Dear Dave:

We are requesting a two-year extension of the original Annafeld North Subdivision, 2nd Filing Preliminary Plat Approval, dated March 22, 2021. Under City Subdivision Regulations, the owner has three years from the date of preliminary approval to obtain final plat approval of Annafeld North Subdivision, 2nd Filing. The requested two-year extension of the three-year period would allow for a five year between preliminary plat approval and final plat approval, making the expiration of the Annafeld North Subdivision, 2nd Filing Preliminary Plat Approval March 22, 2026.

We appreciate your time and consideration of this request. Please feel free to contact me if you have any questions.

Sincerely,

Greg McCall
