

Resolution Authorizing County Judge Weldon P. Cude as

Authorized Individual for USDA Assistance

Whereas, Atascosa County recognizes the importance of securing financial assistance and support from the United States Department of Agriculture (USDA) for various projects and initiatives beneficial to the county and its residents; and

Whereas, USDA assistance can significantly contribute to the development and improvement of essential infrastructure, services, and programs within Atascosa County; and

Whereas, in order to facilitate the application process and ensure timely access to USDA resources, it is necessary to designate an authorized individual to act on behalf of the county in obtaining assistance, pledging assets, and signing required Agency documents;

Now, therefore, be it resolved by the Atascosa County Commissioners Court, that: County Judge Weldon P. Cude is hereby authorized to sign and execute all required Agency documents, agreements, contracts, applications, and any other paperwork necessary to apply for, secure, and administer USDA assistance on behalf of Atascosa County.

The County Judge shall ensure that all actions taken pursuant to this resolution are in accordance with applicable laws, regulations, and procedures governing USDA assistance programs.

This resolution shall take effect immediately upon its adoption by the Atascosa County Commissioners Court. Resolved this _____ day of _____, _____.

Weldon P. Cude
