**Date:** 08/26/2024  
**Title:** Award of bids for City Vehicles  
**Presented by:** Nick Westburg  
**Department:** City Hall Administration  
**Presentation:** No  
**Legal Review:** Not Applicable  
**Project Number:** N/A

**RECOMMENDATION**

Staff recommends awarding bid schedules 1 through 9 and 11 to the lowest bidder, Billion Auto Group of Bozeman, Montana, for a total of \$477,948.00. The replaced vehicles from these schedules will be sold by Fleet Services through a public surplus online auction. Additionally, staff recommends awarding schedule 10 to KIG Vehicle Concepts of Miami, Florida, for a total of \$135,872.00, with the replaced unit (#1020) being retained by the Parks and Recreation Department.

**BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)**

Eighteen city vehicles in the car/light truck class are scheduled for replacement as part of the City's Equipment Replacement Program. These replacements were approved by City Council during the FY24-25 budget process. Staff advertised for sealed bids for City Vehicles on July 12th and July 19th with the bid opening on August 6th, 2024.

The bids are for the following types of vehicles:

- One 1 1/2 ton 4-wheel drive "dually" regular cab long (8') cab and chassis pickup (PW Streets)
- One 1/2 ton 4-wheel drive extended cab short box pickup (PW Engineering)
- One 1/4 ton 4-wheel drive extended cab short box pickup (Parking)
- One 1 ton 4-wheel drive "dually" regular cab long (8') box cab and chassis pickup (PW Belknap)
- One 1 ton 4-wheel drive "dually" extended cab long (8') box cab and chassis pickup (PW Streets)
- One 1 ton 4-wheel drive regular cab long (8') box pickup (PW Streets)
- One 1 ton 4-wheel drive regular cab long (8') box pickup (PW Streets)
- Two 3/4 ton 4-wheel drive extended cab long (8') box pickup (Animal Control)
- Six mid-sized all-wheel drive four-door sedans (Police and Engineering)
- Two 15 passenger vans (Recreation)
- One Police Interceptor package all-wheel drive four-door SUV (Airport)

**STAKEHOLDERS**

City Departments: Depend on these vehicles for daily operations, impacting service quality and efficiency.

City Residents: Benefit from reliable city services supported by well-maintained vehicles.

Vendors: Billion Auto Group and KIG Vehicle Concepts are key to delivering vehicles as per the contract.

Fleet Services: Manages the maintenance of these vehicles and sale of replaced vehicles, contributing to the city's budget.

**ALTERNATIVES**

City Council may:

- Approve the purchase of vehicles from the low bidders or,
- Disapprove the purchases and reject all bids. If the bids are rejected, the units will not be replaced in a timely manner and the existing units will be used beyond the Equipment Replacement Plan recommendations. Vehicle reliability will decrease and maintenance costs will increase.

**FISCAL EFFECTS**

The City Departments' FY25 budget includes sufficient funds to replace the vehicles as described. Three vendors submitted bids, with the total bid amount being \$613,820.00, as detailed in the attached "Vehicle Bid Results."

## A. Summary of Invitation for Bid

This bid is for the purpose of entering into a contract for **City Vehicles** for the City of Billings. The successful bidder agrees to provide the City of Billings with an acceptable quality of equipment/service, performance and workmanship as determined by the City of Billings.

It is the purpose of this bid to obtain the best quality of equipment/service at the most favorable price to the City of Billings. Consideration will be given for the level of service offered and ability to meet stated specifications as outlined in the contract documents.

The lowest bid need not be accepted if it is documented that a specific supplier in the past has been a poor performer or has provided poor goods.

## B. Instructions to Bidders

Sealed bids entitled **City Vehicles** for the City of Billings **Fleet Services** Department, Billings, Montana, will be received by the City Clerk up until 2:00 PM (MST) on Tuesday August 6, 2024.

All bids may be submitted to the Billings City Clerk, via email at [bids@billingsmt.gov](mailto:bids@billingsmt.gov) or via mail or delivery at 210 N. 27<sup>th</sup> Street, Billings, MT 59101 (P. O. Box 1178, Billings, MT 59103). Bids will be publicly opened and read aloud via Facebook Live on the City's Facebook page: <https://www.facebook.com/Billings-MT-City-Government-74352842013/>. Bid tabulations will be posted for public viewing after the bids have been opened.

More specific additional information regarding this invitation for bids may be obtained by contacting Nick Westburg Fleet Manager via telephone at 406-657-8229, or via email at [westburg@billingsmt.gov](mailto:westburg@billingsmt.gov).

No bids may be withdrawn after the scheduled time for the public opening of bids, which is 2:00 PM (MST) on Tuesday, August 6, 2024.

The right is reserved to reject any or all bids received, to waive irregularities, to postpone the award of the contract for a period of not to exceed sixty (60) days, and to accept that bid which is in the best interests of the City of Billings, Montana.

The City of Billings is an Equal Opportunity Employer. The Contractor and subcontractor shall abide by the requirements of 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a), which prohibit discrimination against qualified protected veterans and/or qualified individuals on the basis of disability, and requires affirmative action

by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and individuals with disabilities.

### EXAMINATION OF DOCUMENTS

Before submitting a bid, the bidder shall:

- a. Carefully examine the Standards and Specifications as well as all other attached documents;
- b. Fully inform themselves of the existing conditions and limitations;
- c. Include with the bid sufficient information to cover all items required in the specifications.

### BID COMPLIANCE

It shall be the responsibility of the bidder to see that all bids are submitted to the office of the City Clerk before 2:00 PM (MST) on Tuesday, August 6, 2024.

### BID MODIFICATIONS

Bids shall be made on the forms provided herein; they shall not contain any recapitulation of the work to be done. Modifications, additions or changes to the terms and conditions of this Invitation for Bid may be cause for rejection of the bid. Bids submitted on other forms may be rejected.

### INTERPRETATION PRIORITY

Should a bidder find discrepancies in, or omissions from, the specifications, or be in doubt as to their meaning, bidder shall notify Nick Westburg, Fleet Manager at 406-657-8229 or by e-mail at [westburgn@billingsmt.gov](mailto:westburgn@billingsmt.gov), who will send written instructions or addenda to all bidders. The City will not be responsible for oral interpretation. All addenda issued prior to bid opening shall be incorporated into and become a portion and part of the contract/agreement upon award. Questions received less than ninety-six (96) hours before the bid opening cannot be answered.

### WITHDRAWAL OF BIDS

Bidders may withdraw their bid either personally or by written request at any time prior to the time set for bid opening. No bid may be withdrawn or modified after the time set for opening, unless and until the award of the contract is delayed for a period exceeding sixty (60) days.

### BID PRICE VALID

Bidder acknowledges that no contractual relationship with the Proposer exists until execution of the resulting contract following City Administration or City Council approval. Because contract approval can be delayed due to scheduling or unforeseen circumstances, the Bidder must honor their pricing and any other terms set forth in the proposal for at least ninety (90) days after the bid due date.

### FUTURE PURCHASES

The bid price will remain in effect for the duration of the model year production and within the manufacturer's capacity to produce the units. The City may place additional orders for vehicles from the prices established as a result of this bid.

The prices established from this bid may be extended to other political subdivisions within the State of Montana solely at the vendor's discretion.

### CERTIFICATION

The bidder certifies that the bid has been arrived at by the bidder independently and has been submitted without any collusion designed to limit independent bidding or competition. The bidder further certifies that the materials, products, services and/or goods offered herein meet all requirements of the stated specifications and are equal in quality, value and performance with highest quality, nationally advertised brand and/or trade names.

Any manufacturer's trade names, if used in specifications, are for the express purpose of establishing a standard of quality and coordination of design, not for the purpose of limiting competition.

### EVIDENCE OF QUALIFICATION

Upon request of the City of Billings, a bidder whose bid is under consideration for award may be required to manifest satisfactory evidence of his financial resources, experience, the organization and equipment as well as service provisions bidder has available or will make available. In determining the lowest responsible bidder, in addition to price, the following considerations may be addressed:

- a) The ability, capacity and skill of the bidder to perform the contract or provide the service required.
- b) The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- c) Whether the bidder can perform the contract within time specified.

- d) The quality of performance of previous contracts, agreements and/or performance.
- e) Previous and/or existing compliance by the bidder with laws relating to the contract or services.
- f) Such other information which may be secured having a bearing on the decision to award the contract.

**C. Contract Requirements and Specifications**

Unit bids shall be manufacturer's current production model with all features offered as standard whether or not called for in the specifications, except where this specification requires a substitution in lieu of the manufacturer's standard equipment.

#### **E. Standard Terms and Conditions**

In case of default by the successful bidder or failure to deliver the goods or services within the time specified, the City Purchasing Agent, after written notice, may procure them from other sources and hold contractor responsible for excess costs occasioned thereby.

The specifications attached to the instructions to bidders establish a standard of quality desired by the City of Billings. Any bidder may submit quotations on any article which substantially complies with these specifications as to quality, workmanship and service. The City of Billings reserves the right to make its selections of materials or services purchased, based on its best judgment as to which articles substantially comply with the requirements of the specifications.

No alteration in any of the terms, conditions, delivery, quality, or specifications will be effective without prior written consent of the City of Billings.

No exception to delivery or service dates shall be allowed unless prior written approval is first obtained from the City of Billings.

The contractor warrants all articles supplied under this contract to conform to specifications, herein. The contractor will deliver a warranty stating that all articles supplied under the contract are fit and sufficient for the purpose manufactured, merchantable, and free from defects.

In the event the City is entitled to a prompt payment or cash discount, the period of computation shall commence on the date of delivery, or receipt of correctly completed invoices, whichever is later. If an adjustment of payment is necessary, the discount period shall commence on the date final approval for payment is authorized.

The contractor agrees not to discriminate against any client, employee or applicant for employment or for services, because of race, creed, color, national origin, sex or age with regard to, but not limited to, the following: employment upgrading; demotion or transfer; recruitment or recruitment advertising; layoffs and termination; rates of pay or other forms of compensation; selection for training; rendition of services. It is further understood that any contractor who is in violation of this shall be barred forthwith from receiving awards of any purchase order for the City unless a satisfactory showing is made that discriminatory practices have terminated and that a reoccurrence of such acts are unlikely.

The City reserves the right to cancel and terminate this contract forthwith upon giving 30 days written notice to the contractor. (This provision does not apply to

the purchase of materials and equipment. A purchase order for materials and equipment is a binding contract.)

Should either party employ an attorney or attorneys or utilize the services of in-house attorneys to enforce any of the provisions hereof or to protect its interest in any manner arising under this contract, the non-prevailing party in any action pursued in a court of competent jurisdiction agrees to pay to the prevailing party all reasonable costs, damages, expenses, and attorneys' fees, including fees for in-house attorneys, expended or incurred in connection therewith.

Where applicable, possible or required, bidder is required to submit descriptive literature, sample material, design sketches and detailed shop drawings. Failure to submit required items may result in rejection of the bid or termination of contract.

The successful bidder may not make any advertising or sale use of the fact that contract items are being used by purchaser and other approved agencies, under penalty of contract termination.

This Agreement shall be construed and enforced in accordance with the laws of the State of Montana. Venue for any suit between the parties arising out of this Agreement shall be the State of Montana Thirteenth Judicial District Court, Yellowstone County.

Regardless of FOB point, contractor agrees to bear all risks of loss, injury, or destruction of goods and materials ordered herein and such loss, injury, or destruction shall not release contractor from any obligation hereunder.

All materials submitted in response to this IFB become public records under Article II, Section 9 of the Montana Constitution and §§ 2-6-102 and 7-1-4144, MCA and may be distributed by written request pursuant to Montana's Constitutional Right to Know or Public Records Acts.

Information provided in response to this IFB will be held in confidence and will not be revealed or discussed with competitors prior to award of Contract by Council. However, one copy of each bid submitted shall be retained for the official files of the Department and will become public record after award of the Contract.

Records and materials that are constitutionally protected from disclosure are not subject to the provisions of this section.

Attachment A – Master Q & A Form

## **A. Summary of Invitation for Bid**

This bid is for the purpose of entering into a contract for **City Vehicles** for the City of Billings. The successful bidder agrees to provide the City of Billings with an acceptable quality of equipment/service, performance and workmanship as determined by the City of Billings.

It is the purpose of this bid to obtain the best quality of equipment/service at the most favorable price to the City of Billings. Consideration will be given for the level of service offered and ability to meet stated specifications as outlined in the contract documents.

The lowest bid need not be accepted if it is documented that a specific supplier in the past has been a poor performer or has provided poor goods.

## **B. Instructions to Bidders**

Sealed bids entitled **City Vehicles** for the City of Billings **Fleet Services** Department, Billings, Montana, will be received by the City Clerk up until 2:00 PM (MST) on Tuesday August 6, 2024.

All bids may be submitted to the Billings City Clerk, via email at [bids@billingsmt.gov](mailto:bids@billingsmt.gov) or via mail or delivery at 210 N. 27<sup>th</sup> Street, Billings, MT 59101 (P. O. Box 1178, Billings, MT 59103). Bids will be publicly opened and read aloud via Facebook Live on the City's Facebook page: <https://www.facebook.com/Billings-MT-City-Government-74352842013/>. Bid tabulations will be posted for public viewing after the bids have been opened.

More specific additional information regarding this invitation for bids may be obtained by contacting Nick Westburg Fleet Manager via telephone at 406-657-8229, or via email at [westburg@billingsmt.gov](mailto:westburg@billingsmt.gov).

No bids may be withdrawn after the scheduled time for the public opening of bids, which is 2:00 PM (MST) on Tuesday, August 6, 2024.

The right is reserved to reject any or all bids received, to waive irregularities, to postpone the award of the contract for a period of not to exceed sixty (60) days, and to accept that bid which is in the best interests of the City of Billings, Montana.

The City of Billings is an Equal Opportunity Employer. The Contractor and subcontractor shall abide by the requirements of 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a), which prohibit discrimination against qualified protected veterans and/or qualified individuals on the basis of disability, and requires affirmative action

by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and individuals with disabilities.

### EXAMINATION OF DOCUMENTS

Before submitting a bid, the bidder shall:

- a. Carefully examine the Standards and Specifications as well as all other attached documents;
- b. Fully inform themselves of the existing conditions and limitations;
- c. Include with the bid sufficient information to cover all items required in the specifications.

### BID COMPLIANCE

It shall be the responsibility of the bidder to see that all bids are submitted to the office of the City Clerk before 2:00 PM (MST) on Tuesday, August 6, 2024.

### BID MODIFICATIONS

Bids shall be made on the forms provided herein; they shall not contain any recapitulation of the work to be done. Modifications, additions or changes to the terms and conditions of this Invitation for Bid may be cause for rejection of the bid. Bids submitted on other forms may be rejected.

### INTERPRETATION PRIORITY

Should a bidder find discrepancies in, or omissions from, the specifications, or be in doubt as to their meaning, bidder shall notify Nick Westburg, Fleet Manager at 406-657-8229 or by e-mail at [westburgn@billingsmt.gov](mailto:westburgn@billingsmt.gov), who will send written instructions or addenda to all bidders. The City will not be responsible for oral interpretation. All addenda issued prior to bid opening shall be incorporated into and become a portion and part of the contract/agreement upon award. Questions received less than ninety-six (96) hours before the bid opening cannot be answered.

### WITHDRAWAL OF BIDS

Bidders may withdraw their bid either personally or by written request at any time prior to the time set for bid opening. No bid may be withdrawn or modified after the time set for opening, unless and until the award of the contract is delayed for a period exceeding sixty (60) days.

### BID PRICE VALID

Bidder acknowledges that no contractual relationship with the Proposer exists until execution of the resulting contract following City Administration or City Council approval. Because contract approval can be delayed due to scheduling or unforeseen circumstances, the Bidder must honor their pricing and any other terms set forth in the proposal for at least ninety (90) days after the bid due date.

### FUTURE PURCHASES

The bid price will remain in effect for the duration of the model year production and within the manufacturer's capacity to produce the units. The City may place additional orders for vehicles from the prices established as a result of this bid.

The prices established from this bid may be extended to other political subdivisions within the State of Montana solely at the vendor's discretion.

### CERTIFICATION

The bidder certifies that the bid has been arrived at by the bidder independently and has been submitted without any collusion designed to limit independent bidding or competition. The bidder further certifies that the materials, products, services and/or goods offered herein meet all requirements of the stated specifications and are equal in quality, value and performance with highest quality, nationally advertised brand and/or trade names.

Any manufacturer's trade names, if used in specifications, are for the express purpose of establishing a standard of quality and coordination of design, not for the purpose of limiting competition.

### EVIDENCE OF QUALIFICATION

Upon request of the City of Billings, a bidder whose bid is under consideration for award may be required to manifest satisfactory evidence of his financial resources, experience, the organization and equipment as well as service provisions bidder has available or will make available. In determining the lowest responsible bidder, in addition to price, the following considerations may be addressed:

- a) The ability, capacity and skill of the bidder to perform the contract or provide the service required.
- b) The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- c) Whether the bidder can perform the contract within time specified.

- d) The quality of performance of previous contracts, agreements and/or performance.
- e) Previous and/or existing compliance by the bidder with laws relating to the contract or services.
- f) Such other information which may be secured having a bearing on the decision to award the contract.

**C. Contract Requirements and Specifications**

Unit bids shall be manufacturer’s current production model with all features offered as standard whether or not called for in the specifications, except where this specification requires a substitution in lieu of the manufacturer’s standard equipment.

## **E. Standard Terms and Conditions**

In case of default by the successful bidder or failure to deliver the goods or services within the time specified, the City Purchasing Agent, after written notice, may procure them from other sources and hold contractor responsible for excess costs occasioned thereby.

The specifications attached to the instructions to bidders establish a standard of quality desired by the City of Billings. Any bidder may submit quotations on any article which substantially complies with these specifications as to quality, workmanship and service. The City of Billings reserves the right to make its selections of materials or services purchased, based on its best judgment as to which articles substantially comply with the requirements of the specifications.

No alteration in any of the terms, conditions, delivery, quality, or specifications will be effective without prior written consent of the City of Billings.

No exception to delivery or service dates shall be allowed unless prior written approval is first obtained from the City of Billings.

The contractor warrants all articles supplied under this contract to conform to specifications, herein. The contractor will deliver a warranty stating that all articles supplied under the contract are fit and sufficient for the purpose manufactured, merchantable, and free from defects.

In the event the City is entitled to a prompt payment or cash discount, the period of computation shall commence on the date of delivery, or receipt of correctly completed invoices, whichever is later. If an adjustment of payment is necessary, the discount period shall commence on the date final approval for payment is authorized.

The contractor agrees not to discriminate against any client, employee or applicant for employment or for services, because of race, creed, color, national origin, sex or age with regard to, but not limited to, the following: employment upgrading; demotion or transfer; recruitment or recruitment advertising; layoffs and termination; rates of pay or other forms of compensation; selection for training; rendition of services. It is further understood that any contractor who is in violation of this shall be barred forthwith from receiving awards of any purchase order for the City unless a satisfactory showing is made that discriminatory practices have terminated and that a reoccurrence of such acts are unlikely.

The City reserves the right to cancel and terminate this contract forthwith upon giving 30 days written notice to the contractor. (This provision does not apply to

the purchase of materials and equipment. A purchase order for materials and equipment is a binding contract.)

Should either party employ an attorney or attorneys or utilize the services of in-house attorneys to enforce any of the provisions hereof or to protect its interest in any manner arising under this contract, the non-prevailing party in any action pursued in a court of competent jurisdiction agrees to pay to the prevailing party all reasonable costs, damages, expenses, and attorneys' fees, including fees for in-house attorneys, expended or incurred in connection therewith.

Where applicable, possible or required, bidder is required to submit descriptive literature, sample material, design sketches and detailed shop drawings. Failure to submit required items may result in rejection of the bid or termination of contract.

The successful bidder may not make any advertising or sale use of the fact that contract items are being used by purchaser and other approved agencies, under penalty of contract termination.

This Agreement shall be construed and enforced in accordance with the laws of the State of Montana. Venue for any suit between the parties arising out of this Agreement shall be the State of Montana Thirteenth Judicial District Court, Yellowstone County.

Regardless of FOB point, contractor agrees to bear all risks of loss, injury, or destruction of goods and materials ordered herein and such loss, injury, or destruction shall not release contractor from any obligation hereunder.

All materials submitted in response to this IFB become public records under Article II, Section 9 of the Montana Constitution and §§ 2-6-102 and 7-1-4144, MCA and may be distributed by written request pursuant to Montana's Constitutional Right to Know or Public Records Acts.

Information provided in response to this IFB will be held in confidence and will not be revealed or discussed with competitors prior to award of Contract by Council. However, one copy of each bid submitted shall be retained for the official files of the Department and will become public record after award of the Contract.

Records and materials that are constitutionally protected from disclosure are not subject to the provisions of this section.

## **G. Questions**

Questions regarding this Invitation for Bids must be sent to the contact person listed in Section B no later than 5 business days prior to due date. The City will make every effort to provide a written response within 2 business days. Whenever responses to inquiries would constitute a modification or addition to the original IFB, the reply will be made in the form of an addendum to the IFB, a copy of which will be posted on the City's website and forwarded to all Suppliers who have submitted an "Intent to Respond" form (Section F).

Supplier must submit their questions via email using the "Master Q & A" form found below (Attachment A), and provide, at a minimum, the following:

- Supplier's name, requester, and appropriate contact information.
- The question, clearly stated.
- Specific reference to the applicable IFB section(s).

## **H. Protests**

Any Bidder protest of award recommendations and/or bid specifications must be filed with the Purchasing Agent within seven (7) days of bid opening.

Upon receiving a written protest, the Purchasing Agent, with assistance from the Legal Department, determines if the protest has sufficient merit and if so, schedules an informal hearing with the protesting bidder and the user Department.

At this hearing, all parties discuss the basis of the protest and attempt to resolve the dispute based on fact. If the protesting party is not in agreement with the results of the informal hearing, they may appeal to the City Administrator.

## Elec Shift-On-The-Fly Transfer Case (DK3)

The electronically controlled shift-on-the-fly transfer case, which distributes power from the transmission to the front and rear axles, has an electronic switch so you can shift between two-wheel drive and four-wheel drive while your vehicle is in motion.

## Details:

- 19.5 Steel Spare Wheel (WKG)

# ParkView Rear Back-up Camera (XAC)

The ParkView® Rear Back Up Camera[1] displays a video image on the Uconnect® touchscreen (note: on some vehicles the image is displayed on the auto-dimming rear-view mirror) of the area behind your vehicle when the vehicle is shifted into reverse. It helps determine if an obstacle is in the vehicle's path when backing up and is particularly effective in showing objects behind the vehicle that aren't viewable in the exterior mirrors.

1. Always check entire surroundings visually before proceeding.

# Trailer Brake Control (XHC)

The trailer brake controller operates the trailer's brakes so it brakes in tandem with the vehicle's brakes. This system is electronic and fully integrated.

## Details:

- Falken Brand Tires (TZJ)

# Mopar Front & Rear Rubber Floor Mats (CLF)

# Engine Block Heater (NHK)

The engine block heater warms the engine and engine oil to make it easier to start in cold weather and reduces startup wear.

# Trailer Brake Control (XHC)

The trailer brake controller operates the trailer's brakes so it brakes in tandem with the vehicle's brakes. This system is electronic and fully integrated.

## Elec Shift-On-The-Fly Transfer Case (DK3)

The electronically controlled shift-on-the-fly transfer case, which distributes power from the transmission to the front and rear axles, has an electronic switch so you can shift between two-wheel drive and four-wheel drive while your vehicle is in motion.

# ParkView Rear Back-up Camera (XAC)

The ParkView® Rear Back Up Camera[1] displays a video image on the Uconnect® touchscreen (note: on some vehicles the image is displayed on the auto-dimming rearview mirror) of the area behind your vehicle when the vehicle is shifted into reverse. It helps determine if an obstacle is in the vehicle's path when backing up and is particularly effective in showing objects behind the vehicle that aren't viewable in the exterior mirrors.

1. Always check entire surroundings visually before proceeding.

# Trailer Brake Control (XHC)

The trailer brake controller operates the trailer's brakes so it brakes in tandem with the vehicle's brakes. This system is electronic and fully integrated.

## Details:

- Trailer Light Check (JJ1)

# Engine Block Heater (NHK)

## Transfer Case Skid Plate Shield (XEF)

The transfer case skid plate protects the underside of the transfer case from uneven surfaces and protrusions when driving off-road.

## Elec Shift-On-The-Fly Transfer Case (DK3)

The electronically controlled shift-on-the-fly transfer case, which distributes power from the transmission to the front and rear axles, has an electronic switch so you can shift between two-wheel drive and four-wheel drive while your vehicle is in motion.

- 17" Steel Spare Wheel (WF1)
- Jack and Wrench (XEH)
- 18" Steel Spare Wheel (WKN)

# ParkView Rear Back-up Camera (XAC)

The ParkView® Rear Back Up Camera[1] displays a video image on the Uconnect® touchscreen (note: on some vehicles the image is displayed on the auto-dimming rearview mirror) of the area behind your vehicle when the vehicle is shifted into reverse. It helps determine if an obstacle is in the vehicle's path when backing up and is particularly effective in showing objects behind the vehicle that aren't viewable in the exterior mirrors.

1. Always check entire surroundings visually before proceeding.

## Transfer Case Skid Plate Shield (XEF)

The transfer case skid plate protects the underside of the transfer case from uneven surfaces and protrusions when driving off-road.

# Trailer Brake Control (XHC)

The trailer brake controller operates the trailer's brakes so it brakes in tandem with the vehicle's brakes. This system is electronic and fully integrated.

## Elec Shift-On-The-Fly Transfer Case (DK3)

The part-time Borg-Warner transfer case with a low-range gear reduction system offers electronic shifting capability. It has three operating ranges (2HI, 4HI, 4LO) plus a NEUTRAL position, with shift-on-the-fly (2HI to 4HI) capability. The low-range system provides a gear reduction ratio of 2.64:1 for increased low-speed torque capability.

- Height dimensions on page 3 are for 4x4 drive line and steel spring suspension
- Ground and Axle referenced dimensions will be different (smaller/lower) on vehicles with 4x2 and/or air suspension
- To determine heights for other drive line/suspension configurations, subtract the values in the chart below from the applicable height dimensions on page 3

| 3500 (D2) Height Variations From 4x4 |                 |                 |
|--------------------------------------|-----------------|-----------------|
| Suspension Configuration             | Front           | Rear            |
| 4x2 Spring                           | -51 mm, -2.0 in | -23 mm, -0.9 in |
| 4x4 Air                              | 0               | -32 mm, -1.3 in |
| 4x2 Air                              | -51 mm, -2.0 in | -32 mm, -1.3 in |

- Air suspension variants are for the NRH (Normal Ride Height) suspension setting
- For the ATH (Alternate Trailer Height) suspension setting the Rear variant will be 25 mm, 1 inch greater. Add 25 mm or 1 in to the **REAR** variant in the chart above.

## Elec Shift-On-The-Fly Transfer Case (DK3)

The part-time Borg-Warner transfer case with a low-range gear reduction system offers electronic shifting capability. It has three operating ranges (2HI, 4HI, 4LO) plus a NEUTRAL position, with shift-on-the-fly (2HI to 4HI) capability. The low-range system provides a gear reduction ratio of 2.64:1 for increased low-speed torque capability.

## Elec Shift-On-The-Fly Transfer Case (DK3)

The part-time Borg-Warner transfer case with a low-range gear reduction system offers electronic shifting capability. It has three operating ranges (2HI, 4HI, 4LO) plus a NEUTRAL position, with shift-on-the-fly (2HI to 4HI) capability. The low-range system provides a gear reduction ratio of 2.64:1 for increased low-speed torque capability

# Mopar Front & Rear Rubber Floor Mats (CLF)

The all-weather front and rear floor mats by Mopar® are molded-in-color and are designed to help keep water, snow and mud at bay. These mats will help to protect your carpet and keep it clean.

# Anti-Spin Differential Rear Axle (DSA)

During periods of low traction, the anti-spin differential rear axle is designed to lock the rear wheels together to improve traction.

**RECOMMENDATION**

Staff recommends that the City Council approve Change Order No. 1 to the Standard Agreement and General Conditions Between Owner and General Contractor/Construction Manager (Construction Contract) with Dick Anderson Construction, Inc. (DAC) for the W.O. 19-12: West End Reservoir (WER) Project in the amount of \$408,352.64.

**BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)**

On December 11, 2023, City Council approved a Construction Contract with DAC for the WER Project in the amount of \$153,211.35. This initial contract Guaranteed Maximum Price (GMP) allowed the Project Team to begin dewatering the reservoir site through rental of temporary pumping equipment and purchase of permanent dewatering equipment.

Change Order No. 1 now under consideration would furnish a complete electrical equipment Unit Substation including medium voltage metal enclosed load interrupter switchgear, a liquid filled power transformer, and a switchboard for future installation at the Billings WE Raw Water Pump Station (RWPS) site. The equipment will be installed under a future change order to the Construction Contract. The Project Team consisting of City Staff, HDR Engineering and DAC received and evaluated pricing obtained through a public bidding process from Yellowstone Electric Co., Gray Bar, and Colstrip Electric Co. The pricing on a Unit Substation from Colstrip Electric was determined to be the best value for the City.

With lead time on this equipment at 40 weeks, procuring it ahead of final design and GMP development for the pump station is critical for maintaining the overall project schedule, including start-up of the West End Water Treatment Plant. The amount presented at this time is a GMP to procure electrical equipment for the WE RWPS.

**ALTERNATIVES**

City Council may:

- Approve Change Order No. 1 to the Standard Agreement and General Conditions Between Owner and General Contractor/Construction Manager (Construction Contract) with Dick Anderson Construction, Inc.; or,
- Not approve Change Order No. 1. If Council does not approve this change order, the schedule for future construction of the raw water pump station is at risk of delay.

**FISCAL EFFECTS**

The W.O. 19-12: West End Reservoir Project was budgeted in FY25 using Water Funds in the amount of \$69,400,000. With the approval of this change order in the amount of \$408,352.64, there is \$68,991,647 remaining in the budget.

**RE: Electrical Procurement**  
W.O. 19-12 West End Reservoir Project

Dear Mr. Straus,

This letter is to address amending Dick Anderson Construction's (DAC) General Contractor/Construction Manager (GC/CM) Contract Guaranteed Maximum Price (GMP) for the W.O. 19-12 West End Reservoir Project. Proposed change order number 1 includes the Raw Water Pump Station Electrical Procurement. The following are attached supporting documents:

- W.O. 19-12 West End Water Pump Station Electrical Procurement Proposal Summary
- CEI Electrical Contractors Proposal Date 7/18/2024
- DAC's Proposed Change Order No. 1 Cost Breakdown
- DAC's Proposed Total GMP Cost Breakdown

As discussed and agreed upon in the 7/23/2024 Project Team Meeting (Included DAC, HDR, and City of Billings representatives), DAC is proposing Amendment No. 1 in the amount of \$408,352.64 resulting in an increase to the GMP value to the amount of \$561,563.99

Thank you for your time and consideration.

**1.01** The undersigned Bidder proposes and agrees if this Bid is accepted, to enter into an Agreement with Buyer in the form included in the Bidding Documents, to perform and furnish all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

**2.01** Bidder accepts all of the terms and conditions of the Advertisement or Invitation to Bid, and Instructions to Bidders, including without limitations those dealing with the disposition of Bid Security. This Bid will remain subject to acceptance for sixty (60) days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Buyer.

**3.01** In submitting this Bid, Bidder represents, as set forth in the Agreement, that:

A. Bidder has examined and carefully studied the Bidding Documents, other related data identified in the Bidding Documents, and the following Addenda, receipt of all which is hereby acknowledged:

| <u>Addendum No.</u>         | <u>Addendum Date</u>        |
|-----------------------------|-----------------------------|
| <u>1</u>                    | <u>7/10/24</u>              |
| <u>                    </u> | <u>                    </u> |
| <u>                    </u> | <u>                    </u> |

B. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress, and performance of the Work.

C. Bidder is aware of the general nature of the Work to be performed by Buyer and others at the Site that relates to the Work as indicated in the Bidding Documents.

D. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.

E. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.

**4.01** Bidder further represents that this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of

1 any group, association, organization or corporation; Bidder has not directly or indirectly induced or  
2 solicited any other Bidder to submit a false or sham Bid; Bidder has not solicited or induced any  
3 person, firm or corporation to refrain from bidding; and Bidder has not sought by collusion to obtain  
4 for itself any advantage over any other Bidder or over Buyer.

5  
6 The Bidder certifies that no official of the Buyer, Engineer or any member of such officials immediate  
7 family, has direct or indirect interest in the pecuniary profits or Contracts of the Bidder.

8  
9 **5.01** The Bidder will complete the Work in accordance with the Contract Documents for the following  
10 price(s):

11  
12 **Bid Schedule Description:** This section, in general, describes the various Bid Schedules. The

35 equipment to be installed under a separate installation contract. Price to include shop drawing  
36 submittals, operation and maintenance manuals, delivery of Goods, startup and training services. All  
37 bonds, insurance, state and local taxes associated with Bid Schedule 4 are also included.

38  
39 **LUMP SUM BID SCHEDULE PRICES**

40  
41 A bidder does not have to provide a total price for each Schedule.

**Title:** New City Hall Construction Manager at Risk (CMAR) Contract - Historic Tax Credit Change Order (CO #5)  
**Presented by:** Jessica Fust, Building Official  
**Department:** City Hall Administration  
**Presentation:** No  
**Legal Review:** Yes  
**Project Number:** N/A

#### RECOMMENDATION

Staff recommends approving New City Hall Construction Manager at Risk (CMAR) Contract - Change Order No. 5 agreement with Dick Anderson Construction to increase the Guaranteed Maximum Price (GMP) by \$1,125,821.69, and change the substantial completion date to April 1, 2025.

#### BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)

The CMAR contract for New City Hall was originally executed on April 19, 2022, with Dick Anderson Construction, for construction of the New City Hall located at 316 N. 26th Street. City Council directed staff to pursue historic tax credits (HTCs) for the building as a funding source for the build-out of the project. Given the value of the construction project, the estimated gross revenue from the sale of the tax credits is \$7,987,071. Consultant and legal fees will be deducted from this amount, currently estimated at about \$1.5M, for a net value of around \$6.5M.

As part of the HTC process, the National Park Service (NPS) reviewed our Part 2 application, which includes the project plans and details the items that are being retained, modified, or added to the building. During their review, the NPS noted construction items that they required to be revised to meet their historic standards. These changes included:

- Preserving and rehabilitating the original terrazzo in the elevator lobbies on the first and fifth floors
- Removing the wood ceilings in the elevator lobbies on floors 1, 2, 4, and 5, and installing ceilings that are similar to the original design
- Moving the main entrance vestibule on the East elevation to align with the original design

These changes are outside the current scope of Dick Anderson's contract, and would lead to additional work, such as removing finishes and fixtures that were already installed and relocating the Finance Department's front counter.

If these changes to the project are not made, the NPS likely will not award the City the tax credits at the completion of the project.

#### ALTERNATIVES

City Council may:

- Approve; or,
- Not Approve and provide further direction to staff

#### FISCAL EFFECTS

|                                   |                 |
|-----------------------------------|-----------------|
| New City Hall Construction Costs: |                 |
| Original Contract:                | \$22,033,209.07 |
| Previous Approved Change Orders:  | \$2,857,284.96  |
| Current Change Order (CO5):       | \$1,125,821.69  |
| New GMP:                          | \$26,016,315.72 |

The City expects to net around \$6.5M from selling Historic Tax Credits for this project. The costs for these changes will be covered by additional short-term financing for the project. If Council does not approve this change order, the Historic Tax Credit funds may not be realized and additional borrowing for the difference will be needed.

**Title:** Contract to Replace Outdated 911 Phone and Radio Recorder  
**Presented by:** Derek Yeager  
**Department:** Fire  
**Presentation:** No  
**Legal Review:** No  
**Project Number:** N/A

---

**RECOMMENDATION**

Staff recommends approval of this contract to facilitate the use of joint city-county 911 specific funding to fund the project.

**BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)**

The 911 Center is required by state law to record all inbound and outbound 911 and non-emergency line calls, and has historically recorded all radio traffic also. The older recorder system has limited capacity and antiquated technology limiting its ability to do so on a newer and more advanced radio system. Additionally, these recordings are accessed dozens of times daily by both the city and county law enforcement agencies, are used by 911 management to perform quality control, and are a source of hundreds of monthly inquiries under the Freedom of Information Act.

**Background**

The 911 Center is required by state law to record all inbound and outbound 911 and non-emergency line calls, and has historically recorded all radio traffic also. The older recorder system has limited capacity and antiquated technology limiting its ability to do so on a newer and more advanced radio system. Additionally, these recordings are accessed dozens of times daily by both the city and county law enforcement agencies, are used by 911 management to perform quality control, and are a source of hundreds of monthly inquiries under the Freedom of Information Act.

**Project Overview:**

Motorola Solutions proposes to upgrade the City of Billings' Emergency Communications Center by replacing the existing Equature Logging system with a NICE IP Logging solution.

**Key Features of the NICE IP Logging System:**

**Recording Capabilities:**

The system records various types of communication, including 911 calls, radio communications, text-to-911, and more.

It captures console screen activity, CAD data, location data, and can integrate with GIS Mapping and Enhanced Data (EIDD).

**System Components:**

Includes telephony and radio logging solutions, servers, and application support.

The proposed system will have multiple servers and applications to support various logging and recording needs.

**Responsibilities:**

**Motorola's Responsibilities:**

Overall project management, equipment shipment, installation, system configuration, and providing as-built documentation.

Provide training and support services for the new system.

**City of Billings' Responsibilities:**

Provide a single point of contact for the project.

Ensure adequate space, power, and network infrastructure for system installation.

Manage SPAN-based audio delivery to the recorder servers and ensure network bandwidth for archiving and streaming recorded media.

Maintain and manage all data network infrastructure and storage requirements.

**Training and Support:**

Motorola will provide training for end users and administrators.

The support package includes 24/7 remote support, on-site response times, and a system upgrade agreement to keep software and hardware updated.

Duration:

The project is estimated to take approximately 8 months, depending on various factors such as contract award date, equipment lead times, and site readiness.

In summary, this contract involves upgrading the City of Billings' emergency communications logging system with advanced features and support, ensuring better data capture and management. Motorola will handle the installation and provide ongoing training and support, while the City needs to ensure the infrastructure and network requirements are met. The total project cost is just over \$1 million, see fiscal effects, with staged payments aligned with project milestones.

## STAKEHOLDERS

The 911 Advisory Board, comprised of the Chief Executive Officers from the Billings Fire Department, Billings Police Department, and the Yellowstone County Sheriffs Office, have approved the use of this funding pursuant to state statute.

## ALTERNATIVES

City Council may:

- Approve; or,
- Not Approve

## FISCAL EFFECTS

The approval involves utilizing "911 Funds," a combination of City and Yellowstone County funds specifically earmarked for equipment inside the 911 Center utilized by both entities. There is no impact on general fund accounts.

Total Contract Cost:

The total contract cost for the new NICE IP Logging System proposed by Motorola Solutions is \$1,024,667.72 over five years.

Breakdown of Costs:

Equipment and Installation:

The cost for equipment and installation services is \$525,938 in year one.

Total annual costs combining maintenance support and System Upgrade Agreement (SUA II):

Year 2: \$111,392.32

Year 3: \$119,785.12

Year 4: \$128,864.06

Year 5: \$138,688.22

After consulting with the city finance director, the funding is available for year one and each year after.

## SUMMARY

In summary, this contract involves upgrading the City of Billings' emergency communications logging system with advanced features and support, ensuring better data capture and management. Motorola will handle the installation and provide ongoing training and support, while the City needs to ensure the infrastructure and network requirements are met. The total project cost is just over \$1 million, see fiscal effects, with staged payments aligned with project milestones.

This request represents approving the 911 Communications Center request to purchase a purpose-built, IP recorder that is specifically intended to work with our type of phone and radio system to record all in and out bound radio and phone communications. This funding was pre-approved unanimously by the 911 Advisory Board.

Mr. Derek Yeager, 9-1-1 Communications Director  
City of Billings  
911 N 24th St  
Billings, MT 59101

RE: IP Logging System (NICE) Proposal

Dear Mr. Yeager:

Motorola Solutions appreciates the opportunity to provide the City of Billings with quality communications equipment and services. Our project team has taken great care to propose a NICE IP Logging solution that addresses your needs and provides exceptional value.

This NICE IP Logging solution will be installed at the City of Billings Emergency Communications Center and will be replacing the current Equature Logging system.

This proposal is subject to the terms and conditions of the enclosed Sourcewell Communications System and Services Agreement (CSSA), together with its Exhibits, and accompanying addendum. The City of Billings may accept this proposal by delivering to Motorola a signed copy of the Sourcewell CSSA. This proposal shall remain valid for a period of 60 days from the date of this cover letter.

Any questions can be directed to your Motorola Solutions Account Executive, Kevin Haight at (208) 316-4420 or [kevin.haight@motorolasolutions.com](mailto:kevin.haight@motorolasolutions.com).

Our goal is to provide the best products and services available in the communications industry. We thank you for the opportunity to present our proposed solution, and we hope to strengthen our relationship by implementing this project successfully and on time.

Sincerely,

Michael DeBenedetti

# System Description

## 1.1 Introduction

Motorola is pleased to offer the City of Billings this proposal to upgrade and expand the logging capabilities of the new mission-critical communications system. The proposal is for a NICE Inform ELITE R10 telephony and Motorola MCC7500 logging solution with Generic CAD and Intelligence Center.

### 1.1.1 Recording Capabilities

The NICE Inform Multimedia Recorder is designed to meet the mission-critical needs of the most demanding public safety emergency communications environments. It can be tailored to meet your specific requirements, with recording capability for both ASTRO 25 and conventional radio, LTE/FirstNet, and TETRA. It reliably records 911 calls for a variety of Call Handling systems (digital, analog, and VoIP – including i3 SIPREC) and can automatically collect, store and associate detailed call data with each 911 call. Similarly, text-to-911 communications can also be recorded and automatically synchronized with voice communications.

The NICE recorder captures console screen activity, CAD data and events, location data from mobile radio units and phones, GIS Mapping, Enhanced Data EIDD, and more. The solution can also incorporate other NG911 elements, such as pictures and videos.

The solution scales and adapts from single-position Public Safety Answering Points (PSAPs), to complex environments with multiple sites and multiple networks. It can also integrate local recording with cloud-based media and data capture in ESInet.

### Motorola Certified IP Radio Recording

#### Feature Highlights

- Integrates with the Motorola ASTRO 25 radio network and MCC7500 Consoles.
- Captures a wealth of data with each recording, including Talkgroup, Alias, Unit ID, Emergency Button activation and much more.
- Accommodates as many as 256 Talkgroups per logger (no additional cost).
- Records in high-quality digital format. User can listen to calls as the Dispatcher heard it (no enhancements) or use enhancements to better hear what was said.

### 1.1.2 Call Taking Audio (NIR Loggers)

The NICE Recording platform can be configured to capture a variety of audio inputs, including analog, digital TDM, and IP telephony (i3 – SIP). It offers the highest security levels through rules-based access, AES 256-bit encryption at rest and in transit, MD5 fingerprinting, granular user access profiles, and web-based administration.

NICE Inform Multimedia Recorder can also span all forms of NG 911 communications, including inbound and outbound text messages, certified direct IP, web interface, and TTY.

The NICE Recording platform can capture a wide variety of data with every call. The solution integrates with the data spill for the most popular call handling systems.

Tested at all industry collaboration events, NICE Inform Multimedia Recorder is a future-proof platform designed to comply with National Emergency Number Association's (NENA's) i3 NG911 standards, and European Emergency Number Association's (EENA's) NG112 standards.

By taking advantage of commercial off-the-shelf (COTS) hardware and customer-provided network storage devices, this award-winning voice recording solution provides dependable performance while reducing total cost of ownership.

## 1.2 Proposal Details

The overall proposal includes a 38-channel NICE Inform ELITE R10 telephony and Motorola MCC7500 logging solution with a Generic CAD interface and the Intelligence Center (IC).

The proposed solution includes an HPE DL360 G10 server with 10-channels (talkpaths) MCC7500 2022 trunk radio recording at the main site\* on the RNI with an HPE DL360 G10 server installed as LBS on the RNI on the main site.

- One (1) HPE DL360 G10 server with thirteen (13) Vesta consoles via span ports and twenty-five (25) VOIP SIP phones via span ports for primary and parallel recording.
- An HPE DL380 G10 server will be provided for NICE INFORM and Health manager. The server will have the MS SQL 2019 Standard Edition 64-bit - Server License Per 2 x Processor Cores license to allow for up to 100 end-user connections.
- An HPE DL380 Gen10 NIR server, running Windows Server 2019 will be provided for the Intelligence Center.
- Retention will be set up for 2-years. Retention is an estimate only, not a guarantee.
- Four (4) User AQUA integration.

All Vesta IP-Based audio recordings will be done from the SPAN Ports of the Vesta consoles Ethernet port. The City of Billings is responsible for setup, management and delivery of SPAN-based audio to the recorder satellite servers. NICE Vesta driver 1.42 will be used.

The City-supplied Vesta CDR ICD VR7.2 will be delivered via RS-232 serial feeds. NICE will supply a Moxa NPort 1-port device server with one (1) DB9M RS232 port and one (1) 10/100 network port to convert the RS232 to IP on the network. It is the City of Billings' responsibility to wire this device in and allow a 100 MB Ethernet port for these devices. The default integration is fixed seating. Free seating can be installed with the installation of the NICE user registration application will need to be installed on the PC for the agent to log into. Installation on the end user's PC is the responsibility of the City of Billings.

All SIP IP-based audio recordings will be done from a SPAN Ports and need to be G.711 and G.729 unencrypted VOIP. The City of Billings is responsible for setup, management, and delivery of SPAN-based audio to the recorder server.

The solution includes:

- Reconstruction for searching, filtering, and gathering recording media and metadata into a timeline and saving as a scenario.
- Evidence Compliance Pack, which includes Organizer (for adding external files to a scenario and packaging them for distribution outside the Inform system) and Media Player (which allows users outside the Inform system to view and playback scenario media in an Inform-like timeline interface).
- Reporter which provides a library of pre-built, but customizable, reports for summarizing Inform activity and performance as well as ad hoc reporting capabilities.
- Monitor which allows authorized Inform users to monitor recordings in-progress.
- Evaluator which allows call center management to automate the process of selecting and assessing caller-agent interactions for the purposes of measuring and improving individual agent and call center-wide performance. Assessments can be automatically assigned to appropriate evaluators and assessment completion can be tracked for timely fulfillment.

The CAD Integration to the City of Billings CAD Microsoft SQL Data database will be via the City's created views. NICE to supply the City of Billings with documentation of required views. It is the City's responsibility to enable the provisioning of all information needed to connect, read and retrieve any media and metadata from any connectors as well as mutually test the connector. The current generic CAD connector and the current version will be covered by NICE maintenance.

The proposed solution includes:

- On-site installation, remote Project Management, and on-site training.

The City of Billings is to provide additional equipment and installation items as listed below:

- High-speed VPN Access for Remote Support.
- 19-inch Racks with Shelves, Audio Cables, Power Cables, LAN Cables and HUBs where required.
- The City of Billings to provide racking and stacking of the servers.
- UPS Power with Line Conditioning.
- Quote does not include shipping and handling charge.

## Required Technical Approval

Inform Elite with Generic CAD integration, pending Discovery Information. Please note:

- City of Billings/CAD vendor must provide SQL views meeting exact format to be defined by NICE onto Microsoft SQL CAD Reporting/Backup database and allow their Inform server a read-only SQL connection to that database.
- The City of Billings may need to purchase API from CAD vendor to support this integration.
- The City of Billings must provide remote access to their Inform server to assist with configuration/diagnostics, etc.
- The City of Billings may need a telephony/CTD integration that tags 911 calls with Agent IDs, e.g., VESTA/VIPTER. 911 calls without Agent ID tags will not be returned by the integration.
- Due to the time required by the City of Billings to create the required MS SQL view onto their backup CAD database, as well as possible troubleshooting to ensure they exactly match the specification, some delays should be expected during the deployment.

- The Discovery Process MUST determine that the data available from the VESTA integration AND the Generic CAD integration provides sufficient Intelligence Center functionality and visualizations to meet the City of Billings' requirements.

IMPORTANT: If these pre-requisites are not met the Inform Intelligence Centre CAD integration cannot be delivered. This approval DOES NOT cover any bespoke integration to this customer/vendors unique CAD integration.

## 1.2.1 Existing Equipment

Note that this proposal is dependent upon the presence of the Motorola Archiving Interface Server (AIS) to support the logging of radio traffic onto the NICE system. It is also dependent upon a firewall configured at the dispatch center to establish appropriate IP security between the Radio Network Interface (RNI) and the logging equipment.

## 1.2.2 System Diagram

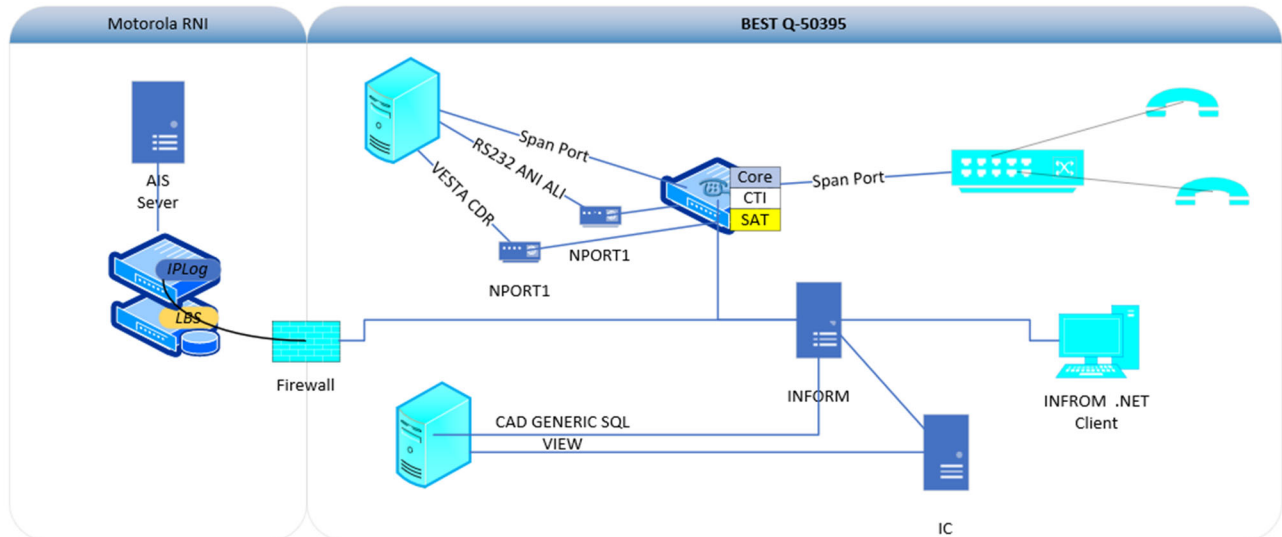

Figure 1-1: System Diagram

## 1.3 Solution Design Assumptions

- It is assumed that the NICE logging servers and other equipment will be installed in existing cabinets at the Billings Dispatch Center, as no space exists for a new cabinet to be installed.
- It is assumed sufficient space and power exists at the dispatch site to accommodate the new positions.
- It is assumed that the City of Billings will supply replay workstation(s), and these must support the Microsoft .NET infrastructure.
- The City of Billings is responsible for all on-going management of all sub-systems in the solutions (e.g. NICE Inform Recorder, MCC7500 IP Radio Logger, NICE Inform, including

database back-ups, archive management, windows updates, HP drivers, Anti-Virus (exclusion files are found on ExtraNICE) etc.

- The City of Billings is responsible for all data network infrastructure not purchased from Motorola including (but not limited to) switches, hubs, bridges, routers, firewalls, external caching devices and cabling.
- Note that NICE recorders and servers require a static IP address for each device, which must be provided by the City of Billings.
- The City of Billings will provide one network connection (minimum CAT5e/RJ45 cable) for each system component requiring network access.
- LAN/WAN latency is assumed to be less than 30-milliseconds.
- Automated system processes such as automatic installation of patches, application pushes, automated anti-virus updates, etc. are not to be run on logging system components (loggers, servers, etc.), unless specifically addressed in a separate SOW documentation.
- The City of Billings is responsible for any Port spanning/mirroring or packet duplication to facilitate passive VOIP recording.
- The City of Billings is responsible for any configuration of duplicate audio/SIP streams for “2N” or secondary recording system.
- The City of Billings is responsible for providing the required network bandwidth for archiving and streaming of all recorded media. The requirements of this are covered in the Sales discovery process.
- The proposed Solution provides storage internal to the logger. Unless specifically stated, NICE makes no claim as to the retention period (measured in the number of days) which this Solution will support. This will vary depending on call volumes and average length of call.
- The solution includes a SQL database (with appropriate SQL licensing) for each logger. It is the responsibility of the Purchaser to back-up these databases on a regular basis.
- The storage in the recorder for SQL database tables is not unlimited. If Purchaser retention requirements are measured in years rather than months, it is the responsibility of the City of Billings to raise this subject with NICE prior to the final system configuration. This will help ensure the City of Billings receives a solution that will meet retention requirements.
- If archiving to network storage, the LAN/WAN latency in the network is assumed to be less than thirty (30) milliseconds.
- Any network storage used for archiving becomes the primary storage for playback of audio. It is the City of Billings’ responsibility to ensure that City of Billings provided storage is designed to last for the media retention period required.
- If parallel recording is included in this proposal, it will be the responsibility of the City of Billings to provide all duplicate/parallel connectivity and data feeds to enable the second/parallel system to capture the desired audio and associated data.
- Motorola/NICE is not responsible for the moving or removal of legacy recording system.
- The City of Billings is responsible for all replay workstations unless specifically stated otherwise.
- The City of Billings will identify designated internal IT/Telephony/Network staff dedicated to the implementation of the Solution, in writing, prior to the commencement of the on-site implementation.

## Section 2

# Statement of Work

## 2.1 Overview

Motorola is proposing to City of Billings the installation and configuration of the NICE IP Logging equipment at the specified location.

The document delineates the general responsibilities between Motorola and City of Billings.

## 2.2 Motorola Responsibilities

Motorola's general responsibilities include the following:

- Provide overall Project Management services.
- Ship equipment to City of Billings.
- Perform the installation of the Motorola-supplied equipment described above.
- Schedule the implementation in agreement with City of Billings.
- Coordinate the activities of all Motorola subcontractors under this contract.
- Administer safe work procedures for installation.
- Provide City of Billings with the appropriate system interconnect specifications.
- Cutover to new system.
- Provide as-built documentation.
- Review post-project Customer support plan.

## 2.3 City of Billings Responsibilities

City of Billings will assume responsibility for the installation and performance of all other equipment and work necessary for completion of this project that is not provided by Motorola. General responsibilities for City of Billings include the following:

- Provide a single point of contact for implementation.
- Provide access to sites as necessary.
- Provide adequate space for the system equipment.
- Provide all buildings, equipment shelters, and towers required for system installation.
- Ensure communications sites meet space, grounding, power, and connectivity requirements for the installation of all equipment.
- Obtain all licensing, site access, or permitting required for project implementation.

- Provide required system interconnections.
- City of Billings will provide a dedicated delivery point, such as a warehouse, for receipt, inventory, and storage of equipment prior to delivery to the site(s).
- Coordinate the activities of all City of Billings vendors or other contractors.
- Obtain all licensing, site access, or permitting required for project implementation.

## 2.4 Responsibility Matrix

Motorola Solutions will install and configure the proposed equipment. The following table describes the tasks involved with the installation and delineates the general responsibilities between Motorola and City of Billings as agreed to by contract.

| Tasks                                                                                                    | Motorola Solutions | City of Billings |

## 2.5 Assumptions

Motorola has made several assumptions in preparing this proposal, which are noted below. All existing sites or equipment locations will have sufficient space available for the system described as required/specified by R56. All existing sites or equipment locations will have sufficient space available for the system described as required/specified by R56.

- All existing sites or equipment locations will have adequate electrical power in the proper phase and voltage, and site grounding to support the requirements of the system described.
- Any site/location upgrades or modifications are the responsibility of City of Billings.
- Approved local, State, or Federal permits as may be required for the installation and operation of the proposed equipment are the responsibility of City of Billings.
- Any required system interconnections not specifically outlined here will be provided by City of Billings. These may include dedicated phone circuits, microwave links, or other types of connectivity.
- Motorola is not responsible for interference caused or received by the Motorola-provided equipment except for interference that is directly caused by the Motorola-provided transmitter(s) to the Motorola-provided receiver(s). Should the City of Billings system experience interference, Motorola can be contracted to investigate the source and recommend solutions to mitigate the issue.
- The proposed equipment is Motorola's demarcation point for CAD, 911 and Customer Network connections/interfaces.
- Performance bond is not required.
- Union Labor is not required.
- Prevailing wage is not required.
- Work is performed on non-holidays during normal business hours, Monday – Friday, 7:30am – 5:00pm.

## 2.6 Project Schedule

Tentative project schedule is shown below. We are currently estimating the project implementation to take approximately 8 months. The dates for the implementation are highly dependent on the contract award date, equipment shipment lead times, resource availability and site readiness. A final project schedule will be developed based upon mutual agreement between Motorola Solutions and the City of Billings at the Contract Design Review.

# Training

Training has been included in the proposal for the proposed equipment.

#### **PS-TREU17-PS (Qty-1)**

NICE Inform Health Manager ½-day / 4-hour instructor led end user training for Basic / Operator users. Up to six (6) students. Delivered remotely by default.

#### **PS-TREU12- PS (Qty-1)**

NICE Inform 2-day instructor led training for up to six (6) students held at client site or remotely.

Covers Verify, Monitor, Reconstruction, Organizer and Reporter, as well as administration applications.

(Excludes Evaluator QA).

#### **PS-TREU15-PS (Qty-1)**

1-day / 6-hour remote NICE Inform QA Pack (Inform Evaluator and Reporter) application training. Up to six (6) students. For clients upgrading from a previous version of NICE Inform and/or those who require additional days of applications training.

Instructor-led training delivered using WebEx and client's solution.

Customer is responsible for downloading WebEx.

#### **PS-TREU16-PS (Qty-1)**

NICE Inform 2-day instructor led Intelligence Center training.

Up to six (6) students.

# Service/Warranty

## 4.1 Support

Motorola & NICE Support Services deliver the industry’s only integrated support response. This means cohesive support delivery with minimal vendor management for you.

We offer flexible service level agreements (SLAs) to meet the level of service your organization needs. Expert Motorola and NICE engineers and maintenance specialists are on call 24 x 7 to address any arising hardware or software issue.

## 4.2 The Motorola Advantage

**A Single Point of Contact:** Call Motorola whether it is for radio or recording system.

**Single Responsibility:** The integrated Motorola/NICE solution means that Motorola manages the Support Response. *This means peace of mind for the customer and faster response times.*

**Single Maintenance Contract:** Including the recording system in the support contract for the radio system simplifies management and administration for the customer, *saving time and headaches every year.*

**Performance-driven Quality Review:** Each month, Motorola and NICE review a variety of Key Performance Indicators to evaluate service results and customer satisfaction. Motorola and NICE adhere to a proven process of continuous analysis and improvement to act on ‘lessons learned’ to drive constant improvements in customer satisfaction.

## 4.3 Priority Definitions – Severity Levels

NICE Support Program identifies four levels of severity that determine the priority in queue and SLA commitments. These priority levels are defined in Table 4-1 below.

**Table 4-1: Severity Priority Levels**

| Severity Level                 | Definition                                                                                                                                                                                                                        |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Priority 1<br/>Critical</b> | In a 100% recording environment, any failure of equipment, NICE software or communications to the NICE products which results in loss of recording channels or data, or if allowed to persist will result in such recording loss. |

| Severity Level            | Definition                                                                                                                                                                                                                                       |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Priority 2 Major</b>   | Any problem resulting in loss of ability to retrieve calls or loss of replay functionality for two or more workstations.                                                                                                                         |
| <b>Priority 3 Anomaly</b> | Any problem affecting one or more workstations that does not result in a loss of recording or replay, but nevertheless results in diminished product response or performance, e.g. if an administrator loses the ability to add or delete users. |
| <b>Priority 4 Inquiry</b> | An incident that has no business impact on a Production System, such as system inquiry, planned intervention requests for documentation, or request for information.                                                                             |

### 4.3.1 Gold Lite Level Support

**Table 4-2: Support Level Agreement – Gold Lite**

| Service and Response Time by Priority Gold Lite Level | Priority 1 | Priority 2  | Priority 3 | Priority 4 |

| <b>Call Back Response Time</b>                        | 60 minutes | 120 minutes | 24 hours   | 24 hours   |
| <b>On-Site Response Times</b>                         | 6 hours    | 24 hours    | 48 hours   | 48 hours   |

## 4.4 System Upgrade Agreement II

The System Upgrade Agreement II (SUA II) service provides public safety radio system release updates on a consistent, budgeted plan. These updates maintain reliable network operations and cybersecurity protection. In addition, SUA II keeps City of Billings’ proposed equipment compatible with expansion elements, as well as new products or features. With SUA II, City of Billings’ proposed equipment will remain on a release that qualifies for support services.

Motorola Solutions will deliver SUA II in 2-year periods, with up to one update in each period. The SUA II service includes the following:

- **Software Release Updates** – Motorola Solutions-certified software that improves network functions over previous releases. This also includes commercial operating system and application software updates.
- **Hardware Update** – When needed to support a software release update, Motorola Solutions provides new hardware. New hardware will both support the new software update, as well as maintain existing functions and features.
- **Professional Implementation Services** – Motorola Solutions will plan and implement updates at City of Billings site. This includes factory integration, testing, and supply chain management for new software and hardware.

With these services, City of Billings will have access to the technology, support, and planning expertise needed for an effective upgrade.

## 6.3 Payment Terms

Contract Price. The Contract Price in U.S. dollars is \$ 1,024,667.72.

Customer will make payments to Motorola within thirty (30) days after the date of each invoice. Customer will make payments when due in the form of a wire transfer, check, or cashier’s check from a U.S. financial institution. Motorola reserves the right to make partial shipments of equipment and invoice for partial shipment. Overdue invoices will bear simple interest at the maximum allowable rate.

Motorola Solutions will use the following major milestones of the project for financial billing:

1. 25% of the Contract Price due upon Contract Execution (due upon effective date);
2. 60% of the Contract Price due upon shipment of equipment from Staging;
3. 10% of the Contract Price due upon installation of equipment; and
4. 5% of the Contract Price due upon Final Acceptance.

Motorola reserves the right to make partial shipments of equipment and to request payment upon shipment of such equipment. In addition, Motorola reserves the right to invoice for installations or civil work completed on a site-by-site basis, when applicable.

For Lifecycle Support Plan and Subscription Based Services: Motorola will invoice Customer annually in advance of each year of the plan.

# Contractual Documentation

This proposal is subject to the terms and conditions of the enclosed Sourcewell Communications System and Services Agreement (CSSA), together with its Exhibits, and the accompanying Maintenance, Support and Lifecycle Management Addendum.

## Sourcewell Communications System and Services Agreement

Motorola Solutions, Inc. (“Motorola”) and City of Billings (Montana) (“Customer”) enter into this “Agreement,” pursuant to which Customer will purchase and Motorola will sell the System and Services, as described below. Motorola and Customer may be referred to individually as a “Party” and collectively as the “Parties.” For good and valuable consideration, the Parties agree as follows:

WHEREAS, Customer desires to purchase from Motorola and Motorola desires to sell to Customer certain Motorola radio communications equipment and services; and

WHEREAS, Sourcewell (“Sourcewell”), a State of Minnesota local government agency and service cooperative offering cooperative procurement solutions to government entities that access Sourcewell’s cooperative purchasing contracts (“Participating Entities”); and

WHEREAS, on July 4, 2021, Sourcewell and Motorola entered into a contract identified as 042021-MOT, (the “Contract”), which provides that Participating Entities may purchase radio communications equipment from Motorola pursuant to certain terms contained therein; and

WHEREAS, pursuant to Article 6.B of the Contract, Motorola and Customer now wish to enter into this Agreement to delineate the specific terms of the purchase of radio communications equipment and services from Motorola by Customer.

