RESOLUTION NO. _____

RESOLUTION RELATING TO \$1,090,000 SPECIAL
IMPROVEMENT DISTRICT NO. 1405 BONDS, SERIES 2018;
FIXING THE FORM AND DETAILS AND PROVIDING FOR
THE EXECUTION AND DELIVERY THEREOF AND
SECURITY THEREFOR

BE IT RESOLVED by the City Council (the "Council") of the City of Billings, Montana (the "City"), as follows:

Section 1. Recitals. It is hereby found, determined and declared as follows:

1.01. Resolution of Intention. By Resolution No. 18-10700, duly adopted by the Council on February 28, 2018 (the "Resolution of Intention"), this Council declared its intention to create Special Improvement District No. 1405 (the "District"), for the purpose of financing costs of certain public improvements of special benefit to the properties within the District. The Resolution of Intention designated the number of the District, described the boundaries thereof, stated whether the District was an extended district and stated the general character of the improvements to be made (the "Improvements") and an approximate estimate of the costs thereof, in accordance with the provisions of Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended (the "Act"). By the Resolution of Intention, this Council also declared its intention to cause the cost and expense of making the Improvements specially benefiting the District to be assessed against the properties included within the boundaries thereof in accordance with one or more methods of assessment authorized in Sections 7-12-4161 to 7-12-4165 of the Act and as set forth in the Resolution of Intention.

In the Resolution of Intention, this Council stated its intention to issue special improvement district bonds (the "Bonds") drawn against the District to pay a portion of the costs of the Improvements and costs of issuance of the Bonds. This Council further found that it is in the public interest, and in the best interest of the City and the District, to secure payment of principal of and interest on the Bonds by the Special Improvement District Revolving Fund of the City (the "Revolving Fund"), on the basis of factors required to be considered under Section 7-12-4225 of the Act. Those findings are hereby ratified and confirmed.

1.02. Notice. Notice of the passage of the Resolution of Intention was given by two publications, with at least six days between publications, in the *Yellowstone County News*, a weekly newspaper of general circulation published within the City. Notice of the passage of the Resolution of Intention was also mailed the same day the notice was first published to all persons, firms or corporations or the agents thereof having real property within the District, listed in their names upon the last completed assessment roll for State, county and school district taxes, at their last known addresses. The notice described the general character of the Improvements, stated the estimated cost of the Improvements and the method or methods of assessment of such costs against properties in the District, specified the time when and the place where the Council would hear and pass upon all protests made against the making of the Improvements or the creation or extension of the District, and referred to the Resolution of Intention as being on file in the office of the City Clerk for a description of the boundaries of the District, all in accordance

with the provisions of the Resolution of Intention, and included a statement that, subject to the limitations of Section 7-12-4222 of the Act, the general fund of the City may be used to provide loans to the Revolving Fund or a general tax levy may be imposed on all taxable property in the City to meet the financial requirements of the Revolving Fund. In the Resolution of Intention, the Council also declared its intention to reimburse the City for costs paid before issuance of the Bonds, as required by Section 1.150-2 of the Income Tax Regulations promulgated under the Internal Revenue Code.

1.03. Creation of District. At the times and places specified in the notices hereinabove described, this Council met to hear, consider and pass upon all protests made against the making of the Improvements and the creation of the District, and, after consideration thereof, it was determined and declared that insufficient protests against the creation or extension of the District or the proposed work had been filed in the time and manner provided by law by the owners of the property to be assessed for the Improvements in the District, and this Council did therefore by Resolution No. 18-10714, adopted March 26, 2018, create Special Improvement District No. 1405 in accordance with the Resolution of Intention.

1.04. Construction Contracts. The City will cause or has caused to be constructed certain Improvements as described in the Resolution of Intention. Plans, specifications, maps, profiles and surveys for construction of the Improvements to be constructed to benefit the District were prepared by the engineers acting for the City or by City engineers, and were thereupon examined and approved by this Council. Advertisements for bids for construction of the Improvements were published in the official newspaper of the City in accordance with the provisions of Montana Code Annotated, Section 7-12-4141, after which the bids theretofore received were opened and examined. After referring the bids to the engineers for the City it was determined that the lowest regular proposal for the furnishing of all work and materials required for constructing the Improvements in accordance with the approved plans and specifications was the following:

<u>Work</u>	<u>Bidder</u>	<u>Contract Price</u>
Installation of street lighting for 2 nd Avenue North and 3 rd Avenue North (North 10 th Street to North 13 th Street) and various streets in the East Billings Urban Renewal District	Knife River, Billings, Montana	\$1,948,138

Contracts for the construction of the Improvements were therefore awarded to said bidder, subject to the right of owners of property liable to be assessed for the costs thereof to elect to take the work and enter into written contracts therefor in the manner provided by Montana Code Annotated, Section 7-12-4147, whereupon the City and the successful bidders entered into written contracts for construction of the Improvements upon the bidders having executed and filed bonds satisfactory to this Council and in the form and manner provided by Montana Code Annotated, Title 18, Chapter 2, Part 2, as amended.

