RE: Sound Competition – Jarrett’s StereoS (formally Pro Autosound & Security)

Honorable Mayor Hanel and Esteemed Members of the Billings City Council,

I wish to humbly ask for the noise ordinance to be lifted on June 24th, 2017, from 10am – 5pm at our store Jarrett’s StereoS, 2271 Eldorado Drive, Billings (formally Pro Autosound & Security). I am asking for the accommodation as we are in the process of an ownership and name change and competitors are coming from out of state to our store to compete. We have been a stop on the United States Autosound Competition International (USACi) World Finals for the past 11 years.

We have held sound competitions at our store for the past 30 years. We do this once a year to not only boost our summer revenue, but to also help put Billings on the map. We have been in the same store for the past 40 years and have a large following, around the United States, as a destination spot for this type of sound competition. Some of the past competitors have enjoyed not only the professionalism of our competition but the beauty that Billings has to offer. We hope to be able to bring Billings out into the forefront of yet another US based company opening their eyes to the beauty of Montana.

Thank you in advance for your support from all of us at Jarrett’s StereoS (Formally Pro Autosound & Security).

Sincerely,

A handwritten signature in black ink, appearing to read 'Jarrett Wanner', with a stylized flourish at the end.

Jarrett Wanner
General Manager/Owner