For good and valuable consideration, the Parties agree as follows:

### Section 1 ATTACHMENTS

1.1. EXHIBITS. The Exhibits listed below are exhibits related to the System sale and implementation. These Exhibits are incorporated into and made a part of this Agreement.

Exhibit A “Motorola Software License Agreement”

Exhibit B “Payment”

Exhibit C Technical and Implementation Documents

C-1 “System Description” dated 6.3.2024

C-2 “Pricing Summary & Equipment List” dated 6.3.2024

C-3 “Implementation Statement of Work” dated 6.3.2024

C-4 “Acceptance Test Plan” or “ATP” dated 6.3.2024

C-5 “Performance Schedule” dated 6.3.2024

Exhibit D “System Acceptance Certificate”

1.2. ADDENDUM (ADDENDA). Customer may elect to purchase professional or subscription services in addition to the System and related services. Any such services will be governed by the terms in the main body of the Agreement and an applicable Addendum containing terms specific to such service. Such Addenda will be labeled with the name of the service being purchased.

1.3 ORDER OF PRECEDENCE. In interpreting this Agreement and resolving any ambiguities: 1) the main body of this Agreement takes precedence over the exhibits (unless otherwise specified in an exhibit), and any inconsistency between Exhibits A through D will be resolved in their listed order, and 2) The applicable service Addendum will take precedence over the main body of the Agreement and the Exhibits.

## Section 2 DEFINITIONS

Capitalized terms used in this Agreement have the following meanings:

**“Acceptance Tests”** means those tests described in the Acceptance Test Plan.

**“Addendum (Addenda)”** is the title of the document(s) containing a specific set of terms and conditions applicable to a particular service or other offering beyond the Communication System and System implementation services. The terms in the Addendum are applicable only to the specific service or offering described therein.

**“Administrative User Credentials”** means an account that has total access over the operating system, files, end user accounts and passwords at either the System level or box level. Customer’s personnel with access to the Administrative User Credentials may be referred to as the Administrative User.

**“Beneficial Use”** means when Customer first uses the System or a Subsystem for operational purposes (excluding training or testing).

**“Confidential Information”** means all information consistent with the fulfillment of this Agreement that is (i) disclosed under this Agreement in oral, written, graphic, machine recognizable, and/or sample form, being clearly designated, labeled or marked as confidential or its equivalent or (ii) obtained by examination, testing or analysis of any hardware, software or any component part thereof provided by discloser to recipient. The nature and existence of this Agreement are considered Confidential Information. Confidential Information that is disclosed orally must be identified as confidential at the time of disclosure and confirmed by the discloser by submitting a written document to the recipient within thirty (30) days after such disclosure. The written document must contain a summary of the Confidential Information disclosed with enough specificity for identification purpose and must be labeled or marked as confidential or its equivalent.

**“Contract Price”** means the price for the System and implementation Services, excluding applicable sales or similar taxes and freight charges. Further, unless otherwise stated in Exhibit B, “Payment” or the pricing pages of the proposal, recurring fees for maintenance, SUA, or subscription services are not included in the Contract Price.

**“Deliverables”** means all written information (such as reports, specifications, designs, plans, drawings, analytics, Solution Data, or other technical or business information) that Motorola prepares for Customer in the performance of the Services and is obligated to provide to Customer under this Agreement. The Deliverables, if any, are more fully described in the Statement of Work.

**“Derivative Proprietary Materials”** means derivatives of the Proprietary Materials that Motorola may from time to time, including during the course of providing the Services, develop and/or use and/or to which Motorola provides Customer access.

**“Effective Date”** means that date upon which the last Party executes this Agreement.

**“Equipment”** means the hardware components of the Solution that Customer purchases from Motorola under this Agreement. Equipment that is part of the System is described in the Equipment List.

**“Feedback”** means comments or information, in oral or written form, given to Motorola by Customer in connection with or relating to Equipment or Services, during the term of this Agreement.

**“Force Majeure”** means an event, circumstance, or act that is beyond a Party’s reasonable control, such as an act of God, an act of the public enemy, an act of a government entity, strikes, other labor disturbances, supplier performance, hurricanes, earthquakes, fires, floods, epidemics, embargoes, war, riots, or any other similar cause.

**“Motorola Software”** means software that Motorola or its affiliated companies owns.

**“Non-Motorola Software”** means software that a party other than Motorola or its affiliated companies owns.

**“Open Source Software”** (also called “freeware” or “shareware”) means software with either freely obtainable source code, license for modification, or permission for free distribution.

**“Proprietary Materials”** means certain software tools and/or other technical materials, including, but not limited to, data, modules, components, designs, utilities, subsets, objects, program listings, models, methodologies, programs, systems, analysis frameworks, leading practices and specifications which Motorola has developed prior to, or independently from, the provision of the Services and/or which Motorola licenses from third parties.

**“Proprietary Rights”** means the patents, patent applications, inventions, copyrights, trade secrets, trademarks, trade names, mask works, know-how, and other intellectual property rights in and to the Equipment and Software, including those created or produced by Motorola under this Agreement and any corrections, bug fixes, enhancements, updates or modifications to or derivative works from the Software whether made by Motorola or another party.

**“Services”** means system implementation, maintenance, support, subscription, or other professional services provided under this Agreement, which may be further described in the applicable Addendum and/or SOW.

**“Software”** (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by Motorola; and (iii) may contain one or more items of software owned by a third party supplier. The term “Software” does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

**“Software License Agreement”** means the Motorola Software License Agreement (Exhibit A).

**“Software Support Policy”** (“SwSP”) means the policy set forth at [https://www.motorolasolutions.com/content/dam/msi/secure/services/software\\_policy.pdf](https://www.motorolasolutions.com/content/dam/msi/secure/services/software_policy.pdf) describing the specific technical support that will be provided to Customers under the Warranty Period and during any paid maintenance support period for Motorola Software. This policy may be modified from time to time at Motorola’s discretion.

**“Solution”** means the combination of the System(s) and Services provided by Motorola under this Agreement.

**“Solution Data”** means Customer data that is transformed, altered, processed, aggregated, correlated or operated on by Motorola, its vendors or other data sources and data that has been manipulated or retrieved using Motorola know-how to produce value-added content to data consumers, including customers or citizens which is made available to Customer with the Solution and Services.

**“Specifications”** means the functionality and performance requirements that are described in the Technical and Implementation Documents.

**“SUA” or “SUA II”** means Motorola’s Software Upgrade Agreement program.

**“Subsystem”** means a major part of the System that performs specific functions or operations. Subsystems are described in the Technical and Implementation Documents.

**“System”** means the Equipment, including incidental hardware and materials, Software, and design, installation and implementation services that are combined together into an integrated system; the

System(s) is (are) described in the Technical and Implementation Documents.

“**System Acceptance**” means the Acceptance Tests have been successfully completed.

“**System Data**” means data created by, in connection with or in relation to Equipment or the performance of Services under this Agreement.

“**Warranty Period**” for System Hardware, Software, or services related to system implementation means one (1) year from the date of System Acceptance or Beneficial Use, whichever occurs first. Unless otherwise stated in the applicable Addendum, Warranty Period for other Services means ninety (90) days from performance of the Service.

### **Section 3 SCOPE OF AGREEMENT AND TERM**

3.1. SCOPE OF WORK. Motorola will provide, install and test the System(s), and perform its other contractual responsibilities to provide the Solution, all in accordance with this Agreement. Customer will perform its contractual responsibilities in accordance with this Agreement.

3.2. CHANGE ORDERS. Either Party may request changes within the general scope of this Agreement. If a requested change causes an increase or decrease in the cost or time required to perform this Agreement, the Parties will agree to an equitable adjustment of the Contract Price or applicable subscription fees, Performance Schedule, or both, and will reflect the adjustment in a change order or Addendum. Neither Party is obligated to perform requested changes unless both Parties execute a written change order.

3.3. TERM. Unless terminated in accordance with other provisions of this Agreement or extended by mutual agreement of the Parties, the term of this Agreement begins on the Effective Date and continues until the date of Final Project Acceptance or expiration of the Warranty Period, or completion of the Services, whichever occurs last. The term and the effective date of recurring Services will be set forth in the applicable Addendum.

3.4. ADDITIONAL EQUIPMENT OR SOFTWARE. For three (3) years after the expiration date of the Agreement, Customer may order additional Equipment or Software, if it is then available. Each purchase order must refer to this Agreement, the expiration date of the Agreement, and must specify the pricing and delivery terms. The Parties agree that, notwithstanding expiration of the Agreement, the applicable provisions of this Agreement (except for pricing, delivery, passage of title and risk of loss to Equipment, warranty commencement, and payment terms) will govern the purchase and sale of the additional Equipment or Software. Additional or contrary terms in the purchase order will be inapplicable, unless signed by both parties. Title and risk of loss to additional Equipment will pass at shipment, warranty will commence upon delivery, and payment is due within thirty (30) days after the invoice date. Motorola will send Customer an invoice as the additional Equipment is shipped or Software is licensed. Alternatively, Customer may register with and place orders through the Motorola Solutions Customer Portal eCommerce Shop, and this Agreement will be the “Underlying Agreement” for those eCommerce transactions rather than the eCommerce Shop Terms and Conditions of Sale. eCommerce Shop registration and other information may be found at [https://www.motorolasolutions.com/en\\_us/registration](https://www.motorolasolutions.com/en_us/registration) and the shop support telephone number is (800) 814-0601.

3.5. MOTOROLA SOFTWARE. Any Motorola Software, including subsequent releases, is licensed to Customer solely in accordance with the Software License Agreement. Customer hereby accepts and agrees to abide by all of the terms and restrictions of the Software License Agreement.

3.6. NON-MOTOROLA SOFTWARE. Any Non-Motorola Software is licensed to Customer in accordance with the standard license, terms, and restrictions of the copyright owner on the Effective Date unless the copyright owner has granted to Motorola the right to sublicense the Non-Motorola Software pursuant to the Software License Agreement, in which case it applies and the copyright owner will have all of Licensor's rights and protections under the Software License Agreement. Motorola makes no representations or warranties of any kind regarding Non-Motorola Software. Non-Motorola Software may include Open Source Software.

3.7. SUBSTITUTIONS. At no additional cost to Customer, Motorola may substitute any Equipment, Software, or services to be provided by Motorola, if the substitute meets or exceeds the Specifications and is of equivalent or better quality to the Customer. Any substitution will be reflected in a change order.

3.8. OPTIONAL EQUIPMENT OR SOFTWARE. This paragraph applies only if a "Priced Options" exhibit is shown in Section 1, or if the parties amend this Agreement to add a Priced Options exhibit. During the term of the option as stated in the Priced Options exhibit (or if no term is stated, then for one (1) year after the Effective Date), Customer has the right and option to purchase the equipment, software, and related services that are described in the Priced Options exhibit. Customer may exercise this option by giving written notice to Seller which must designate what equipment, software, and related services Customer is selecting (including quantities, if applicable). To the extent they apply, the terms and conditions of this Agreement will govern the transaction; however, the parties acknowledge that certain provisions must be agreed upon, and they agree to negotiate those in good faith promptly after Customer delivers the option exercise notice. Examples of provisions that may need to be negotiated are: specific lists of deliverables, statements of work, acceptance test plans, delivery and implementation schedules, payment terms, maintenance and support provisions, additions to or modifications of the Software License Agreement, hosting terms, and modifications to the acceptance and warranty provisions.

#### **Section 4 SERVICES**

4.1. If Customer desires and Motorola agrees to continue Services beyond the Term, Customer's issuance and Motorola's acceptance of a purchase order for Services will serve as an automatic extension of the Agreement for purposes of the continuing Services. Only the terms and conditions applicable to the performance of Services will apply to the extended Agreement.

4.2. During the Warranty Period, in addition to warranty services, Motorola will provide maintenance Services for the Equipment and support for the Motorola Software pursuant to the applicable maintenance and support Statements of Work. Support for the Motorola Software will be in accordance with Motorola's established Software Support Policy. Copies of the SwSP can be found at [https://www.motorolasolutions.com/content/dam/msi/secure/services/software\\_policy.pdf](https://www.motorolasolutions.com/content/dam/msi/secure/services/software_policy.pdf) and will be sent by mail, email or fax to Customer upon written request. Maintenance Services and support during the Warranty Period are included in the Contract Price. Unless already included in the Contract Price, if Customer wishes to purchase 1) additional maintenance or software support services during the Warranty Period; or 2) continue or expand maintenance, software support, installation, and/or SUA services after the Warranty Period, Motorola will provide the description of and pricing for such services in a separate proposal document. Unless otherwise agreed by the parties in writing, the terms and conditions in this Agreement applicable to maintenance, support, installation, and/or SUA Services, will be included in the Maintenance and Support Addendum, SUA Addendum, the applicable Statements of Work, and the proposal, (if applicable). These collective terms will govern the provision of such Services.

To obtain any such additional Services, Customer will issue a purchase order referring to this Agreement and the separate proposal document. Omission of reference to this Agreement in Customer's purchase order will not affect the applicability of this Agreement. Motorola's proposal may include a cover page entitled "Service Agreement" or "Installation Agreement", as applicable, and other attachments. These cover pages and other attachments are incorporated into this Agreement by this reference

4.3. **PROFESSIONAL AND SUBSCRIPTION SERVICES.** If Customer purchases professional or subscription Services as part of the Solution, additional or different terms specific to such Service will be included in the applicable Addendum and will apply to those Services. Customer may purchase additional professional or subscription services by issuing a purchase order referencing this Agreement and Motorola's proposal for such additional services.

4.4. Any information in the form of specifications, drawings, reprints, technical information or otherwise furnished to Customer in providing Services under this Agreement or Motorola data viewed, accessed, will remain Motorola's property, will be deemed proprietary, Confidential Information. This Confidential Information will be promptly returned at Motorola's request.

4.5. **TOOLS.** All tools, equipment, dies, gauges, models, drawings or other materials paid for or furnished by Motorola for the purpose of providing Services under this Agreement will be and remain the sole property of Motorola. Customer will safeguard all such property while it is in Customer's custody or control, be liable for any loss or damage to this property, and return it to Motorola upon request. This property will be held by Customer for Motorola's use without charge and may be removed from Customer's premises by Motorola at any time without restriction. Upon termination of the contract for any reason, Customer shall return to Motorola all equipment delivered to Customer.

4.6. **COVENANT NOT TO EMPLOY.** During the term of this Agreement and continuing for a period of two (2) years thereafter, Customer will not hire, engage on contract, solicit the employment of, or recommend employment to any third party of any employee of Motorola or its subcontractors without the prior written authorization of Motorola. This provision applies only to those employees of Motorola or its subcontractors who are responsible for rendering Services under this Agreement. If this provision is found to be overly broad under applicable law, it will be modified as necessary to conform to applicable law.

4.7. **CUSTOMER OBLIGATIONS.** If the applicable Statement of Work or Addendum contains assumptions that affect the Services or Deliverables, Customer will verify that they are accurate and complete. Any information that Customer provides to Motorola concerning the Services or Deliverables will be accurate and complete in all material respects. Customer will make timely decisions and obtain any required management approvals that are reasonably necessary for Motorola to perform the Services and its other duties under this Agreement. Unless the Statement of Work states the contrary, Motorola may rely upon and is not required to evaluate, confirm, reject, modify, or provide advice concerning any assumptions and Customer-provided information, decisions and approvals described in this paragraph.

4.8. **ASSUMPTIONS.** If any assumptions or conditions contained in this Agreement, applicable Addenda or Statements of Work prove to be incorrect or if Customer's obligations are not performed, Motorola's ability to perform under this Agreement may be impacted and changes to the Contract Price, subscription fees, project schedule, Deliverables, or other changes may be necessary.

4.9. **NON-PRECLUSION.** If, as a result of the Services performed under this Agreement, Motorola recommends that Customer purchase products or other services, nothing in this Agreement precludes Motorola from participating in a future competitive bidding process or otherwise offering or selling the recommended products or other services to Customer. Customer represents that this paragraph does not violate its procurement or other laws, regulations, or policies.

4.10. **PROPRIETARY MATERIALS.** Customer acknowledges that Motorola may use and/or provide Customer with access to Proprietary Materials and Derivative Proprietary Materials. The Proprietary Materials and the Derivative Proprietary Materials are the sole and exclusive property of Motorola and Motorola retains all right, title and interest in and to the Proprietary Materials and Derivative Proprietary Materials.

4.11. ADDITIONAL SERVICES. Any services performed by Motorola outside the scope of this Agreement at the direction of Customer will be considered to be additional Services which are subject to additional charges. Any agreement to perform additional Services will be reflected in a written and executed change order, Addendum or amendment to this Agreement.

**Section 5 PERFORMANCE SCHEDULE**

The Parties will perform their respective responsibilities in accordance with the Performance Schedule. By executing this Agreement, Customer authorizes Motorola to proceed with contract performance.

**Section 6 CONTRACT PRICE, PAYMENT AND INVOICING**

6.1. Customer affirms that a purchase order or notice to proceed is not required for contract performance or for subsequent years of service, if any, and that sufficient funds have been appropriated in accordance with applicable law. The Customer will pay all invoices as received from Motorola and any changes in scope will be subject to the change order process as described in this Agreement. At the time of execution of this Agreement, the Customer will provide all necessary reference information to include on invoices for payment in accordance with this Agreement.

6.2. CONTRACT PRICE. The Contract Price in U.S. dollars is \$ 1,024,667.72, which includes the Sourcewell administrative fee. Motorola will pay Sourcewell's administrative fee in accordance with the payment terms of the Motorola/Sourcewell Contract dated July 4, 2021. If applicable, a pricing summary is included with the Payment schedule in Exhibit B. Motorola has priced the Services, Software, and Equipment as an integrated System. A change in Software or Equipment quantities, or Services, may affect the overall Contract Price, including discounts if applicable. Fees for professional, SUA, and/or subscription services which are not included in the Contract Price may be listed in Exhibit B, the pricing pages of the proposal, or the applicable Addendum.

6.3. INVOICING AND PAYMENT. Motorola will submit invoices to Customer according to the Payment schedule in Exhibit B. Invoices will be mailed or emailed to Customer pursuant to Section 6.5, Invoicing and Shipping Addresses. Except for a payment that is due on the Effective Date, Customer will make payments to Motorola within thirty (30) days after the date of each invoice. Customer will make payments when due in the form of a wire transfer, check, or cashier's check from a U.S. financial institution. Overdue invoices will bear simple interest at the maximum allowable rate. For reference, the Federal Tax Identification Number for Motorola is 36-1115800.

6.4. FREIGHT, TITLE, AND RISK OF LOSS. Motorola will pre-pay and add all freight charges to the invoices. Title and risk of loss to the Equipment will pass to Customer upon shipment. Title to Software will not pass to Customer at any time. Motorola will pack and ship all Equipment in accordance with good commercial practices.

6.5. INVOICING AND SHIPPING ADDRESSES. Invoices will be sent to the Customer at the following address:

Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
Phone: \_\_\_\_\_

E-INVOICE. To receive invoices via email:

Customer Account Number: \_\_\_\_\_  
Customer Accounts Payable Email: \_\_\_\_\_  
Customer CC(optional) Email: \_\_\_\_\_

The address which is the ultimate destination where the Equipment will be delivered to Customer is:

Name: \_\_\_\_\_  
Address: \_\_\_\_\_

The Equipment will be shipped to the Customer at the following address (insert if this information is known):  
Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
Phone: \_\_\_\_\_

Customer may change this information by giving written notice to Motorola.

## **Section 7 SITES AND SITE CONDITIONS**

7.1. ACCESS TO SITES. In addition to its responsibilities described elsewhere in this Agreement, Customer will provide a designated project manager; all necessary construction and building permits, zoning variances, licenses, and any other approvals that are necessary to develop or use the sites and mounting locations; and access to the worksites or vehicles identified in the Technical and Implementation Documents as reasonably requested by Motorola so that it may perform its duties in accordance with the Performance Schedule and Statement of Work. If the Statement of Work so indicates, Motorola may assist Customer in the local building permit process.

7.2. SITE CONDITIONS. Customer will ensure that all work sites it provides will be safe, secure, and in compliance with all applicable industry and OSHA standards. To the extent applicable and unless the Statement of Work states to the contrary, Customer will ensure that these work sites have adequate: physical space; air conditioning and other environmental conditions; adequate and appropriate electrical power outlets, distribution, equipment and connections; and adequate telephone or other communication lines (including modem access and adequate interfacing networking capabilities), all for the installation, use and maintenance of the System. Before installing the Equipment or Software at a work site, Motorola may inspect the work site and advise Customer of any apparent deficiencies or non-conformities with the requirements of this Section. This Agreement is predicated upon normal soil conditions as defined by the version of E.I.A. standard RS-222 in effect on the Effective Date.

7.3. SITE ISSUES. If a Party determines that the sites identified in the Technical and Implementation Documents are no longer available or desired, or if subsurface, structural, adverse environmental or latent conditions at any site differ from those indicated in the Technical and Implementation Documents, the Parties will promptly investigate the conditions and will select replacement sites or adjust the installation plans and specifications as necessary. If change in sites or adjustment to the installation plans and specifications causes a change in the cost or time to perform, the Parties will equitably amend the Contract Price, Performance Schedule, or both, by a change order.

## **Section 8 TRAINING**

Any training to be provided by Motorola to Customer will be described in the applicable Statement of Work. Customer will notify Motorola immediately if a date change for a scheduled training program is required. If Motorola incurs additional costs because Customer reschedules a training program less than thirty (30) days before its scheduled start date, Motorola may recover these additional costs.

## **Section 9 SYSTEM ACCEPTANCE**

9.1. COMMENCEMENT OF ACCEPTANCE TESTING. Motorola will provide to Customer at least ten (10) days notice before the Acceptance Tests commence. System testing will occur only in accordance with the Acceptance Test Plan.

9.2. SYSTEM ACCEPTANCE. System Acceptance will occur upon successful completion of the Acceptance Tests. Upon System Acceptance, the Parties will memorialize this event by promptly executing a System Acceptance Certificate. If the Acceptance Test Plan includes separate tests for individual Subsystems or phases of the System, acceptance of the individual Subsystem or phase will occur upon the successful completion of the Acceptance Tests for the Subsystem or phase, and the Parties will promptly execute an acceptance certificate for the Subsystem or phase. If Customer believes the System has failed the completed Acceptance Tests, Customer will provide to Motorola a written notice that includes the

specific details of the failure. If Customer does not provide to Motorola a failure notice within thirty (30) days after completion of the Acceptance Tests, System Acceptance will be deemed to have occurred as of the completion of the Acceptance Tests. Minor omissions or variances in the System that do not materially impair the operation of the System as a whole will not postpone System Acceptance or Subsystem acceptance, but will be corrected according to a mutually agreed schedule.

9.3. BENEFICIAL USE. Customer acknowledges that Motorola's ability to perform its implementation and testing responsibilities may be impeded if Customer begins using the System before System Acceptance. Therefore, Customer will not commence Beneficial Use before System Acceptance without Motorola's prior written authorization, which will not be unreasonably withheld. Motorola is not responsible for System performance deficiencies that occur during unauthorized Beneficial Use. Upon commencement of Beneficial Use, Customer assumes responsibility for the use and operation of the System.

9.4. FINAL PROJECT ACCEPTANCE. Final Project Acceptance will occur after System Acceptance when all deliverables and other work have been completed. When Final Project Acceptance occurs, the parties will promptly memorialize this final event by so indicating on the System Acceptance Certificate.

## Section 10 REPRESENTATIONS AND WARRANTIES

10.1. SYSTEM FUNCTIONALITY. Motorola represents that the System will perform in accordance with the Specifications in all material respects. Upon System Acceptance or Beneficial Use, whichever occurs first, this System functionality representation is fulfilled. Motorola is not responsible for System performance deficiencies that are caused by ancillary equipment not furnished by Motorola which is attached to or used in connection with the System or for reasons or parties beyond Motorola's control, such as natural causes; the construction of a building that adversely affects the microwave path reliability or radio frequency (RF) coverage; the addition of frequencies at System sites that cause RF interference or intermodulation; or Customer changes to load usage or configuration outside the Specifications.

10.2. EQUIPMENT WARRANTY. During the Warranty Period, Motorola warrants that the Equipment under normal use and service will be free from material defects in materials and workmanship. If System Acceptance is delayed beyond six (6) months after shipment of the Equipment by events or causes beyond Motorola's control, this warranty expires eighteen (18) months after the shipment of the Equipment.

10.3. SOFTWARE WARRANTY. Except as described in the SwSP and unless otherwise stated in the Software License Agreement, during the Warranty Period, Motorola warrants the Software in accordance with the warranty terms set forth in the Software License Agreement and the provisions of this Section that are applicable to the Software. If System Acceptance is delayed beyond six (6) months after shipment of the Motorola Software by events or causes beyond Motorola's control, this warranty expires eighteen (18) months after the shipment of the Motorola Software. **Nothing in this Warranty provision is intended to conflict or modify the Software Support Policy. In the event of an ambiguity or conflict between the Software Warranty and Software Support Policy, the Software Support Policy governs.**

10.4. EXCLUSIONS TO EQUIPMENT AND SOFTWARE WARRANTIES. These warranties do not apply to: (i) defects or damage resulting from: use of the Equipment or Software in other than its normal, customary, and authorized manner; accident, liquids, neglect, or acts of God; testing, maintenance, disassembly, repair, installation, alteration, modification, or adjustment not provided or authorized in writing by Motorola; Customer's failure to comply with all applicable industry and OSHA standards; (ii) breakage of or damage to antennas unless caused directly by defects in material or workmanship; (iii) Equipment that has had the serial number removed or made illegible; (iv) batteries (because they carry their own separate limited warranty) or consumables; (v) freight costs to ship Equipment to the repair depot; (vi) scratches or other cosmetic damage to Equipment surfaces that does not affect the operation of the Equipment; and (vii) normal or customary wear and tear.

10.5. SERVICE WARRANTY. During the Warranty Period, Motorola warrants that the Services will be provided in a good and workmanlike manner and will conform in all material respects to the applicable Statement of Work. Services will be free of defects in materials and workmanship for a period of ninety (90)

days from the date the performance of the Services are completed. Customer acknowledges that the Deliverables may contain recommendations, suggestions or advice from Motorola to Customer (collectively, "recommendations"). Motorola makes no warranties concerning those recommendations, and Customer alone accepts responsibility for choosing whether and how to implement the recommendations and the results to be realized from implementing them.

10.6. **WARRANTY CLAIMS.** To assert a warranty claim, Customer must notify Motorola in writing of the claim before the expiration of the Warranty Period. Upon receipt of this notice, Motorola will investigate the warranty claim. If this investigation confirms a valid Equipment or Software warranty claim, Motorola will (at its option and at no additional charge to Customer) repair the defective Equipment or Motorola Software, replace it with the same or equivalent product, or refund the price of the defective Equipment or Motorola Software. These actions will be the full extent of Motorola's liability for the warranty claim. In the event of a valid Services warranty claim, Customer's sole remedy is to require Motorola to re-perform the non-conforming Service or to refund, on a pro-rata basis, the fees paid for the non-conforming Service. If this investigation indicates the warranty claim is not valid, then Motorola may invoice Customer for responding to the claim on a time and materials basis using Motorola's then current labor rates. Repaired or replaced product is warranted for the balance of the original applicable warranty period. All replaced products or parts will become the property of Motorola.

10.7. **ORIGINAL END USER IS COVERED.** These express limited warranties are extended by Motorola to the original user purchasing the System or Services for commercial, industrial, or governmental use only, and are not assignable or transferable.

10.8. **DISCLAIMER OF OTHER WARRANTIES.** THESE WARRANTIES ARE THE COMPLETE WARRANTIES FOR THE EQUIPMENT AND MOTOROLA SOFTWARE PROVIDED UNDER THIS AGREEMENT AND ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES. MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE.

## **Section 11 DELAYS**

11.1. **FORCE MAJEURE.** Neither Party will be liable for its non-performance or delayed performance if caused by a Force Majeure. A Party that becomes aware of a Force Majeure that will significantly delay performance will notify the other Party promptly (but in no event later than fifteen days) after it discovers the Force Majeure. If a Force Majeure occurs, the Parties will execute a change order to extend the Performance Schedule or applicable Addenda for a time period that is reasonable under the circumstances.

11.2. **PERFORMANCE SCHEDULE DELAYS CAUSED BY CUSTOMER.** If Customer (including its other contractors) delays the Performance Schedule, it will make the promised payments according to the Payment schedule as if no delay occurred; and the Parties will execute a change order to extend the Performance Schedule and, if requested, compensate Motorola for all reasonable charges incurred because of the delay. Delay charges may include costs incurred by Motorola or its subcontractors for additional freight, warehousing and handling of Equipment; extension of the warranties; travel; suspending and re-mobilizing the work; additional engineering, project management, and standby time calculated at then current rates; and preparing and implementing an alternative implementation plan.

## **Section 12 DISPUTES**

The Parties will use the following procedure to address any dispute arising under this Agreement (a "Dispute").

12.1. **GOVERNING LAW.** This Agreement will be governed by and construed in accordance with the laws of the State in which the System is installed.

12.2. **NEGOTIATION.** Either Party may initiate the Dispute resolution procedures by sending a notice of

Dispute (“Notice of Dispute”). The Parties will attempt to resolve the Dispute promptly through good faith negotiations including 1) timely escalation of the Dispute to executives who have authority to settle the Dispute and who are at a higher level of management than the persons with direct responsibility for the matter and 2) direct communication between the executives. If the Dispute has not been resolved within ten (10) days from the Notice of Dispute, the Parties will proceed to mediation.

12.3. **MEDIATION.** The Parties will choose an independent mediator within thirty (30) days of a notice to mediate from either Party (“Notice of Mediation”). Neither Party may unreasonably withhold consent to the selection of a mediator. If the Parties are unable to agree upon a mediator, either Party may request that American Arbitration Association nominate a mediator. Each Party will bear its own costs of mediation, but the Parties will share the cost of the mediator equally. Each Party will participate in the mediation in good faith and will be represented at the mediation by a business executive with authority to settle the Dispute.

12.4. **LITIGATION, VENUE and JURISDICTION.** If a Dispute remains unresolved for sixty (60) days after receipt of the Notice of Mediation, either Party may then submit the Dispute to a court of competent jurisdiction in the state in which the System is installed. Each Party irrevocably agrees to submit to the exclusive jurisdiction of the courts in such state over any claim or matter arising under or in connection with this Agreement.

12.5. **CONFIDENTIALITY.** All communications pursuant to subsections 12.2 and 12.3 will be treated as compromise and settlement negotiations for purposes of applicable rules of evidence and any additional confidentiality protections provided by applicable law. The use of these Dispute resolution procedures will not be construed under the doctrines of laches, waiver or estoppel to affect adversely the rights of either Party.

## **Section 13      DEFAULT AND TERMINATION**

13.1. **DEFAULT BY A PARTY.** If either Party fails to perform a material obligation under this Agreement, the other Party may consider the non-performing Party to be in default (unless a Force Majeure causes the failure) and may assert a default claim by giving the non-performing Party a written and detailed notice of default. Except for a default by Customer for failing to pay any amount when due under this Agreement which must be cured immediately, the defaulting Party will have thirty (30) days after receipt of the notice of default to either cure the default or, if the default is not curable within thirty (30) days, provide a written cure plan. The defaulting Party will begin implementing the cure plan immediately after receipt of notice by the other Party that it approves the plan. If Customer is the defaulting Party, Motorola may stop work on the project until it approves the Customer’s cure plan.