1.05. Costs. It is currently estimated that the costs and expenses to be assessed against properties in the District benefited by the Improvements, including costs of preparation of plans, specifications, maps, profiles, engineering superintendence and inspection, preparation of

assessment rolls, expenses of making the assessments, the cost of work and materials under the construction contracts and all other costs and expenses, including the deposit of proceeds in the Revolving Fund, are as follows:

Construction Costs	\$ 975,000.00
Deposit to Revolving Fund (5%)	54,500.00
Costs of Issuance	48,510.00
Underwriter's Discount	11,990.00
<u>Total:</u>	<u>\$1,090,000.00</u>

Costs of the Improvements in excess of the proceeds of the Bonds will be paid from amounts the City has on hand and available therefor.

After deducting amounts contributed by the City for the Improvements, the aggregate principal amount required to finance construction of the Improvements is \$1,090,000. Such amount will be levied and assessed upon the assessable real property within the District on the basis described in the Resolution of Intention. This Council has jurisdiction and is required by law to levy and assess such amounts, to collect such special assessments and credit the same to the special improvement district funds created for the District, which funds are to be maintained on the official books and records of the City separate from all other City funds, within the Special Improvement District No. 1405 Fund (the "District Fund") for the payment of principal and interest when due on the Bonds herein authorized.

1.06. Sale and Issuance of Bonds. For the purpose of financing the Improvements, funding a deposit to the Revolving Fund and paying costs of issuance of the Bonds, this Council, pursuant to Resolution Nos. 18-10747, adopted by the City Council on July 9, 2018, determined that it would be in the best interests of the City to sell the Bonds in a negotiated sale to D.A. Davidson, of Great Falls, Montana (the "Purchaser") and authorized the City to enter into a Bond Purchase Agreement, dated August 8, 2018, with the Purchaser (the "Bond Purchase Agreement"), pursuant to which the Purchaser agreed to purchase the Bonds from the City at the aggregate purchase price of \$1,078,010.00 (representing the par amount of the Bonds, less underwriter's compensation of \$11,990.00), in each case, subject to the terms and conditions of the Bond Purchase Agreement and the Resolution. The true interest cost of the Bonds is 3.528711%. The sale of the Bonds to the Purchaser is hereby ratified and confirmed. In the event of any discrepancy between the Bond Purchase Agreement and this Resolution, this Resolution shall control.

1.07. Official Statement. The Preliminary Official Statement relating to the Bonds, dated July 25, 2018, is hereby approved and the determination of the City Finance Director that the Preliminary Official Statement has been deemed final for purposes of SEC Rule 15c2-12(b)(1) is hereby ratified and confirmed. The Official Statement relating to the Bonds, dated August 8, 2018, and substantially in the form of the Preliminary Official Statement, is hereby approved and the determination of the City Finance Director that the Official Statement is accurate, complete and sufficient in all material ways is hereby ratified and confirmed.

1.08. Recitals. All acts, conditions and things required by the Constitution and laws of the State of Montana, including the Act, and the home rule charter of the City, in order to make

the Bonds valid and binding special obligations in accordance with their terms and in accordance with the terms of this Resolution have been done, do exist, have happened and have been performed in regular and due form, time and manner as so required.

Section 2. The Bonds.

2.01. Principal Amount, Maturities, Denominations, Date, Interest Rates. The Bonds shall be designated “Special Improvement District No. 1405 Bonds, Series 2018.” The Bonds shall be in denominations of \$5,000 or any integral multiple thereof of single maturities. The Bonds shall mature, subject to redemption as hereinafter provided, on July 1 in the years and amounts listed below, and the Bonds maturing in such years and amounts shall bear interest from the date of original issue until paid or duly called for redemption at the rates shown opposite such years and amounts, as follows:

2022	65,000	2.55	2028	75,000	3.35
2023	65,000	2.70	2030*	160,000	3.50
2024	70,000	2.85	2033*	265,000	3.75

*Term Bond subject to mandatory sinking fund redemption as set forth in Section 2.07 below.

Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months.

2.02. Registered Form, Interest Payment Dates. The Bonds shall be issuable only in fully registered form, and the ownership of the Bonds shall be transferred only upon the bond register. Interest on the Bonds shall be payable on each January 1 and July 1, commencing January 1, 2019. Interest on the Bonds shall be payable to the owners of record thereof as such appear on the bond register at the close of business on the 15th day of the immediately preceding month, whether or not such day is a business day. Interest on and, upon presentation and surrender thereof, principal of each Bond shall be payable by check or draft issued by the Registrar described herein.

2.03. Dated Date. The Bonds shall be dated, as originally issued, as of September 5, 2018, and upon authentication of any Bond the Registrar shall indicate thereon the date of such authentication.

2.04. Registration. The City shall appoint, and shall maintain, a bond registrar, transfer agent and paying agent for the Bonds (the “Registrar”). This Section 2.04 shall establish a system of registration for the Bonds as defined in the Model Public Obligations Registration Act of Montana. The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Bond Register. The Registrar shall keep at its principal office a bond register in which the Registrar shall provide for the registration of ownership of the Bonds and the registration of transfers and exchanges of the Bonds entitled to be registered, transferred or exchanged.

(b) Transfer. Upon surrender to the Registrar for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing and guaranteed by an “eligible guarantor institution” meeting the requirements of the Registrar, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer of any Bond or portion thereof selected or called for redemption.

