

# Software License Agreement

**WARNING: If you elect to use the Equipment, you agree to be bound by this Software License Agreement.**

1. **Limited License.** If Licensee elects to use the Equipment, Licensee agrees to be bound by the terms and conditions set forth in this Agreement. For any software provided with, or contained or embedded in, the equipment ("Equipment") manufactured by E.F. Johnson Company ("EFJohnson") and sold to the user of such Equipment that this Software License Agreement accompanied (the "Licensee") pursuant to an agreement between EFJohnson and Licensee regarding the purchase of the Equipment by the Licensee (the "Sales Agreement") and any additional EFJohnson manufactured equipment which Licensee may purchase from EFJohnson from time to time hereinafter for use with the Equipment (collectively, the "Software"), EFJohnson hereby grants to Licensee a personal, non-exclusive, non-transferable, non-assignable (by operation of law or otherwise), terminable license to use the Software on the terms and subject to the conditions contained herein with the exception of software developed by a manufacturer other than EFJohnson ("third-party software manufacturer") pursuant to a third-party license agreement. Such third-party software manufacturer may be a beneficiary of this Software License Agreement if required under such third-party license agreement. Licensee shall not have the right to sublicense, rent, lease, copy, modify, reverse engineer, disassemble, decompile or otherwise transfer the Software, except as provided herein. The license granted herein authorizes Licensee to use the Software for its own internal purposes and only in connection with the use of the Equipment. Licensee agrees not to use the Software for any other purpose or install the Software on any replacement or additional computer or equipment. EFJohnson prohibits (a) the use of the programs for rental, timesharing, subscription service, hosting or outsourcing; (b) the removal or modification of any program markings or any notice of proprietary rights; (c) the Licensee from making the programs available in any manner to any third party for use in any third party's business operations. Licensee shall not exercise any rights with respect to the Software that are not expressly granted herein.

2. **Maintenance; New Releases; Copies.** Provided Licensee is current in its payment of software maintenance fees, Licensee shall be entitled to receive any error or bug fixes provided by EFJohnson as part of the software maintenance. Maintenance shall be provided in accordance with the EFJohnson maintenance policy. EFJohnson may, but has no obligation to do so, offer for an additional license fee new features or enhancements to the Software. Licensee shall not copy, print, disassemble, modify, distribute, translate, reverse engineer or reproduce all or any portion of the Software or related documentation; provided that Licensee shall be entitled to make two (2) copies for back-up purposes only and not production use of the portions of the Software provided to Licensee.

3. **Proprietary Rights.** Licensee acknowledges that (a) the Software, including each program or system of which it is a part, and all supporting documentation and materials therefore, are the exclusive property of EFJohnson and/or any third-party software manufacturer as applicable, and (b) title to and all rights to the Software, including copyright, patent, intellectual property rights, trade secret and other rights in the Software, shall remain with EFJohnson and/or any third-party software manufacturer as applicable. Licensee shall not copy, reproduce, disclose or divulge the Software to any person, except to the extent reasonably required for purposes consistent with this license to an officer, employee, independent accountant, attorney or other similar agent of Licensee, and then only if Licensee uses the same degree of care, but no less than a reasonable degree of care, that Licensee uses to protect the confidentiality and title thereto of its own confidential or proprietary information of a like nature. Licensee shall not publish any results of benchmark tests run on the programs. Licensee acknowledges EFJohnson's right to seek equitable relief, including an injunction in the event of any breach or threatened breach by Licensee of this license. Notwithstanding the foregoing, Licensee shall have the right to disclose the Software to the extent required by a governmental agency or court with appropriate jurisdiction, provided that Licensee notifies EFJohnson in writing of the need to so disclose in advance of such disclosure. Licensee agrees that if any use of the Software comes to Licensee's attention which, in its opinion is unauthorized, Licensee shall promptly notify EFJohnson of such unauthorized use. Licensee, however, shall be under no affirmative obligation to make investigations to determine if an unauthorized use has occurred. In addition to the system key and encryption keys (and any programming materials or documents foregoing, Licensee acknowledges and agrees that, in order to protect the privacy of its radio system, it shall treat its encryption key and/or Multi-Net containing such keys) as highly confidential information and not disclose such keys to any third party unless such third party is subject to obligations of confidentiality in favor of Licensee.

