ATASCOSA COUNTY TEMPORARY WATER LINE RIGHT OF W

COMES NOW SELECT WATER SOLUTIONS, LLC (company name) (hereinafter "Company"), a Texas (state), Corporation (type- corporation, partnership, etc.) with the right to transact business in the State of Texas, acting by and through its duly authorized representative, and hereby petitions Atascosa County (hereinafter "County") for the right to lay a temporary water line over and along certain County Roads and rights of way as shown on maps and drawings attached hereto and described below:

LOCATION (County Roads and Right of Way shall be listed below):

CR 407 & CR 401

THE COMPANY HEREBY STIPULATES AS FOLLOWS:

attached to this Temporary Water Line Right of Way Request and Permit. New plans shall be submitted to the County for each future proposed modification or expansion to this plan and a new request will be required as a condition of approval, along with a \$250 amendment/modification fee. The County shall have 30 days to review and approve plans prior to commencement of work.

Proper drainage shall be maintained throughout the installation of this line. Temporary water lines crossing a roadway may use existing drainage structures.

Company shall notify the County prior to commencement of any operation which requires pruning of trees so that the County may provide specifications to govern performance of work, including trimming, topping, tree balance, type of cuts, painting cuts and clean up.

The temporary water line shall not be laid or maintained by the Company in such a manner as to interfere with the use, construction, maintenance, or repair of roads, or utilities, and in the event that it is determined that the line does interfere, the Company, upon the request of the County, shall promptly change or alter, at the Company's sole expense, the temporary water line, in such a manner that the same will no longer interfere.

It is understood that the County may require Company to relocate, or to permanently or temporarily remove this line, for any reason and subject to the provisions of governing laws, by giving Company at least 15 days written notice.

The Company's installation shall not damage any part of the roadway structure or associated appurtenances. It is understood that Company shall not open-cut driveways or intersecting roadways without specific written permission from the property owner. If damage to private driveways is incurred due to its operations, Company shall pay to repair driveways to prior condition. Furthermore, Company understands, and if approved, assumes all responsibility for any other damage to the public or adjoining property owners caused by the installation, maintenance, and/or removal of this temporary water line and assumes all risks

Commissioners Court reserves the right to accept or reject Company's selection to be self-insured under option b) above.

In the even that Company applies for renewal of an existing permit, Company shall provide at the time of such application an updated Certificate of Insurance and shall submit the renewal fees as listed below.

COMPANY AGREES TO INDEMNIFY AND HOLD COUNTY HARMLESS FROM ANY PERSONAL INJURY, PROPERTY DAMAGE, SUBSERVIENT ESTATE AND/OR MINERAL ESTATE RELATED CLAIMS, OR OTHER TORT CLAIMS, AGAINST COUNTY, ITS OFFICERS, AGENTS, OR EMPLOYEES, THAT RESULT FROM COMPANY'S OPERATIONS UNDER THIS PERMIT, OR THE COUNTY'S ACTIONS IN GRANTING THIS PERMIT, EVEN IF SUCH CLAIMS RESULT IN WHOLE OR IN PART FROM THE NEGLIGENCE (INCLUDING FAILING TO TAKE AN ACTION REQUIRED BY THE TEXAS UTILITY CODE) OF COUNTY, ITS OFFICERS, AGENTS OR EMPLOYEES, OR FROM THE INTENTIONAL CONDUCT OF THE COUNTY, ITS OFFICERS, AGENTS OR EMPLOYEES, IN RELOCATING, OR REMOVING THE LINE, OR ANY ASSOCIATED EQUIPMENT, OR MATERIAL, IF AN EMERGENCY CONDITION EXISTS, OR IF THE COMPANY IS, IN THE OPINION OF THE COUNTY, IN VIOLATION OF THIS PERMIT, OR IF THE COMPANY HAS NOT COMPLIED WITH A NOTICE TO REMOVE OR RELOCATE THE TEMPORARY WATER LINE, OR OTHER OBJECTS PLACED IN THE COUNTY RIGHT OF WAY.

COMPANY FURTHER AGREES TO RELEASE THE COUNTY, ITS OFFICERS, AGENTS AND EMPLOYEES OR ANY EMERGENCY SERVICES ORGANIZATION OR EMERGENCY SERVICES PERSONNEL, OPERATING ON BEHALF OF THE COUNTY, FROM ANY AND ALL CLAIMS FOR DAMAGES DONE TO COMPANY'S PROPERTY, DURING EMERGENCY OPERATIONS OR ROAD MAINTENANCE OPERATIONS.

