

**CTEP PROJECT AGREEMENT**

THIS AGREEMENT is made and entered into by and between the State of Montana, acting by and through its Department of Transportation, hereinafter called the "State," and the City of Billings, hereinafter called the "City". This Agreement is effective on the date of the final signature by the State.

WITNESSETH THAT:

WHEREAS, the City proposes to develop and construct a Community Transportation Enhancement Program (CTEP) project, Control Number 6632, titled SWORDS PARK TRAIL II-BILLINGS (hereinafter the "project"); and,

WHEREAS, the State and the City recognize the need to develop and construct the project, and are willing to share in its costs in accordance with this agreement; and,

WHEREAS, in accordance with the State's agreement with the Federal Highway Administration (FHWA) of the U.S. Department of Transportation, the State must ensure that certain requirements are met in order for the State to fulfill its obligations to the FHWA and for the project to be eligible for federal funds. Accordingly, the State includes federal requirements, which are among those hereinafter set forth, for this project, and the City agrees to them, and,

WHEREAS, the estimated cost of the project's development and construction is \$949,504; and,

14. Except for any suits, claims, actions, losses, costs or damages which are solely the result of the negligent acts or omissions or misconduct of State employees, the City agrees that it will protect, indemnify, and save harmless the State and Department of Transportation against and from all claims, liabilities, demands, causes of action, judgments (with any costs and fees that might be awarded), and losses to them from any cause whatever from the project, and including any suits, claims, actions, losses, costs or damages of any kind, including the State and Department's legal expenses, made against the State or Department by anyone arising out of, in connection with, or incidental to the project and its construction or use or maintenance.

16. The City may submit a claim once a month detailing items and quantities of acceptable work completed that period to the CTEP Office for the project development and/or construction costs incurred. The request will be accompanied by documentation substantiating the amount requested and identifying the applicable federal share.
17. This agreement shall become effective upon execution by both parties. It may be modified only by prior written agreement of both parties.
18. The City will service, maintain, and pay the cost of operating the project described in this agreement.
19. During the performance of this Agreement the City, for itself, its assignees and successors in interest, agrees as follows:

- (2) Nondiscrimination: The City, with regard to the work performed by it during the Agreement, shall not discriminate on the grounds of sex, race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The City shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR Sec. 21.5.

- (3) Solicitations for Subcontracts, Including Procurement of Materials and Equipment: In all solicitations, whether by competitive bidding or negotiation by the City for work to be performed under a subcontract, including procurement of materials or leases of equipment, any potential subcontractor or supplier shall be notified by the City of the City's obligations under this Agreement and the Regulations relative to nondiscrimination.
- (4) Information and Reports: The City will provide all reports and information required by the Regulations, or directives issued pursuant thereto, and permit access to its books, records, accounts, other sources of information and its facilities as may be determined by State or the Federal Highway Administration (FHWA) to be pertinent to ascertain compliance with Regulations or directives. Where any information required of the City is in the exclusive possession of another who fails or refuses to furnish this information, the City shall so certify to the Department or the FHWA as requested, setting forth what efforts it has made to obtain the information.
- (5) Sanctions for Noncompliance: In the event of the City's noncompliance with the nondiscrimination provisions of this Agreement, the State may impose sanctions as it or the FHWA determines appropriate, including, but not limited to,
  - (a) Withholding payments to the City under the Agreement until the City complies, and/or
  - (b) Cancellation, termination or suspension of the Agreement, in whole or in part.
- (6) Incorporation of Provisions: The City will include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. The City will take such action with respect to any subcontract or procurement as the State or the FHWA may direct to enforce such provisions including sanctions for noncompliance: Provided, however, that in the event the City is sued or is threatened with litigation by a subcontractor or supplier as a result of such direction, the City may request the State to enter into the litigation to protect the interests of the State, and, in addition, the City or the State may request the United States to enter into such litigation to protect the interests of the United States.

**B) COMPLIANCE WITH THE MONTANA GOVERNMENTAL CODE OF FAIR PRACTICES, SEC. 49-3-207, MCA**

In accordance with Section 49-3-207, MCA, the City agrees that for this Agreement all hiring will be made on the basis of merit and qualifications and that there will be no discrimination on the basis of race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the Agreement.

**C) COMPLIANCE WITH AMERICANS WITH DISABILITIES ACT (ADA)**

- (1) The City will comply with all regulations relative to implementation of the AMERICANS WITH DISABILITIES ACT.
- (2) The City will incorporate or communicate the intent of the following statement in all publications, announcements, video recordings, course offerings or other

program outputs: **"The City will provide reasonable accommodations for any known disability that may interfere with a person in participating in any service, program or activity offered by the City. In the case of documents, recordings or verbal presentations, alternative accessible formats will be provided. For further information call the City."**

- (3) All video recordings produced and created under contract and/or agreement will be closed-captioned.

**D) COMPLIANCE WITH PARTICIPATION BY DISADVANTAGED BUSINESS ENTERPRISES IN DEPARTMENT OF TRANSPORTATION FINANCIAL ASSISTANCE PROGRAMS, 49 CFR PART 26**

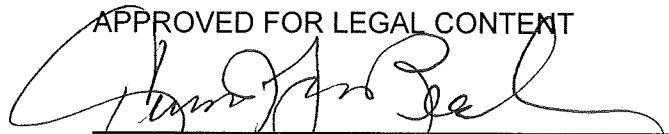

Each Agreement the Department signs with a City (and each subcontract the prime contractor signs with a subcontractor) must include the following assurance:

**The City, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The City shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the City to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.**

IN WITNESS WHEREOF, the Department's authorized representative has signed on behalf of the State of Montana, and the Mayor of the City of Billings has signed and affixed hereto the seal of the City.
