposed items shall be subject to mayoral review and approval to ensure consistency with operational priorities, legal compliance, and effective coordination of municipal affairs. The request shall be in writing separately by two (2) Commissioners and shall be filed with the City Secretary no later than Noon on the Monday before the week of the regular meeting at which it is requested for consideration. Agenda items requested by the Commissioners shall be placed in the Regular Agenda Items section of the agenda. If the filing is later than noon on the Monday before the week of the regular meeting, the item shall be placed on the next regular meeting agenda or a later date.

The Agenda for the City Commission Regular Meetings shall be developed by the City Secretary and published by the City Secretary in the manner generally prescribed as follows:

(1) Roll Call
(2) Invocation
(3) Pledge of Allegiance
(4) Proclamations and Presentations
(5) Reports
(6) Public Hearing if needed
(7) Public Comments
(8) Consent Agenda*
(9) Regular Items
(10) Executive Session if needed
(11) Commissioners' Comments
(12) Mayor's comments
(13) Staff Updates
(14) Adjournment

*Budgeted expenditures equal to, or less than, $400,000.00 may be placed on the Consent Agenda

7. PUBLIC COMMENT RULES

A. All members of the audience addressing the Commission ("Speaker") shall direct their remarks to the Commission.

B. No Speaker shall address the Commission unless recognized by the Mayor/Chair for that purpose.

C. Remarks are to be limited to those pertaining to matters for action before the City Commission according to Texas Local Government Code (551.007).

D. Profane, vulgar or abusive language or personal attacks will not be tolerated.

E. No Speaker shall continue to address the Commission after being informed by the Mayor/Chair that the Speaker's time for addressing the Commission has expired.

F. The Speaker shall be limited to 3 minutes to address the Commission. The Mayor/Chair has the authority to grant additional time, if requested by a Speaker, for just cause.

G. Commissioners shall not respond to Speakers; however, the Mayor/Chair may respond to a matter of fact.

H. Those wishing to speak must present official identification to designated staff for identification purposes and shall thoroughly fill out the Request to Address the Commission Form (answering all questions) and identify which item(s) they wish to speak on from the agenda.

8. QUORUM

Unless otherwise provided by law, four (4) qualified members of the Commission shall constitute a quorum for conducting business, provided at least one of the members present is the Mayor or Mayor Pro Tem.

9. VOTING

A. The vote on all ordinances and resolutions shall be taken by the Commission's verbal response and entered into the City's official record to reflect each Commissioner's vote. When voting on the adoption of the Tax Rate and/or Budget, the Commission must take a Record Vote.

B. It is the duty of each Commissioner who has an opinion on an item presented for consideration to express it by a vote to approve or deny the item. Any Commission Member may express related opinions during the discussion portion before the vote is taken. A Commission Member may abstain from voting in accordance with City Charter guidelines (Article III, Section 5).

10. DEBATE AND DECORUM

Robert's Rules of Order Newly Revised shall, to the extent feasible, govern the proceedings of the Commission. The City Attorney shall act as Parliamentarian for Commission meetings.

11. **ETHICAL STANDARDS** It is the official policy of the City that:

A. City officials shall be independent, impartial, and responsible to the citizens of the City;

B. City officials shall not have a financial interest, and shall not engage in any business, transaction, or professional activity, or incur any obligation that conflicts with the proper discharge of their duties for the city in the public interest;

C. The principles of personal conduct and ethical behavior that should guide the behavior of City officials include: (1) A commitment to public welfare; (2) Respect for the value and dignity of all individuals; (3) Accountability to the citizens of the City; (4) Truthfulness; and (5) Fairness.

D. Under such principles of conduct and ethical behavior, City officials should: (1) Conduct business with integrity and in a manner that merits the trust and support of the public; (2) Be responsible stewards of the taxpayers' resources; and (3) Take no official actions that would result in personal benefit in conflict with the best interests of the city.

E. To implement the purpose and principles described herein, the Commission will adopt a policy of ethical conduct to govern City officials by City Ordinance. It is the purpose and intent of City Commission to ensure a fair opportunity for the public to participate in government, to follow standards of disclosure and transparency in government, and to promote public trust in government (To be developed at a later date).

12. COMMISSION REQUESTS FOR INFORMATION

Commissioners may direct questions to the appropriate department head. Routine requests for information or reports that can be completed within 15 minutes may be submitted to a member of the Executive Committee, who will respond at their earliest convenience. For non-routine requests or those requiring significant time or effort, the request should be directed to the Mayor.

(Routine requests: information or new research that can be answered in under 15 minutes)

13. NEW COMMISSION MEMBER ORIENTATION

Each new Commission member shall, upon taking the oath of office, be provided with various forms of vital information which shall include, but not be limited to, the following:

A. City Charter
B. Comprehensive Plan
C. Current Budget
D. Comprehensive Annual Financial Report for the last Fiscal Year
E. Commission Rules of Procedure
F. Public Information Act and Open Meetings Act Training
G. Conflicts of Interest Training

Each new member of Commission shall be offered an opportunity by the Mayor or his/her designee, to tour various City facilities (i.e., City Hall, Police/Fire stations, Park facilities, Public works facilities, etc.).

ORDINANCE NO. 2025-14

AN ORDINANCE ESTABLISHING THE COMMISSION RULES OF PROCEDURE/ORDER OF BUSINESS; PROVIDING FOR THE REPEAL OF ALL ORDINANCES IN CONFLICT THEREWITH; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING THAT THIS ORDINANCE SHALL BECOME EFFECTIVE FROM AND AFTER ITS PASSAGE AND ADOPTION AND PUBLICATION BY CAPTION ONLY IN THE OFFICIAL NEWSPAPER OF THE CITY.
