

February 28, 2022

Ali and David Mitchell
1655 Valley Heights Road
Billings, MT 59105

Dear Applicant:

On February 28, 2022, the Billings City Council conditionally approved the preliminary plat of The Timbers Subdivision, 1st Filing, subject to the following conditions of approval:

1. To protect public health and safety, prior to final plat approval, the applicant will submit all drawings and specifications for water systems, sewer systems and stormwater systems to the City of Billings Engineering Department for review and approval prior to installation. Any additional information required by City of Billings Engineering will be provided by the applicant and additional language in the SIA will be added as required by Engineering.
2. To protect public health and safety, prior to final plat approval, the applicant will submit all drawings and specifications for fire hydrant locations and installation the City of Billings Fire Department and City Engineering Department for review and approval prior to installation. Any additional information required by City of Billings Fire Department or Engineering Department will be provided by the applicant and additional language in the SIA will be added as required by the Fire or Engineering Departments.
3. To protect public health and safety, prior to final plat approval, the applicant will coordinate with City Engineering concerning proposed discharge methods of detention ponds next to Private Park land. Any proposal must be reviewed and approved by City Engineering prior to installation.
4. To protect public health and safety, prior to final plat approval, the applicant will include language in the SIA under the heading III Transportation B. Sidewalks that the applicant will be responsible for the installation of accessible ramps at the intersections.
5. To protect public health and safety and provide for access to proposed lots, prior to final plat approval, the applicant will provide easement documents for the driveway to lots 18 and 19.
6. To protect public health and safety, prior to final plat approval, the applicant will provide all needed information requested by City of Billings Engineering in their TIS. All recommendations shown in the TIS will be reviewed by Engineering and the required information will be added to the SIA.

Bill Cole, Mayor
P.O. Box 1178
Billings, MT 59103
P 406.657.8296
F 406.657.8390

7. To protect public health and safety, prior to final plat approval, the applicant will include language in the SIA under the heading II Property Conditions and Information for Lot Purchasers, lot owners will be advised that the private parkland will be maintained by The Timbers HOA.
8. To minimize the effects on local service, prior to final plat approval, the applicant will coordinate with the USPS for locating and providing the correct amount of space for safely delivering the mail to the residents.
9. Minor changes may be made in the SIA and final documents, as requested by the Planning, Legal or Public Works Departments to clarify the documents and bring them into the standard acceptable format.
10. The final plat shall comply with all requirements of the City of Billings Subdivision Regulations, rules, regulations, policies, and resolutions of the City of Billings, and the laws and Administrative Rules of the State of Montana.

Should you have any questions please contact Dave Green at (406) 247-8666 or by email at greend@billingsmt.gov

Sincerely,

William A. Cole, Mayor
