For this section, please itemize regular work duties (not including special projects) – products or projects starting or completing, meetings to be attended, etc., and more specifically, ways in which the local program will grow and develop. Please tie your tasks to your community's Preservation Plan. If not, please explain.

(Check if Scope of Work is continued on additional pages.)

The Cities of Billings and Laurel, Yellowstone County, and the Crow Tribal Council entered into an inter-local agreement in July 1993 establishing the Yellowstone Historic Preservation Board (YHPB). Along with the inter-local agreement, the four governmental entities adopted ordinances setting up a multi-government YHPB, appointed nine (9) qualified board members, and a Historic Preservation Officer. Since that time, the YHPB has been meeting monthly and has continued to develop and refine an encompassing Historic Preservation Program implementing the specific goals of the historic element of the 2008 Growth Policy.

We anticipate a similar budget as submitted last year with local funds being provided through the City of Billings, City of Laurel, and Yellowstone County in the amount of \$2,500. This amount combined with the \$5,225 from the CLG provides \$7,725 for consulting services provided by Western Heritage Center. In addition to the local funds, the Planning Division also provides in-kind match through room usage, supplies and staff time. Also, Historic Preservation Board members' time is also counted towards in-kind match. As mentioned above, the CLG and local funds are used to contract services with the Western Heritage Center and assist in carrying out the following activities:

- Assist Board and Historic Officer in undertaking action to meet short and long-range goals established by the Board. See Attachment A.
- Provide professional services to assist Board, Officer, and the City in performing duties and responsibility identified in the City's Historic Preservation Ordinance MCA 27-500.
- Act as a historic preservation center by providing technical assistance, direction, and literature on the following:
 - a. Historic preservation tax credits
 - b. National Register

- c. Federal historic preservation regulations, and
- d. Secretary of Interior Standards related to historic preservation activities
- Attend community meetings related to preservation activities, on behalf of the Board upon request.
- Plan and coordinate activities and publicity during National Preservation Week in May.
- Carrying out the responsibilities for the CLG Program as outlined in “The Certified Local Government Program in Montana.”
- Submit semi-annual reports on the historic preservation efforts of the community carried out by the City under the CLG grant.