(c) Exchange. Whenever any Bond is surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount, interest rate and maturity, as requested by the registered owner or the owner’s attorney duly authorized in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name any Bond is at any time registered on the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner’s order shall be valid and effectual to satisfy and discharge the liability of the City upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer of Bonds or exchange of Bonds (except for an exchange upon the partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like

amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or such Bond has been called for redemption in accordance with its terms, it shall not be necessary to issue a new Bond prior to payment.

2.05. Appointment of Initial Registrar. The City hereby appoints U.S. Bank National Association, of Salt Lake City, Utah, to act as the initial Registrar. The City reserves the right to appoint a successor Registrar and the City agrees to pay the reasonable and customary charges of the Registrar for the services performed. Upon merger or consolidation of a bank or trust company that is acting as the Registrar, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The City reserves the right to remove any Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession as Registrar to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.06. Redemption.

(a) Mandatory Redemption. If on any interest payment date there will be a balance in the District Fund after payment of the principal and interest due on all Bonds drawn against it, either from the prepayment of special assessments levied in the District or from the transfer of surplus money from the Construction Account to the Principal Account as provided in Section 3.02 or otherwise, the City Finance Director shall call for redemption on the interest payment date outstanding Bonds, or portions thereof, in an amount which, together with the interest thereon to the interest payment date, will equal the amount of such funds on deposit in the District Fund on that date. The redemption price shall equal the amount of the principal amount of the Bonds to be redeemed plus interest accrued to the date of redemption.

(b) Optional Redemption. The Bonds with stated maturities in the years 2019 through 2028 are not subject to optional redemption. The Bonds with stated maturities on July 1, 2030 and 2033 will be subject to redemption on July 1, 2028, and any date thereafter, at the option of the City, in whole or in part, from sources of funds available therefor (other than those described in Section 2.05(a)), at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date, without premium.

(c) Selection of Bonds for Redemption. If less than all of the Bonds are to be redeemed, Bonds shall be redeemed in order of the stated maturities thereof. If less than all Bonds of a stated maturity are to be redeemed, the Bonds of such maturity shall be selected for redemption in \$5,000 principal amounts selected by the Registrar by lot or other manner it deems fair.

(d) Notice and Effect of Redemption. The redemption date and the principal amount of the Bonds to be redeemed pursuant to this Section 2.06 shall be fixed by the City Finance Director who shall give notice thereof to the Registrar at least 35 days prior to the redemption date or such lesser period as the Registrar accepts. The Registrar, at least 30 days prior to the designated redemption date, shall cause notice of redemption to be mailed, by first class mail, or by other means required by the securities depository for the bonds, to the owners of each Bond to be redeemed at their addresses as they appear on the bond register, but no defect in or failure to give such mailed notice shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. The notice of redemption shall specify the redemption date, redemption price, the numbers, interest rates and CUSIP numbers of the Bonds to be redeemed and the place at which the Bonds are to be surrendered for payment, which is the designated office of the Registrar. Official notice of redemption having been given as aforesaid, the Bonds or portions thereof so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions thereof shall cease to bear interest.

2.07. Mandatory Sinking Fund Redemption. The Bonds having stated maturities in 2030 and 2033 are subject to mandatory sinking fund redemption on July 1 in the respective years and the respective principal amounts set forth below in \$5,000 principal amounts selected by the Registrar, by lot or other manner it deems fair, at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date:

2030 Term Bond		2033 Term Bond	
	Sinking Fund Payment		Sinking Fund Payment
July 1	Amount	July 1	Amount
2029	\$ 80,000	2031	\$ 85,000
2030*	80,000	2032	90,000
		2033*	90,000

*stated maturity.

If the Term Bonds having stated maturities in 2030 and 2033 are not previously purchased by the City in the open market or prepaid, \$80,000 and \$90,000, respectively, in principal amount of such Term Bonds would remain to mature in 2030 and 2033, respectively. The principal amount of such Term Bonds required to be redeemed on the above sinking fund payment dates shall be reduced by the principal amount of such Term Bonds theretofore redeemed at the option of the City and as to which the City has not previously applied amounts to reduce the principal amount of such Term Bonds on a sinking fund payment date.

2.08. Execution, Registration and Delivery. The Bonds shall be forthwith prepared for execution under the direction of the City Finance Director and shall be executed on behalf of the City by the signatures of the Mayor, the City Finance Director and the City Clerk, provided that said signatures may be printed, engraved or lithographed facsimiles thereof. The seal of the City need not be imprinted on or affixed to any Bond. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the

delivery thereof, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. When the Bonds have been so executed by said City officers, they shall be registered by the City Finance Director in accordance with Montana Code Annotated, Section 7-15-4322, as amended. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been fully executed and authenticated, they shall be delivered by the Registrar to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.09. Securities Depository for the Bonds.

(a) For purposes of this Section 2.09, the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds the Bonds as securities depository.

“Representation Letter” shall mean the Blanket Issuer Letter of Representations pursuant to which the City agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered Bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of all Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to owners of Bonds under the Resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the City shall be affected by any notice to the contrary. Neither the Registrar nor the City shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being an owner, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or

any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners under the Resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with the Representation Letter, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. Unless the services of DTC as securities depository with respect to the Bonds are terminated as provided in subsection (c) hereof, no person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with subsection (e) hereof.

