2. The enforcement officer will coordinate any abatement project conducted by the city and oversee the work as it is being performed. The abatement expense report shall be transmitted to the finance department for approval of assessment on the real property being abated.
5. The property owner of the premises will then be sent an abatement expense report for the subject property and be given notice that any assessment that is not paid shall become a lien upon the property that is enforceable in the same manner as the nonpayment of property taxes.
