RE: High Sierra Subdivision, 10th Filing.

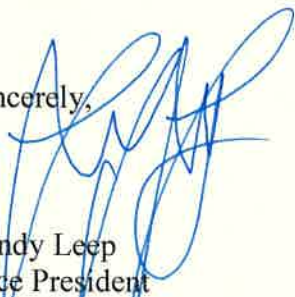

Dear Mr. Green

Please accept this letter as our official request to the Planning Department for a two year extension of the High Sierra 10th Filing preliminary plat approval.

We are planning on building the 6th and 9th Filings of the High Sierra Subdivision before building the 10th Filing, thus the request for a two year extension.

If you have any questions, please call my office.

Sincerely,

Landy Leep