(c) In the event the City determines to discontinue the book-entry-only system for the Bonds, the City may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with subsection (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with subsection (e) hereof.

(d) The Representation Letter sets forth certain matters with respect to, among other things, notices, consents and approvals by owners and Beneficial Owners and payments on the Bonds. The Registrar shall have the same rights with respect to its actions thereunder as it has with respect to its actions under this Resolution.

(e) In the event that any transfer or exchange of Bonds is permitted under subsection (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this Resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this Resolution shall also apply to all matters relating thereto, including, without limitation, the preparation of such Bonds in the form of Bond certificates and the method of payment of principal of and interest on such Bonds in the form of Bond certificates.

2.10. Form. The Bonds shall be drawn in substantially the form set forth in Exhibit A hereto, and by this reference made a part hereof, with such modifications as are permitted hereunder and by the Act.

2.11. Application of Proceeds. Simultaneously with the delivery of the Bonds, the City Finance Director shall cause the proceeds of the Bonds to be deposited as follows:

- (i) Deposit \$54,500 in the Revolving Fund; and
- (ii) Deposit \$1,023,510 in the Construction Account created within the District Fund, as described in Section 3.01, to be used to pay costs of the Improvements and costs of issuance of the Bonds.

Section 3. District Fund; Assessments.

3.01. District Fund. There is hereby created and established the fund designated as the “2018 Special Improvement District No. 1405 Fund,” which shall be maintained by the City Finance Director on the books and records of the City separate and apart from all other funds of the City (the “District Fund”). Within the District Fund there shall be maintained three separate accounts, designated as the “Construction Account,” the “Principal Account” and the “Interest Account,” respectively.

3.02. Construction Account. There shall be credited to the Construction Account in the District Fund those proceeds of the Bonds remaining after the required deposit to the Revolving Fund, as described in Section 2.11. Any earnings on investment of money in the Construction Account shall be retained therein. All costs and expenses of constructing the Improvements in and for the benefit of the District, including costs of issuance of the Bonds and other incidental costs, shall be paid from time to time as incurred and allowed from the Construction Account in accordance with the provisions of applicable law, and money in the Construction Account shall be used for no other purpose; provided that upon completion of the Improvements and after all claims and expenses with respect to the Improvements have been fully paid and satisfied, any money remaining in the Construction Account shall be transferred to the Principal Account and used to redeem Bonds or portions thereof as provided in Section 3.03.

3.03. Principal Account and Interest Account. Money in the Principal Account and the Interest Account shall be used only for payment of the principal of and interest on the Bonds as such payments become due or to redeem Bonds or portions thereof.

Upon collection of the installment of principal and interest due on November 30 and May 31 of each year on the special assessments to be levied with respect to the Improvements in the District, the City Finance Director shall credit to the Interest Account so much of said special assessments as is collected as interest payment and the balance thereof to the Principal Account. Any installment of any special assessment paid prior to its due date with interest accrued thereon to the next succeeding interest payment date shall be credited with respect to principal and interest payments in the same manner as other assessments are credited to the District Fund. All money in the Interest Account and the Principal Account shall be used first to pay interest due, and any remaining money shall be used to pay Bonds then due and, if money is available, to redeem Bonds or portions thereof in accordance with Section 2.06; provided that any money transferred to a Principal Account from a Construction Account pursuant to Section 3.02 shall be applied to redeem Bonds to the extent possible on the next interest payment date for which notice of redemption has been properly be given pursuant to Section 2.06. Redemption of Bonds or portions thereof shall be in the order of their stated maturities as provided in Section 2.06(a), and interest shall be paid from the Interest Account as accrued on such principal amounts to the date of redemption, in accordance with the provisions of Section 7-12-4206 of the Act.

3.04. Loans from Revolving Fund. The Council shall annually or more often if necessary issue an order authorizing a loan or advance from the Revolving Fund to the District Fund in an amount sufficient to make good any deficiency then existing in the Interest Account and issue an order authorizing a loan or advance from the Revolving Fund to the District Fund in an amount sufficient to make good any deficiency then existing in the Principal Account, in each case to the extent that money is available in the Revolving Fund. A deficiency shall be deemed to exist in the Principal Account or Interest Account if the money on deposit therein on any December 15 or June 15 (excluding amounts in the Principal Account representing prepaid special assessments) is less than the amount necessary to pay Bonds due (other than upon redemption), and interest on all Bonds payable, on the next succeeding interest payment date.

Pursuant to Ordinance No. 1096, the City has undertaken and agreed to provide funds for the Revolving Fund by annually levying such tax or making such loan from the general fund of the City, subject to the limitation that no such tax levy or loan may in any year cause the balance in the Revolving Fund to exceed five percent of the principal amount of the City's then outstanding special improvement and sidewalk, curb, gutter and alley approach bonds and warrants secured thereby and subject to the durational limitations specified in Section 7-12-4225 of the Act. In the event that the balance on hand in the Revolving Fund fifteen days prior to any date when interest is due on special improvement and sidewalk, curb, gutter and alley approach bonds and warrants of the City is not sufficient to make good all deficiencies then existing in the funds for which the City covenants to make loans from the Revolving Fund, the balance on hand in the Revolving Fund shall be allocated to the funds in which such deficiencies then exist in proportion to the amounts of the deficiencies on the respective dates of receipt of such money, until all interest accrued on such special improvement and sidewalk, curb, gutter and alley approach bonds and warrants of the City has been paid and to the extent of amounts available in the Revolving Fund. On any date when all accrued interest on special improvement and sidewalk, curb, gutter and alley approach bonds and warrants of the City payable from funds for which the City has covenanted to make loans from the Revolving Fund has been paid, any balance remaining in the Revolving Fund shall be loaned or advanced to the funds for payment and redemption of bonds and warrants to the extent such funds are deficient for such purpose and, if money in the Revolving Fund is insufficient therefor, pro rata, in an amount proportionate to the amount of such deficiency.

