The Cities of Billings and Laurel, Yellowstone County, and the Crow Tribal Council entered into an inter-local agreement in July 1993 establishing the Yellowstone Historic Preservation Board (YHPB). Along with the inter-local agreement, the four governmental entities adopted ordinances setting up a multi-government YHPB, appointed nine (9) qualified board members, and a Historic Preservation Officer. Since that time, the YHPB has been meeting monthly as warranted and has continued to develop and refine an encompassing Historic Preservation Program. The board continues to implement the 2016 Growth Policy for the Billings Urbanized Area. An area of the policy identified "Place Makers" as a community goal and states, "The Billings area should continue to make places that we all enjoy by preserving and improving public space as well as the natural and historic landscapes to bring the community together where people are comfortable and share activities. These places are ones that you go back to, share with visitors and recall when someone asks you to describe your community". One of the objectives includes protection and preservation such as historic preservation controls, preservation of view sheds, preservation of natural areas and the preservation of historic places.

This year the CLG funding for half-time staff is \$6,000. The local cash match for these funds is provided by the City of Billings, City of Laurel, and Yellowstone County in the amount of \$2,500. This amount combined with the \$6,000 from the CLG provides \$8,500 for consulting services provided by the Western Heritage Center. In addition to the local funds, the Planning Division also provides in-kind match through the HPO salary, room usage, and supplies. Also, Historic Preservation Board member's time is also counted toward the in-kind match. As mentioned above, the CLG and local funds are used to contract services with the Western Heritage Center and assist in carrying out the following activities:

- Assist the Board and Historic Preservation officer in undertaking action to meet short and long-range goals established by the Board. See Attachment A.
- Provide professional services to assist the Board, Historic Preservation Officer, and the City in performing duties and responsibility identified in the City's Historic Preservation Ordinance MCA 27-500.

- Act as a historic preservation center by providing technical assistance, direction, and literature on the following:
  - Historic preservation tax credits
  - National Register
  - Federal historic preservation regulations, and
  - Secretary of Interior Standards related to historic preservation activities.
- Attend community meetings related to preservation activities, on behalf of the Board upon request.
- Plan and coordinate activities and publicity during National Preservation Week in May.
- Carry out the responsibilities for the CLG program as outlined in “The Certified Local Government Program in Montana”.
- Submit semi-annual reports on the historic preservation efforts of the community carried out by the City under the CLG grant.
