RE: Use of TIFD Funds

Dear Candi,

The Board of Directors has unanimously voted to use \$25,000.00 of the TIFD funds for funding the Exposition Gateway Master Plan being developed by Big Sky Economic Development (BSEDA).

Please prepare the necessary documents for presentation to the City Council. Please give us advance notice of when it will be presented to the City Council and we have members come testify on its behalf.

Sincerely,

Martin R. Connell  
President