Company shall make adequate provisions to cause minimum inconveniences to the traveling public and adjacent property owners. It is understood that it is the responsibility of Company to handle traffic in a safe and satisfactory manner during the installation, maintenance, and removal of these lines. Traffic control shall be in compliance with Part VI of the 1980 Texas Manual on Uniform Traffic Control Devices for Street and Highways. A representative of Company will be on the jobsite whenever work is in progress and a copy of

Company understands that the County may revoke this permit at any time for failure to pay permit fees, failure to comply with any section of this permit application, or any other violation that may arise regarding the temporary water line.

Following approval by the Atascosa County Commissioners Court, Company proposes to begin operations with regard to this line on or about 11/07/2024 (mm/dd/yyyy) and complete such operations by 02/07/2025 (mm/dd/yyyy). The appropriate County Precinct Commissioner, being the Commissioner in whose Precinct the proposed installation is located, shall be notified 48 hours prior to commencing construction.

By signing below, I certify that I am authorized to represent the requestor, that I agree to the provisions and requirements included in this request, and that commencement of construction will further attest to my review and acceptance of said provisions and requirements.

City, State, Zip: San Antonio, TX 78232

INSTRUCTIONS FOR TEMPORARY WATER LINE RIGHT OF WAY REQUEST AND PERMIT

BASIC INFORMATION: Contact the County Judge's Office to determine in which commissioner precinct your crossing will be located.

Contact the County Commissioner so the proposed crossing can be discussed and to determine/confirm amount of crossing fee(s). After the Commissioner has been contacted, the crossing surveyed, and the fee amount confirmed, the request needs to be signed and then submitted to Atascosa County Commissioners Court for approval.

The executed request and check for fees must be received in the office of the County Judge BEFORE it will be placed on the agenda. The deadline for receipt of agenda items is NOON on the Thursday before a Commissioners Court Meeting. Contact the County Judge's Office for the next scheduled meeting and date of posting.

REPRESENTATION AT COMMISSIONERS COURT MEETING: A representative should accompany the application to the meeting in the event the court has questions unless previous arrangements have been made with the individual County Commissioner.

FEE: A fee is required for each PERMIT. Additional fees may be required. See REQUEST for further information on fees. Fees can be paid and application/permit will be filed with the Atascosa County Treasurer. **MAKE CHECKS PAYABLE TO: ATASCOSA COUNTY.**

PLAT: The crossing location must be surveyed and a plat provided for each crossing. Provide the plat along

EXHIBIT "A"

Layout Specifics: (1) 10" Lay Flat Line will Enter CR ROW at (28.790878°/-98.163399°). The Line will Enter from private property onto CR 407 on the East side and travel North for **2,690 feet**. The Line will pass through an **86 feet** Culvert at (28.795641°/-98.156989°). The Line will be on the West side and travel North for **6,841 feet**. The Line will pass through a **55 feet** Culvert at (28.807902°/-98.140609°). The Line will be on the East side and travel North for **3,035 feet**. The Line will turn onto CR 401 and be on the West side and travel South for **4,506 feet**. The Line will Exit CR Row at (28.803535°/-98.123580°). The Line will Exit onto private property.

In Total the line will be in the County ROW for **17,213 feet**. Proper signage will be used, and flaggers will be placed to help maintain traffic control during the installation and removal of the line. Operator certifies that the use of the line is for freshwater operations and shall not be used for the transport of produced water. The water being moved through this line is fresh water. At no time will there be any pumps located in the County ROW. The line will be placed within three feet (3') of the County ROW line and held in place via stakes with protective covers. County ROW shall be mowed and maintained during installation and operation of the line and culverts will be cleaned to allow access and kept clear during occupancy. Any base material the waterline company places in the ROW to help with the driveway crossings **MUST** be immediately removed from the County ROW when the line is picked up. If a driveway has seal coat surface treatment (rock aggregate with oil mixture placed on it) or hot mix asphalt, the same kind of material must be used on that driveway to help with the waterline crossing. If the driveways have had those kinds of improvements made to them, then caliche/flex base cannot be used.

Envirohose

About

resistant to weather, abrasion and cracking. With operating pressures up to 200 psi, and manufactured with NSF Standard 61 approved materials, EnviroHose offers the surest, most efficient means for critical fluid delivery and transport.

Benefits

- No-leak product significantly reduces water loss
- High-pressure rating allows for faster fluid delivery
- Increase overall cost-efficiency
- Highly resistant to hydrolysis, ozone, hydrocarbons and other chemicals.

Specs