13.2. **FAILURE TO CURE.** If a defaulting Party fails to cure the default as provided above in Section 13.1, unless otherwise agreed in writing, the non-defaulting Party may terminate any unfulfilled portion of this Agreement. In the event of termination for default, the defaulting Party will promptly return to the non-defaulting Party any of its Confidential Information. If Customer is the non-defaulting Party, terminates this Agreement as permitted by this Section, and completes the System through a third Party, Customer may as its exclusive remedy recover from Motorola reasonable costs incurred to complete the System to a capability not exceeding that specified in this Agreement less the unpaid portion of the Contract Price. Customer will mitigate damages and provide Motorola with detailed invoices substantiating the charges. In the event Customer elects to terminate this Agreement for any reason other than default, Customer shall pay Motorola for the conforming Equipment and/or Software delivered and all services performed.

## **Section 14      INDEMNIFICATION**

14.1. **GENERAL INDEMNITY BY Motorola.** Motorola will indemnify and hold Customer harmless from any and all liability, expense, judgment, suit, or cause of action arising from any third party claim or demand for personal injury, death, or direct damage to tangible property which may accrue against Customer to the extent it is caused by the negligence of Motorola, its subcontractors, or their employees or agents, while performing their duties under this Agreement, if Customer gives Motorola prompt, written notice of any third-

party claim or suit. Customer will cooperate with Motorola in its defense or settlement of such claim or suit. This Section sets forth the full extent of Motorola's general indemnification of Customer from liabilities that are in any way related to Motorola's performance under this Agreement.

14.2. GENERAL INDEMNITY BY CUSTOMER. Customer will indemnify and hold Motorola harmless from any and all liability, expense, judgment, suit, or cause of action arising from any third party claim or demand for personal injury, death, or direct damage to tangible property which may accrue against Motorola to the extent it is caused by the negligence of Customer, its other contractors, or their employees or agents, while performing their duties under this Agreement, if Motorola gives Customer prompt, written notice of any third-party claim or suit. Motorola will cooperate with Customer in its defense or settlement of such claim or suit. This Section sets forth the full extent of Customer's general indemnification of Motorola from liabilities that are in any way related to Customer's performance under this Agreement.

#### 14.3. PATENT AND COPYRIGHT INFRINGEMENT.

14.3.1. Motorola will defend at its expense any suit brought against Customer to the extent it is based on a third-party claim alleging that the Equipment manufactured by Motorola or the Motorola Software ("Motorola Product") directly infringes a United States patent or copyright ("Infringement Claim"). Motorola's duties to defend and indemnify are conditioned upon: Customer promptly notifying Motorola in writing of the Infringement Claim; Motorola having sole control of the defense of the suit and all negotiations for its settlement or compromise; and Customer providing to Motorola cooperation and, if requested by Motorola, reasonable assistance in the defense of the Infringement Claim. In addition to Motorola's obligation to defend, and subject to the same conditions, Motorola will pay all damages finally awarded against Customer by a court of competent jurisdiction for an Infringement Claim or agreed to, in writing, by Motorola in settlement of an Infringement Claim.

14.3.2. If an Infringement Claim occurs, or in Motorola's opinion is likely to occur, Motorola may at its option and expense: (a) procure for Customer the right to continue using the Motorola Product; (b) replace or modify the Motorola Product so that it becomes non-infringing while providing functionally equivalent performance; or (c) accept the return of the Motorola Product and grant Customer a credit for the Motorola Product, less a reasonable charge for depreciation. The depreciation amount will be calculated based upon generally accepted accounting standards.

14.3.3. Motorola will have no duty to defend or indemnify for any Infringement Claim that is based upon: (a) the combination of the Motorola Product with any software, apparatus or device not furnished by Motorola; (b) the use of ancillary equipment or software not furnished by Motorola and that is attached to or used in connection with the Motorola Product; (c) Motorola Product designed or manufactured in accordance with Customer's designs, specifications, guidelines or instructions, if the alleged infringement would not have occurred without such designs, specifications, guidelines or instructions; (d) a modification of the Motorola Product by a party other than Motorola; (e) use of the Motorola Product in a manner for which the Motorola Product was not designed or that is inconsistent with the terms of this Agreement; or (f) the failure by Customer to install an enhancement release to the Motorola Software that is intended to correct the claimed infringement. In no event will Motorola's liability resulting from its indemnity obligation to Customer extend in any way to royalties payable on a per use basis or the Customer's revenues, or any royalty basis other than a reasonable royalty based upon revenue derived by Motorola from Customer from sales or license of the infringing Motorola Product.

14.3.4. This Section 14 provides Customer's sole and exclusive remedies and Motorola's entire liability in the event of an Infringement Claim. Customer has no right to recover and Motorola has no obligation to provide any other or further remedies, whether under another provision of this Agreement or any other legal theory or principle, in connection with an Infringement Claim. In addition, the rights and remedies provided in this Section 14 are subject to and limited by the restrictions set forth in Section 15.

## **Section 15      LIMITATION OF LIABILITY**

Except for personal injury or death, Motorola's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, indemnification, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the price of the Equipment, Software, or implementation and other one-time Services with respect to which losses or damages are claimed. With respect to all subscription or other ongoing Services and unless as otherwise provided under the applicable Addenda, Motorola's total liability will be limited to the direct damages recoverable under law, but not to exceed the price of twelve (12) months of Services preceding the incident giving rise to the claim. ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT MOTOROLA WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS, INCONVENIENCE, LOSS OF USE, LOSS TIME, DATA, GOODWILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE EQUIPMENT OR SOFTWARE, OR THE PERFORMANCE OF SERVICES BY MOTOROLA PURSUANT TO THIS AGREEMENT. This limitation of liability provision survives the expiration or termination of the Agreement and applies notwithstanding any contrary provision. No action for contract breach or otherwise relating to the transactions contemplated by this Agreement may be brought more than one (1) year after the accrual of the cause of action, except for money due upon an open account.

## **Section 16      CONFIDENTIALITY AND PROPRIETARY RIGHTS**

### **16.1.      CONFIDENTIAL INFORMATION.**

16.1.1. Each party is a disclosing party ("Discloser") and a receiving party ("Recipient") under this Agreement. All Deliverables will be deemed to be Motorola's Confidential Information. During the term of this Agreement and for a period of three (3) years from the expiration or termination of this Agreement, Recipient will (i) not disclose Confidential Information to any third party; (ii) restrict disclosure of Confidential Information to only those employees (including, but not limited to, employees of any wholly owned subsidiary, a parent company, any other wholly owned subsidiaries of the same parent company), agents or consultants who must be directly involved with the Confidential Information for the purpose and who are bound by confidentiality terms substantially similar to those in this Agreement; (iii) not copy, reproduce, reverse engineer, decompile, or disassemble any Confidential Information; (iv) use the same degree of care as for its own information of like importance, but at least use reasonable care, in safeguarding against disclosure of Confidential Information; (v) promptly notify Discloser upon discovery of any unauthorized use or disclosure of the Confidential Information and take reasonable steps to regain possession of the Confidential Information and prevent further unauthorized actions or other breach of this Agreement; and (vi) only use the Confidential Information as needed to fulfill this Agreement.

16.1.2. Recipient is not obligated to maintain as confidential, Confidential Information that Recipient can demonstrate by documentation (i) is now available or becomes available to the public without breach of this agreement; (ii) is explicitly approved for release by written authorization of Discloser; (iii) is lawfully obtained from a third party or parties without a duty of confidentiality; (iv) is known to the Recipient prior to such disclosure; or (v) is independently developed by Recipient without the use of any of Discloser's Confidential Information or any breach of this Agreement. Additionally, the Recipient may disclose Confidential Information to the extent required by a judicial or legislative order or proceeding, or by any applicable federal or state open records act or freedom of information act requirements provided that it gives the Discloser prompt prior notice of the intended disclosure and an opportunity to respond or object to the disclosure, if permissible.

16.1.3. All Confidential Information remains the property of the Discloser and will not be copied or reproduced without the express written permission of the Discloser, except for copies that are absolutely necessary in order to fulfill this Agreement. Within ten (10) days of receipt of Discloser's written request, Recipient will return all Confidential Information to Discloser along with all copies and portions thereof, or certify in writing that all such Confidential Information has been destroyed. However, Recipient may retain one (1) archival copy of the Confidential Information that it may use only in case of a dispute concerning

this Agreement. No license, express or implied, in the Confidential Information is granted other than to use the Confidential Information in the manner and to the extent authorized by this Agreement. The Discloser warrants that it is authorized to disclose any Confidential Information it discloses pursuant to this Agreement.

16.2. **PRESERVATION OF MOTOROLA'S PROPRIETARY RIGHTS.** Motorola, the third party manufacturer of any Equipment, and the copyright owner of any Non-Motorola Software own and retain all of their respective Proprietary Rights in the Equipment and Software, and nothing in this Agreement is intended to restrict their Proprietary Rights. All intellectual property developed, originated, or prepared by Motorola in connection with providing to Customer the Equipment, Software, or related services remain vested exclusively in Motorola, and this Agreement does not grant to Customer any shared development rights of intellectual property. Except as explicitly provided in the Software License Agreement, Motorola does not grant to Customer, either directly or by implication, estoppel, or otherwise, any right, title or interest in Motorola's Proprietary Rights. Customer will not modify, disassemble, peel components, decompile, otherwise reverse engineer or attempt to reverse engineer, derive source code or create derivative works from, adapt, translate, merge with other software, reproduce, distribute, sublicense, sell or export the Software, or permit or encourage any third party to do so. The preceding sentence does not apply to Open Source Software which is governed by the standard license of the copyright owner.

16.3 **VOLUNTARY DISCLOSURE.** Except as required to fulfill its obligations under this Agreement, Motorola will have no obligation to provide Customer with access to its Confidential Information and/or proprietary information. Under no circumstances will Motorola be required to provide any data related to cost and pricing.

#### 16.4 DATA AND FEEDBACK.

16.4.1 To the extent permitted by law, Customer owns all right, title and interest in System Data created solely by it or its agents (hereafter, "Customer Data"), and grants to Motorola the right to use, host, cache, store, reproduce, copy, modify, combine, analyze, create derivatives from, communicate, transmit, publish, display, and distribute such Customer Data.

16.4.2 Motorola owns all right, title and interest in data resulting from System Data that is or has been transformed, altered, processed, aggregated, correlated or operated on (hereafter, "Derivative Data").

16.4.3 Any Feedback given by Customer is and will be entirely voluntary and, even if designated as confidential, will not create any confidentiality obligation for Motorola. Motorola will be free to use, reproduce, license or otherwise distribute and exploit the Feedback without any obligation to Customer. Customer acknowledges that Motorola's receipt of the Feedback does not imply or create recognition by Motorola of either the novelty or originality of any idea. The parties further agree that all fixes, modifications and improvements made to Motorola products or services conceived of or made by Motorola that are based, either in whole or in part, on the Feedback are the exclusive property of Motorola and all right, title and interest in and to such fixes, modifications or improvements to the Motorola product or service will vest solely in Motorola.

### **Section 17 GENERAL**

17.1. **TAXES.** The Contract Price does not include any excise, sales, lease, use, property, or other taxes, assessments or duties, all of which will be paid by Customer except as exempt by law. If Motorola is required to pay any of these taxes, Motorola will send an invoice to Customer and Customer will pay to Motorola the amount of the taxes (including any interest and penalties) within thirty (30) days after the date of the invoice. Customer will be solely responsible for reporting the Equipment for personal property tax purposes, and Motorola will be solely responsible for reporting taxes on its income or net worth.

17.2. **ASSIGNABILITY AND SUBCONTRACTING.** Except as provided herein, neither Party may assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other Party, which consent will not be unreasonably withheld. Any attempted assignment, delegation, or transfer

without the necessary consent will be void. Notwithstanding the foregoing, Motorola may assign this Agreement to any of its affiliates or its right to receive payment without the prior consent of Customer. In addition, in the event Motorola separates one or more of its businesses (each a "Separated Business"), whether by way of a sale, establishment of a joint venture, spin-off or otherwise (each a "Separation Event"), Motorola may, without the prior written consent of the other Party and at no additional cost to Motorola, assign this Agreement such that it will continue to benefit the Separated Business and its affiliates (and Motorola and its affiliates, to the extent applicable) following the Separation Event. Motorola may subcontract any of the work, but subcontracting will not relieve Motorola of its duties under this Agreement.

17.3. **WAIVER.** Failure or delay by either Party to exercise a right or power under this Agreement will not be a waiver of the right or power. For a waiver of a right or power to be effective, it must be in a writing signed by the waiving Party. An effective waiver of a right or power will not be construed as either a future or continuing waiver of that same right or power, or the waiver of any other right or power.

17.4. **SEVERABILITY.** If a court of competent jurisdiction renders any part of this Agreement invalid or unenforceable, that part will be severed and the remainder of this Agreement will continue in full force and effect.

17.5. **INDEPENDENT CONTRACTORS.** Each Party will perform its duties under this Agreement as an independent contractor. The Parties and their personnel will not be considered to be employees or agents of the other Party. Nothing in this Agreement will be interpreted as granting either Party the right or authority to make commitments of any kind for the other. This Agreement will not constitute, create, or be interpreted as a joint venture, partnership or formal business organization of any kind.

17.6. **HEADINGS AND SECTION REFERENCES.** The section headings in this Agreement are inserted only for convenience and are not to be construed as part of this Agreement or as a limitation of the scope of the particular section to which the heading refers. This Agreement will be fairly interpreted in accordance with its terms and conditions and not for or against either Party.

17.7. **NOTICES.** Notices required under this Agreement to be given by one Party to the other must be in writing and either personally delivered or sent to the address provided by the other Party by certified mail, return receipt requested and postage prepaid (or by a recognized courier service, such as Federal Express, UPS, or DHL), or by facsimile with correct answerback received, and will be effective upon receipt.

17.8. **COMPLIANCE WITH APPLICABLE LAWS.** Each Party will comply with all applicable federal, state, and local laws, regulations and rules concerning the performance of this Agreement or use of the System. Customer will obtain and comply with all Federal Communications Commission ("FCC") licenses and authorizations required for the installation, operation and use of the System before the scheduled installation of the Equipment. Although Motorola might assist Customer in the preparation of its FCC license applications, neither Motorola nor any of its employees is an agent or representative of Customer in FCC or other matters.

17.9 **FUTURE REGULATORY REQUIREMENTS.** The Parties acknowledge and agree that this is an evolving technological area and therefore, laws and regulations regarding Services and use of Solution may change. Changes to existing Services or the Solution required to achieve regulatory compliance may be available for an additional fee. Any required changes may also impact the price for Services.

17.10. **AUTHORITY TO EXECUTE AGREEMENT.** Each Party represents that it has obtained all necessary approvals, consents and authorizations to enter into this Agreement and to perform its duties under this Agreement; the person executing this Agreement on its behalf has the authority to do so; upon execution and delivery of this Agreement by the Parties, it is a valid and binding contract, enforceable in accordance with its terms; and the execution, delivery, and performance of this Agreement does not violate any bylaw, charter, regulation, law or any other governing authority of the Party.

17.11. **ADMINISTRATOR LEVEL ACCOUNT ACCESS.** If applicable to the type of System purchased by Customer, Motorola will provide Customer with Administrative User Credentials. Customer agrees to only

grant access to the Administrative User Credentials to those personnel with the training and experience to correctly use them. Customer is responsible for protecting Administrative User Credentials from disclosure and maintaining Credential validity by, among other things, updating passwords when required. Customer may be asked to provide valid Administrative User Credentials when in contact with Motorola System support personnel. Customer understands that changes made as the Administrative User can significantly impact the performance of the System. Customer agrees that it will be solely responsible for any negative impact on the System or its users by any such changes. System issues occurring as a result of changes made using the Administrative User Credentials may impact Motorola's ability to perform Services or other obligations under the Agreement. In such cases, a revision to the appropriate provisions of the Agreement, including the Statement of Work, may be necessary. To the extent Motorola provides assistance to correct any issues caused by or arising out of the use of or failure to maintain Administrative User Credentials, Motorola will be entitled to bill Customer and Customer will pay Motorola on a time and materials basis for resolving the issue.

17.12. SURVIVAL OF TERMS. The following provisions will survive the expiration or termination of this Agreement for any reason: Section 3.5 (Motorola Software); Section 3.6 (Non-Motorola Software); if any payment obligations exist, Sections 6.2 and 6.3 (Contract Price and Invoicing and Payment); Subsection 10.8 (Disclaimer of Implied Warranties); Section 12 (Disputes); Section 15 (Limitation of Liability); and Section 16 (Confidentiality and Proprietary Rights); and all of the General provisions in Section 17.

17.13. ENTIRE AGREEMENT. This Agreement, including all Exhibits, constitutes the entire agreement of the Parties regarding the subject matter of the Agreement and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter. This Agreement may be executed in multiple counterparts, and shall have the same legal force and effect as if the Parties had executed it as a single document. The Parties may sign in writing, or by electronic signature, including by email. An electronic signature, or a facsimile copy or computer image, such as a PDF or tiff image, of a signature, shall be treated as and shall have the same effect as an original signature. In addition, an electronic signature, a true and correct facsimile copy or computer image of this Agreement shall be treated as and shall have the same effect as an original signed copy of this document. This Agreement may be amended or modified only by a written instrument signed by authorized representatives of both Parties. The preprinted terms and conditions found on any Customer purchase or purchase order, acknowledgment or other form will not be considered an amendment or modification of this Agreement, even if a representative of each Party signs that document.

The Parties hereby enter into this Agreement as of the Effective Date.

**Exhibit A**  
**MOTOROLA SOFTWARE LICENSE AGREEMENT**

This Exhibit A Motorola Software License Agreement ("Agreement") is between Motorola Solutions, Inc., ("Motorola"), and City of Billings (Montana) ("Licensee").

For good and valuable consideration, the parties agree as follows:

**Section 1      DEFINITIONS**

1.1      "Designated Products" means products provided by Motorola to Licensee with which or for which the Software and Documentation is licensed for use.

1.2      "Documentation" means product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which such information is provided).

1.3      "Open Source Software" means software with either freely obtainable source code, license for modification, or permission for free distribution.

1.4      "Open Source Software License" means the terms or conditions under which the Open Source Software is licensed.

1.5      "Primary Agreement" means the agreement to which this exhibit is attached.

1.6      "Security Vulnerability" means a flaw or weakness in system security procedures, design, implementation, or internal controls that could be exercised (accidentally triggered or intentionally exploited) and result in a security breach such that data is compromised, manipulated or stolen or the system damaged.

1.7      "Software" (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by Motorola; and (iii) may contain one or more items of software owned by a third party supplier. The term "Software" does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

**Section 2      SCOPE**

Motorola and Licensee enter into this Agreement in connection with Motorola's delivery of certain proprietary software or products containing embedded or pre-loaded proprietary software, or both. This Agreement contains the terms and conditions of the license Motorola is providing to Licensee, and Licensee's use of the proprietary software and affiliated documentation.

**Section 3      GRANT OF LICENSE**

3.1.      Subject to the provisions of this Agreement and the payment of applicable license fees, Motorola grants to Licensee a personal, limited, non-transferable (except as permitted in Section 7) and non-exclusive license under Motorola's copyrights and Confidential Information (as defined in the Primary Agreement) embodied in the Software to use the Software, in object code form, and the Documentation solely in connection with Licensee's use of the Designated Products. This Agreement does not grant any rights to source code.

3.2.      If the Software licensed under this Agreement contains or is derived from Open Source Software, the terms and conditions governing the use of such Open Source Software are in the Open Source Software Licenses of the copyright owner and not this Agreement. If there is a conflict between the terms and

conditions of this Agreement and the terms and conditions of the Open Source Software Licenses governing Licensee's use of the Open Source Software, the terms and conditions of the license grant of the applicable Open Source Software Licenses will take precedence over the license grants in this Agreement. If requested by Licensee, Motorola will use commercially reasonable efforts to: (i) determine whether any Open Source Software is provided under this Agreement; and (ii) identify the Open Source Software (or specify where that license may be found).

3.3 TO THE EXTENT, IF ANY, THAT THERE IS A SEPARATE LICENSE AGREEMENT PACKAGED WITH, OR PROVIDED ELECTRONICALLY WITH, A PARTICULAR PRODUCT THAT BECOMES EFFECTIVE ON AN ACT OF ACCEPTANCE BY THE END USER, THEN THAT AGREEMENT SUPERSEDES THE SOFTWARE LICENSE AGREEMENT AS TO THE END USER OF EACH SUCH PRODUCT.

#### **Section 4 LIMITATIONS ON USE**

4.1. Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation. Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Licensee will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

4.2. Licensee will not, and will not allow or enable any third party to: (i) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (ii) modify, adapt, create derivative works of, or merge the Software; (iii) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (iv) remove, or in any way alter or obscure, any copyright notice or other notice of Motorola's proprietary rights; (v) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by this Agreement; or (vi) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software. Licensee may make one copy of Software to be used solely for archival, back-up, or disaster recovery purposes; *provided* that Licensee may not operate that copy of the Software at the same time as the original Software is being operated. Licensee may make as many copies of the Documentation as it may reasonably require for the internal use of the Software.

4.3. Unless otherwise authorized by Motorola in writing, Licensee will not, and will not enable or allow any third party to: (i) install a licensed copy of the Software on more than one unit of a Designated Product; or (ii) copy onto or transfer Software installed in one unit of a Designated Product onto one other device. Licensee may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Licensee provides written notice to Motorola of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Licensee must provide prompt written notice to Motorola at the time temporary transfer is discontinued.

4.4 Licensee will maintain, during the term of this Agreement and for a period of two years thereafter, accurate records relating to this license grant to verify compliance with this Agreement. Motorola or an independent third party ("Auditor") may inspect Licensee's premises, books and records, upon reasonable prior notice to Licensee, during Licensee's normal business hours and subject to Licensee's facility and security regulations. Motorola is responsible for the payment of all expenses and costs of the Auditor. Any information obtained by Motorola and the Auditor will be kept in strict confidence by Motorola and the Auditor and used solely for the purpose of verifying Licensee's compliance with the terms of this Agreement.

## **Section 5 OWNERSHIP AND TITLE**

Motorola, its licensors, and its suppliers retain all of their proprietary rights in any form in and to the Software and Documentation, including, but not limited to, all rights in patents, patent applications, inventions, copyrights, trademarks, trade secrets, trade names, and other proprietary rights in or relating to the Software and Documentation (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, emulations to or derivative works from the Software or Documentation, whether made by Motorola or another party, or any improvements that result from Motorola's processes or, provision of information services). No rights are granted to Licensee under this Agreement by implication, estoppel or otherwise, except for those rights which are expressly granted to Licensee in this Agreement. All intellectual property developed, originated, or prepared by Motorola in connection with providing the Software, Designated Products, Documentation or related services, remains vested exclusively in Motorola, and Licensee will not have any shared development or other intellectual property rights.

## **Section 6 LIMITED WARRANTY; DISCLAIMER OF WARRANTY**

6.1. Unless otherwise stated in the Primary Agreement, the commencement date and the term of the Software warranty will be a period of ninety (90) days from Motorola's shipment of the Software (the "Warranty Period"). If Licensee is not in breach of any of its obligations under this Agreement, Motorola warrants that the unmodified Software, when used properly and in accordance with the Documentation and this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined by Motorola solely with reference to the Documentation. Motorola does not warrant that Licensee's use of the Software or the Designated Products will be uninterrupted, error-free, completely free of Security Vulnerabilities, or that the Software or the Designated Products will meet Licensee's particular requirements. Motorola makes no representations or warranties with respect to any third party software included in the Software. Notwithstanding, any warranty provided by a copyright owner in its standard license terms will flow through to Licensee for third party software provided by Motorola.

6.2 Motorola's sole obligation to Licensee and Licensee's exclusive remedy under this warranty is to use reasonable efforts to remedy any material Software defect covered by this warranty. These efforts will involve either replacing the media or attempting to correct significant, demonstrable program or documentation errors or Security Vulnerabilities. If Motorola cannot correct the defect within a reasonable time, then at Motorola's option, Motorola will replace the defective Software with functionally-equivalent Software, license to Licensee substitute Software which will accomplish the same objective, or terminate the license and refund the Licensee's paid license fee.

6.3. Warranty claims are described in the Primary Agreement.

6.4. The express warranties set forth in this Section 6 are in lieu of, and Motorola disclaims, any and all other warranties (express or implied, oral or written) with respect to the Software or Documentation, including, without limitation, any and all implied warranties of condition, title, non-infringement, merchantability, or fitness for a particular purpose or use by Licensee (whether or not Motorola knows, has reason to know, has been advised, or is otherwise aware of any such purpose or use), whether arising by law, by reason of custom or usage of trade, or by course of dealing. In addition, Motorola disclaims any warranty to any person other than Licensee with respect to the Software or Documentation.

## **Section 7 TRANSFERS**

Licensee will not transfer the Software or Documentation to any third party without Motorola's prior written consent. Motorola's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement. If the Designated Products are Motorola's radio products and Licensee transfers ownership of the Motorola radio products to a third party, Licensee may assign its right to use the Software (other than CPS and Motorola's FLASHport® software) which is embedded in or furnished for use with the radio products and the related Documentation;

*provided* that Licensee transfers all copies of the Software and Documentation to the transferee, and Licensee and the transferee sign a transfer form to be provided by Motorola upon request, obligating the transferee to be bound by this Agreement.

## **Section 8      TERM AND TERMINATION**

8.1      Licensee's right to use the Software and Documentation will begin when the Primary Agreement is signed by both parties and will continue for the life of the Designated Products with which or for which the Software and Documentation have been provided by Motorola, unless Licensee breaches this Agreement, in which case this Agreement and Licensee's right to use the Software and Documentation may be terminated immediately upon notice by Motorola.

8.2      Within thirty (30) days after termination of this Agreement, Licensee must certify in writing to Motorola that all copies of the Software have been removed or deleted from the Designated Products and that all copies of the Software and Documentation have been returned to Motorola or destroyed by Licensee and are no longer in use by Licensee.

8.3      Licensee acknowledges that Motorola made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation and that Licensee's breach of this Agreement will result in irreparable harm to Motorola for which monetary damages would be inadequate. If Licensee breaches this Agreement, Motorola may terminate this Agreement and be entitled to all available remedies at law or in equity (including immediate injunctive relief and repossession of all non-embedded Software and associated Documentation unless Licensee is a Federal agency of the United States Government).

## **Section 9      Commercial Computer Software**

9.1 *This Section 9 only applies to U.S. Government end users.* The Software, Documentation and updates are commercial items as that term is defined at 48 C.F.R. Part 2.101, consisting of "commercial computer software" and "computer software documentation" as such terms are defined in 48 C.F.R. Part 252.227-7014(a)(1) and 48 C.F.R. Part 252.227-7014(a)(5), and used in 48 C.F.R. Part 12.212 and 48 C.F.R. Part 227.7202, as applicable. Consistent with 48 C.F.R. Part 12.212, 48 C.F.R. Part 252.227-7015, 48 C.F.R. Part 227.7202-1 through 227.7202-4, 48 C.F.R. Part 52.227-19, and other relevant sections of the Code of Federal Regulations, as applicable, the Software, Documentation and Updates are distributed and licensed to U.S. Government end users: (i) only as commercial items, and (ii) with only those rights as are granted to all other end users pursuant to the terms and conditions contained herein.

9.2      If Licensee is licensing Software for end use by the United States Government or a United States Government agency, Licensee may transfer such Software license, but only if: (i) Licensee transfers all copies of such Software and Documentation to such United States Government entity or interim transferee, and (ii) Licensee has first obtained from the transferee (if applicable) and ultimate end user an enforceable end user license agreement containing restrictions substantially identical to the ones contained in this Agreement. Except as stated in the foregoing, Licensee and any transferee(s) authorized by this subsection 9.2 may not otherwise use or transfer or make available any Motorola software to any third party nor permit any party to do so.

## **Section 10     CONFIDENTIALITY**

Licensee acknowledges that the Software and Documentation contain Motorola's valuable proprietary and Confidential Information and are Motorola's trade secrets, and that the provisions in the Primary Agreement concerning Confidential Information apply.

## **Section 11     LIMITATION OF LIABILITY**

The Limitation of Liability provision is described in the Primary Agreement.

## **Section 12    NOTICES**

Notices are described in the Primary Agreement.

## **Section 13    GENERAL**

13.1.    **COPYRIGHT NOTICES.** The existence of a copyright notice on the Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

13.2.    **COMPLIANCE WITH LAWS.** Licensee acknowledges that the Software is subject to the laws and regulations of the United States and Licensee will comply with all applicable laws and regulations, including export laws and regulations of the United States. Licensee will not, without the prior authorization of Motorola and the appropriate governmental authority of the United States, in any form export or re-export, sell or resell, ship or reship, or divert, through direct or indirect means, any item or technical data or direct or indirect products sold or otherwise furnished to any person within any territory for which the United States Government or any of its agencies at the time of the action, requires an export license or other governmental approval. Violation of this provision is a material breach of this Agreement.

13.3 **FUTURE REGULATORY REQUIREMENTS.** The Parties acknowledge and agree that this is an evolving technological area and therefore, laws and regulations regarding Services and use of Solution may change. Changes to existing Services or the Solution required to achieve regulatory compliance may be available for an additional fee. Any required changes may also impact the price for Services.

13.4.    **ASSIGNMENTS AND SUBCONTRACTING.** Motorola may assign its rights or subcontract its obligations under this Agreement, or encumber or sell its rights in any Software, without prior notice to or consent of Licensee.

13.5.    **GOVERNING LAW.** This Agreement is governed by the laws of the United States to the extent that they apply and otherwise by the internal substantive laws of the State to which the Software is shipped if Licensee is a sovereign government entity, or the internal substantive laws of the State of Illinois if Licensee is not a sovereign government entity. The terms of the U.N. Convention on Contracts for the International Sale of Goods do not apply. In the event that the Uniform Computer Information Transaction Act, any version of this Act, or a substantially similar law (collectively "UCITA") becomes applicable to a party's performance under this Agreement, UCITA does not govern any aspect of this Agreement or any license granted under this Agreement, or any of the parties' rights or obligations under this Agreement. The governing law will be that in effect prior to the applicability of UCITA.

13.6.    **THIRD PARTY BENEFICIARIES.** This Agreement is entered into solely for the benefit of Motorola and Licensee. No third party has the right to make any claim or assert any right under this Agreement, and no third party is deemed a beneficiary of this Agreement. Notwithstanding the foregoing, any licensor or supplier of third party software included in the Software will be a direct and intended third party beneficiary of this Agreement.

13.7.    **SURVIVAL.** Sections 4, 5, 6.4, 7, 8, 9, 10, 11 and 13 survive the termination of this Agreement.

13.8.    **ORDER OF PRECEDENCE.** In the event of inconsistencies between this Exhibit and the Primary Agreement, the parties agree that this Exhibit prevails, only with respect to the specific subject matter of this Exhibit, and not the Primary Agreement or any other exhibit as it applies to any other subject matter.

13.9.    **SECURITY.** Motorola uses reasonable means in the design and writing of its own Software and the acquisition of third party Software to limit Security Vulnerabilities. While no software can be guaranteed to be free from Security Vulnerabilities, if a Security Vulnerability is discovered, Motorola will take the steps set forth in Section 6 of this Agreement.

**Exhibit B  
PAYMENT**

Except for a payment that is due on the Effective Date, Customer will make payments to Motorola within thirty (30) days after the date of each invoice. Customer will make payments when due in the form of a check, cashier's check, or wire transfer drawn on a U.S. financial institution. If Customer has purchased additional Professional or Subscription services, payment will be in accordance with the applicable addenda. Payment for the System purchase will be in accordance with the following milestones.

**System Purchase (excluding Subscribers, if applicable)**

1. **25% of the Contract Price due upon contract execution (due upon effective date);**
2. **60% of the Contract Price due upon shipment of equipment from Staging;**
3. **10% of the Contract Price due upon installation of equipment; and**
4. **5% of the Contract Price due upon Final Acceptance.**

**If Subscribers are purchased, 100% of the Subscriber Contract Price will be invoiced upon shipment (as shipped).**

Motorola shall make partial shipments of equipment and will request payment upon shipment of such equipment. In addition, Motorola shall invoice for installations completed on a site-by-site basis or when professional services are completed, when applicable. The value of the equipment shipped/services performed will be determined by the value shipped/services performed as a percentage of the total milestone value. Unless otherwise specified, contract discounts are based upon all items proposed and overall system package. For invoicing purposes only, discounts will be applied proportionately to the FNE and Subscriber equipment values to total contract price. Overdue invoices will bear simple interest at the maximum allowable rate by state law.

