Hello Susan, thank you. Hope this email finds you well.

I would definitely like to bring this to city council as the fire will be best after dark, and it doesnt have to be very loud but music would be nice to have for the performers. Are there any pointers you could give me for approaching city council with this?

I just received an email copy of my proof of insurance, the hard copy is in the mail. Do you need the hard copy? My policy is for 3-5 million for the whole year. Each of our performers is doing this amount (but some only for the one night). Is this sufficient ? We are using the same company who covers the Bozeman performers.

One more question, how big is the radius to get businesses for the sign off sheet... ? Just 29th between 2nd and 3rd?

Thank you :)
Have a great day.
April
