7. OLD BUSINESS: There is no Old Business.

8. NEW BUSINESS:

8a. Presentation/Board Discussion. City of Billings Complete Streets Progress Report 2020.

Elyse Monat, Active Transportation Planner, presenting.

Elyse Monat opened the presentation for the 2020 Progress report.

Report Partners are: Healthy by Design; RiverStone Health; City of Billings MET Transit; LIFTT; City of Billings, Public Works Department; City of Billings Planning & Community Services and Kathy Aragon.

What are Complete Streets?

No one design, but can include a variety of elements:

- Sidewalks Bike lanes Trails
- Transit stops Frequent and safe crossings Median islands
- Curb extensions Narrower travel lanes Roundabouts
- And more

Complete Streets History

Grassroots effort led by Healthy by Design (HBD) in 2011

- Benchmark Report published in 2013
- Updated in 2016. Arterial and collector projects brought to Council at 30% review stage
- "Intent of the City Council to encourage healthy, active living; reduce traffic congestion; and improve the safety and quality of life of Billings residents by providing safe, convenient, and comfortable routes for walking, bicycling, and public transportation"
- Progress Reports published every three years

Elyse Monat continued with and overview.

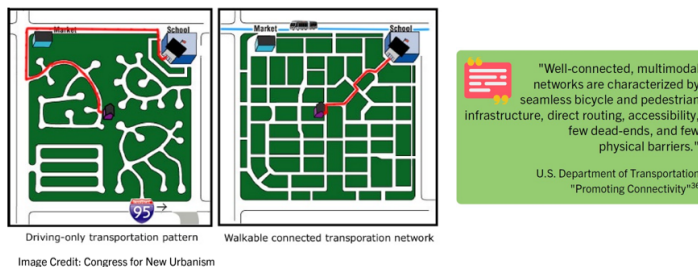

- **Pedestrian Counts**-Average per Hour Pedestrian Counts (2013-2019); Sidewalk Inventory; Statistics-Crashes Involving Pedestrians

CITY/COUNTY PLANNING BOARD

"Serving Billings, Broadview and Yellowstone County"

- **Transit Statistics-** Yearly Ridership Trends by Passenger Type FY16-Fy-19. Yearly Bike Rack and Lift Uses on MET buses
- **Automobile Statistics.** All Mode Crash Data Trends 2009-2018; City of Billings Commute Mode Share 2011-2018;
- **Connectivity**

What is Connectivity?

Discussion

Board member Thompson commented he experienced a dramatic increase in the number of bicyclists this summer. Elyse Monat said they are working through this summer's data but they did see a dramatic increase in trail use during the COVID pandemic. Board member Hillius asked how Billings compares to similar communities of our size for connectivity. Elyse Monat noted the new requirements for sidewalks in County residential areas and commented on other means for improving connectivity. No action is required on this item. Director Friday stated the complete report is available for those interested.

9. OLD BUSINESS There is no Old Business.

9A. Standing Item) Long Range Strategic Issues and an overview of future City and County issues and projects.

9a1. Lockwood TEDD Intergovernmental Cooperation. Planning Staff and President Woods
President Woods stated he attended the City Council meeting. The City approved the wastewater agreement with Lockwood to expand the TEDD area for service for wastewater with a vote of nine members in favor and two members in opposition. There is an extra surcharge for treatment for the TEDD area. The City wished to see a sign-off for the County. The County wrote a letter regarding work on the Inner Belt Loop project. The City Administrator asked for language regarding water in the agreement for clarity reasons. The Lockwood Water and Sewer District will give this consideration and if it is not approved, it will return to the City. The District will meet on November 9, 2020. President Woods said he is excited to see the TEDD move forward as it will be good for everyone. Wyeth Friday said staff would share the letter with the Board members with an e-mail. Discussion will be held with Staff, City Council, and the BOCC regarding the InterLocal

Agreement starting with the Inner Belt Loop area. He said staff would have more details on the schedule for BUILD grant projects soon. President Woods said this segues into conversations on the jurisdiction-zoning boundary.

9a2. Update. Discussion. Project RE: Code. Monica Plecker, Planning Division Manager

Ms. Plecker noted the memo distributed by e-mail to the Board prior to this meeting with the meeting dates below and stressed that the upcoming meetings are critical. She thanked members for their faithfulness in attending the public hearings. She encouraged Working Group members to engage with the City Council members for the governing body adoption. Over three and half years of time and effort has gone into this project. President Woods commended Zoning Coordinator Nicole Cromwell for her work and knowledge with the zoning code. He stated he is impressed with the presentations and the progress. He encouraged Board members to participate when they are able. Director Friday thanked President Woods and Board member Tunnicliff for their participation and input during the last City Council meeting. He said Nicole Cromwell would provide a compilation of questions and answers from citizens since the meeting. Division Manager Plecker commented it is helpful for Board members to share their experiences and comments related to the process they have been through with Project RE:Code.
