Atascosa County Commissioners' Court
1 Courthouse Circle Dr.
Jourdanton, TX 78026

May 13, 2025

To the Honorable Judge Cude, Commissioner Gillespie, Commissioner Bowen, Commissioner Pawelek, and Commissioner Riley,

My name is Wyatt Ciomperlik, Co-founder and Principal Engineer of Bluebonnet Fiber. As a second-generation farmer, I've experienced firsthand the challenges of living in rural areas without reliable high-speed internet—challenges that impact everything from agriculture and education to healthcare and economic opportunity.

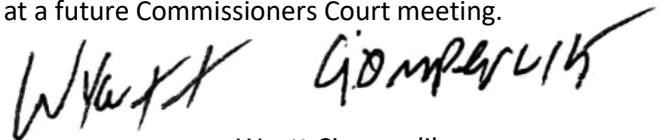

Bluebonnet Fiber is a Texas HUB-certified, San Antonio-based small business dedicated to closing the digital divide. Our mission is to deliver fast, affordable, and future-ready fiber-optic internet to underserved communities.

We are presently engaged in a cooperative agreement with the US Department of Agriculture to promote broadband expansion within Atascosa County and are actively working towards launching fiber-to-the-home projects that will bring 25-gigabit internet to thousands of residents. These efforts aim to boost economic development, improve education, and enhance quality of life.

We would love the opportunity to work with the county to benefit our fellow residents, and we ask for your assistance in topics such as:

- **ROW Planning** – Coordinating construction to minimize disruption and align with county infrastructure plans.
- **Capacity for County's Economic Development Plan** – Reserving fiber capacity for public safety, essential services, economic development, and future county needs.
- **Community Needs Assessment** – Collaborating with local stakeholders to identify and prioritize the most in need areas.
- **Letters of Support** – Endorsements from the Court and local organizations to strengthen our broadband funding applications.

High-speed internet is no longer a luxury—it's a necessity. With your leadership and our expertise, we can ensure Atascosa County thrives in the digital age. Thank you for your time and consideration. I would welcome the opportunity to discuss our plans at a future Commissioners Court meeting.
