or projects costs. A detailed summary sheet handout was provided to the members of the Committee in the agenda packet. Staff has presented to the governing bodies prior to this meeting.

RECOMMENDATION

Based on individual formal actions of the members (Planning Board, Board of County Commissioners and Billings City Council) of the Policy Coordinating Committee (PCC), Planning Division MPO staff recommends the PCC approve the Transportation Improvement Program Amendment

BACKGROUND

Federal regulations require that Metropolitan Planning Organizations (MPOs) review and update their Transportation Improvement Program (TIP) periodically. Given timing and funding adjustments with some transportation and transit projects, the current Billings 2020-24 TIP must be amended to maintain compliance with State and Federal requirements. The TIP is a short-range program of highway and transit projects in the Billings MPO area and is prepared by City-County Planning Division staff in cooperation with state and local agencies. The purpose of the TIP is to provide the mechanism for scheduling federal funds for surface transportation projects, indicate regional priorities, and demonstrate a short range transportation vision for the area. A secondary purpose of the TIP is to provide information about other transportation projects in the urbanized area that are exempt from the TIP approval process, such as projects that do not utilize federal funds. This TIP amendment is being presented to the Billings PCC for final local adoption after individual formal actions by the members of the PCC. Staff has included and attached to this staff report a quick reference sheet indicating what project updates are included in this amendment.

Projects Modified Due to Change in Funding/Scope:

- Billings Bypass -Updated Construction Cost
- Five Mile Road – Project Completed
- Railroad Overpass – Updated Cost (Earthwork, Construction)
- Johnson Lane Interchange – Updated Cost
- I-90 Yellowstone River Bridges - Bridge Cost Updates; Two-Way traffic on the new bridge has been initiated to allow for construction of the subsequent bridge
- Main Street/1st Avenue N. Intersection-Updated Construction Cost
- Underpass Avenue (@ 6th Avenue W.)- Updated Final Cost

**POLICY COORDINATING COMMITTEE
 MINUTES April 18, 2023**

DRAFT TO APPROVED BY A MOTION

- Exposition & 1st Avenue N. - Environmental/Storm Drain Updates Zoo Drive- Public Involvement/Update Cost-Overpass to Shiloh Rd
- 56th Street West Roundabouts at King & Central-Punch List
- 62nd Street W. Roundabout at Rimrock-ROW/Update Cost
- Transportation Alternatives - Updated Allocation. \$6.3 Million to begin process for vetting qualifying projects

Discussion

Commissioner Morse called for questions and discussion. Per Commissioner Morse’ request Scott Walker clarified the location of the Stage Coach Trail. Mayor Cole commented that the Skyline Trail is looking great.

STAFF PRESENTATION: Rusty Logan, MET Transit Manager

FEDERAL TRANSIT ADMINISTRATION SECTION 5339 COMPETITIVE The table now includes grant received for purchase of 4 electric buses, charging infrastructure, and a bus driver training simulator (grant required 5% spending on training and training tools).

FEDERAL TRANSIT ADMINISTRATION SECTION 5310 Table updated with most recently available funding figures as well as recently completed Grant selections for Coordination Group projects to occur in FY23. The Projects table is updated to reflect grant programming to cover previous vehicle price escalations.

TRANSADE Updated with actual apportionment figures with estimates for funding moving forward based on recent apportionments.