The City hereby determines, covenants and agrees to levy the property tax described in the immediately preceding paragraph to provide funds for the Revolving Fund so long as any Bonds are outstanding to the extent required under the provisions of this Resolution and the Act, even though such property tax levy may, under applicable law or provisions of the home rule charter of the City, require that property tax levies of the City for other purposes be reduced correspondingly.

Section 4. Covenants. The City covenants and agrees with the owners from time to time of each of the Bonds that until all the Bonds and interest thereon are fully paid:

4.01. Compliance with Resolution. The City will hold the District Fund and the Revolving Fund as trust funds, separate and apart from all of its other funds, and the City, its officers and agents, will comply with all covenants and agreements contained in this Resolution. The provisions hereinabove made with respect to the District Fund and the Revolving Fund are

in accordance with the undertaking and agreement of the City made in connection with the sale of the Bonds as set forth in Section 1.06.

4.02. Construction of Improvements. The City will do all acts and things necessary to enforce the provisions of the construction contracts and bonds referred to in Section 1.04 and to ensure the completion of the Improvements for the benefit of the District in accordance with the plans and specifications and within the time therein provided, and will pay all costs thereof promptly as incurred and allowed, out of the Construction Account and within the amount of the proceeds of the Bonds appropriated thereto, amounts contributed by the City therefor and prepayments by property owners in the District.

4.03. Levy of Assessments. The City will do all acts and things necessary for the final and valid levy of special assessments upon all assessable real property within the boundaries of the District benefited by the Improvements, in accordance with the Constitution and laws of the State of Montana and the Constitution of the United States, in an aggregate principal amount not less than \$1,090,000.

Such special assessments shall be levied on the basis or bases prescribed in the Resolution of Intention, and shall be payable in substantially equal semiannual installments of principal and interest over a period of 15 years, at an annual rate equal to the sum of: (i) the average annual interest rate borne by the then-outstanding Bonds, plus (ii) one-half of one percent (0.50%) per annum. The assessments to be levied will be payable on the 30th day of November in each of the years 2018 through 2032, and on the 31st day of May in the years 2019 through 2033, inclusive, if not theretofore paid, and shall become delinquent on such date unless paid in full. The first partial payment of each assessment shall include interest on the entire assessment from the date of original registration of the Bonds to January 1, 2019. The assessments shall constitute a lien upon and against the property against which they are made and levied, which lien may be extinguished only by payment of the assessment with all penalties, cost and interest as provided in Section 7-12-4191 of the Act. No tax deed issued with respect to any lot or parcel of land shall operate as payment of any installment of the assessment thereon which is payable after the execution of such deed, and any tax deed so issued shall convey title subject only to the lien of said future installments, as provided in Montana Code Annotated, Section 15-18-214.

4.04. Reassessment. If at any time and for whatever reason any special assessment or tax herein agreed to be levied is held invalid, the City and this Council, its officers and employees, will take all steps necessary to correct the same and to reassess and re-levy the same, including the ordering of work, with the same force and effect as if made at the time provided by law, ordinance or resolution relating thereto, and will reassess and re-levy the same with the same force and effect as an original levy thereof, as authorized in Section 7-12-4186 of the Act. Any special assessment, or reassessment or re-levy shall, so far as is practicable, be levied and collected as it would have been if the first levy had been enforced including the levy and collection of any interest accrued on the first levy.

If proceeds of the Bonds, including investment income thereon, are applied to the redemption of such Bonds, as provided in Sections 7-12-4205 and 7-12-4206 of the Act, or if refunding bonds are issued and the principal amount of the outstanding Bonds is decreased or

increased, the City will reduce or increase, respectively, the assessments levied in the District and then outstanding pro rata by the principal amount of such prepayment or the increment above or below the outstanding principal amount of bonds represented by the refunding bonds. The City and this Council, its officers and employees will reassess and re-levy such assessments, with the same effect as an original levy, in such reduced or increased amounts in accordance with the provisions of Sections 7-12-4176 through 7-12-4178 of the Act.

4.05. Absence of Litigation. There is now no litigation pending or, to the best knowledge of the City, threatened questioning the validity or regularity of the creation of the District, the contracts for construction of the Improvements or the undertaking and agreement of the City to levy special assessments therefor and to make good any deficiency in the collection thereof through the levy of taxes for and the making of advances from the Revolving Fund, or the right and power of the City to issue the Bonds or in any manner questioning the existence of any condition precedent to the exercise of the City's powers in these matters.

4.06. Waiver of Penalty and Interest. The City covenants not to waive the payment of penalty or interest on delinquent assessments levied on property in the District for costs of the Improvements, unless the City determines, by resolution of the Council, that such waiver is in the best interest of the owners of the outstanding Bonds.