4. **Warranty of Title.** EFJohnson warrants that it has good title to the Software or the right to license the same hereunder and that, to the best of EFJohnson's knowledge, the Software does not infringe upon any valid U.S. patent issued prior to the date of the Agreement. Subject to the terms of this license, EFJohnson will defend, at its expense, any action brought against Licensee to the extent it is based on a claim that the Software, used within the scope of this license, infringes upon any such U.S. patent, but only if (a) Licensee promptly notifies EFJohnson in writing of any such claim or proceeding, (b) Licensee permits EFJohnson to fully control the defense of such action, (c) Licensee fully cooperates with EFJohnson in connection with such defense, (d) Licensee does not compromise or settle any claim without the prior written consent of EFJohnson and (e) the infringement does not relate to any (i) modifications to the Software made other than by EFJohnson, (ii) modifications made to Licensee's specifications or (iii) use of the Software in combination with any equipment or products not manufactured by EFJohnson. EFJohnson shall have no other or further obligation or liability with respect to any claim of infringement or for breach of its warranty of title. If any part of the Software becomes, or if EFJohnson considers any of the Software likely to become, subject to a claim of infringement, EFJohnson may in its sole discretion (a) procure for Licensee the right to continue using such Software, (b) replace or modify the Software to make it non-infringing, refund the paid purchase price of the Equipment upon return of the Equipment upon return of the Equipment in undamaged condition, or (c) take such other action as is necessary and feasible to maintain Licensee's use of the Software.

5. **Limited Operational Warranty.** EFJohnson warrants that, for a period of twelve (12) months from the initial shipment of the Equipment, the Software will conform, as to the substantial operational features, to EFJohnson's applicable user's guide for the Software. EFJohnson does not warrant that the Software will meet Licensee's particular applications or requirements or that operation of the Software will be uninterrupted or error free or that each and every defect will be corrected. EFJohnson's sole obligation under this warranty shall be to make such adjustments or corrections which are necessary to render the Software workable in accordance with the applicable user's guide. This warranty shall not apply if (i) the Equipment or Software are used other than in accordance with the applicable user's guide; (ii) the Software is changed, modified, or maintained other than by EFJohnson or becomes defective as a result of Licensee's hardware or systems software conversion or malfunction; or (iii) the Equipment or Software are used or integrated with additional products or equipment which are not compatible with the operating specifications or characteristics of the Equipment or the Software. The investigation and/or adjustments or corrections of defects resulting from such causes shall be at Licensee's expense at EFJohnson's standard rate then in effect. EFJohnson shall not be responsible for any maintenance support or field service of any Software.

6. **Term and Termination.** This license shall become effective as of the date of the initial shipment of the Equipment and shall remain effective thereafter so long as Licensee owns and operates the Equipment in accordance with the terms of this Agreement; provided that, this license and all Licensee's rights under this license shall be deemed to automatically terminate upon the cancellation, breach or termination of the Agreement. Immediately upon such termination, Licensee shall cease use of the Software and either return to EFJohnson or destroy the original and all copies of the Software and, if requested by EFJohnson, certify in writing that the Software has been so destroyed.

7. **Export.** Licensee will fully comply with all relevant export laws and regulations of the United States and other applicable export and import laws to assure that neither the programs, nor any direct product thereof, are exported, directly or indirectly, in violation of applicable laws.

8. **Audit.** Licensee grants EFJohnson the right to audit the use of the programs, and may require the Licensee to provide reasonable assistance and access to information in the course of such audit and allows EFJohnson to report the audit results to third-party software manufacturers of the Software if applicable.

THE FOREGOING LIMITED OPERATIONAL WARRANTY, OTHER THAN THE WARRANTY SET FORTH IN SECTION 4 ABOVE, IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ANY LIABILITY OF EFJOHNSON OR ANY THIRD-PARTY SOFTWARE MANUFACTURER RELATED TO THE SOFTWARE FOR ANY CAUSE WHATSOEVER AND WHETHER SUCH LIABILITY IS BASED ON CONTRACT, TORT OR ANY OTHER THEORY OF LIABILITY, SHALL BE LIMITED TO THE DIRECT AND ACTUAL DAMAGES INCURRED BY LICENSEE, TO THE EXTENT RECOVERABLE BY LAW AND, IN NO EVENT, SHALL SUCH DAMAGES EXCEED THE PORTION OF THE PURCHASE PRICE OF THE EQUIPMENT WHICH IS ALLOCATED TO THE SOFTWARE ACCORDING TO EFJOHNSON'S PRICING POLICIES. UNDER NO CIRCUMSTANCES SHALL EFJOHNSON OR ANY THIRD-PARTY SOFTWARE MANUFACTURER BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL OR DAMAGES OF ANY KIND, EVEN IN THE EVENT THAT EFJOHNSON IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NEITHER EFJOHNSON NOR ANY THIRD-PARTY SOFTWARE MANUFACTURER SHALL BE LIABLE FOR ANY LOSS OF PROFITS, REVENUE, DATA OR DATA USE, ARISING FROM THE USE OF THE PROGRAMS. THIS SOFTWARE LICENSE EXCLUDES THE APPLICATION OF THE UNIFORM COMPUTER INFORMATION TRANSACTIONS ACT.
