Dear Terry:

As we have discussed several times by phone, I write to ask official permission from the Billings City Council for a street name change.

MorningStar Senior Living, based in Denver, Colorado, assumed management of the senior living community on 4001 Bell Avenue on December 1, 2013. The property was formerly owned and managed by Bonaventure Senior Living. At the time of its construction in 2008(?), the street running across the back of the campus (and in front of the patio homes) was named Bonaventure Drive. That short street connects Bell Avenue and Central Avenue, with a street sign at each intersection declaring the name.

Naturally, we would like to remove the Bonaventure name from the property. Therefore, we respectfully ask that the City of Billings change the street name officially to Bell Drive. I have asked, and received verbal permission in this from Bill Tatum, Fire Marshall.

Thank you very much,