Section 5. Tax Matters.

5.01. Use of Improvements. The Improvements will be owned and operated by the City and available for use by members of the general public on a substantially equal basis. The City shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the Improvements or security for the payment of the Bonds which might cause the Bonds to be considered "private activity bonds" or "private loan bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code").

5.02. General Covenant. The City covenants and agrees with the owners from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

5.03. Arbitrage Certification. The Mayor, the City Finance Director and the City Clerk, being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds, it is reasonably expected that the proceeds of the Bonds will be used in a manner that would not cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations.

5.04. Arbitrage Rebate. The City acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the Mayor, the City Finance Director and the City Clerk are hereby authorized and directed to execute a Rebate Certificate, substantially in the form to be prepared by Bond Counsel, and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

5.05. Information Reporting. The City shall file with the Secretary of the Treasury, not later than November 15, 2018, a statement concerning the Bonds containing the information required by Section 149(e) of the Code.

Section 6. Authentication of Transcript. The officers of the City are hereby authorized and directed to furnish to the Purchaser and to Bond Counsel certified copies of all proceedings relating to the issuance of the Bonds and such other certificates and affidavits as may be required to show the right, power and authority of the City to issue the Bonds, and all statements contained in and shown by such instruments, including any heretofore furnished, shall constitute representations of the City as to the truth of the statements purported to be shown thereby.

Section 7. Discharge.

7.01. General. When the liability of the City on all Bonds issued under and secured by this Resolution has been discharged as provided in this Section 7, all pledges, covenants and other rights granted by this Resolution to the owners of such obligations shall cease.

7.02. Payment. The City may discharge its liability with reference to any Bond or installment of interest thereon which is due on any date by depositing with the Registrar on or before that date funds sufficient, or, if a City officer is the Registrar, mailing to the registered owner of such Bond a check or draft in a sum sufficient and providing proceeds available, for the payment thereof in full; or if any Bond or installment of interest thereon shall not be paid when due, the City may nevertheless discharge its liability with reference thereto by depositing with the Registrar funds sufficient, or, if a City officer is the Registrar, by mailing to the registered owner thereof a check or draft in a sum sufficient and providing proceeds available, for the payment thereof in full with interest accrued to the date of such deposit or mailing.

7.03. Prepayment. The City may also discharge its obligations with respect to any Bonds called for redemption on any date when they are prepayable according to their terms, by on or before that date depositing with the Registrar funds sufficient, or, if a City officer is the Registrar, mailing to the registered owner of such Bond a check or a draft in a sum sufficient and providing proceeds available, for the payment of the principal, interest and redemption premium,

if any, which are then due; provided that notice of such redemption has been duly given as provided herein or irrevocably provided for.

7.04. Escrow. The City may also at any time discharge its liability in its entirety with reference to the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without reinvestment, to provide funds sufficient to pay all principal and interest to become due on all Bonds on or before maturity or, if any Bond has been duly called for redemption or notice of such redemption has been irrevocably provided for, on or before the designated redemption date.

7.05. Irrevocable Deposits. If an officer of the City is the Registrar, any deposit made under this Section 7 with the Registrar shall be irrevocable and held for the benefit of the owners of Bonds in respect of which such deposits have been made.

Section 8. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with paragraph (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule"), the City hereby makes the following covenants and agrees, for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Bonds, to provide annual reports of specified information and notice of the occurrence of certain events to the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access system website ("EMMA"), as hereinafter described (the "Disclosure Covenants"). The City is the only "obligated person" in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made.

If the City fails to comply with the Disclosure Covenants, any person aggrieved thereby, including the Owners of the outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of the Disclosure Covenants, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder. Notwithstanding anything to the contrary contained in the Disclosure Covenants, in no event shall a default under this Section 8 constitute a default under the Bonds or under any other provision of this Resolution.

As used in this Section 8, "Owner" means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used in this Section 8, "Beneficial Owner" means, in respect of a Bond, any person that (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including

persons holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The City will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the City, the following information at the following times:

(1) The Official Statement relating to the Series 2018 Bonds (the “Official Statement”) contains all of the Disclosure information (as hereinafter defined) described in paragraph (b)(1)(B) below for the fiscal year ended June 30, 2018. Therefore, the City will only provide the audited financial statements described in paragraph (b)(1)(A) below for the fiscal year ended June 30, 2018, on or before 365 days after the end of the fiscal year ended June 30, 2018 or within 10 business days of the receipt thereof. In addition, on or before 365 days after the end of each fiscal year of the City, commencing with the fiscal year ending June 30, 2019, the following financial information and operating data in respect of the City (the “Disclosure Information”):

(A) the audited financial statements of the City for such fiscal year, accompanied by the audit report and opinion of the accountant or government auditor relating thereto, as permitted or required by the laws of the State, containing a balance sheet as of the end of such fiscal year and a statement of operations, changes in fund balances and cash flows for the fiscal year then ended, prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Montana law, as in effect from time to time or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the City, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the City Finance Director; and

(B) To the extent not included in the financial statements referred to in paragraph (b)(1)(A) above, the information of the type set forth below, which information may be unaudited, but is to be certified as to accuracy and completeness in all material respects by the City Finance Director to the best of his or her knowledge, which certification may be based on the reliability of information obtained from third party sources:

