Texas City Municipal Shooting Range

City of Texas City Commission Report June 3, 2026

Rifle and Pistol Range Updates

- No Rapid Firing Enforced into the Rules of Operations.
- Training through the USCCA for all employees' current and future to be certified Range Safety Officers.
- New Safety Vests with proper Identification lettering issued to each RSO.
- 2 additional staff members to increase safety and supervision on lines and fields.
- Lead Remediation on Pistol and Rifle Berms.

TEXAS CITY MUNICIPAL SHOOTING RANGE
Rifle/Pistol/Archery Ranges

The Range underwent projectile removal and berm clean up in the Pistol and Rifle areas on March 23, 2026, and completed the project March 28, 2026.

BEFORE REMEDIATION

RIFLE/PISTOL/ARCHERY RANGES

A sand mixture was added to the berm once excavators sifted through and extracted the projectiles, screened the soil and returned it to its locations once cleared. Total lead removed from the rifle and pistol areas weighed 24,176 lbs.

DURING AND AFTER **REMEDICATION**

Rifle and Pistol Ranges

NEW AND IMPROVED SIGNAGE POSTED INCLUDING STOP THE BLEED INSTRUCTION WITH FIRST AID KIT'S MOUNTED AND PROMINENT.

Surrounding Range Area Signage and Flagging

June of 2025, the Range began utilizing a point-of-sale computer program, creating a seamless progression to transactions and reports. Electronic waivers are now available through the program, eliminating the need for paper and ink.

A MORE MODERN TRANSACTION AND REPORTING METHOD IMPLEMENTED

From Traditional Cash Registers to a Point-of-Sale Program

UPDATED LOBBY AND FRONT COUNTERTOPS