**For Lifecycle Support Plan and Subscription Based Services:  
Motorola will invoice Customer annually in advance of each year of the plan.**

The chart below outlines the hourly labor rates for Motorola System Integration resources to be used. The staffing requirements shall be multiplied by the appropriate rate per resource in the table below. The hourly labor rates are fully burdened. The hourly rates per resource type and level are listed in Table 1.

|               | <b>Resource Types</b>     |                           |                            |                               |

*Table 1 - Hourly Rates*

These rates apply to ordinary days and times (Monday to Friday during the hours 8am to 5pm). Additional surcharges may apply to work done outside these timeframes. The minimum charge for any resource will be 4 hours. Travel expenses are not included in these rates and may be charged separately. The qualifications of each type and level of resource are defined in the tables found at <https://www.motorolasolutions.com/content/dam/msi/secure/services/labor-rates-exhibit-160408.pdf>. All Motorola System Integration personnel assigned to this project will be classified according these levels. Project Administrative roles are varied and their specific duties and qualifications will be determined by the complexity and requirements of each project.

## **MAINTENANCE, SUPPORT AND LIFECYCLE MANAGEMENT ADDENDUM**

This Addendum to the Communications System and Services Agreement or other previously executed Agreement currently in force, as applicable ("Primary Agreement") provides additional or different terms and conditions to govern the sale of Maintenance, Support and Lifecycle Management services. The terms in this Addendum are integral to and incorporated into the Primary Agreement signed by the Parties.

### **1. DEFINITIONS**

All capitalized terms not otherwise defined herein shall have the same meaning as defined in the Primary Agreement.

"MUA" means Microwave Upgrade Agreement (MUA).

"NUA" means Network Upgrade Agreement (NUA).

"SUA" or "SUA II" means Motorola's Software Upgrade Agreement program for Motorola's P25 radio system.

### **2. SCOPE**

Motorola will provide Maintenance and Support Services and/or Lifecycle Management as further described in the applicable Statement of Work, or attachment to Motorola's proposal for additional services.

### **3. TERMS AND CONDITIONS**

The terms of the Primary Agreement combined with the terms of this Addendum will govern the products and services offered pursuant to this Addendum. To the extent there is a conflict between the terms and conditions of the Primary Agreement and the terms and conditions of this Addendum, this Addendum takes precedence.

#### **3.1 MAINTENANCE AND SUPPORT SERVICES**

3.1.1 PURCHASE ORDER ACCEPTANCE. Purchase orders for additional, continued, or expanded maintenance and software support, during the Warranty Period or after the Warranty Period, become binding only when accepted in writing by Motorola.

3.1.2 START DATE. The "Start Date" for Maintenance and Support Services will be indicated in the proposal or a cover page entitled "Service Agreement".

3.1.3 AUTO RENEWAL. Unless the cover page or SOW specifically states a termination date or one Party notifies the other in writing of its intention to discontinue the Services, this Agreement will renew for an additional one (1) year term on every anniversary of the Start Date. At the anniversary date, Motorola may adjust the price of the Services to reflect the renewal rate.

3.1.4 TERMINATION. Written notice of intent to terminate must be provided thirty (30) days or more prior to the anniversary date. If Motorola provides Services after the termination or expiration of this Addendum, the terms and conditions in effect at the time of termination or expiration will apply to those Services and Customer agrees to pay for those services on a time and materials basis at Motorola's then effective hourly rates.

3.1.5 EQUIPMENT DEFINITION. For maintenance and support services, Equipment will be defined to mean the hardware specified in the applicable SOW or attachments to the maintenance and support proposal.

3.1.6 ADDITIONAL HARDWARE. If Customer purchases additional hardware from Motorola

that becomes part of the System, the additional hardware may be added to this Addendum and will be billed at the applicable rates after the warranty period for that additional equipment expires. Such hardware will be included in the definition of Equipment.

3.1.7 MAINTENANCE. Equipment will be maintained at levels set forth in the manufacturer's product manuals and routine procedures that are prescribed by Motorola will be followed. Motorola parts or parts of equal quality will be used for Equipment maintenance.

3.1.8 EQUIPMENT CONDITION. All Equipment must be in good working order on the Start Date or when additional equipment is added to the Addendum. Upon reasonable request by Motorola, Customer will provide a complete serial and model number list of the Equipment. Customer must promptly notify Motorola in writing when any Equipment is lost, damaged, stolen or taken out of service. Customer's obligation to pay maintenance and support fees for this Equipment will terminate at the end of the month in which Motorola receives the written notice. If Equipment cannot, in Motorola's reasonable opinion, be properly or economically maintained for any reason, Motorola may modify the scope of Services related to that Equipment; remove that Equipment from the Agreement; or increase the price to maintain that Equipment.

3.1.9 EQUIPMENT FAILURE. Customer must promptly notify Motorola of any Equipment failure. Motorola will respond to Customer's notification in a manner consistent with the level of Service purchased as indicated in this Addendum and applicable SOW.

3.1.10 INTRINSICALLY SAFE. Customer must specifically identify any Equipment that is labeled intrinsically safe for use in hazardous environments.

#### 3.1.11 EXCLUDED SERVICES.

a) Service excludes the repair or replacement of Equipment that has become defective or damaged from use in other than the normal, customary, intended, and authorized manner; use not in compliance with applicable industry standards; excessive wear and tear; or accident, liquids, power surges, neglect, acts of God or other force majeure events.

b) Unless specifically included in this Addendum, Service excludes items that are consumed in the normal operation of the Equipment, such as batteries or magnetic tapes.; upgrading or reprogramming Equipment; accessories, belt clips, battery chargers, custom or special products, modified units, or software; and repair or maintenance of any transmission line, antenna, microwave equipment, tower or tower lighting, duplexer, combiner, or multicoupler. Motorola has no obligations for any transmission medium, such as telephone lines, computer networks, the internet or the worldwide web, or for Equipment malfunction caused by the transmission medium.

3.1.12 TIME AND PLACE. Service will be provided at the location specified in this Addendum and/or the SOW. When Motorola performs maintenance, support, or installation at Customer's location, Customer will provide Motorola, at no charge, a non-hazardous work environment with adequate shelter, heat, light, and power and with full and free access to the Equipment. Waivers of liability from Motorola or its subcontractors will not be imposed as a site access requirement. Customer will provide all information pertaining to the hardware and software elements of any system with which the Equipment is interfacing so that Motorola may perform its Services. Unless otherwise stated in this Addendum or applicable SOW, the hours of Service will be 8:30 a.m. to 4:30 p.m., local time, excluding weekends and holidays. Unless otherwise stated in this Addendum or applicable SOW, the price for the Services exclude any charges or expenses associated with helicopter or other unusual access requirements; if these charges or expenses are reasonably incurred by Motorola in rendering the Services, Customer agrees to reimburse Motorola for those charges and expenses.

3.1.13 CUSTOMER CONTACT. Customer will provide Motorola with designated points of contact (list of names and phone numbers) that will be available twenty-four (24) hours per day, seven (7) days per

week, and an escalation procedure to enable Customer's personnel to maintain contact, as needed, with Motorola.

### 3.2 **LIFECYCLE MANAGEMENT SERVICES**

3.2.1 The Software License Agreement included as Exhibit A to the Primary Agreement applies to any Motorola Software provided as part of the Lifecycle Management transactions.

3.2.2 The term of this Addendum is **five (5)** years, commencing on **System Final Acceptance 2025**. The Lifecycle Management Price for the **5** years of services is **\$ 498,729.72**, excluding applicable sales or use taxes but including discounts as more fully set forth in the pricing pages. Because the Lifecycle Management is a subscription service as more fully described in the applicable Lifecycle Management Statement of Work, payment from Customer is due in advance and will not be in accordance with any Payment Milestone Schedule.

3.2.3 The System upgrade will be scheduled during the subscription period and will be performed when Motorola's system upgrade operation resources are available. Because there might be a significant time frame between when this Addendum is executed and when a System upgrade transaction is performed, Motorola may substitute any of the promised Equipment or Software so long as the substitute is equivalent or superior to the initially promised Equipment or Software.

3.2.4 Acceptance of a Lifecycle Management transaction occurs when the Equipment (if any) and Software are delivered and the Lifecycle Management services are fully performed; there is no Acceptance Testing with a Lifecycle Management transaction.

3.2.5 The Warranty Period for any Equipment or Motorola Software provided under a Lifecycle Management transaction will commence upon shipment and not on System Acceptance or Beneficial Use, and is for a period of ninety (90) days rather than one (1) year. The ninety (90) day warranty for Lifecycle Management services is set forth in the Lifecycle Management Statement of Work.

3.2.6 In addition to the description of the Lifecycle Management services and exclusions provided in the Lifecycle Management Statement of Work, the following apply:

- a) Upon reasonable request by Motorola, Customer will provide a complete serial and model number list of the Equipment.
- b) Lifecycle Management services exclude the repair or replacement of Equipment that has become defective or damaged from use in other than the normal, customary, intended, and authorized manner; use not in compliance with applicable industry standards; excessive wear and tear; or accident, liquids, power surges, neglect, acts of God or other force majeure events.
- c) Unless specifically included in this Addendum or the Lifecycle Management Statement of Work, Lifecycle Management services exclude items that are consumed in the normal operation of the Equipment; accessories; and repair or maintenance of any transmission line, antenna, microwave equipment, tower or tower lighting, duplexer, combiner, or multicoupler. Motorola has no obligations for any transmission medium, such as telephone lines, computer networks, the internet or the worldwide web, or for Equipment malfunction caused by the transmission medium.
- d) Customer will provide Motorola with designated points of contact (list of names and phone numbers) that will be available during the performance of the Lifecycle Management services.

3.2.7 The Lifecycle Management annualized price is based on the fulfillment of the two year

cycle. If Customer terminates this service during a two year cycle, except for Motorola's default, then Customer will be required to pay for the balance of payments owed for the two year cycle if a major system release has been implemented before the point of termination.

3.2.8 If Customer terminates this service and contractual commitment before the end of the 5 year term, for any reason other than Motorola's default, then the Customer will pay to Motorola a termination fee equal to the discount applied to the last three years of service payments related to the 5 year commitment.

#### **4. PAYMENT**

4.1 Unless alternative payment terms are stated in this Agreement, Motorola will invoice Customer in advance for each payment period. All other charges will be billed monthly, and the Customer must pay each invoice in U.S. dollars within thirty (30) days of the invoice date. Customer will reimburse Motorola for all property taxes, sales and use taxes, excise taxes, and other taxes or assessments that are levied as a result of Services rendered under this Agreement (except income, profit, and franchise taxes of Motorola) by any governmental entity.

4.2 INFLATION ADJUSTMENT. For multi-year agreements, at the end of the first year of the Agreement and each year thereafter, a CPI percentage change calculation shall be performed using the U.S. Department of Labor, Consumer Price Index, "All Items," Unadjusted Urban Areas (CPI-U). Should the annual inflation rate increase greater than 3% during the previous year, Motorola shall have the right to increase all future maintenance prices by the CPI increase amount exceeding 3%. "All items," not seasonally adjusted shall be used as the measure of CPI for this price adjustment. The adjustment calculation will be based upon the CPI for the most recent twelve (12) month increment beginning from the most current month available as posted by the U.S. Department of Labor (<http://www.bls.gov>) immediately preceding the new maintenance year. For purposes of illustration, if in year 5 the CPI reported an increase of 8%, Motorola may increase the Year 6 price by 5% (8%-3% base). Any pricing change would be documented in a change order executed with the Customer.

**5. ENTIRE AGREEMENT.** This Addendum, any related attachments, and the Primary Agreement, constitutes the entire agreement of the Parties regarding the subject matter of this Addendum and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter. This Addendum may be amended or modified only by a written instrument signed by authorized representatives of both Parties. The preprinted terms and conditions found on any Customer purchase or purchase order, acknowledgment or other form will not be considered an amendment or modification of this Addendum, even if a representative of each Party signs that document.

**RECOMMENDATION**

Staff recommends that the City Council approve the MPO Title VI Assurance and authorize the Mayor to sign.

**BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)**

The purpose of this requested action is to ensure that the City of Billings (as the fiscal receiving agency) and the Billings Metropolitan Planning Organization (MPO) comply with Title VI Assurance as mandated by federal regulation. The Standard Title VI/Non-Discrimination Assurances DOT Order No. 1050.2A is a document issued by the U.S. Department of Transportation (DOT) to ensure compliance with Title VI of the Civil Rights Act of 1964 and related non-discrimination statutes. Here are the key points:

- The order outlines the requirements for recipients of federal financial assistance from the DOT to comply with Title VI and other non-discrimination statutes. It aims to prevent discrimination on the basis of race, color, national origin, sex, disability, and age in programs and activities receiving federal assistance.
- Recipients must provide written assurances that they will comply with Title VI and related statutes. This includes ensuring that no person, on the grounds of race, color, national origin, sex, disability, or age, is excluded from participation in, denied the benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance.
- The order details the responsibilities of recipients, including the development of a Title VI Program, designation of a Title VI coordinator, and the establishment of a complaint process. Recipients must also conduct regular reviews of their programs and activities to ensure compliance.
- The DOT has the authority to enforce compliance through various means, including compliance reviews, complaint investigations, and the imposition of sanctions or remedial actions if violations are found.
- Recipients are required to maintain records and submit reports to the DOT documenting their compliance efforts and any complaints of discrimination received.

Overall, DOT Order No. 1050.2A sets forth the obligations of recipients of federal funds to ensure non-discrimination and to promote equal access and opportunities in transportation programs and activities.

**STAKEHOLDERS**

**ALTERNATIVES**

City Council may:

- Approve the Standard Title VI/Non-Discrimination Assurance Order and authorize the Mayor to sign; or,
- Not Approve the Standard Title VI/Non-Discrimination Assurance Order. By not approving and authorizing the Mayor to sign it could significantly jeopardize continued Federal funding to the Billings Metropolitan Planning Organization.

**FISCAL EFFECTS**

The signing of this assurance ensures continued federal funding of the MPO and other federal funds awarded to the City of Billings. A local government or an MPO that does not sign the Title VI assurance document can face several fiscal effects, as this document is a key compliance requirement for receiving federal transportation funding. Here are some potential impacts:

1. Loss of Federal Funding: The most direct fiscal impact is the potential loss of federal transportation funds. The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) require Title VI compliance to ensure non-discrimination in federally funded programs.
2. Suspension of Ongoing Projects: Without Title VI assurances, ongoing projects that rely on federal funding might

be halted, causing delays and increased costs.

3. Ineligibility for Future Grants: The MPO could become ineligible for future grants and funding opportunities, which could significantly reduce the resources available for transportation planning and projects.

4. Legal and Administrative Costs: Failure to comply with Title VI can result in legal challenges and administrative reviews. The MPO might incur costs associated with defending against claims of non-compliance or addressing findings from federal audits.

5. Operational Disruptions: The MPO might face operational disruptions as it works to come into compliance. This can include administrative costs associated with implementing new policies, training staff, and updating procedures to meet federal requirements.

6. Impact on State and Local Funding: In some cases, state and local funding entities might also impose sanctions or reduce funding if the MPO is found to be non-compliant with federal requirements.

To avoid these negative consequences, it is crucial for MPOs to sign and comply with Title VI assurances, ensuring they maintain eligibility for federal funding and uphold their commitment to non-discrimination in their programs and activities.

## **SUMMARY**

Adhering to the requirements of Title VI is not only a legal obligation but also a commitment to ensuring nondiscrimination and equal access to transportation services for all residents of the Billings MPO. Council's prompt attention to this matter and approval of the Title VI Assurance is crucial for the continued development and improvement of the city's transportation infrastructure.

Title VI Assurance

## **The United States Department of Transportation**

### **Standard Title VI/Non-Discrimination Assurances**

#### **DOT Order No. 1050.2A**

The City of Billings (herein referred to as the “Recipient”), **HEREBY AGREES THAT**, as a condition to receiving any Federal financial assistance from the United States Department of Transportation (DOT), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA) through the Montana Department of Transportation (MDT), it is subject to and will comply with the following:

#### **Statutory/Regulatory Authorities**

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 Stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 C.F.R. part 21 (entitled *Non-discrimination in Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964*);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

#### **General Assurances**

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

*“No person in the United States shall, on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity,” for which the Recipient receives Federal financial assistance from DOT, including the FHWA and FTA.*

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

#### **Specific Assurances**

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted FHWA and FTA programs:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.

2. The Recipient will insert the following notification in all solicitations for bids, Requests for Proposals for work, or material subject to the Acts and the Regulations made in connection with all FHWA and FTA programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

*“The City of Billings, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”*

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith;
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property;
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
  - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
  - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
  - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
  - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-

grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the City of Billings also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing FHWA and FTA access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by FHWA and FTA. You must keep records, reports, and submit the material for review upon request to FHWA, FTA or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The City of Billings gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under the FHWA and FTA. This ASSURANCE is binding on Montana, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in FHWA and FTA funded programs. The person(s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

## APPENDIX A

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to non-discrimination in Federally assisted programs of the U.S. Department of Transportation, Federal Highway Administration (FHWA) and Federal Transit Administration (FTA), as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulation, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 C.F.R. part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the FHWA or FTA to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the FHWA or FTA, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FHWA or FTA may determine to be appropriate, including, but not limited to:
  - a. withholding payments to the contractor under the contract until the contractor complies; and/or
  - b. cancelling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the FHWA or FTA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the

contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

## APPENDIX B

### CLAUSES FOR DEEDS TRANSFERING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

**NOW, THEREFORE**, the U.S. Department of Transportation as authorized by law and upon the condition that the City of Billings will accept title to the lands and maintain the project constructed thereon in accordance with Title 23, United States Code, the Regulations for the Administration of Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) Programs, and the policies and procedures prescribed by the FHWA and FTA of the Department of Transportation in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the City of Billings all the right, title and interest of the U.S. Department of Transportation in and to said lands described in Exhibit A attached hereto and made a part hereof.

### (HABENDUM CLAUSE)

**TO HAVE AND TO HOLD** said lands and interests therein unto City of Billings and its successors forever, subject, however, to the covenants, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and will be binding on the City of Billings, its successors and assigns.

The City of Billings, in consideration of the conveyance of said lands and interests in lands, does hereby covenant and agree as a covenant running with the land for itself, its successors and assigns, that (1) no person will on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to any facility located wholly or in part on, over, or under such lands hereby conveyed [,] [and]\* (2) that the City of Billings will use the lands and interests in lands and interests in lands so conveyed, in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation, Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations and Acts may be amended, and (3) that in the event of breach of any of the above-mentioned non-discrimination conditions, the Department will have a right to enter or re-enter said lands and facilities on said land, and that above described land and facilities will thereon revert to and vest in and become the absolute property of the U.S. Department of Transportation and its assigns as such interest existed prior to this instruction.\*

(\*Reverter clause and related language to be used only when it is determined that such a clause is necessary in order to make clear the purpose of Title VI.)

## APPENDIX C

## APPENDIX E

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the “contractor”) agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

### **Pertinent Federal Non-Discrimination Authorities:**

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21,
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 *et seq.*), (prohibits discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq.*), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27;
- The Age Discrimination Act of 1975, as amended (42 U.S.C. § 6101 *et seq.*), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 -- 12189), as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38;
- The Federal Aviation Administration’s non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. § 1681 *et seq.*).

**City Council Regular**

**Date:** 08/26/2024  
**Title:** HOME-ARP Supportive Service Project - Subrecipient Allocations  
**Presented by:** Carly Collins  
**Department:** Planning & Community Services  
**Presentation:** No  
**Legal Review:** Yes  
**Project Number:** N/A

**RECOMMENDATION**

The Community Development Board and staff recommend allocating \$100,000 in HOME Investment Partnerships American Rescue Plan Program (HOME-ARP) funding to each of the following subrecipient organizations to manage supportive service projects for qualifying populations:

- Alternatives, Inc.
- HomeFront Partners
- District 7 Human Resources Development Council (HRDC)
- Native American Development Corporation (NADC)
- RiverStone Health -- Yellowstone City County Health Department
- United Way -- Yellowstone Continuum of Care

**BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)**

**Federal Funding Allocation:** The City of Billings was awarded \$1,211,321 in HOME-ARP funding through the U.S. Department of Housing and Urban Development (HUD) in April 2021. Funding must reduce homelessness and increase housing stability for individuals and families from the following qualifying populations: homeless; at-risk of homelessness; fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking; other populations where providing assistance would prevent the family's homelessness or would serve those with the greatest risk of housing instability; and veterans and families that include a veteran family member that meet one of the preceding criteria. The City was required by HUD to complete a community needs assessment and allocation plan prior to developing an open and competitive application process. HOME-ARP funding must be fully expended by September 2030.

**HOME-ARP Allocation Plan:** Beginning in October 2022, the City surveyed and consulted with local service providers to gain information to help assess housing and service needs and gaps. Twenty-six local agencies provided responses to the City's survey. The City analyzed responses and organizational data to create its HOME-ARP Allocation Plan. The drafted allocation plan was available for review and public comment through March 20, 2023. The plan included a needs assessment and gaps analysis of housing and services benefiting qualifying populations as well as input from social service agencies on how to prioritize funding activities.

In addition to analyzing local agency data, the City reviewed shelter and housing inventory to help guide funding recommendations. The City of Billings held a public hearing on Monday, March 13, 2023, to obtain public comment on the allocation plan. The Billings City Council voted to approve the HOME-ARP Allocation Plan via a substantial amendment to the FY2021-2022 Annual Action Plan at its regular meeting on March 13. The City's [HOME-ARP Allocation Plan](#) was approved by HUD in May 2023. Following the approval, City staff developed policies and procedures as well as an application guidebook and funding application which was released in October 2023.

**HOME-ARP Application:** In November 2023, applications for HOME-ARP funding were submitted by Alternatives, Inc; HomeFront Partners; District 7 Human Resources Development Council (HRDC); Native American Development Corporation (NADC); RiverStone Health; and United Way. Funding would be used to manage supportive service programming for Billings residents experiencing or at-risk of homelessness.

**Community Development Board Recommendations:** City staff must set up activities with general descriptions of projects and activities that the City plans on carrying out with HOME-ARP resources. Therefore, the Community Development Board recommends the following:

- **Awardees:** Grant \$100,000 to each qualified agency, as submitted. These include: Alternatives, Inc; HomeFront Partners; District 7 Human Resources Development Council (HRDC); Native American Development Corporation (NADC); RiverStone Health; and United Way.

- **Awardee Agreements:** Documents will include agreement modification language to continue funding activities if community need exceeds beyond the initial HOME-ARP allocation of \$100,000. This would require full regulatory compliance with the first allocation, application submission for additional funds, Community Development Board review and recommendation, and agreement renewal approval from the City Administrator.
- **HOME-ARP Administration:** Fifteen percent of the total HOME-ARP award (\$181,698) will be allocated for staff costs and supplies necessary to carry out grant monitoring and management activities. This is a one-time allocation to fund many years of project monitoring and reporting.

## **STAKEHOLDERS**

- Individuals and families in qualifying populations benefitting from supportive service activities.
- Public service agencies serving individuals and families in qualifying populations by carrying out supportive service activities.

## **ALTERNATIVES**

City Council may:

- Approve allocating \$100,000 in HOME Investment Partnerships American Rescue Plan Program (HOME-ARP) funding to each of the seven subrecipient organizations to manage supportive service projects for qualifying populations; or,
- Not Approve allocating \$100,000 in HOME Investment Partnerships American Rescue Plan Program (HOME-ARP) funding to each of the seven subrecipient organizations to manage supportive service projects for qualifying populations. Not approving the funding allocations would not be in alignment with the Council's action in March 2023 to approve the HOME-ARP Allocation Plan via a substantial amendment to the FY2021-2022 Annual Action Plan 13 and require CD staff to revisit the policies and procedures set up per the CD Board and its recommendations.

## **FISCAL EFFECTS**

Since the HOME-ARP funds are federal there is no expected impact to the City budget and a portion of the funds will provide administrative funding for the CD Division to administer the program. The commitment of these funds also will help the City to meet HOME-ARP federal timeliness requirements.

## **SUMMARY**

An overall review of the applications reveal the projects are in alignment with the City's Consolidated Plan and HOME-ARP Allocation Plan. There is a demonstrated need for increasing housing stability and reducing homelessness, as evidenced through data from the City's recent Consolidated Plan and HOME-ARP Allocation Plan which include the Housing Needs Assessment, Market Analysis and the Analysis of Impediments to Fair Housing Choice. The applicants have extensive experience in managing supportive service projects, and they are knowledgeable about federal program requirements.

CD Board Memo - HOME-ARP Allocations  
HOME-ARP Applicant Responses & Supporting Docs

DATE: August 6, 2024  
TO: Community Development Board  
TITLE: HOME-ARP Supportive Service Project – Subrecipient Allocations  
PRESENTED BY: Carly Collins, Community Development Program Coordinator

## 1. RECOMMENDATION

Community Development staff recommend allocating \$100,000 in HOME Investment Partnerships American Rescue Plan Program (HOME-ARP) funding to the following subrecipient organizations to manage supportive services projects for qualifying populations:

- Alternatives, Inc.
- HomeFront Partners
- District 7 Human Resources Development Council (HRDC)
- Native American Development Corporation (NADC)
- RiverStone Health – Yellowstone City County Health Department
- United Way – Yellowstone Continuum of Care

## 2. BACKGROUND

**Federal Funding Allocation:** The City of Billings was awarded \$1,211,321 in HOME-ARP funding through the U.S. Department of Housing and Urban Development (HUD) in April 2021. Funding must reduce homelessness and increase housing stability for individuals and families from the following qualifying populations: homeless; at-risk of homelessness; fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking; other populations where providing assistance would prevent the family's homelessness or would serve those with the greatest risk of housing instability; and veterans and families that include a veteran family member that meet one of the preceding criteria. The City was required to complete a community needs assessment and allocation plan prior to developing an open and competitive application process. HOME-ARP funding must be fully expended by September 2030.

**HOME-ARP Allocation Plan:** Beginning in October 2022, the City surveyed and consulted with local service providers to gain information to help assess housing and service needs and gaps. Twenty-six local agencies provided responses to the City's survey. The City analyzed responses and organizational data to create its HOME-ARP Allocation Plan. The drafted allocation plan was available for review and public comment through March 20, 2023. The plan included a needs assessment and gaps analysis of housing and services benefiting qualifying populations as well as input from social service agencies on how to prioritize funding activities. In addition to analyzing local agency data, the City reviewed shelter and housing inventory to help guide funding recommendations.

The City of Billings held a public hearing on Monday, March 13, 2023 to obtain public comment on the allocation plan. The Billings City Council voted to approve the HOME-ARP Allocation Plan via a substantial amendment to the FY2021-2022 Annual Action Plan at their regular meeting on that date.

The City's [HOME-ARP Allocation Plan](#) was approved by HUD in May 2023. Following the approval, City staff developed policies and procedures as well as an application guidebook and funding application which was released in October 2023.

**HOME-ARP Application:** In November 2023, applications for HOME-ARP funding were submitted by Alternatives, Inc; HomeFront Partners; District 7 Human Resources Development Council (HRDC); Native American

Development Corporation (NADC); RiverStone Health; and United Way. Funding would be used to manage supportive service programming for Billings residents experiencing or at-risk of homelessness.

**Community Development Board Recommendations:** City staff must set up activities as soon as possible with general descriptions of projects and activities that the City plans on carrying out with HOME-ARP resources. Therefore, City staff recommends the following:

- **Awardees:** Grant \$100,000 to each qualified agency, as submitted. These include: Alternatives, Inc; HomeFront Partners; District 7 Human Resources Development Council (HRDC); Native American Development Corporation (NADC); RiverStone Health; and United Way.
- **Awardee Agreements:** Documents will include agreement modification language to continue funding activities if community need exceeds the initial HOME-ARP allocation of \$100,000. This would require full regulatory compliance with the first allocation, application submission for additional funds, Community Development Board review and recommendation, and agreement renewal approval from the City Administrator.
- **HOME-ARP Administration:** Fifteen percent of the total HOME-ARP award (\$181,698) will be allocated for staff costs and supplies necessary to carry out grant monitoring and management activities. This is a one-time allocation to fund many years of project monitoring and reporting.

### 3. STAKEHOLDERS

- Individuals and families in qualifying populations benefitting from supportive service activities.
- Public service agencies serving individuals and families in qualifying populations by carrying out supportive service activities.

### 4. ALTERNATIVES

The Community Development Board may:

- Approve \$100,000 funding award for the proposed projects, with or without conditions. A funding allocation to support this new project would assist the City in reducing homelessness and increasing housing stability while assisting the Division in meeting expenditure deadlines.
- Not Approve the \$100,000 funding award for the proposed projects.

### 5. FISCAL EFFECTS

An adverse financial outcome to the City is not anticipated and the commitment of these funds will help the City to meet HOME-ARP federal timeliness requirements.

### 6. SUMMARY

An overall review of the applications reveal the projects are in alignment with the City's Consolidated Plan and HOME-ARP Allocation Plan. There is a demonstrated need for increasing housing stability and reducing homelessness, as evidenced through data from the City's recent Consolidated Plan and HOME-ARP Allocation Plan which include the Housing Needs Assessment, Market Analysis and the Analysis of Impediments to Fair Housing Choice. The applicants have extensive experience in managing supportive service projects, and they are knowledgeable about federal program requirements.

Unique Entity Identification (UEI) Number: A UEI is a number issued by the federal government's System for Award Management (SAM) to identify businesses and other entities that do business with the federal government. The UEI replaces the DUNS number. If your entity is already registered in SAM.gov, it has already been assigned a UEI number. Simply log into SAM.gov to access it. Entities intending to bid on contracts or grants directly from the federal government should visit SAM.gov and choose "Register Entity" to receive a UEI. Those who would like a UEI for sub-award reporting should choose "Get Unique Entity ID." There is no cost to register for a UEI and it can usually be created within one business day. FREE local assistance is available at the Montana Procurement Technical Assistance Program, 201 N Broadway, Billings, MT 59101 / 406.869.8410 / langman@bigskyeda.org. Enter your UEI number below.

Describe the length of time the organization has been in operation and the organization's purpose. (500 characters maximum)

Alternatives has provided residential re-entry services for over 42 years. The purpose of Alternatives is to promote public safety by challenging offenders to become responsible, productive, tax-paying citizens through firm, fair, consistent, supervision, treatment & education. Our program offers a broad range of alternatives to incarceration that reintroduce them back into society or keep offenders out of jails & prisons.

---

**Q18**

Describe the types of supportive services currently being provided by the organization. (2,000 characters maximum)

Alternatives, Inc. specializing in residential re-entry services by addressing criminal behavior and utilizing evidence-based programming to address individual client needs. Services include substance use disorder and mental health treatment, case management, care coordination, Enhanced Transition Supervision Services (ETSS), educational assistance including Hi-Set and Voc Rehab, job skill training, budgeting, cognitive behavioral therapy, re-entry and housing placement, misdemeanor probation, electronic monitoring and drug testing, application assistance, transportation support through the use of bus passes and gas cards, personal supportive items such as cell phones, phone cards, clothing, basic household and hygiene items and many other supportive services. Alternatives has been providing these services since 1980 and offers residential to community educational level supports for over 62 individual programs throughout the agency. The majority of clients are justice involved and referred through the Court Systems in our area. Alternatives provides these services to violent and sex offenders, among others. Alternatives also currently participates in the current Jail Based Program Pilot (JBPP). As part of this program, a team comprised of 6 different organizations work to find rapid housing and treatment placements for low to medium risk offenders who can be released from the facility with additional support and supervision. This evidence-based approach to provide comprehensive support for what clients need to successfully rejoin society includes placement in housing and wrap around services. Services begin in the jail and continue once in the community.

---

**Q21**

Describe the organization's experience and compliance with federally funded programs. (1,000 characters maximum)

Alternatives is currently and has been federally funded for programs since 1980 for residential re-entry and substance use and mental health treatment services. As a result, the agency is monitored on an annual basis by the Federal Bureau of Prisons and United States Probation Office, and must comply with all federal CFR, ARMS, and financial management practices. Alternatives, Inc. is a well-established non-profit with well-qualified staff for over 43 years. Additionally, Alternatives recently completed two separate subaward grant programs for the City of Billings under CBDG with successful program implementation and compliance with reporting and financial mandates.