(1) information, for such fiscal year, relating to amounts on hand in the Revolving Fund and transfers in and out in substantially the form presented in the tables under the captions “The Revolving Fund—The Revolving Fund and Outstanding Special Improvement District and Sidewalk, Curb, Gutter, and Alley Approach Bonds,” and “The Revolving Fund—Statement of Changes in Fund Balance of the Revolving Fund,”

and special assessment billings and collections in substantially the form presented in the table under the caption “The Revolving Fund—Special Assessment Billings and Collections” in the Official Statement;

(2) information, applicable for such fiscal year, relating to the assessed value and taxable value of property in the District;

(3) information, as of the end of the most recent fiscal year, regarding the direct debt of the City, including debt evidenced by special improvement district bonds, overlapping general obligation debt and debt ratios of the type contained under the captions “City Indebtedness” in Appendix I to the Official Statement.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the City shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 business days after the receipt thereof, the City shall provide the audited financial statements.

Any or all of the Disclosure Information may be incorporated, if it is updated as required hereby, by reference from other documents, including official statements, which have been submitted to the MSRB in the manner set forth in subsection (c) hereof. The City shall clearly identify in the Disclosure Information in each document so incorporated by reference.

If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be material (as hereinafter defined), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations.

If the Disclosure Information is changed or this Section 8 is amended as permitted by this subsection (b)(1) or subsection (d), then the City shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

(2) In a timely manner not in excess of ten business days, notice of the occurrence of any of the following events:

- (A) principal and interest payment delinquencies;
- (B) non-payment related defaults, if material;
- (C) unscheduled draws on debt service reserves reflecting financial difficulties;

- (D) unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) substitution of credit or liquidity providers, or their failure to perform;
- (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;
- (G) modifications to rights of holders of the Bonds, if material;
- (H) bond calls, if material, and tender offers;
- (I) defeasances;
- (J) release, substitution or sale of property securing repayment of the Bonds, if material;
- (K) rating changes;
- (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
- (M) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material.

An event is “material” if it is an event as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, an event is also “material” if it is an event that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(3) In a timely manner, notice of the occurrence of any of the following events or conditions:

- (A) the failure of the City to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
- (B) the amendment or supplementing of this Section 8 pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the City under subsection (d)(2); and
- (C) any change in the fiscal year of the City.

(c) Manner of Disclosure. The City agrees to make available the information described in subsection (b) hereof to the MSRB via EMMA or in a manner as may be otherwise proscribed by the MSRB consistent with the Rule. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

(d) Term; Amendments; Interpretation.

(i) The Disclosure Covenants shall remain in effect so long as any Bonds are outstanding.

(ii) Notwithstanding paragraph (d)(i) hereof, the Disclosure Covenants (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided under paragraph (b)(3)(B) hereof) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that the Disclosure Covenants (and the form and requirements of the Disclosure Information), as so amended or supplemented, will comply with paragraph (b)(5) of the Rule. If the Disclosure Covenants (and the form and requirements of the Disclosure Information) are so amended, the City agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(iii) The Disclosure Covenants are entered into to comply with the continuing disclosure provisions of the Rule and should be construed so the undertaking would satisfy the requirements of paragraph (b)(5) of the Rule.

(e) Further Limitation of Liability of City. In and to the extent the limitations of liability contained in subsection (a) are not effective, anything contained in this Section 8 to the contrary notwithstanding, in making the agreements, provisions and covenants set forth in this Section 8, the City has not obligated itself except with respect to the assessments and the Revolving Fund. None of the agreements or obligations of the City contained herein shall be construed to constitute an indebtedness of the City within the meaning of any constitutional or statutory provisions whatsoever or constitute a pledge of the general credit or taxing powers of the City.

Section 9. Repeals and Effective Date.

9.01. Repeal. All provisions of other resolution and other actions and proceedings of the City and this Council that are in any way inconsistent with the terms and provisions of this Resolution are repealed, amended and rescinded to the full extent necessary to give full force and effect to the provisions of this Resolution.

9.02. Effective Date. This Resolution shall take effect immediately upon its passage and adoption by this Council.

PRINCIPAL AMOUNT: AND NO/100 DOLLARS

FOR VALUE RECEIVED, the City of Billings, Montana (the "City"), will pay to the registered owner identified above, or registered assigns, on the maturity date specified above the principal amount specified above, solely from the revenues hereinafter specified, as authorized by Resolution No. [], adopted August 27, 2018 (the "Resolution"), all subject to the provisions hereinafter described relating to the redemption of this Bond before maturity. This Bond bears interest at the rate per annum specified above from the date of original issue specified above, or from such later date to which interest hereon has been paid or duly provided for, until the maturity date specified above or an earlier date on which this Bond shall have been duly called for redemption by the City Finance Director. Interest on this Bond is payable semiannually on the 1st day of January and the 1st day of July in each year, commencing January 1, 2019, to the owner of record of this Bond appearing as such in the bond register as of the close of business on the fifteenth day (whether or not a business day) of the immediately preceding month. Interest on and, upon presentation and surrender hereof at the operations center of the bond registrar and paying agent hereinafter named, the principal of this Bond are payable by check or draft of U.S. Bank National Association, as Registrar, Transfer Agent and Paying Agent, at its operations center in St. Paul, Minnesota, or its successor designated under the Resolution (the "Registrar"). The principal of and interest on this Bond are payable in lawful money of the United States of America. Interest shall be calculated on the basis of a 360 day year composed of twelve 30 day months.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the City.

