5. Old Business:

a. Motion/Recommendation. Memorandum of Agreement. Billings Metropolitan Transportation Planning Process. Scott Walker, Transportation Coordinator. Scott Walker opened this agenda item and gave an overview of the updates in this document.

Background

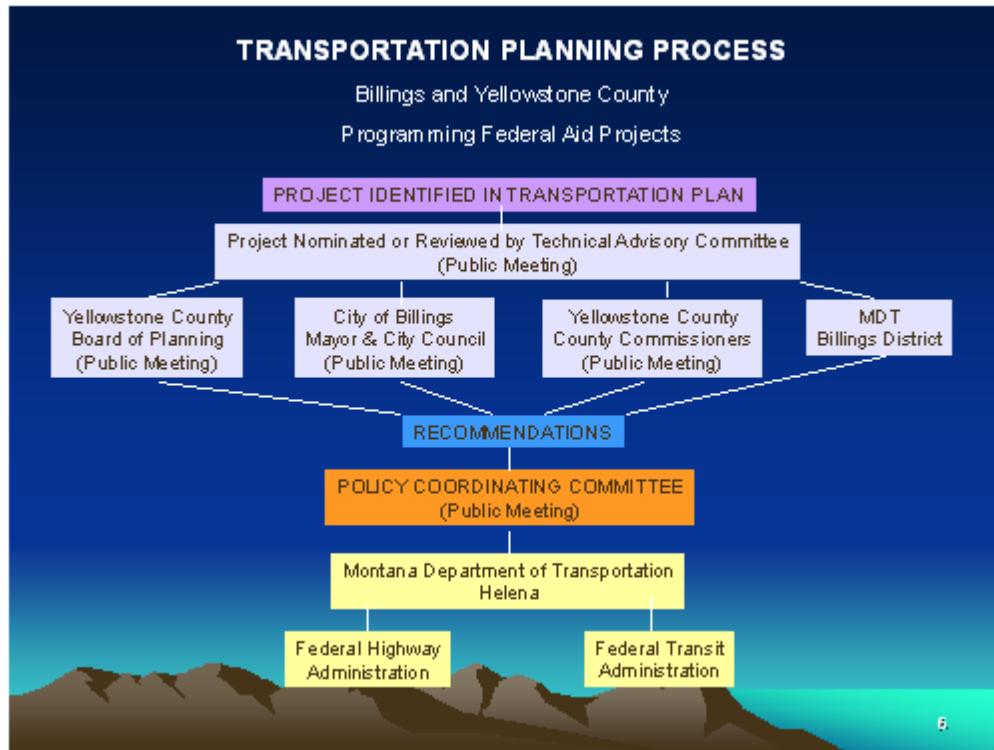

The agreement sets the stage for the MPO, (Metropolitan Planning Organization), which is established in order for the community to expend Federal funds for projects. The Planning Board is the MPO for the Billings Urban Area. He reviewed the graphic below and explained that this is a federal document designating the MPO and PCC as the governing body of the MPO. It also designates transit operations; the makeup of the Transportation Advisory Committee, (TAC); and establishes the Billings Urban Area Unified Work Program, (UPWP). The MOU ensures all corresponding documents and budgets are current. This agreement was first executed on March 25, 1954. This is the

10th version of this document which was last updated in 2009. The updates include job titles and references to current highway bills. The term of agreement is perpetual unless changed by one of the signers.

Discussion President

Discussion

Commissioner Ostlund pointed out the population threshold in 1964 which is denoted at 15,000.

Motion

Darell Tunnickliff made a motion and it was seconded by Mayor Cole to forward a recommendation of approval of 2108 Memorandum of Agreement for the Billings Metropolitan Transportation Planning Process as presented by staff. The motion carried with a unanimous voice vote.

b. a. Motion/Recommendation. 2108 Memorandum of Agreement for Cooperative Performance Based Planning. Scott Walker, Transportation Coordinator.

Scott Walker opened this agenda item and gave an overview of the updates in this document.

POLICY COORDINATING COMMITTEE

MINUTES –MAY 22, 2018

DRAFT-TO BE APPROVED BY A MOTION JUNE 19, 2018

Background

This is a new agreement required by FWHA between MDT, the Billings Urban Area MPO; and the City of Billings Aviation and Transit Departments. The Federal highway bill requires adherence to all Federal regulations to provide quantification of safety measures. Signatories include the City/County Planning Board as the MPO, the State of Montana, and the City Administrator. Signatories agree to share information related to transportation performance data, the selection of performance targets and reporting of performance targets.

Discussion

Mayor Bill Cole asked what triggered the need for an updated MOU. Scott Walker explained it is due to the new Federal Highway Bill. He stated the changes were relatively minor but needed to be done to reflect the changes in the Federal Highway Bill. He offered to provide a redlined version upon request.

Motion

Mayor Cole made a motion and it was seconded by Darell Tunnickliff to forward a recommendation of approval of 2108 Memorandum of Agreement for Cooperative Performance Based Planning. as presented by staff. The motion carried with a unanimous voice vote.

6. New Business

6a. Project Updates Scott Walker, Transportation Coordinator, presenting.

Scott Walker stated staff is in the process of updating the Transportation Plan and the first public meeting was held. The adoption date is scheduled for November 19, 2018. The Public Participation Plan is undergoing an update review and will be adopted mid-summer. Staff is preparing a transportation model to plan for transportation projects in the future and is projected for adoption late fall. Staff will bring presentations and updates forward to the governing bodies and this committee throughout the summer.

6b. Project Updates. Rod Nelson, MDT-Billings

Rod Nelson introduced Kurtis Schnieber, MDT-Billings, who aided him in his presentation with navigation of the Interactive Map Gallery. Mr. Nelson commented on the project list below.

- 6th Ave North and Division. Proceed date June 4, 2018, Knife River, Contractor
- Zimmerman Trail: Let date May 10, 2018
