In re: Special Review #961

Zoning Commission et alia:

I am Jeffrey A. Jeske, property owner at 806 So. 31st ST in Billings. I have owned this property since the late 1980s. Over the years I have witnessed many changes in this small segment of the city. At times the changes have been fraught with some bad. Thankfully, positive change has prevailed. South Park and the immediate area is truly a gem in the city. All along, Friendship House has stood like a rock on the corner. In fact, my daughter attended pre-school there 33 years ago at a time when such a program was virtually nonexistent.

I have many times over the years watched the little ones weaving through the parked vehicles and lamented Friendship House's lack of a parking lot. For the small part I may play as a neighbor to show my support for Friendship House's excellent example, I am most happy to agree with their request.

Please, vote to approve Friendship House's request, Special Review #961.

Sincerely,

Jeffrey A. Jeske