This Bond is one of an issue in the aggregate principal amount of \$1,090,000 (the "Bonds"), all of like date of original issue and tenor, except as to serial number, denomination, date, interest rate, maturity date and redemption rights. The Bonds are issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended (the "Act"), and ordinances and resolutions duly adopted by the governing body of the City, including the Resolution, to finance costs of certain local improvements (the "Improvements") for the special benefit of property located in Special Improvement District No. 1405 (the "District"), to fund a deposit to the Special Improvement Revolving Fund (the "Revolving Fund") and to pay costs of issuance of the Bonds. The Bonds are issuable only as fully registered bonds of single maturities in denominations of \$5,000 or any integral multiple thereof.

This Bond is payable from the collection of a special tax or assessment levied upon all assessable real property within the boundaries of the District benefited by the Improvements, in an aggregate principal amount not less than \$1,090,000, except as such amounts may be reduced or increased in accordance with provisions of Montana law. Such assessments constitute a lien against the property against which they are made and levied and are to be deposited into the 2018 Special Improvement District No. 1405 Fund of the City (the "District Fund"). The Bonds are not general obligations of the City.

The City has validly established the Revolving Fund to secure the payment of certain of its special improvement and sidewalk, curb, gutter and alley approach bonds and warrants, including the Bonds. The City has also agreed, to the extent permitted by the Act, to issue orders annually, or more often as necessary, authorizing loans or advances from the Revolving Fund to the District Fund, in amounts sufficient to make good any deficiency in the District Fund to pay principal of or interest on the Bonds, to the extent money is available in the Revolving Fund, and to provide funds for the Revolving Fund by annually levying such tax or making such loan from its general fund, subject to the limitation that no such tax levy or loan may in any year cause the balance in the Revolving Fund to exceed five percent of the principal amount of the City's then outstanding special improvement and sidewalk, curb, gutter and alley approach bonds and warrants secured thereby and subject to the durational limitations specified in the Act. While any property tax levy to be made by the City to provide funds for the Revolving Fund is subject to levy limits under current law, the City has agreed in the Resolution to levy property taxes to provide funds for the Revolving Fund to the extent described in this paragraph and, if necessary, to reduce other property tax levies correspondingly to meet applicable levy limits.

If on any interest payment date there will be a balance in the Sinking Fund after payment of the principal and interest due on all Bonds drawn against it, either from the prepayment of assessments or from the transfer of surplus money from a Construction Subaccount to a Principal

Subaccount, the City Finance Director shall call for redemption on the interest payment date outstanding Bonds, or portions thereof, in an amount which, together with the interest thereon to the interest payment date, will equal the amount of such funds on deposit in the Sinking Fund on that date. The redemption price shall equal the principal amount of the Bonds to be redeemed plus interest accrued to the date of redemption.

The Bonds with stated maturities in the years 2019 through 2028 are not subject to optional redemption. The Bonds with stated maturities on July 1, 2030 and 2033 will be subject to redemption on July 1, 2028, and any date thereafter, at the option of the City, in whole or in part, from sources of funds available therefor (other than those described in Section 2.05(a) of the Resolution), at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date, without premium.

The redemption date and the principal amount of the Bonds to be redeemed shall be fixed by the City Finance Director who shall give notice thereof to the Registrar at least 35 days prior to the redemption date or such lesser period as the Registrar accepts. The Registrar, at least 30 days prior to the designated redemption date, shall cause notice of redemption to be mailed, by first class mail, or by other means required by the securities depository, to the owners of each Bond to be redeemed at their addresses as they appear on the bond register, but no defect in or failure to give such mailed notice shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. The notice of redemption shall specify the redemption date, redemption price, the numbers, interest rates and CUSIP numbers of the Bonds to be redeemed and the place at which the Bonds are to be surrendered for payment, which is the principal office of the Registrar. Official notice of redemption having been given as aforesaid, the Bonds or portions thereof so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions thereof shall cease to bear interest.

The Bonds having stated maturities in 2030 and 2033 are subject to mandatory sinking fund redemption on July 1 in the respective years and the respective principal amounts set forth below in \$5,000 principal amounts selected by the Registrar, by lot or other manner it deems fair, at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date:

2030 Term Bond		2033 Term Bond	
	Sinking Fund Payment		Sinking Fund Payment
July 1	Amount	July 1	Amount
2029	\$ 80,000	2031	\$ 85,000
2030	80,000	2032	90,000
		2033	90,000

*stated maturity.

If the Term Bonds having stated maturities in 2030 and 2033 are not previously purchased by the City in the open market or prepaid, \$80,000 and \$90,000, respectively, in principal amount of such Term Bonds would remain to mature in 2030 and 2033, respectively. The principal amount of such Term Bonds required to be redeemed on the above sinking fund payment dates shall be reduced by the principal amount of such Term Bonds theretofore redeemed at the option of the City and as to which the City has not previously applied amounts to reduce the principal amount of such Term Bonds on a sinking fund payment date.