---

**Q22**

Describe the agency's policy for maintaining confidentiality of individuals and families served. (1,000 characters maximum)

Maintaining confidentiality of client information is one of the cornerstones of Alternatives, Inc. Staff are required to sign the Statement of Confidentiality of Client Information (ALT29) form when hired. Failure to comply with confidentiality standards therein will render an employee subject to disciplinary action up to termination of employment, depending on the seriousness of the violation. In some cases, a client whose right to privacy has been violated may have a legal remedy and may be awarded monetary damages. Public information found on websites such as Correctional Offender Network Website (CONWEB) or the Detention Center Website can be released, recognizes the need for outside agencies or individuals to obtain client information at times. Ensuring that it is correctly released is of paramount importance. However, no information, other than that, verbal or written, may be released from a file without a release of information form.

---

**Q23**

Describe the organization's policies, procedures, and experience in each of the following three areas: (1,500 character maximum for each)

Financial Management & Accountability

Alternatives employs over 170 staff & is routinely monitored by the Federal Bureau of Prisons, the Montana Department of Corrections, & the Department of Health and Human Services Licensure Department, & consequently adheres to an extensive set of overlapping standards. In addition to the ongoing monitoring/audits, Alternatives adheres to policies & procedures known collectively as "Standard Operating Procedures of Alternatives, Inc" (SOPs) that governs the practices of Alternatives & its employees. 12 of these policies dictate the financial management, procurement, purchasing, & accountability. On a random basis, but not fewer than twice during each fiscal year, the Finance Committee shall directly review the general ledger & disbursement records for all agency accounts. The person responsible for conducting such a review shall be determined by the Chair of the Finance Committee & the results of the review shall be presented to the Finance Committee & then to the Board of Directors. The Director of Finance is responsible for the assignment of duties to accounting personnel. Given the limited size of the accounting department, it is acknowledged that complete separation of duties in support of internal control is not possible. However, the Director is responsible for assuring that, to the greatest extent possible, one person does not collect, receipt, prepare a deposit, & account for the specific funds coming into the agency.

Personnel Management

Personnel are managed by a human resources department under the supervision of the Director of HR and over 30 policies including an Employee Handbook. Each staff member has a direct Supervisor who managed day-to-day activities and progress. Staff are required to complete a 40-hour on-boarding process that includes mandatory trainings and orientation to the policies and practices of Alternatives. There is a personnel committee who manages overall processes and compliance with federal regulations. The Personnel Committee is inclusive of community members familiar with general EEO and HR practices and reports monthly to the overall Board of Directors.

Procurement & Purchasing

All purchases must be approved by a department supervisor and the CEO (or designee in his absence). These must be completed on a purchase order form. Any purchase over \$50 from a vendor not on the approved vendor list, must be approved prior to ordering. Any purchase over \$10,000 must be approved by the board of directors at the recommendation of the CEO and Finance Committee. Any items required by contract/grant funds or over \$1,000 in cost must be sourced through a bid process. Bids are submitted to the finance committee and a recommendation is made to the full board of directors who then selects the final contract.

Recordkeeping & Reporting

Alternatives, Inc. has an orderly and timely system for handling, storing, and disposing of offender/client records. Access to offender (residential) and client (non-residential) records is limited to supervisors, case managers, Jail Alternatives managers, and administrative support (AS) staff. The AS staff are in charge of residential and non-residential client records from implementation through shredding. Chemical dependency-related and assessment records are handled only by Designated Staff. All records are shredded after the timeline for storage has expired based on individual contract or policy. In addition to hard file records, Alternatives, Inc. offenders and clients also have electronic records in the Alternatives, Inc. Total Offender Management Database (TOM). Reporting for grant specific items will be identified at the onset of the program to identify the type of record information and frequency of reporting. All information for client reporting will be collated and submitted to the Contracted Director of Development for review and submission. All PII and HIPPA information will be secured as necessary.

---

**Q24**

If the organization currently manages grant funding, describe the method for tracking staff time on grant-specific tasks. (500 characters maximum)

We have been working on local, federal, & state grants for nearly the entirety of its existence. The Director of Development (DoD) manages the specific requirements. Staff time is tracked in an HR database. Individual daily staff journals calculate hours & tasks. These are audited by the DoD before submission to the agency Controller who reviews these prior to any reimbursement requests. Both the DoD & the Controller report to the CEO & provide regular reports of grants to the Board.

---

**Q25**

Describe the standards the organization uses for code-of-conduct covering conflicts of interest and governing the actions of its officers, Board of Directors, and employees. (2,000 characters maximum)

Alternatives, Inc. has several policies covering conflict of interest and code of conducts for both employees and board members. Section 1.8 of the By-Laws of Alternatives indicates All Directors shall disclose to the Board any possible conflict of interest at the earliest practicable time. Upon such disclosure, such Director shall abstain from speaking and voting on any matter under consideration at a Board or committee meeting, in which such Director has a conflict of interest. The minutes of such meeting shall reflect that a disclosure was made and that the Director having a conflict of interest abstained from speaking and voting. Any Director who is uncertain shall disclose the possible conflict of interest and request the Board or committee to determine whether a conflict of interest exists, and the Board or committee shall resolve the questions by a majority vote. A transaction in which a Director has a conflict of interest may be approved: (a) in advance by the vote of the Board of Directors or a committee of the Board if: (i) the material facts of the transaction and the Director's interest are disclosed or known to the Board or committee of the Board and; (ii) the Directors approving the transaction in good faith reasonably believe that the transaction is fair to the corporation; or (b) after it is consummated by obtaining approval of: (i) the attorney general; or (ii) a state district court in an action in which the attorney general is joined as a party. A conflict-of-interest transaction is authorized, approved, or ratified, if it receives the affirmative vote of two-thirds of the quorum present who have no direct or indirect interest in the transaction. Each Board member also completes an annual Conflict of Interest designation yearly. Staff also abide by a Federal Standards of Conduct and Fraternization policy which is signed upon hire and reviewed and acknowledged each year for annual training.

Describe the need for the proposed supportive services at your organization in relation to homeless prevention and increasing housing stability. (1,000 character maximum)

Many offenders detained are often unemployed or become unemployed as a result of their arrest/conviction creating a barrier for proper housing which leads to reoffending or overcrowding in shelters. As a result, Alternatives currently participate in a City/County program called the Jail Based Program Pilot (JBPP). This program works to assist eligible offenders out of the detention facility and placed into appropriate services to prevent new crimes, reduce re-entries in the jail. One of the former provisions of the program is re-entry support which funds costs for rapid housing placement once released from detention or to prevent loss of housing once out of the facility and participating in court-ordered monitoring, treatment, or combination of services as a diversion to incarceration. This service was previously funded through a grant from the MT Board of Crime Control but has since lapsed leaving a need for continuation of these services.

**Q12**

Provide a detailed description of the organization's ability to serve the identified qualifying population(s). Describe similar projects or activities that have been / are being successfully carried out at the organization, as well as sources of funding for the programs or activities. (2,000 character maximum)

For over 43 years, Alternatives has served this unique population, being one of the few organizations that also works with both violent and sex offenders who are often precluded from services at other agencies. Our participation in the JBPP has offered services to over 400 referrals in the program since July 2022 and the re-entry component has helped nearly 100. However, due to a lapse in funding, the re-entry component will cease to exist in the JBPP. Alternatives worked closely with other organizations and the County Finance Department to create a streamlined process of re-entry funds from application to reimbursement. The internal quality controls and staff training completed to date has allowed this process to succeed and show significant outcomes to preventing re-entry to the jail. Our Care Coordinators have direct relationships with community organizations, landlords, and sober living homes giving them direct connection for housing placement for some of our most difficulty populations. The training and leveraging of existing resources make Alternatives, Inc. the most qualified to offer these services to this population. The previous funding for the program came from the Montana Board of Crime Control under an RSAT grant. Additional funding was secured through DPHHS's HEART grant, but unfortunately is limited in its impact. In order to serve the nearly 200 identified inmates with funding, additional sources need to be procured. By the time this grant would be implemented, it is likely that the HEART funding will be expended leaving a gap in resources in this program.

---

**Q13**

Please explain any identified obstacles to carrying out this activity prior to the expenditure deadline of September 30, 2030. (1,000 character maximum)

There are not obstacles in preventing the activity. Alternatives already participates in the programming necessary to evaluate the need to rapid housing post release from the jail. The only obstacle for continued funding is a lack of available funds to continue this program that started in July 2022. The only challenge will be the ability to attain future funding for this program to provide sustainability.

---

**Q14**

Describe how the organization plans to market the program to participants to ensure people know how to access services or resources. (1,000 character maximum)

The marketing for this program includes coordination with the local judges, public defender's office, prosecution, case managers, treatment court coordinators, landlords, sober living homes, and inmates. A re-entry coordinator housed in the jail facility activity identified appropriate clients to be screened.

---

**Q15**

The City has not implemented a preference for any qualifying populations or subpopulations. Describe how the agency will maintain a waiting list of any program participants and/or a waiting list for services. (1,000 character maximum)

A waitlist for the program will consist of utilizing our currently screened program list with identified needs through a care coordination plan. Detailed plans will identify which clients need re-entry funds and funds will be managed until expended. The only waitlist will be for those who have identified re-entry funds but are not yet ready to release. A series of conditions must be met to receive the funds including having a diagnoses SUD, MH, or Co-Occurring disorder. This information is tracked in a secure, shared spreadsheet that is available to members of the JBPP Team.

---

**Q16**

Describe how the agency will verify a program participant meets at least one of the qualifying populations prior to service approval. (1,000 character maximum)

Due to the nature of this program, the individuals receiving assistance are identified as homeless due to being incarcerated at the time of screening. When reviewing release and creating a release plan, inmates will be interviewed using a validated risk assessment and additional screening questions utilize Motivational Interviewing techniques to identify housing and employment outside of the facility as well as other community resources the inmate is engaged in. If no permanent home address or employment is identified at intake, they will be initial eligible with further verification. This future verification is done through weekly staffing that includes at least 6 different organizations to verify This fund is specific to rapid housing and placement.

---

**Q17**

How will the organization verify the income of the individuals / households served? Check all that apply.

**Client Self-Report,**

**Verified through other assistance (TANF, Medicaid, etc.),**

**Third Party Verification,**

Other (please specify):

Length of incarceration

---

**Q18**

Describe how the agency will assess duplication of benefits, including a process for verifying that a program participant is not currently receiving and/or been approved to receive the same service through another funding source. (1,00 characters maximum)

The Jail Based Program Pilot (JBPP) is designed with collaboration in mind. The weekly staffing meetings comprise of multiple agencies including public, private, and nonprofit groups who have the ability to serve the individual. Releases of Information are signed for any agency not at staffing to obtain information on services. Case files and coordination with these agencies prevents duplication. Since these individuals are currently incarcerated and going through our program, we are the point of first contact. Each request requires a justification application and a signature from a care coordinator or case manager who knows the most about the client's situation. A copy of the invoice, rental notice, or landlord receipt is required. All funds are paid directly to the receiving housing entity. This process has worked well in the past to avoid duplication and verify need for funds.

**Q19**

**No**

Has any program participant been required to repay due to an overpayment and / or duplication of funds at your agency? If yes, how were repaid funds reinvested into another program participant and / or activity?

**Q20**

Describe the methods or programs the agency will use to document and verify a program participant's eligibility. (1,00 characters maximum)

Alternatives, Inc. employs Motivational Interviewing for initial client screenings, gathering additional information from legal and treatment entities, and Medicaid when relevant. Care Coordinators conduct risk assessments and intakes, then create an Individualized Care Plan (ICP) for approved JBPP program participants. The ICP outlines necessary resources, goals, and tracks progress, serving as the primary eligibility document. Interaction points—intakes, meetings, coordination appointments—are recorded in the Total Offender Management (TOM) System and a master file spreadsheet for team access. Documentation and proof, including Medicaid and benefits verification, are uploaded to TOM, ensuring organized tracking and utilization.

| For supportive services activities:   | <b>25000</b> |
| For the direct provision of services: | <b>0</b>     |

**Q22**

**No**

If included in the project budget, will the cost of labor or supplies and materials be incurred in directly providing supportive services to program participants? (i.e., direct provision of services)

**Q23**

If the direct provision of services will be funded, please describe the employee positions to be funded, percentage of time dedicated to the activity, qualifications, and duties in carrying out the proposed activity. (500 characters maximum)

**Q25**

Identify the organization's key staff members that will be responsible for HOME-ARP activity oversight, implementation, financial management, and quarterly reporting. Please include specific titles and qualifications. (1,000 characters maximum for each)

Activity Oversight:

**Hollie Bowman, Director of Community Programs, with 20 years of non-profit experience, led by CEO David Armstrong with over 43 years of experience managing and implementing evidence-based community corrections program will be responsible for oversight. Hollie supervises the Care Coordinator position that will be managing the re-entry requests and attending staffing. She is supervised by David Armstrong who manages all facets of the agency. He will also coordinate with the Contracted Director of Development position on goals, objectives, challenges, and overall progress of the project.**

Implementation:

**Dawsen Berg, Care Coordinator, with three years of experience as it relates to this program, currently holds the position of Care Coordinator for the JBPP. He has managed his caseload and the re-entry requests for Alternatives, Inc. since July 2023. He attends weekly staffing, documents interactions, and submits appropriate documentation and verification for the program. He documents his time, interactions, and outcomes which are used currently for other parts of the JBPP.**

Financial Management:

**Stephanie Churchill, Controller, will act as the final financial manager on the program. She has 30 years of accounting experience and has been with Alternatives, Inc. since January 2020. All requests for funds are processed through the Care Coordinator who sends to the Controller for signatures. She then sends to Accounts Payable to process a check with is signed by the CEO. Then the Contracted Director of Development receives reports and documentation for reporting and requests for reimbursement. This process has worked since July 2022.**

Quarterly Reporting:

**Contracted Director of Development, Amanda Stonerock, whom has 15 years of non-profit experience will be managing quarterly reporting submission. Amanda has been managing grant funds and quarterly reporting for Alternatives, Inc since 2016. She owns and operates her a nonprofit consulting agency that specializes in grant writing, grant implementation, grant reporting, and grant auditing.**

**Q26**

No

If awarded HOME-ARP funding, will the organization hire new staff to implement the project? If yes, the organization must comply with low-income recruitment regulations for positions supported, either in part or in full, with federal funding. Recruitment efforts must include targeting low- and very-low-income individuals, and race/ethnicity documentation must be provided on applicants for any positions supported by federal funding.

**BY-LAWS OF ALTERNATIVES, INC.**

ARTICLE I

Name

This not for profit Corporation is incorporated under the statutes of the State of Montana as ALTERNATIVES, INC.

ARTICLE II

Principal Office

This principal office of the corporation is situated in Billings Yellowstone County, Montana.

ARTICLE III

Mission Statement

ALTERNATIVES, INC. promotes public safety and challenges offenders to become responsible productive citizens through firm, fair, consistent supervision, treatment, and education programs.

ARTICLE IV

Duration and Dissolution

The duration of the Corporation is perpetual. In the event that dissolution is necessary, for any reason, all existing funds of the agency remaining after payment of expenses and debts shall be donated to a non-profit, charitable organization in accordance with Article X of the Corporate Charter.

ARTICLE V

Board of Directors

Section 1.1 Responsibility of the Board of Directors: The Board of Directors is the governing body of this corporation and shall determine the basic policy for the Corporation.

Section 1.2 Composition of the Board of Directors: The Board of Directors shall consist of at least fifteen (15) members but no more than twenty-five (25). Seventy-five percent (75%) of the membership must be residents of Yellowstone County and shall represent a diversity of

Subject: By-Laws of Alternatives Inc.

occupational and professional categories and business, organization and association interests. At least one representative from each of the following categories shall be on the Board of Directors at all times:

State, County, or Municipal Elected Official  
Law Enforcement Official  
College Official, instructor or Professor  
Lawyer  
Social Services  
Business  
Representatives of the Community at Large

Section 1.3 Selection of Members: The Nominations Committee shall review the qualifications of prospective members for the Board of Directors identifying those persons best able to contribute to the operations of Alternatives, Inc. The Nominations Committee shall present the names of those persons it feels are best qualified to the Board of Directors for confirmation. A majority vote of a quorum is required to confer Board of Directors membership upon a prospective member.

Section 1.4 Term of Service: The term of service for each Director shall be three years beginning on the date of the first Annual Organizational Meeting after confirmation of appointment. The Annual Organizational Meeting occurs on the third Thursday in September or on such date that the Board of Directors may otherwise choose. A person may, however, be confirmed to fill or complete an unfinished term, resulting from the resignation of a member or otherwise vacant Board position. Between five (5) and nine (9) members' terms will expire each year. A member may be elected to successive terms without limit.

Section 1.5 Meetings: The Board of Directors shall hold regular meetings of the Board of Directors on the third Thursday of the month, or on such date that the Board of Directors may otherwise choose, to receive and act upon business properly noted on the agenda. If no objection is raised at the meeting, other matters not on the agenda may be raised and acted upon. The meetings shall be presided over by the President of the Board of Directors or in his/her absence the Vice President or Second Vice President. In the event of any question or point of procedure the presiding chair shall refer to Robert's Rules of Order which shall govern. Members may attend the meetings of the Board and exercise their voting privilege by means of video teleconference or audio (telephone) connection as long as it is possible for all attendees to hear each other simultaneously. Proxies shall not be permitted.

Section 1.6 Notification of Meetings: The Secretary/Treasurer of the Board or his/her designee shall be responsible for sending to all members written or electronic notification of the time, date, place, and agenda for regular meetings, one week in advance of the date of that meeting. Additional "special" meetings may be called by the President or any three directors, upon written petition to the President, with notification provided by the Secretary/Treasurer or his/her designee by email at least one week (5 working days) in advance of the meeting time; if the majority of the Board does not respond to the notification they will be contacted via telephone. A majority of the Board of Directors shall be contacted by the Secretary/Treasurer

Subject: By-Laws of Alternatives Inc.

and must agree to the “special” meeting time, date and place in order for it to be official. The Secretary/Treasurer shall be responsible to record the results of the contacts related to the notification of the “special” meeting for entry into the minutes at the regularly scheduled meeting of the Board of Directors. An agenda must be provided to the Board membership in advance of the special meeting. The Board of Directors is authorized to distribute ballots to the voting membership to decide on any item of business arising between meetings. Decisions with respect to such balloting require the affirmative vote of 2/3 of the membership or must be ratified by a majority of the Board at the next regular or special meeting.

Section 1.7 Quorum: A quorum for the conduct of all business will be not less than eight (8) members of the Board of Directors. Decisions may only be made by a majority vote of the quorum present, except in the case of an amendment to or an amendment in total of the By-Laws, revision to or amendment in total of the Personnel Manual, and the cases referred to in Section 1.8 and 1.9 of this article. Each member of the Board of Directors, including the President, is entitled to one vote.

Section 1.8 Conflict of Interest: Conflict of interest arises in any transaction with the Corporation or a committee of the Board in which a director has a direct or indirect pecuniary interest in the outcome of a vote.

A Director shall be considered to have a conflict of interest if (a) such Director has existing or potential financial or other interest in the transaction which impairs or might reasonably appear to impair such member’s independent, unbiased judgment in the discharge of his/her responsibilities to the corporation, or (b) such Director is aware that a member of his/her immediate family (defined below) or any organization in which such Director (or member of his/her immediately family) is an officer, director, employee, member, partner, or controlling stockholder, has such existing or potential financial or other interests in the transaction. All Directors shall disclose to the Board any possible conflict of interest at the earliest practicable time. Upon such disclosure, such Director shall abstain from speaking and voting on any matter under consideration at a Board or committee meeting, in which such Director has a conflict of interest. The minutes of such meeting shall reflect that a disclosure was made and that the Director having a conflict of interest abstained from speaking and voting. Any Director who is uncertain shall disclose the possible conflict of interest and request the Board or committee to determine whether a conflict of interest exists, and the Board or committee shall resolve the questions by a majority vote.

A transaction in which a Director has a conflict of interest may be approved: (a) in advance by the vote of the Board of Directors or a committee of the Board if: (i) the material facts of the transaction and the Director’s interest are disclosed or known to the Board or committee of the Board and; (ii) the Directors approving the transaction in good faith reasonably believe that the transaction is fair to the corporation; or (b) after it is consummated by obtaining approval of: (i) the Montana attorney general’s office; or (ii) a state district court in an action in which the attorney general is joined as a party.

Subject: By-Laws of Alternatives Inc.

A conflict of interest transaction is authorized, approved, or ratified, if it receives the affirmative vote of two-thirds of the quorum present who have no direct or indirect interest in the transaction.

No Board Member, committee member, or any member of his/her immediate family shall be employed by the Corporation during his/her term of office without an affirmative vote of a two-thirds majority of the Board of Directors quorum present. For purpose of clarity “immediate family” includes the following:

|                |                 |
|----------------|-----------------|
| Husband        | Wife            |
| Father         | Mother          |
| Father-in-law  | Mother-in-law   |
| Brother        | Sister          |
| Brother-in-law | Sister-in-law   |
| Son            | Daughter        |
| Son-in-law     | Daughter-in-law |

Section 1.9 Resignation, Expulsion, or Suspension of Membership: Any Director may be removed with or without cause at any time by the Board of Directors, at a regular or special meeting of the Board of Directors. Notice of the intent to remove a Director must be provided to that Director at least one (1) week before the scheduled meeting. Removal shall require a two-thirds (2/3) majority vote of the Board of Directors quorum present.

Section 1.10 Indemnification: An individual made a party to a legal proceeding because the individual is or was a Director may be indemnified against liability incurred in the proceeding if the Board determines that the individual: (a) conducted himself in good faith; (b) reasonably believed: (i) in the case of conduct in his/her official capacity with the corporation, that his/her conduct was in its best interests; and (ii) in all other cases, that his conduct was at least not opposed to its best interests; and, (c) in the case of any criminal proceeding, had no reasonable cause to believe his conduct was unlawful.

The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent is not, of itself, a determination that the Director did not meet the standard of conduct described in this section.

The corporation may not indemnify a Director under this section: (a) in connection with proceeding by or in the right of the corporation in which the Director was adjudged liable to the corporation; or (b) in connection with any other proceeding that charges improper personal benefit to the Director, whether or not involving action in his official capacity, in which the Director was adjudged liable on the basis that personal benefit was improperly received by the Director.

Indemnification permitted under this section in connection with a proceeding by or in the right of the corporation is limited to expenses incurred in connection with the proceeding.

Subject: By-Laws of Alternatives Inc.

The corporation shall indemnify a Director who was wholly successful, on the merits or otherwise, in the defense of any legal proceeding to which the Director was a party because he is or was a Director of the corporation, against expenses actually incurred by the Director in connection with the proceeding.

The corporation may pay for or reimburse the reasonable expenses incurred by a Director who is a party to a legal proceeding in advance of final disposition of the proceeding if: (a) the Director furnishes the corporation a written affirmation of his good faith belief that he has met the standard of conduct described above; (b) the Director furnishes the corporation a written undertaking, executed personally or on the Director's behalf, to repay the advance if it is ultimately determined that the Director did not meet with standard of conduct or is convicted of a crime; and (c) a determination is made that the facts when known to those making the determination would not preclude indemnification under the statute.

The undertaking required above shall be an unlimited general obligation of the Director who is the party to the legal proceeding but need not be secured and may be accepted without reference to financial ability to make repayment.

The corporation shall only indemnify and/or reimburse a Director after it is authorized in the specific case after a determination has been made by the Board of Directors that indemnification or reimbursement of the Director is permissible in the circumstances because the Director has met the standard of conduct set forth above. Such a determination shall be set forth in the minutes of the Corporation.

The determination of whether to provide indemnification or reimbursement must be made by the Board of Directors by majority vote of a quorum of Directors.

An officer of the corporation who is not a Director is entitled to indemnification to the same extent as a Director.

The corporation may indemnify and advance expenses to an officer, employee, or agent of the corporation who is not a Director to the same extent as to a Director.

The corporation may also purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation or who, while a Director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a Director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by him/her in the capacity or arising from his status as a Director, officer, employee, or agent.

## ARTICLE VI Officers

Section 1.1 Officers: The Officers of the Corporation shall consist of a President, First Vice President, a Second Vice President, a Secretary/Treasurer, and the Past President.

Subject: By-Laws of Alternatives Inc.

Section 1.2 Selection of Officers: At the annual meeting of the Board of Directors in September of each year, officers shall be elected by ballot. However if there is only one nominee for any office, a Board member may move with a second that the Secretary/Treasurer cast a single ballot electing the nominee.

Section 1.3 Assumption of Duties/Term of Service: Officers shall assume their official duties on October 1, of each year and shall serve for a term of one year.

Section 1.4 Consecutive Terms: There shall be no limit on the number of consecutive terms that may be served by an officer except the President. The President may serve only two consecutive terms and must then wait one term before being eligible to serve in that position again.

Section 1.5 Vacancy: In the event of a vacancy in any of the Board of Directors offices with the exception of the President, such vacancy shall be filled by a majority vote of the Board at the next Board Meeting at which there is a quorum present. Should the office of President become vacant, the Vice President shall succeed to the office of the President.

## ARTICLE VII Officers Duties

The various officers shall have the powers and duties which customarily appertain to, or are incident to, their respective offices under Montana law, including those hereinafter provided, and, in addition, such powers and duties as the Board of Directors may from time to time designate and confer.

Section 1.1 President of the Board: The President shall preside at all meetings of the Corporation, the Board of Directors, and the Executive Committee of the Board of Directors at which he/she may be present.

Section 1.2 The President in cooperation with the Chief Executive Officer shall prepare the agenda for Board Meetings.

Section 1.3 The President may assign items of business to standing or ad hoc committees for study and recommendations. However, the Board of Directors may decide to take action on the matter without waiting for the committee report, provided that it is included on the agenda and no objection is made thereto.

Section 1.4 The President shall designate the membership of standing and ad hoc committees not determined by direct Board of Directors action or by these By-Laws.

Section 1.5 The President shall be an ex-officio member of all standing committees, excepting the Nominations Committee, but has a vote only to break a deadlocked vote at the meeting of such committees.

Subject: By-Laws of Alternatives Inc.

Section 1.6 The President shall sign such instruments and documents as called for signatures by an Officer of the Board except as noted in Article X, Section 1.1.

Section 1.7 The President shall be responsible for ascertaining regularly whether the Chairpersons of committees are providing active and continuing leadership to their committees and for recommending to the Board changes in committee leadership. At the beginning of his/her term of office, the President of the Board of Directors shall recommend to the Board of Directors committees thought to be needed and their Chairpersons.

Section 2.1 The First Vice President in the event of the absence or illness of the President, shall serve in all duties assigned to the latter and shall become President for the remainder of the term when the office becomes vacant in mid-term.

Section 3.1 The Second Vice President in the event of the absence or illness of the President and First Vice President, shall serve in all duties assigned to the President.

Section 4.1 The Secretary/Treasurer, or designee, shall be responsible for the taking and distribution of minutes of Board Meetings and for the preservation of the official copy of the minutes as adopted. Distribution shall be accomplished by electronic mailing unless otherwise requested by a Board Member a week in advance of the subsequent meeting.

Section 4.2 The Secretary/Treasurer, or designee, shall be the custodian of the corporate charter and seal, and of the official copy of the By-Laws with the responsibility of keeping the latter updated.

Section 4.3 The Secretary/Treasurer, or designee, shall be responsible for the preservation of copies of annual reports, financial statements, and audits, and of other documents of like importance.

Section 4.4 The Secretary/Treasurer shall be responsible to provide that proper and timely notice is given to appropriate personnel of all Board of Director and Executive Committee meetings. Such notice shall normally entail the electronic mailing of an agenda including the time, date, and location of the meeting to each member one week in advance of the proposed meeting. In case of special circumstances or emergency, the President may approve notification by email and/or telephone with less than one week's notice.

Section 4.5 The Secretary/Treasurer, or designee shall be responsible for keeping an official roster of current Board members with the associated addresses, phone numbers, and terms of office.

Section 5.1 The Director of Finance (Chief Financial Officer), who is an employee of the corporation, shall be responsible for setting up and managing the financial books of the Corporation. The Secretary/Treasurer shall provide general oversight with the respect to the finances, funds and securities of the corporation with the understanding that it is the daily responsibility of the corporations accounting and financial employees and agents to accurately maintain the financial books and records of the corporation.

Subject: By-Laws of Alternatives Inc.

Section 5.2 The Secretary/Treasurer shall serve as a member of the Finance Committee of the Board of Directors and is not excluded from serving as chairperson of that committee.

Section 5.3 The Secretary/Treasurer shall work closely with the Chairperson of the Finance Committee and with the Chief Executive Officer in the general overseeing of the financial operations of the Corporation.

Section 5.4 The Secretary/Treasurer or designee shall present a financial statement at every meeting of the Board of Directors, and shall make a full report following completion of the annual independent audit.

#### ARTICLE VIII Committees and Their Duties

Section 1.1 Committees, both standing and ad hoc, may be set up by the Board of Directors to advise it on such matters as it determines desirable. The Board of Directors shall look to its committees for detailed consideration of issues and for carefully formulated proposals for Board of Directors action. No committee shall be established without the consent of a majority of the Board of Directors.

Section 1.2 Committees shall be Chaired by a voting member of the Board of Directors. Membership may include Board Members, Staff Persons, and members of the community at large.

Section 1.3 Any committee may function as an advisory body to the Chief Executive Officer on matters relating to administrative functions and actions.

Section 1.4 The following are the current standing committees:

- a. Executive
- b. Program
- c. Finance
- d. Personnel
- e. Housing and Food Service
- f. Community Development
- g. Nominations and Membership

Section 2.1 The Executive Committee shall be composed of the officers of the Board of Directors, Past President, and the Chairpersons of the standing committees.

Section 2.2 The quorum for a meeting of the Executive Committee shall be the majority of the members. Except in the event of an emergency, as determined by the President, all members of the committee will be notified of meetings for every case. In those cases where an emergency meeting is needed, effort shall be made to notify each officer and those committee Chairpersons

whose committee functions relate most to the business at hand by telephone and/or electronic mail.

Section 2.3 The Executive Committee shall advise the Board of Directors on matters not falling within the purview of other standing committees and on matters relating to the overall supervision of the administration of the corporation. The Executive Committee is responsible for the development and revision of long range goals for the Corporation which are then subject to approval by a quorum of the Board of Directors at a regular meeting or special meeting properly called and constituted under these bylaws.

Section 2.4 The Executive Committee shall serve as the most general advisory body for the Chief Executive Officer and shall determine the Chief Executive Officer's compensation with advice from the Personnel and Finance Committees.

Section 3.1 The Program Committee shall be responsible for the strategic development of the programs of the agency and the revision of the programs manual and shall advise the Board of Directors on such matters.

Section 3.2 The Program Committee shall receive periodic reports from the Chief Executive Officer or designee on how programs are working and recommend amendments to keep program policy abreast of, and relevant to, practice.

Section 3.3 The Program Committee shall participate actively in the ongoing evaluation of programs and shall perform a formal written evaluation of the program on an annual basis. The evaluation will be presented to the Board by October of each year and copies of the evaluation made available to Board Members upon request.

Section 4.1 The Finance Committee shall have general responsibility for overseeing the financial operations of the corporation and specific responsibility for the development of financial policy as such.

Section 4.2 The Director of Finance (Chief Financial Officer), under the direction of the Chief Executive Officer and the Finance Committee, shall be responsible for the preparation of the budget and for recommending the same to the Board of Directors. In this preparation, recommendations shall be received from Board committees on needed expenditures and the Finance Committee shall develop its own recommendation on a feasible budget. All budget revisions must be approved by a quorum of the Board of Directors.

Section 4.3 The Finance Committee shall receive periodic reports from the Chief Executive Officer on the financial operations of the agency and shall forward such reports with recommendations to the Board of Directors.

