**Subject:** RE: Request to Vacate

Chris and Julie,  
We have not received any response back regarding this as of yet, to my knowledge. We need to move forward with this and would appreciate a response from Lumen. The rest of the dry utility companies have confirmed it is acceptable to them and Lumen is the only one that has not responded. If we do not receive a response from Lumen we will consider it acceptance of the vacation, as the other utilities have confirmed, and move forward.  
Greg

Thanks Chris,  
Please push this along as we need to move this project forward. The only utility that has not responded to date is Lumen, which is holding our submittal up.

All,  
I spoke with the City regarding the requested road and utility easement vacation. In lieu of signing the form and returning it, it would suffice if you would reply to this email saying that the vacation is acceptable.  
Thanks,  
Greg
