**Project: Texas City (Huber Auger Replacement)**

Thank you for the opportunity to provide a quotation for the Huber Auger repair. We appreciate your consideration and look forward to supporting your maintenance needs.

Huber Auger components to be replaced will consist of the following:

- Replace the Gearbox and Motor.
- Replace Conveyor Body.
- Replace Wear Liners.
- Replace Spiral U
- Replace Spiral Starting Kit.
- Replace Drive Shaft.

Inclusions/Exclusions

- Environmental Improvements will provide manpower, superintendence and Crane for the auger replacement.
- All hardware to facilitate installation is included.
- Access to the site is guaranteed by the owner or assigned agent.
- Environmental Improvements to disconnect and reconnect electrical.
- Environmental Improvements to supply Crane.
- If it is found that any of the other parts need to be repaired or replaced, it would be authorized under a separate proposal.
- All prices provided in this quotation are based on current tariff rates applicable to imported materials and components as of the date of issue. Should any changes in tariffs, duties, or trade policies occur prior to the fulfillment of this order, resulting in increased material or import costs, Environmental Improvements reserves the right to adjust the final pricing accordingly. The buyer will be notified in writing of any such adjustments.
- Taxes and permits are NOT part of this scope.
- Environmental Improvements is NOT responsible for damages to soils, grass, pavement, underground electrical or piping of any kind due to moving in or out of heavy equipment.
- Environmental Improvements will provide a 1-year warranty from start-up provided all electrical, mechanical operational requirements are met.

**Note: Huber will have a price increase effective January 5th 2026. As per Huber, Tariffs accounted for the significant increase in pricing of the parts.**

Labor - Parts and Crane Cost \$85,700.00

If you wish to proceed with this quotation, please issue a purchase order and forward it to the following email addresses for processing: Luke@ei2water.com & Kimon@ei2water.com

Best Regards,
