

**MEMORANDUM OF UNDERSTANDING
SCHOOL RESOURCE OFFICER PROGRAM
AT THE BILLINGS CAREER CENTER**

**CITY OF BILLINGS POLICE DEPARTMENT
BILLINGS PUBLIC SCHOOLS**

We do hereby agree that it is mutually beneficial to all parties for Billings Police Officers to be assigned as School Resource Officers to schools within the City of Billings. It is understood by all parties that officers are employees of the City of Billings Police Department.

The purpose of this document is to facilitate a clear understanding of roles, duties, and responsibilities. This Memorandum of Understanding (MOU) is being set forth on this _____ day of _____, 2017 with full recognition that the agreement and document must be a living document to allow for program evolution and provide for some City of Billings and Billings School District variances, needs, and future changes. It is recognized that the School Resource Officer Program has enjoyed a Twenty-two (22) year history within the City of Billings, since a limited pilot project at Billings West High School was implemented by the West End Community Oriented Policing team, and has enjoyed an excellent relationship with the schools. This MOU is being set forth to provide universal clarification of expectations, to minimize confusion, and to provide for consistency between officers, schools, principals, and directors.

The Billings Police Department recognizes and supports the need for safe schools and a safe learning environment for our youth. In furtherance of that goal, the Billings Police Department School Resource Officers shall work in partnership with school officials toward this end. The Billings Career Center and Billings Catholic Schools will provide a private office, office furnishings, telephone, and a computer to the SRO for his/her use in the school. The Career Center will also provide reimbursement for any required police equipment, including radios, and a motorized vehicle to the SRO needed for completion of duties.

The Billings Police Department is committed to improving the quality of life through a customer service, problem solving partnership with the community.

MISSION STATEMENT - SCHOOL RESOURCE OFFICER PROGRAM

The SRO's primary responsibility is to maintain law and order in the schools and to insure that the students and faculty have a safe, secure and drug free educational environment. The SRO will be assigned in a full-time capacity and will be responsible for carrying his/her duties at all schools.

The SRO shall coordinate closely with the school Principals on all matters and obtain guidance as to actions that may or can be taken for non-criminal acts. The Principal has

the primary responsibility for education and maintaining discipline at the school and the SRO is there to assist the Principal as he/she determines necessary.

The SRO shall be the designee of the Principals in maintaining the physical plant of the school to provide a safe environment as to law enforcement matters and school code violations. This includes but not limited to the building(s), ground(s), parking lot(s), locker(s) and other public school property.

The SRO shall be involved in school discipline and assist the superintendent, principals, faculty, and staff in enforcing the campus code of conduct and other school rules in order to maintain a safe learning environment. When it pertains to preventing a disruption that would, if ignored, place students, faculty and staff at risk of harm, the SRO will resolve the problem to preserve the school climate. IN ALL OTHER CASES, disciplining students is a School District responsibility, and the SRO will intervene and take students who violate the code of conduct to the principal where school discipline can be meted out.

The SRO shall act as and be considered a “school official” for searches and seizures based on reasonable suspicion as it pertains to New Jersey vs. TLO.

SELECTION AND FINANCIAL CONSIDERATION

One (1) officer will be selected by means of a joint selection committee, comprised of three (3) representatives from the Billings School District who will be appointed by the Superintendent of Billings Public Schools, the President of Billings Catholic Schools and three (3) representatives from the Billings Police Department who will be appointed by the Billings Chief of Police. The Selection Committee will make recommendations to the Chief of Police. While he will duly consider the Committee’s recommendations, selection of the School Resource Officer is within the sole discretion of the Chief of Police. The officer will be assigned to the Career Center and Billings Catholic Schools.

In return for services provided by the officer, the Billings School District will pay to the City of Billings the sum of seventy-two thousand three hundred eighty-two dollars (\$72,382) by July, 30, 2017 to cover the salary and benefits for an entry level officer for 12 months.

It is further agreed that Billings Catholic Schools will reimburse School District 2 for twenty (20) percent of all costs incurred under this agreement. Reimbursement will be made by Billings Catholic Schools to School District 2 within 30 days of the date of payment(s) made by School District 2. School District 2 is responsible for assessing Billings Catholic Schools for their share of the SRO and related costs under this agreement.

PROGRAM ASSESSMENT

The School Resource Officer Program will be assessed annually, and the evaluation will be conducted jointly between the Billings Police Department, Billings Public Schools, and Billings Catholic Schools. The following areas, at a minimum, will be used to evaluate the program:

- ◆ Success of established goals and objectives.
- ◆ An internal survey of high school administration, faculty and student council members, primarily concerning perceptions of safety and security.
- ◆ Traditional police-citizen contacts (citations, arrests, FIRs, etc.).
- ◆ Non-traditional police-citizen contacts (meetings attended, problem areas addressed, student or family interviews, etc.).
- ◆ Surrounding neighborhood feedback and reaction to police efforts to address issues concerning the schools and students.
- ◆ Accomplishment of tasks agreed upon as part of any work plan written in conjunction with the Principal.

Each officer's effectiveness in the program will be evaluated at the end of each school term. The Principals will provide input into the evaluation. This may include a recommendation to the Chief that the officer not be assigned to the schools the following year. The Chief will seriously consider the evaluation and the input of the Superintendent and President of Billings Catholic Schools when assigning an officer to the schools, and will make a good faith effort to address any concerns raised. Ultimately, however, the final decision on which officer will be assigned as a school resource officer is within the sole discretion of the Police Chief.
