Revenue Expenditure

Fund 2110 - Street/Traffic Operating

This amendment is allow for the purchase of required snow plowing equipment and to pay contractors to perform local street plowing. This will be paid for with a transfer from the Street Maintenance District 2 fund.

2110-31320-403581	445,000	Contracted Service
2110-31320-409420	90,000	Capital Outlay

Fund 8020 - Street Maintenance District

The City Council approved assessing residents an additional cost for local street plowing at the June 12, 2017 meeting. This amendment allows for the transfer of those proceeds to the Street/Traffic Operating Fund. This will be funded through the increased assessments.

8020-31810-403958	535,000	Street/Traffic Charge for Service
