Discussion

Chairman Ostlund called for questions and discussion. Mayor Cole asked when the next amendment is expected. Scott Walker explained that it is discriminatory in nature, and amendments are done as triggered by changes in project costs or the projects themselves. Mayor Cole commented on some criticism he has received from City Council members who would like to have earlier submittals due to the large amount of information. Scott Walker stated staff tries to schedule for City Council Work Sessions as soon as possible but it at times it is difficult to get on the agenda which truncates the document review timeframe set by MDT. Chairman Ostlund agreed that the document can be daunting and he suggested informing the Council of these cases.

Motion

A motion was made by Darell Tunnicliff and seconded by Mayor Bill Cole to approve the 2017-2021 Transportation Improvement Plan, Amendment 2 as presented by staff.

The motion carried with a unanimous voice vote.
