

AMENDMENT NO. 1

To

Contract for Professional Engineering Services

W.O. 15-38 – Solid Waste CNG Short-Term Fueling Station

THIS AGREEMENT, made and entered into on _____, 2015, by and between the following:

CITY OF BILLINGS, a Municipal Corporation,
Billings, Montana 59103,
Hereinafter designated the City

and

HDR Engineering, Inc.
2913 Millennium Circle
Billings, Montana 59102
Hereinafter designated the Contractor

WITNESSETH:

WHEREAS, the City and Contractor have entered into a contract dated June 11, 2015, for Contractor to provide engineering services to the City for Work Order 15-38 – Solid Waste CNG Short-Term Fueling Station, and;

WHEREAS, the City has need for additional engineering services, and;

WHEREAS, the City has authority to contract for consulting engineering services, and;

WHEREAS, the Contractor represents that he is qualified to perform such services, is in compliance with Montana Statutes relating to the registration of professional engineers and is willing to furnish such services to the City;

NOW, THEREFORE, in consideration of the terms, conditions, covenants and performance contained herein, or attached and incorporated herein, the Parties hereto agree as follows:

Part I, Section 4. is amended as follows:

Increase the amount of compensation by Twelve Thousand One Hundred Fifty and no/100 DOLLARS (\$12,150.00) to Sixty Two Thousand and no/100 DOLLARS (\$62,000.00).

Appendix A, Section 3. Add the following to the Scope of Work:

- Add Task 204 – CNG Fueling Station Site Evaluation
 - Engineering analysis and site evaluation to determine most appropriate site to construct CNG Fueling Station
- Add Task 205 – Norwalk CNG Fueling System Evaluation
 - Analyze and evaluate existing Norwalk CNG Fueling System
 - Site visits to coordinate electrical, mechanical and structural design of existing Norwalk CNG Fueling System Evaluation
- Modify Task 303 to include the following:
 - Develop specifications for the installation of the Norwalk Fueling System.
 - Develop combined specifications for procurement and installation as a single advertisement.
- Add Task 307 – CNG Shelter Design and Coordination
 - Analysis of requirements for permanent shelter to cover CNG equipment
 - Coordination with City and manufacturer of existing shelter currently located at Solid Waste Division property.
 - Coordination with prefab shelter manufacturers to provide shelter to meet building permits requirements.

All other terms and conditions of the contract to which this amendment applies shall remain in full effect.

IN WITNESS WHEREOF, the parties hereto have executed this instrument the day and year first above written.