Section 5.1 The Personnel Committee shall be responsible for the development and revision of the Personnel Handbook and shall advise the Board of Directors on such matters.

Subject: By-Laws of Alternatives Inc.

Section 5.2 The Personnel Committee shall receive periodic reports from the Chief Executive Officer or designee on the effectiveness of the personnel policy.

Section 5.3 The Personnel Committee shall be responsible for the annual evaluation of the Chief Executive Officer and for presenting the results to each Director of the Board and to the Executive Committee for action per Section 2.4.

Section 5.4 The Personnel Committee shall be responsible for reviewing all Corporation job descriptions, including that of the program Chief Executive Officer, on an annual basis.

Section 6.1 The Housing and Food Service Committee shall be responsible for the development of policy relating to the Housing and Food Service facilities of the Corporation.

Section 6.2 The Housing and Food Service Committee shall receive periodic reports from the Chief Executive Officer on the functioning of Corporation facilities and shall develop recommendations for improvements.

Section 6.3 The Food Service Committee shall solicit community in-kind contributions for the food service program.

Section 7.1 The Community Development Committee shall be responsible for developing a continuing program of information on Corporation activities, accomplishments, and needs for both the general public and specific entities.

Section 8.1 The Nomination and Membership Committee shall nominate candidates for membership on the Board.

Section 8.2 The Nomination and Membership Committee shall be responsible for presenting a list of nominees for the offices of the Board at the annual meeting. Whenever an office other than that of the President becomes vacant during the course of a year, the committee shall provide nomination for this position at the next regular meeting of the Board.

Section 8.3 The Nominations and Membership Committee shall have primary responsibility for the recruitment of Board Members and shall prepare lists of potential members with indications of their skills and interests.

Section 8.4 The Nominations and Membership Committee may recommend to the Board on the removal of any member of the Board.

## ARTICLE IX Administration of the Corporation

Section 1.1 The Executive Committee of the Board in consultation with the membership, shall select and employ a single Chief Executive Officer who shall be solely responsible for managing all operations of the corporation, but shall do so within the limits of corporate policy.

Subject: By-Laws of Alternatives Inc.

Section 1.2 The Chief Executive Officer shall be primarily responsible for the implementation of the policies and for carrying out the goals and mission of the Board. For this purpose the Chief Executive Officer is responsible to oversee the development of a comprehensive set of written operating procedures and to review this annually. These standards in total shall be known as the Operations Manual and shall be made available to the Board of Directors, all personnel and others who may request it on a need to know basis.

Section 1.3 The specific duties of the Chief Executive Officer shall be outlined in the job description for that position.

Section 1.4 The Chief Executive Officer shall be an ex-officio non-voting member of the Board of Directors and of all other standing and ad hoc Board Committees.

Section 1.5 The Chief Executive Officer is authorized to make expenditures for the agency within the limits of the official corporation budget.

Section 1.6 The Chief Executive Officer shall be authorized to make an expenditure not to exceed \$10,000 on any one item for fixed assets or investment items. Items over \$5,000 and not exceeding \$25,000 must have the approval of the Finance Committee. Items over \$10,000 in cost must have the approval of a majority of a quorum of the Board of Directors at a properly convened meeting of the Board. Interim (between Board meetings) approval of expenditures over \$10,000 may be obtained telephonically or electronically (including email) but requires a majority vote by the entire Board membership. The results of such votes must be presented at the next Board meeting and ratified by the membership. In the case of an emergency expenditure as a result of damage to a facility or necessary to maintain program integrity the Chief Executive Officer has authority to commit funds as needed and without restriction to address the situation. The Chief Executive Officer is responsible for notifying the Board of such action by contacting an elected officer within 24 hours of the emergency, and the emergency expenditure will be considered for ratification by the Board of Directors at the next regular meeting or special meeting of the Board.

Section 1.7 Those representatives of the legal profession serving as Board Members may serve as legal counsel for the Corporation and will be remunerated for the same. The corporation's Chief Executive Officer shall be responsible for selecting legal counsel in any litigation, legislative or administrative hearing and contract negotiations concerning agency operations, subject to being overridden by majority of a quorum of the Board of Directors.

## ARTICLE X Miscellaneous

Section 1.1 Execution of Instruments: All checks, drafts, and other instruments for payments of money and all instruments of transfer of securities shall be signed in the name and behalf of the Corporation by those persons as designated by the Board of Directors on the Corporate Resolution which shall be considered at the time of the annual meeting each year and shall, if necessary be renewed. All instruments of conveyance of real property and all contracts and

Subject: By-Laws of Alternatives Inc.

agreements shall be signed by such officers or agents as a majority of a quorum of the Board of Directors may direct.

Section 1.2 Waiver of Notice: Any notice which is required to be given by law or these By-Laws to any Director or member of the Corporation may be waived in writing or electronically by the person or facility to whom such notice is required to be given. A Director's attendance at or participation in a meeting waives any required notice of the meeting unless the Director, upon arriving at the meeting or prior to the vote on a matter not noticed in conformity with the statute, the Articles, or By-Laws, objects to lack of notice and does not vote for or assent to that action.

Section 1.3 Investments: The property, assets and funds of the Corporation may be invested in shares of stock, whether common or preferred, bonds, notes, mortgages, or other securities in other personal property or real estate as a quorum of the Board of Directors may from time to time authorize or approve without restriction or limitation by reason of any statute, rule or law.

Section 1.4 The fiscal year of the corporation shall begin on July 1, of a calendar year and end on June 30<sup>th</sup> of the following year.

Section 1.5 At the conclusion of each fiscal year the Board of Directors will select an independent auditor to conduct a certified audit of financial records. This audit shall be reviewed by the Finance Committee and be presented to the Board of Directors by representatives of the independent auditors no later than the annual meeting in November.

## ARTICLE XI Amendment of By-Laws

Section 1.1 General: These By-Laws may be adopted, amended, repealed or added to by an affirmative vote of two-thirds of a quorum at an official meeting of the Board of Directors if notice of the proposed adoption, amendment, repeal or addition is contained in the notice of the meeting.

Section 1.2 Notwithstanding the foregoing, the voting members of the Board of Directors shall have no power to alter, amend, repeal or add to these by-laws in such manner as to permit any Director, member, officer, agent of employee ever to receive compensation or pecuniary benefit from the operations, except reasonable compensation for authorized services actually rendered to the Corporation in effecting one or more of its purposes, or to receive any part of the property or assets of the Corporation during its continuance or upon its dissolution or termination of its corporate existence except through bona fide purchase at fair value determined by a neutral third party.

Section 1.3 In any deadlock situation arising out of these By-Laws or application of the provisions contained herein an arbitrator shall resolve the matter and his or her decision shall be binding. The Chief Executive Officer, subject to ratification by a quorum of the Board, shall appoint a representative. The other side of the dispute shall appoint a representative, and those two representatives, shall select the arbitrator. The arbitrator shall proceed under the Montana Uniform Arbitration Act and, according to the Rules of Civil Procedure for the State of Montana,

render a decision as quickly as practicable. In the event that one or another party to the dispute unnecessarily delays or refuses to cooperate in the process, the other party may petition the Yellowstone County District Court for appropriate relief

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in August 1979 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Alternatives Inc.  
81-0382745

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

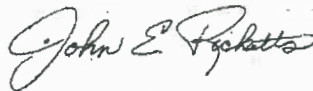

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Alternatives, Inc.  
Billings, Montana

### **Opinion**

We have audited the accompanying financial statements of Alternatives, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Alternatives, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alternatives, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alternatives, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alternatives, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alternatives, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Operations**

Alternatives, Inc. (the Organization) is authorized to provide rehabilitative and other services to public offenders.

The Alpha House and Passages are pre-release and treatment centers for offenders from the Montana Department of Corrections and the Federal Bureau of Prisons. The programs provide rehabilitation services for men and women to assist in integrating the offenders into society.

Jail Alternatives (Beta) and Misdemeanor programs provide rehabilitative and supervision services to Yellowstone, Stillwater, and Carbon counties for local and community offenders.

The Compass program provides short-term residential treatment, outpatient drug and alcohol counseling, and other educational programs for residents of Alpha House and Passages, local courts in Yellowstone, Stillwater, and Carbon County, the Department of Health and Human Services Child and Family Services, the United States Probation Office, Billings Probation and Parole, and self-admitted referrals.

**Basis of Accounting**

The accompanying statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board (FASB).

**Classification of Net Assets**

The Organization reports information regarding its financial position and activities according to two classes of net assets (net assets without donor restrictions and net assets with donor restrictions) based upon the existence or absence of donor-imposed restrictions. As of June 30, 2022 and 2021, the Organization had only net assets without donor restrictions.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash Equivalents**

For purposes of preparing the statements of financial position and cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. As of June 30, 2022 and 2021, there are no cash equivalents.

**Property and Equipment**

Property and equipment acquisitions in excess of \$2,500 are capitalized and recorded at cost or, if donated, at fair value at the date of receipt. Depreciation is provided over the estimated useful life of each depreciable asset, which ranges from 5 to 40 years, and is calculated using the straight-line depreciation method.

**Use of Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

**Concentration of Credit Risk**

The Organization's financial instruments subject to credit risk are primarily receivables and cash and cash equivalents. At June 30, 2022 and 2021, receivables were due from federal, state, and local governmental authorities for fees for services rendered. Receivables generally are due in 30 to 60 days.

The Organization's cash is deposited in various checking accounts in which FDIC coverage is limited to \$250,000 per account holder. At June 30, 2022 and 2021, the balance of these deposits was in excess of federally insured limits by approximately \$4,460,191 and \$4,391,858, respectively.

**Receivables and Credit Policies**

Contract services receivables are uncollateralized third-party obligations due under contract terms requiring payment within 30 days from the invoice date. Client and other receivables are uncollateralized obligations due from program residents, program clients, and other third parties. These receivables are due within 30 to 60 days from the date of service or invoice date. Management records client and other receivables at the amount expected to be collected. An estimated allowance for doubtful accounts is provided based on historical experience and management's evaluation of outstanding receivables.

Payments of receivables are allocated to the specific invoices identified on the remittance advice or, if unspecified, are applied to the earliest unpaid invoices.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition**

Most of the Organization's revenues are recognized primarily under fee-for-service contracts with county, state, and federal agencies. The Organization charges these agencies agreed upon fees for various services rendered, and revenue is recognized as the services are provided to clients who are placed in the Organization's programs and facilities by various agencies. The transaction price for a contract represents the amount of consideration the Organization expects to be entitled in exchange for the promised services in the contract. The consideration in the contract may be fixed, variable, or both, in nature.

The Organization also recognizes revenue from various programs utilized by the clients such as room and board, supervision and monitoring, detention services, classes, and assessments. Revenues from program fees are recognized when incurred.

Grant revenue is recognized in the period the award is received.

**Bond Reserve Funds**

Bond Reserve Funds consist of cash and U.S. Treasury obligations held in trust under the terms of an indenture agreement and are recorded at fair value, which approximates cost.

**Advertising**

Advertising costs are expensed as incurred. Advertising costs charged to the statements of activities for the years ended June 30, 2022 and 2021, were \$2,670 and \$3,346, respectively.

**Functional Allocation of Expenses**

The costs of program and supporting services have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services using an appropriate basis that is consistently applied. Indirect expenses have been allocated to program and supporting services based on relative utilization in the statements of functional expenses. Such allocations are determined by management.

**Income Taxes**

The Organization is a Montana based, non-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the Organization is not required to pay income taxes.

**Subsequent Events**

Subsequent events have been evaluated through December 15, 2022, the date which the financial statements were available for issue.

**NOTE 2. LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditures include only those without donor or other restrictions limiting their use within one year of the statement of financial position date. The following reflects the Organization's financial assets as of June 30, 2022 and 2021, net of amounts not available for general use within one year of the statement of financial position date due to contractual or donor-imposed restrictions.

|                                                                                        | <u>2022</u>         | <u>2021</u>         |

| Resident accounts                                                                      | <u>(750,087)</u>    | <u>(602,282)</u>    |
| Financial assets available to meet cash needs for general expenditures within one year | <u>\$ 5,499,959</u> | <u>\$ 5,392,945</u> |

The Organization monitors cash available to fund general expenditures throughout the year. The Organization manages its liquidity and reserves with the following guiding principles: operating within a prudent range of financial soundness and stability, documenting when authorized payments become due, and maintaining adequate liquid assets and reserves to fund operating needs. The Organization's goal is generally to maintain financial assets to meet 90 days of operating expenses. As part of its liquidity plan, the Organization has a \$600,000 line of credit available to meet cash flow needs.

**NOTE 3. CASH**

Cash balances for the years ended June 30, 2022 and 2021, were as follows:

|            | <u>2022</u>         | <u>2021</u>         |
|------------|---------------------|---------------------|

| 2026                       | 680,512             |
| 2027                       | 80,645              |
| Thereafter                 | <u>1,238,026</u>    |
|                            | <u>\$ 3,953,943</u> |

Amortization of the bond issuance costs charged to interest expense was \$6,506 and \$6,506, for the years ended June 30, 2022 and 2021, respectively.

The loan agreement with the Montana Health Facility Authority related to the Pre-release Center Revenue Bonds (Alternatives, Inc. Project) Series 1997 was refinanced under a new agreement in September 2015. Under the terms of the new loan agreement related to the Pre-release Center Revenue Refunding Bond (Alternatives, Inc. Project) Series 2015, the Organization is required to maintain certain deposits with a trustee. Such deposits are included in assets limited as to use as discussed in Note 6 to the financial statements. The loan agreement requires the Organization to satisfy certain measures of operations and financial performance, including a covenant that Passages net revenue and funds available for debt service must equal at least 115% of the debt service requirement in any fiscal year. The contract states that any shortfall of this calculation will be covered by the Montana Department of Corrections.

**NOTE 9. RETIREMENT PLAN**

The Organization has a 401(k) defined contribution profit sharing plan, which covers substantially all qualifying employees who have completed a year of service and are age 18 or older. Eligible employees may contribute a portion of their compensation to the plan on a pre-tax basis as an elective deferral up to the maximum dollar amount as determined by the Internal Revenue Service.

The Organization may make a discretionary, non-elective employer contribution to the plan each year. In order to receive an allocation of the employer's annual contribution, employees must be employed on the last day of the plan year and be credited with 1,000 hours of service during the plan year.

**NOTE 12. GAIN ON EXTINGUISHMENT OF DEBT**

In fiscal year 2020, Alternatives, Inc. received a Paycheck Protection Program (PPP) loan in the amount of \$1,546,480 granted by the Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Alternatives, Inc. applied for forgiveness, with inclusion of compliance substantiation and certification therein, and was notified on April 7, 2021 that \$1,546,480 in eligible expenditures for payroll and other expenses described in the CARES Act and accrued interest had been forgiven. Loan forgiveness is reflected in *Other Income* within the accompanying statements of activities.

**NOTE 13. RISKS AND UNCERTAINTIES**

The COVID-19 outbreak in the United States has caused business disruption to the Organization. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the disruption. Therefore, the Organization expects this matter could negatively impact its operating results. However, the related financial impact and duration cannot be reasonably estimated at this time. Management is carefully monitoring the situation as it continues to evolve.

## FOR ALL HOME-ARP APPLICANTS / ORGANIZATIONS

1. Organizations providing supportive services must ensure services are delivered equitably. A chronological waiting list, including the usage of date / time stamps, must be maintained for **every** service offered under HOME-ARP. This may differ from your organization's current waiting list policies and procedures. ***Please describe your organization's ability to maintain and manage multiple waiting lists.***

Alternatives, Inc. has been in operation for over 44 years. As a result, it has been accustomed to managing significant waiting list for services. Alternatives has built and maintained a proprietary software database called TOM which allows the agency to document referral dates, times, source, programs, and services rendered. Each program of TOM allows customizable services, service codes, pay sources, and tracking systems to allow specialty reports to be run at any time. Alternatives intends to utilize this system and report as appropriately. Alternatives will be able to detail the length of time between referral and service, how often a service was rendered, and all appropriate documentation necessary. Currently, Alternatives does not expect the need to hold a waitlist for the service offerings it is proposed. However, should a waitlist be needed, Alternatives has policies and procedures on file with DPHHS for Behavioral Health programming and can be rendered to the City as needed. These policies follow standard Critical Care (CC) populations that allow for waitlists to be jumped given the standard CC population status. In these situations, an intake is completed within 48 hours.

For housing support payments, each client referred will complete an intake with a designated Case Manager or Care Coordinator for the next available opening. Since Alternatives has a community program staff of 13 and the targeted population for this program is mainly offenders transitioning out of or diverting from the jail, it is expected that clients will receive an intake within 3 business days of the referral being received. Case Managers/Care Coordinators are alerted via a detailed task report each day and scheduling is completed by administrative support staff to ensure timely intake and execution of services.

2. Procedures for managing waiting lists may include information on handling referrals internally within an organization. If multiple services or programs are offered at your organization, ***please describe your policies and procedures for internal program referrals for participants within the organization.***

Referrals internally to other programs are services are done on an individual case by case basis in consultation with the client. The client is given all available options for services both internal and external and given an option to select appropriate services based on timelines and availability. Given the nature of the clientele served by Alternatives, clients are predominantly referred to the program from a court, probation/parole, DPHHS, or other government/community organization. If the client chooses an external program, Case Managers/Care Coordinators will document and assist the client with getting an intake appointment in that service. If the referral is for an internal service, a referral form is completed and must be acknowledged and accepted by the client. The client must complete an intake for that individual service with the appropriate program staff. For example a client receiving re-entry/housing supports who also needs a substance use disorder assessment will be given public, private, and internal options for the service. If the client chooses Alternatives for that program, an appointment would be made with a treatment team member to review those specific program guidelines. The client will sign the referral and follow up. If the client chooses an external program, Alternatives asks the client to complete necessary HIPPA release of information forms so that the Case Manager/Care Coordinator can speak to that agency about programming in order to provide continuity of care.

3. ***Please describe your organization's understanding of housing discrimination and [The Fair Housing Act](#).***

Alternatives has a basic understand of housing discrimination issues and adheres to the Fair Housing Act. We're committed to promoting equal housing opportunities and preventing any form of discrimination. As a recipient of other Federal, State, and Local funding alternatives has Standard Operating Procedures that prevent discrimination based on race, color, religion, sex, disability, familial status, or national origin. All staff are trained on harassment, disability, and discrimination policies and procedures at least once a year. As a result, Alternatives ensures that it will follow all federal guidelines of The Fair Housing Act when implementing housing/re-entry supports while also ensuring landlords are also adhering to these principles. Any concerns will be immediately reported to administrative staff.

4. ***Has your staff participated in any Fair Housing training in the last three years? If yes, please list training type(s) and date(s) of training:***

Alternatives, has not participated in Fair Housing Training, but would be willing to do so as long as it was appropriate and affordable for staff.

5. Demonstrating long-term outcomes and participant success following a HOME-ARP funding allocation is crucial. ***What procedures will your organization implement in order to collect follow-up data from participants?***

Alternatives already has a system in place to collect follow-up data for participants, especially those who receive Substance Abuse Disorder Treatment Services. Alternatives has a quality assurance and control policy and procedure that collects information about clients at intake, after treatment is completed, at 6 months post treatment, and at the 1-year mark to review client outcomes. Alternatives incentivizes these surveys as a way to get clients to respond for data. Additionally, given the specialty population, Alternatives is able to collaborate with local law enforcement, State Probation and Parole, and other treatment centers in Montana on recidivism data to review its impacts on programming on participants. This model can be used in this scenario should it be required. As the leading diversion and supervision program in the area, Alternatives is well equipped with implementing procedures to track long term outcomes.

6. ***How will you continue to serve clients after HOME-ARP funding is fully expended? i.e. describe how your organization will provide aftercare services for program participants.***

Depending on the type of service, Alternatives may have other funding sources that will be able to continue services. Additionally, Alternatives offers services for fees if no other funding source is available. Furthermore, Alternatives has a designated indigent fund for clients who are in financial need. This has been in place for over 15 years. Alternatives is committed to obtaining a diversification of funding and finding ways to continue services after grant funding expires. In many cases, a participant may require a different service other than what is provided as part of this grant. Should that be the case, Alternatives will make internal or external referrals. It is the intent that each participant receives an individualized plan that is regularly evaluated for ongoing supports. Often times, Alternatives is the first step in a client's recovery process. Alternatives hopes to provide necessary services, make referrals for those that it does not offer, and collaborate with community partners to ensure a client has well-rounded services that meet his/her needs. Typically these aftercare services occur outside of Alternatives program, but is dependent on individual need due to the specialized criminal justice population we service.

7. Organizations will be required to use HMIS (Homeless Management Information System) to coordinate services and check for duplication of benefits. ***Does your organization currently use HMIS? If not, is your organization willing to implement HMIS to meet program requirements?***

Alternatives does not currently participate in HIMIS, but is willing and able to implement this to ensure that it meets program requirements. As indicated above, Alternatives is dedicated to providing detailed and comprehensive data reporting.

8. ***After reviewing the additional questions / requirements / clarifications attached, would your organization like to adjust any of the supportive service activities that were proposed in your original application?***

Alternatives does not have any questions regarding the requirements. We would like to request additional funding for Substance Use Disorder Services in addition to the rental assistance. An updated sources and uses sheet is attached to reflect this additional service.

## Alternatives

- The agency proposed that it would carry out Outreach Services, Landlord / Tenant Liaison Services, and / or Services for Special Populations; however, the agency did not propose needing staffing costs to deliver these services. ***Please review the attached table for the definitions of Outreach Services, Landlord / Tenant Liaison services, and Services for Special Populations. Are there specific activities that the agency would like to provide that will meet the requirements of these definitions? If yes, please describe the activities. The agency may also need to add staff costs to their Sources & Uses sheet and resubmit.***

Alternatives currently staffs case managers and care coordinators who are funded out of grants or other funds. Alternatives is not requesting reimbursement for the salaries or benefits of this staff time; however, will be performing outreach, landlord/tenant services, and services for special populations, namely offenders who are often excluded from other programs, especially violent and sex offenders. Currently Alternatives meets with clients at the office, at referral sources, or at the jail. No mileage or supplies will be reimbursed though staff often meet with landlords, sober living homes, and other referral sources to assess individual needs or assist with transitional housing services.

- ***If the organization is not hiring staff to carry out HOME-ARP supportive services, how are the positions funded today and why is HOME-ARP needed?***

As mentioned above, the staff are currently staff of Alternatives and are paid out of grants and other funding sources. Those sourced do not currently offer re-entry rental assistance. Alternatives did have funding from a COAP grant through the MBCC for this, but that grant ended in 2023. Alternatives expects to find an alternative funding source for this in the future and would like to use the HOME-ARP funds to fill that temporary gap.

As far as the use of HOME-ARP funds for Substance Abuse Treatment, Alternatives is expecting this to be a temporary need while individuals get their Medicaid redetermination status resolved. Over 104,000 individuals had their Medicaid canceled since April of last year that is leaving service providers and clients without reimbursement options. With the delay in Medicaid approvals, clients are not receiving the services these they need. Again, this is just a temporary stop gap fill while other funding is secured and while state reimbursement is leveled out.

- ***What are the “other housing specific needs” (Sources & Uses doc) that the agency plans to provide?***

Other housing specific needs would be furnishings for a home such as couches, beds, bedding, towels, kitchen items. These would be purchased on a case-by-case basis with attempts to utilize second hand stores and other vouchers as appropriate. This has been updated on the Sources and Uses.

## HOME-ARP PROJECT SOURCES AND USES

Unique Entity Identification (UEI) Number: A UEI is a number issued by the federal government's System for Award Management (SAM) to identify businesses and other entities that do business with the federal government. The UEI replaces the DUNS number. If your entity is already registered in SAM.gov, it has already been assigned a UEI number. Simply log into SAM.gov to access it. Entities intending to bid on contracts or grants directly from the federal government should visit SAM.gov and choose "Register Entity" to receive a UEI. Those who would like a UEI for sub-award reporting should choose "Get Unique Entity ID." There is no cost to register for a UEI and it can usually be created within one business day. **Q21**

Describe the organization's experience and compliance with federally funded programs. (1,000 characters maximum)

HomeFront Partners boasts over 52 years of expertise in federally funded housing and adherence to fair housing laws. Our consistent passing of federal and state reviews showcases our compliance with HUD standards. With a comprehensive Internal Control Plan and regular audits, we prioritize accountability. Monthly Board meetings ensure we meet federal requirements, serving nearly 3,000 individuals with integrity. Our track record includes managing HCV, Mod Rehab, VASH, with 400+ annual inspections and extensive federal regulation training for staff. Our financial health and commitment to equitable housing reflect our strict compliance, with no discrepancies throughout our history, and proactive measures to maintain this record.

---

**Q22**

Describe the agency's policy for maintaining confidentiality of individuals and families served. (1,000 characters maximum)

HFP maintains strict confidentiality for those we serve, with all staff adhering to HIPAA and HUD privacy standards, including no retention of medical records. We access criminal records solely with individual consent, in compliance with 24 CFR 5.903. Personal data is managed with the utmost care, stored for at least three years to accommodate disability access needs. Our records management, following robust policies for nondiscriminatory recruitment, is reinforced by our Internal Control Plan and continual training on confidentiality and PII. We follow stringent data handling protocols, employ secure systems, and conduct regular cybersecurity training. Sensitive information access is limited to authorized personnel, and we have secure storage for physical files, ensuring preparedness for any data breaches.

---

**Q23**

Describe the organization's policies, procedures, and experience in each of the following three areas: (1,500 character maximum for each)

Financial Management & Accountability

**HomeFront Partners maintains stringent financial management and accountability protocols. Our comprehensive Internal Control Plan ensures meticulous tracking of expenditures and revenues, aligning with GAAP and HUD financial standards. Regular internal and external audits validate our fiscal practices, and a three-year financial record demonstrates our stability and transparency. Monthly financial reports are scrutinized by our Board, ensuring that all public and private funds are managed with the highest degree of integrity.**

Personnel Management

**Our personnel management is rooted in equity and professionalism. We adhere to rigorous hiring practices, providing fair housing, cyber security, and sensitivity training to all staff. Performance evaluations are systematic, fostering professional growth and aligning with organizational goals. Our commitment to staff development is evidenced by our low turnover rate and the high level of certifications maintained by our team, ensuring that we have skilled personnel dedicated to our mission. We also seek to offer competitive wages and benefits to attract team members who are high-achieving individuals. HFP provides a competitive benefits package to its employees, including medical, dental, vision, accident, short- and long-term disability, life insurance, paid time off and holidays. HFP employees also receive retirement benefits as members of the Montana Public Employee Retirement System. HFP is an equal opportunity employer and maintains a drug-free workplace. To provide equal employment and advancement opportunities to every applicant and employee, HFP bases employment decisions on merit, qualifications, experience, and abilities. Interested individuals can apply through our website where we post all available jobs.**

Procurement & Purchasing

HomeFront Partners follows strict procurement and purchasing policies compliant with federal regulations at 2 CFR §200.317 through §200.326, Procurement Standards, the procurement standards of the Procurement Handbook for Public Housing Authorities (PHAs), HUD Handbook 7460.8, REV 2, and applicable State and Local laws to ensure transparency and competitiveness. We conduct thorough market research, issue RFPs for major contracts, and maintain a vendor list that meets our ethical and performance criteria. Our process includes rigorous evaluation and approval mechanisms to guarantee that every purchase delivers the best value while adhering to our commitment to economic inclusion and community development. The most recent Procurement Policy was adopted by the Board of Directors through Resolution No. 1178 on 6/29/2022.

Recordkeeping & Reporting

Recordkeeping and reporting at HomeFront Partners are conducted with precision and in compliance with HUD's regulatory framework. We maintain all records for at least three years, ensuring that data on program funding, participant demographics, and financial transactions are accurate and readily available. Our reporting system is robust, facilitating timely and accurate reports to stakeholders and regulatory bodies, reflecting our dedication to transparency and continuous improvement in service delivery.

---

## Q24

If the organization currently manages grant funding, describe the method for tracking staff time on grant-specific tasks. (500 characters maximum)

HomeFront Partners employs a detailed time-tracking system for staff working on grant-specific tasks. This includes electronic timesheets where employees log hours spent on grant-related activities, ensuring accurate allocation of time to respective grants. This system is periodically audited for compliance with grant requirements, facilitating transparency and accountability in our grant management process.

---

**Q25**

Describe the standards the organization uses for code-of-conduct covering conflicts of interest and governing the actions of its officers, Board of Directors, and employees. (2,000 characters maximum)

HomeFront Partners enforces a rigorous code-of-conduct to prevent conflicts of interest and guide the behavior of our officers, Board of Directors, and employees. This code demands full disclosure of any potential conflicts, prohibiting personal gain from organizational resources or decisions. Our officers and board members must recuse themselves from decisions where a conflict may exist. The policy states: "No employee, officer, Board Member, or agent of the HAB shall participate directly or indirectly in the selection, award, or administration of any contract if a conflict of interest, either real or apparent, would be involved." Employees are trained to recognize and report conflicts, with annual reviews to reinforce understanding. Ethical conduct is monitored by an independent compliance officer, ensuring decisions are made solely in the organization's best interest. Violations are met with disciplinary actions, up to termination or removal from the board. Financial transparency is paramount, with strict rules against accepting gifts that could influence decision-making. We also limit political activities to prevent any appearance of organizational bias or favoritism. Regular audits and board oversight further maintain the integrity of our operations. This code is not only a set of rules but also a culture that promotes honesty, respect, accountability, and the public trust. Our commitment to ethical conduct ensures we operate transparently and effectively, serving our community's housing needs without compromise.

Describe the need for the proposed supportive services at your organization in relation to homeless prevention and increasing housing stability. (1,000 character maximum)

Our proposed supportive services address critical barriers to housing stability, essential in preventing homelessness. We provide case management and re-entry support, crucial for individuals transitioning to stable living environments. Financial assistance, covering rental applications and deposits, minimizes economic obstacles to housing access. Our guidance through complex aid programs and provision of often-overlooked essentials like hygiene products supports clients' dignity and readiness for housing. Stable housing is fundamental to life goal attainment, and our role in preparing clients for tenancy is key. With a 9-year track record in MERA and CoC programs, we're a trusted entity, deeply understanding street-level needs. Our established management, coupled with strong landlord relationships and specialized training in fair housing, domestic violence, de-escalation, and sexual harassment, positions us to offer holistic, impactful services.

**Q12**

Provide a detailed description of the organization's ability to serve the identified qualifying population(s). Describe similar projects or activities that have been / are being successfully carried out at the organization, as well as sources of funding for the programs or activities. (2,000 character maximum)

HomeFront Partners (HFP) stands out for its capacity to serve diverse qualifying populations, backed by a track record of administering HUD programs and operating as a Public Housing Authority in Billings. We manage programs like HCV and Mod Rehab, addressing the needs of veterans, individuals with disabilities, and the homeless, seamlessly integrated through the Continuum of Care's Coordinated Entry System and partnering with other organizations in case staffing, collaborating with sober living homes for rapid rehousing, and leading way to addressing homeless challenges. Our long-standing management of the Mod Rehab program has made significant strides in housing those emerging from homelessness, particularly those facing mental health or substance abuse challenges. Our swift action through the EHV and MERA programs showcases our responsiveness to homelessness risks. Uniquely, we also provide critical assistance to sex offenders seeking suitable housing whom are traditionally underserved. Our projects are funded through federal and state grants from HUD and the MT Department of Commerce, complemented by public/private partnerships that enhance our funding pool and service outreach. Our staff's expertise in Fair Housing laws and a suite of professional certifications ensure exemplary program administration. Our partnership with entities like the Continuum of Care and Montana NAHRO further amplifies our service efficacy. HFP's strategic planning and policy review are continual, reflecting our adaptive services to meet community needs. The December 2022 update of our Internal Control Plan solidifies our pledge to operational and service excellence. With robust operational structures, skilled staff, and reliable funding, plus a collaborative and improvement-focused culture, HFP is well-equipped to deliver effective services to our designated populations.

---

**Q13**

Please explain any identified obstacles to carrying out this activity prior to the expenditure deadline of September 30, 2030. (1,000 character maximum)

The only obstacle in reaching our goal is the hiring of a second Tenancy Support Specialist to fill the role. HFP will actively recruit for a second Tenancy Support Specialist in addition to the one current staff member in this role. this position once awarded in hopes of filling almost immediately upon program award. A job description and resume are attached to this application.

---

**Q14**

Describe how the organization plans to market the program to participants to ensure people know how to access services or resources. (1,000 character maximum)

HFP employs a dynamic marketing strategy to ensure wide awareness of our services. We use Constant Contact to promptly inform nonprofits and agencies in our network about our offerings, enabling regular updates. Our active social media presence on Facebook, Twitter, Instagram, and our website extends our reach, engaging the community and directing those in need to our resources. Moreover, we capitalize on physical marketing tools like sandwich boards to capture local foot traffic. The utilization of the TSS position enables direct outreach, collaborating with property managers, healthcare facilities, and social services like Family Services. This role also involves advocating for our programs through presentations at community hubs like libraries and participating in the Continuum of Care, enhancing partnerships and referrals. This multi-channel approach ensures that individuals and families in need of housing assistance are aware of and can easily access the resources we provide.

---

**Q15**

The City has not implemented a preference for any qualifying populations or subpopulations. Describe how the agency will maintain a waiting list of any program participants and/or a waiting list for services. (1,000 character maximum)

HFP maintains a comprehensive & equitable waiting list for participants, ensuring fair access to services. Our process will involve a systematic application intake, assessment of eligibility, and time-stamped recording of applicants to uphold transparency and orderliness. The waiting list will be regularly updated & managed through our secure database, allowing for real-time tracking of applicant status & needs. We notify applicants of their list status. When vacancies arise, the waiting list are consulted to fill spots based on the application date, ensuring those who have waited longest are prioritized. For services, applicants will be triaged based on urgency and program criteria. This waiting list system will be auditable, with clear documentation practices to ensure compliance with HUD guidelines & to withstand external reviews. HFP's approach is designed to be adaptable, allowing for the inclusion of preferences should the City implement them in the future.

---

**Q16**

Describe how the agency will verify a program participant meets at least one of the qualifying populations prior to service approval. (1,000 character maximum)

HFP implements a rigorous verification process to ensure that all program participants meet the qualifying criteria before service approval. Applicants are required to submit documentation that evidences their eligibility, such as income statements, housing status, and any other relevant information pertaining to the qualifying populations criteria. Our staff is trained in the detailed assessment of such documentation, ensuring due diligence in the verification process. Interviews or attestations from community organizations, are conducted for those claiming homelessness. Our staff's careful documentation assessment maintains service integrity and participant confidentiality.

---

**Q17**

How will the organization verify the income of the individuals / households served? Check all that apply.

- Federal Tax Forms,**
- Pay Stubs,**
- Client Self-Report,**
- Verified through other assistance (TANF, Medicaid, etc.),**
- Third Party Verification**

**Q18**

Describe how the agency will assess duplication of benefits, including a process for verifying that a program participant is not currently receiving and/or been approved to receive the same service through another funding source. (1,000 characters maximum)

HomeFront Partners diligently assesses duplication of benefits with a multi-step verification process. Participants declare any concurrent services upon application, which we verify against other funding sources, aided by our active participation in the Continuum of Care Coalition. This network facilitates data sharing and prevents overlap of services. Additionally, unique cases are staffed individually, providing another layer of scrutiny. Regular cross-references with local agencies' databases are conducted, and we obtain consents to review participants' records from other programs, ensuring no duplication occurs. Our coordinated approach and robust communication channels with other service providers ensure the integrity of resource allocation.

**Q19**

Has any program participant been required to repay due to an overpayment and / or duplication of funds at your agency? If yes, how were repaid funds reinvested into another program participant and / or activity?

**Yes,**  
Other (please specify):  
While HomeFront typically does not encounter overpayments or duplications of services, on rare occasions they have occurred. In such instances, HFP has worked with clients to establish a repayment agreement, when feasible. 50% of the overpayment collected must be paid back to HUD while the remaining funds are reinvested directly back into the same program to benefit other participants.

**Q20**

Describe the methods or programs the agency will use to document and verify a program participant's eligibility. (1,000 characters maximum)

HomeFront Partners establishes program participant eligibility through rigorous documentation and verification protocols. Applicants are required to submit essential documents such as proof of income and residency. Our team carefully assesses these documents, cross-checking with the "by name list" from the Continuum of Care Coalition to prevent duplications and ensure accurate eligibility. For verification, we employ robust software systems that create an auditable trail of eligibility determinations. Special attention is given to unique cases, with direct verification from other agencies as necessary. This thorough documentation and verification process upholds the integrity of our programs and ensures that services are provided to eligible participants in compliance with program requirements.

**Q21**

What is the total HOME-ARP funding requested for supportive service activities? (Please enter whole numbers in each field (no dollar sign, comma, decimal point, etc.)

For supportive services activities: **261660**

For the direct provision of services: **381383**

---

**Q22**

**Yes**

If included in the project budget, will the cost of labor or supplies and materials be incurred in directly providing supportive services to program participants? (i.e., direct provision of services)

---

**Q23**

If the direct provision of services will be funded, please describe the employee positions to be funded, percentage of time dedicated to the activity, qualifications, and duties in carrying out the proposed activity. (500 characters maximum)

HFP seeks 2 Tenancy Support Specialists, 100% funded, for full housing process facilitation, landlord outreach, client advocacy, and record maintenance. They'll coordinate with crisis services and the Eligibility Department, ensuring clients' housing needs are met and analyzing market trends. Qualifications include a Bachelor's or equivalent experience, 1-year mental health and substance disorder work, knowledge of housing programs, a valid driver's license, and a clean NCIC background check.

---

**Q25**

Identify the organization's key staff members that will be responsible for HOME-ARP activity oversight, implementation, financial management, and quarterly reporting. Please include specific titles and qualifications. (1,000 characters maximum for each)

Activity Oversight:

The TSS will engage daily in the activities outlined, under the supervision of the Director of Operations. Current TSS, Pam Aning, boasts 9 years at HomeFront, with 3 years on the MERA Program. A community partner for the COC Initiative in Yellowstone County, Pam was recently honored with the Montana Housing Partners Front Line Staff award for her dedication during COVID. The Director of Operations position is currently vacant and we are actively recruiting this position.

Implementation:

The TSS will diligently collaborate with clients to achieve their objectives, meticulously documenting all interactions including meetings, needs, outcomes, and progress to ensure goals are met and for documentation purposes. This includes tracking additional agency involvement to maximize resource utilization. As part of our commitment to quality assurance and control, outcomes and objectives will be reviewed regularly. This data will then be reported to the CEO for comprehensive analysis. The CEO will present these findings to the Board at least semi-annually to maintain transparency and inform strategic decision-making, ensuring continuous improvement in service delivery.

Financial Management:

Financial oversight at HomeFront is managed by CEO Patti Webster, who brings over 35 years of experience. Helen's precise attention to detail ensures adherence to budget guidelines. Her expertise in financial reporting, accounting, auditing, and planning is crucial for preparing accurate quarterly budgets. All financials undergo external audits by an independent auditor, and state and federal agencies also review them for contract compliance. The financials and audits are meticulously reviewed by the Board of Directors' Executive Committee and subsequently reported to the full board, guaranteeing financial transparency and accountability.

Quarterly Reporting:

Reporting will be jointly managed by the Tenancy Support Specialist and Director of Operations, who currently handle similar tasks for other programs. Their collaboration ensures the delivery of precise and current information. Working as a duo allows them to effectively monitor deadlines, ensuring all reports are completed within the stipulated timeframes.

**Q26**

Yes

If awarded HOME-ARP funding, will the organization hire new staff to implement the project? If yes, the organization must comply with low-income recruitment regulations for positions supported, either in part or in full, with federal funding. Recruitment efforts must include targeting low- and very-low-income individuals, and race/ethnicity documentation must be provided on applicants for any positions supported by federal funding.

Dear Sir or Madam:

This is in response to your request dated September 14, 2016 regarding your tax-exempt status.

We confirmed you were erroneously placed on the Auto-Revocation List. You can disregard the CP120A notice we previously sent. We'll remove you from the Auto-Revocation List and relist you in the Exempt Organizations Select Check (Pub 78 data) on our website, [www.irs.gov/charities](http://www.irs.gov/charities), during the next monthly update.

We issued you a determination letter in January 1996, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(f) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit [www.irs.gov](http://www.irs.gov) or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

Sincerely yours,

Addendum Applies:  
No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

**RESTATED BY-LAWS  
THE HOUSING AUTHORITY BILLINGS**

Effective July 1, 2022

REVISED BY RESOLUTION # 1173

**ARTICLE I - THE AUTHORITY**

- Section 1. **Name of Authority.** The name of the Authority shall be HomeFront with the legal entity, the Housing Authority of Billings.
- Section 2. **Seal of Authority.** The seal of the Authority shall be in the form of a circle and shall bear the name of the Authority, the year of its organization, the word "Seal", and the words "Billings, Montana".
- Section 3. **Office of Authority.** The office of the Authority shall be at the administrative office of the Authority, located at 2415 1<sup>st</sup> Avenue North, in the City of Billings, State of Montana. The Authority may hold its meetings at such other places as it may designate, at the discretion of the majority of the Board of Commissioners.
- Section 4. **Board of Commissioners.** The powers of the Authority shall be vested in the Board of Commissioners thereof in office from time to time duly appointed or elected.

**ARTICLE II - OFFICERS**

- Section 1. **Officers.** The officers of the Board shall be a Chair, a Vice-Chair, and a Secretary. In addition to the above officers, the Board of Directors may elect or appoint such other officers, assistant officers, and agents as it deems necessary at such times, in such manner, and upon such terms, as it shall prescribe.
- Section 2. **Chair.** The Chair shall preside at all meetings of the Board. At each meeting, the Chair may submit such recommendations and information as the Chair may consider proper concerning the business, affairs, and policies of the Authority.
- Section 3. **Vice-Chair.** The Vice-Chair shall perform the duties of the Chair in the absence or incapacity of the Chair; and in case of the resignation or death of the Chair, the Vice-Chair shall perform such duties as are imposed on the Chair until such time as the Authority shall select a new Chair.

Should the Vice-Chair be unavailable to preside at regular or special meetings of the Board, then the remaining Commissioner with the greatest length of service shall preside.

Section 4. **Secretary.** The CEO/Executive Director of the Authority shall be the Secretary. The Secretary shall be responsible for the maintenance of the records of the Board, shall be responsible for providing a record of all votes, and shall provide for the keeping of a record of the proceedings of the Board in a journal of proceedings and shall keep in safe custody at the Housing Authority offices the journal of proceedings and the seal of the Authority, and shall have the power to affix such seal to all contracts and instruments authorized to be executed by the Authority. The Secretary shall perform all duties incident to the office.  
The Secretary shall not be a voting Board member.

Except as otherwise authorized by resolution of the Board, the Secretary, or those HomeFront staff designated as signers, shall sign all checks for the payment of money and shall pay out and disburse such money under the direction of the Board. The Secretary shall provide for the keeping of regular books of accounts showing receipts and expenditures, in summary, and shall cause to be rendered to the Board, at each regular meeting (or more frequently when requested), an account of transactions and also of the financial condition of the Authority. The details of this information are held with the Chief Financial Officer and will be made available upon request.

Section 5. **CEO/Executive Director.** The CEO/Executive Director shall manage and supervise the business, affairs, and property of the Authority, subject, however, to the control of the Board; and shall perform such other duties as are incident to the office of a chief executive officer or are properly required of or by the Board. Included in these general powers but not by means of limiting them, the CEO/Executive Director may from time to time employ such personnel as he or she deems necessary to exercise the Authority's powers, duties, and functions as prescribed by the Housing Authorities Law, as amended, of Montana and all other laws of the State of Montana applicable thereto. The selection and compensation of such personnel shall be determined by the CEO/Executive Director subject to the laws of the State of Montana. The CEO/Executive Director shall be an employee of the Board. No Commissioner of the Authority shall be eligible to hold this office during his or her term as Commissioner or for a period of three years after his or her departure from the Board.

Section 6. **Additional Duties.** The officers of the Board shall perform such other duties and functions as may from time to time be required by the Authority or the by-laws or rules and procedures of the Board.

Section 7. **Election of Officers.** The Chair and Vice-Chair shall be elected at the annual meeting of the Board from among the Commissioners of the Board, and shall hold office for one year or until their successors are elected and qualified; except that the first Chair shall hold office until the expiration of their term as Commissioner. Officers shall take office at the next regular meeting of the Board after the election.

Section 8. **Vacancies.** Should the office of Chair become vacant, the Vice-Chair shall assume the position for the unexpired term of said office or until the next election for Chair, whichever occurs first. If the office of Vice-Chair becomes vacant, the Board shall elect a successor from its membership at the next regular meeting.

Section 9. **Removal.** The Board may remove a commissioner from the position as an officer. An officer shall not be involuntarily removed from office except after being given no less than one (1) week notice of a hearing held by the Board. Said notice shall state the grounds for the proposed removal. At that hearing, the officer proposed for removal from that position shall have the opportunity to be represented and address the reason for the proposed removal. An officer can be removed only through a resolution adopted by a majority of the full Board. The Board cannot remove a commissioner from the position of a commissioner and the Secretary shall be removed in accordance with law or if the CEO/Executive Director has been appointed through an employment contract, according to the provisions of that contract. All other officers can be removed either for cause or without cause.

### **ARTICLE III - MEETINGS**

Section 1. **Annual Meeting.** The Annual Meeting of the Board shall be held on the last Wednesday in the month of February. In the event such a date shall fall on a legal holiday, the meeting shall be held on the date to which such a regular meeting would be postponed.

Section 2. **Regular Meeting.** Regular meetings shall be held at such time and place as may from time to time be determined by the Board. In the event a day of the regular meeting shall be a legal holiday, the meeting shall be held on the same day of the following week or such other date as determined by the Board.

Section 3. **Special Meeting.** The Chair of the Board may, when the Chair deems it expedient, call a special meeting of the Board for the purpose of transacting any business designated in the call. The Chair of the Board shall, upon the written request of two Commissioners of the Board, call a special meeting. At such a special meeting no business shall be considered other than as designated in the call, but if all Commissioners are present at a special meeting, any and all business may be transacted at such a special meeting.

The call for a special meeting shall be mailed, e-mailed, or hand-delivered to each Commissioner of the Board at their business or home address at least forty-eight (48) hours prior to the date of such special meeting. Any Commissioner who claims not to have received notice of the call and who does not attend the special meeting may at the next regular meeting move for reconsideration of any and all items of business that were voted upon at the special meeting. Any Commissioner may waive the notice requirement by attending the Special Meeting.

Section 4. **Closure of Meetings.** All of the meetings of the Board shall be open to the public whether regular or special except in the following cases:

(1) When the discussion relates to a matter of individual privacy, the Chair or other presiding officer, with the advice of legal counsel shall make a determination as to whether the demands of individual privacy clearly exceed the merits of public disclosure. If the presiding officer does determine that the demands of individual privacy clearly exceed the merits of public disclosure, the Chair may close the meeting for the discussion of the matter unless the individual or individuals who are the subject of the discussion waive their right of privacy. In the latter event, the meeting shall remain open; (2) any other matter that meetings are allowed to be closed by law.

Section 5. **Electronic Meetings.** The Board may determine to hold meetings electronically, instead of in-person meetings, to ensure the health, safety, and security of the Board, staff, and the public. Electronic meetings will be held when legal notice of such meetings is adequate for the Board, Staff and the Public to participate.

Section 6. **Quorum.** A majority of sitting Commissioners shall constitute a quorum for the purpose of conducting its business and exercising its powers and for all other purposes, but a smaller number may adjourn from time to time until a quorum is obtained. When a quorum is in attendance action may be taken by the Board upon a vote of a majority of the Commissioners present. Telephonic and Electronic attendance may count for all purposes in establishing a quorum.

Section 7. **Order of Business.** The order of business shall be as set from time to time by the Board.

Section 8. **Resolutions.** All resolutions shall be in writing and shall be copied in a journal of the proceedings of the Board.

Section 9. **Manner of Voting.** The voting on all questions coming before the Authority may be by voice vote except that upon request of one member the vote may be by roll call, and the yeas and nays shall be entered upon the minutes of such meeting. The election of officers may be by ballot.

#### **ARTICLE IV. Committees**

Section 1. **Ad Hoc Committees.** The Chair may appoint such Ad Hoc committees for such purposes as are consistent with these By-Laws and the purposes, jurisdiction, and authority of the Authority. The membership of an Ad Hoc committee shall have Commissioners as the majority of its membership except in instances when the committee's charge concerns Commissioner conduct when there shall be no requirement for Commissioner membership on the Ad Hoc committee. Any such Ad Hoc committee's term shall be until the Board's next annual meeting, a new Chair succeeds the appointing Chair, or by the action of the Chair, whichever occurs first. Committees may be continued in whole or in part by any new Chair. Committees shall have no authority to act on any matter that requires Board action and shall have only that

jurisdiction is specifically authorized by the charge given to the committee by the Chair. The quorum for a committee shall be no less than 33% of its members provided that number shall not be less than 2 persons. Any action by an Ad Hoc committee can be nullified by the Board at the Board's next meeting.

Section 2. **Standing Committees.** Standing committees shall exist by virtue of these By-Laws without any further action by the Chair.

Section 2.1 **Executive Committee.** The Chair, Vice-Chair, and Secretary shall constitute an Executive Committee. The designating of such committee and the delegation thereto of authority shall not operate to relieve the Board, or any member thereof, of any responsibility imposed by law. The Secretary shall not be a voting member of the Executive Committee. The Executive Committee's jurisdiction shall be limited to those routine administrative matters that do not require Board action, to provide an annual evaluation of the CEO/Executive Director and provide advice to the CEO/Executive Director, or to act upon such matters as specifically authorized by the full Board. Any action by the Executive Committee can be nullified by the Board at the Board's next meeting. Meetings of the Executive Committee may be held without notice at such times and places as the Chair may fix from time to time. Any action required or permitted to be taken by the Executive Committee at a meeting may be taken without a meeting if all of the members of the Executive Committee sign a consent in writing, setting forth the action so taken. All other actions must be ratified by the full Board.

Section 2.2 **Finance Committee** – The Chief Financial Officer and two commissioners shall constitute a Finance Committee. The designation of such committee and the delegation thereto of authority shall not operate to relieve the Board, or any member thereof, of any responsibility imposed by law. The Finance Committee's jurisdiction shall be limited to those routine financial matters that do not require Board action, to provide advice to the CEO/Executive Director, or to act upon such matters as specifically authorized by the full Board. Any action by the Finance Committee can be nullified by the Board at the Board's next meeting. Meetings of the Finance Committee may be held without notice at such times and places as the Chair may fix from time to time. All committee actions must be ratified by the full Board.

Section 2.3 **Development Committee** – The CEO, CFO, and two commissioners shall constitute a Development Committee. The designation of such committee and the delegation thereto of authority shall not operate to relieve the Board, or any member thereof, of any responsibility imposed by law. The Development Committee's jurisdiction shall be limited to those routine development matters that do not require Board action, to provide advice to the CEO/Executive Director, or to act upon such matters as specifically authorized by the full Board. Any action by the Development Committee can be nullified by the Board at the Board's next meeting. Meetings of the Development Committee may be held without notice at such times and places as the Chair may fix from time to time. All committee actions must be ratified by the full Board.

ARTICLE V - CONFLICTS OF INTEREST

Section 1. The Conflict of Interest Policy adopted by the Board of Commissioners as a Resolution is incorporated herein by reference.

ARTICLE VI - AMENDMENTS

Section 1. Amendments to By-Laws. The by-laws of the Authority shall be amended only with the approval of at least five of the Commissioners of the Authority at a regular or a special meeting but no such amendment shall be adopted unless at least seven days' written notice thereof has been previously given to all of the Commissioners of the Authority.

County: Yellowstone

Property Legal Description: Lots 11 – 15, Block 5 & Lots 11 – 20, Block 14 Yellowstone  
Subdivision together with adjacent abandoned 3rd st

Dear Applicant:

Property tax exemption applications must be submitted to the department by March 1 for property that is owned as of January 1 of the year in which the exemption is requested, unless the applicant receives a Removal of Property Tax Exemption Notice or the applicant was unable to apply by the March 1 deadline due to hospitalization, physical illness, infirmity, or mental illness. (Admin. Rule 42.20.102).

This letter is to inform you that the department received your application for a property tax exemption on June 18, 2020, with an ownership date of April 15, 2020. Therefore, your application will be considered for tax year 2021 unless you provide additional documentation pertaining to one of the above exceptions for which you would like the department to consider.

In processing your application, the department will contact you if additional documentation is needed. Otherwise, a determination letter will be mailed to the name and address on the application. Please notify the department if your contact information changes.

If you have any questions, please feel free to contact me at 406-444-5698 or 406-444-6900 and ask for extension 5698.

Sincerely,

Dear Sir or Madam:

This is in response to your request dated September 14, 2016 regarding your tax-exempt status.

We confirmed you were erroneously placed on the Auto-Revocation List. You can disregard the CP120A notice we previously sent. We'll remove you from the Auto-Revocation List and relist you in the Exempt Organizations Select Check (Pub 78 data) on our website, [www.irs.gov/charities](http://www.irs.gov/charities), during the next monthly update.

We issued you a determination letter in January 1996, recognizing you as **tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3)**.

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit [www.irs.gov](http://www.irs.gov) or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

Sincerely yours,

Addendum Applies:  
No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

### **Motivation for Acquiring Laurel Gardens**

HAB Development is an instrumentality of the Housing Authority of Billings. As such – our mission is to help families and individuals with low incomes to achieve greater stability and self-reliance by providing safe, affordable, quality housing.

HAB Development owns and operates several affordable housing properties. We are motivated to maintain our properties in a superior condition well after the contracts and affordability periods have ended.

Laurel Gardens is in severe distress. The comprehensive inspection that was conducted shows approximately \$500,000.00 of repairs are needed to bring the property up to our standards.

HAB Development will provide a copy of the inspection to you in lieu of the CNA as one does not exist.

In fact, we submitted a copy of this inspection to the PBCA and the property still received a superior rating.

Our motivation is to bring Laurel Gardens back to a place that the residents can live in with pride and we as owners can be proud of the quality housing provided to the elderly/disabled that live there.

## Independent Auditor's Report

Board of Commissioners  
Housing Authority of Billings, Montana  
Billings, Montana

### Report on the Audit of the Financial Statements

#### *Opinions*

We have audited the financial statements of the business-type activities of the Housing Authority of Billings, Montana (the Authority) as of and for the year ended June 30, 2022, and the discretely presented component unit of the Authority as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Authority as of June 30, 2022 and the discretely presented component unit as of December 31, 2021, and the respective changes in financial position, and, where applicable, cash flows thereof for the years ended June 30, 2022 and December 31, 2021 then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions. The financial statements of Red Fox Apartments, LLLP were not audited in accordance with *Government Auditing Standards*.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedules of employer's share of the net pension liability and the employer's contributions as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of Billings, Montana's basic financial statements. The Schedule of Financial Position by Program and the Schedule of Revenue, Expenses and Changes in Net Position by Program are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards as required by *Title 2 U.S. Code of Federal Regulations Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The Financial Data Schedules (FDS) are presented for purposes of additional analysis as required by Housing and Urban Development Real Estate Assessment Center (REAC) and are also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Financial Position by Program, the Schedule of Revenue, Expenses and Changes in Net Position by Program, the schedule of expenditures of federal awards, and the Financial Data Schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2022 on our consideration of Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of Example's internal control over financial reporting and compliance.

This discussion and analysis of the Housing Authority of Billings provides a narrative overview and analysis of the financial activity of the Authority for the year ended June 30, 2022. We encourage readers to consider the information presented here in conjunction with the Authority's basic financial statements.

### **Financial Highlights**

- Net Position of the Authority increased \$10,002,655 in the fiscal year ending June 30, 2022.
- Operating revenue of the Authority decreased \$810,932 from the prior year. Major revenue decreases were \$818,456 in housing assistance in the HUD Section 8 Housing Choice Voucher Program and \$201,704 in administration and management fees.
- The Authority had intergovernmental revenues consisting of HUD Low Rent Public Housing Operating Funds of \$987,543, HUD Section 8 Housing Choice Voucher Program Grants of \$4,245,552, HUD FSS Coordinator Program Grants of \$57,443, Montana State Department of Commerce Section 8 Program administrative fees of \$240,253, HUD Section 8 New Construction Grants for Pleasantview Apartments of \$527,465, and HUD Section 8 New Construction Grants for Laurel Gardens of \$62,548.

### **Overview of the Financial Statements**

The financial statements consist of three parts-management's discussion and analysis (this section), the basic financial statements, and supplementary information. The basic financial statements include a balance sheet, statements of revenues, expenses and changes in net position, and statements of cash flows. Since the Authority has only enterprise funds, the entity-wide and the fund presentation information is the same.

- The basic financial statements consist of fund financial statements of the Authority's enterprise funds, which operate similar to business activities and for which the Authority follows an accrual basis of accounting.
- The basic financial statements also include a "Notes to the Financial Statements" section that explains some of the information in the fund financial statements and provides more detailed data.
- The Notes to the Financial Statements are followed by a "Supplementary Information" section, which presents the financial data schedule of the Authority required by the U.S. Dept. of Housing and Urban Development (HUD).

The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of these statements.

### Basic Financial Statements

The basic financial statements provide detailed information about the Authority's most significant funds. The Authority has one kind of fund:

- Enterprise fund-The Authority's activities are in its enterprise fund, activities that are accounted for in a manner similar to businesses operating in the public sector. Funding has primarily come from HUD grant income. The net position of these fund represents accumulated earnings since their inception and is generally restricted for program purposes.

**Major factors affecting the condensed Statement of Net Position**

During 2022, there was a significant increase to cash of approximately \$12,525,000 and certificates of deposit of approximately \$380,000 for the Authority as a result of the sale of 57 single family homes. In addition, there was a decrease in the Capital Assets balance of approximately \$3,690,000 also as a result of the single family home sale.

Liabilities decreased \$1,559,121 primarily due to the decrease in Net Pension Liability noted below, along with the decrease in notes payable due to the WSB Mortgage being paid off during 2022.

In 2015, the Authority was required to implement GASB 68 to account for its retirement plan. This resulted in recording a Net Pension Liability of \$1,363,298 in 2022, a decrease of \$761,619 from 2021. The Net Pension Liability represents the unfunded portion of anticipated future retirement payments. Deferred inflows and outflows represent amounts that will be factored into future computations of the net pension liability.

Restricted Net Position represents funds restricted for use as housing assistance payments under the Housing Choice Voucher and Mainstream programs. A corresponding amount of restricted cash is included in the cash balance.

A discussion of the change between revenues and expenses for fiscal year 2022 compared to fiscal year 2021 is as follows:

- Operating revenue decreased \$810,932 for the reasons noted in the financial highlights above.
- Operating expenses decreased by \$714,975 in 2022. Much of this decrease was due to a decrease in administration costs of \$289,725, which is due to the sale of the single family homes during 2022. Maintenance costs decreased by \$198,071, which is also due to the sale of the single family homes during 2022. The Authority also had a decrease in housing assistance payments under the HUD Section 8 Housing Choice Voucher program of approximately \$208,000. Utility costs increased by \$57,824.

- Investment income was \$24,110 in 2022 as interest rates continued to be low.
- Grant revenue to the Public Housing Capital Fund decreased \$403,315 in 2022.

**Note 1 - Nature of Operations and Significant Accounting Policies****Nature of Operations**

The Housing Authority of Billings, Montana (Housing Authority), a related organization of the City of Billings, Montana, is a public housing agency formed to provide financial assistance for low income public housing pursuant to the United States Housing Act of 1937, as amended, 42 United States Code Section 1437 et seq. The City of Billings appoints the members of the Authority's Board of Commissioners, however, the Authority is not financially accountable to the City of Billings.

The Authority operates 216 public housing units subsidized by the Department of Housing and Urban Development under an Annual Contributions Contract; Section 8 Programs consisting of 669 Housing Authority of Billings, Montana housing choice vouchers, 90 veterans affairs supportive housing, 40 Mainstream vouchers, 25 Foster Youth Independence vouchers and administrative income to administer a portion (460 vouchers) of the Montana State Section 8 voucher Program; a project based Section 8 housing complex consisting of 100 subsidized and 2 unsubsidized units; 75 HAB Development units (30 of the units are for Laurel Gardens which is an elderly project based Section 8 project), and 32 LIHTC units owned by Whitetail Run Apartments, LLP of which the Authority is the general partner.

**Reporting Entity**

The Authority's financial statements include the accounts of all Housing Authority operations. The criteria for including organizations as component units within the Authority reporting entity, as set forth in Section 2100 of the Governmental Accounting Standards Board's (GASB) Codification of Government Accounting and Financial Reporting Standards, include whether:

- the organization is legally separated (can sue and be sued in their own name)
- the Authority holds the corporate powers of the organization
- the Authority appoints a voting majority of the organization's board
- the Authority is able to impose its will on the organization
- the organization has the potential to impose a financial benefit/burden on the Authority
- there is fiscal dependency by the organization on the Authority

The Authority is not includable as a component unit within another reporting entity.

**Blended Component Units**

Included within the financial reporting entity of the Authority as blended component units are HAB Development Corporation, HAB Education and Wellness Corporation, Whitetail Run Apartments Development, LLC, Whitetail Run Apartments, LLP, and Red Fox Development, LLC.

The Authority is the sole shareholder of HAB Development Corporation and has the day to day management responsibilities of the Corporation. The Corporation owns and operates 75 units of low income housing in Billings, Montana.

The Authority is the sole shareholder of HAB Education and Wellness Corporation and has the day to day management responsibilities of the Corporation. The Corporation offers education and wellness activities to the youth, ages 4-12, of the residents served by the Authority.

The Authority is the sole member of Whitetail Run Apartments Development, LLC and the managing general partner in Whitetail Run Apartments, LLP. Whitetail Run Apartments, LLP is a 32-unit low income housing tax credit project located in Billings, Montana. As the general partner, the Authority has the day to day management responsibilities of the LLP. Whitetail Run Apartments Development, LLC is the limited partner in Whitetail Run Apartments, LLP.

The Authority is the sole member of Red Fox Development, LLC, which is the general partner and .01% owner of Red Fox Apartments, LLLP, a discretely presented component unit which operates 30 units of low income housing.

Accordingly, the balances and transactions of these component units are reported within the proprietary fund of the Authority.

#### Discretely Presented Component Unit

As mentioned above, the discretely presented component unit in the accompanying financial statements is Red Fox Apartments, LLLP (Red Fox). Red Fox was organized in fiscal year 2017 to construct a 30-unit low income housing tax credit project in Billings, Montana. Construction of the project was completed in the fall of 2018. As the general partner in Red Fox, the Authority has the day to day management responsibilities. The financial statements of Red Fox are presented in a separate column to emphasize that it is legally separate from the Authority. The LLLP's fiscal year end is December 31 so the financial statements presented are as of and for the period ended December 31, 2021.

#### **Basis of Accounting**

The Department of Housing and Urban Development Real Estate Assessment Center (REAC) assesses the financial condition of Public Housing Authorities (PHA's). To uniformly and consistently assess the PHA's, REAC requires that PHA's financial statements conform to Generally Accepted Accounting Principles (GAAP).

The Authority considers all revenues and expenses (including HUD intergovernmental revenues and expenses) as operating items with the exception of interest expense, interest income, development and construction grants, and HUD capital grants, which are considered non-operating for financial reporting purposes.

The Authority prepares its financial statements on the accrual basis of accounting which is generally accepted. Under this method revenues are recognized in the accounting period in which they are earned and expenses when the liability for them is initially incurred.

**Accounting Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Concentrations of Credit Risk**

Accounts receivable are comprised principally of amounts due from HUD for reimbursement of modernization costs and for annual contributions due under grants.

**Cash and Cash Equivalents**

The Authority considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

**Accounts Receivable**

Revenues are recorded when earned and are reported as accounts receivable until collected. Accounts receivable are expensed as bad debts at the time they are determined to be uncollectible. Management has established an allowance for doubtful accounts for amounts that may not be collectible in the future. Receivables are reported net of the related allowance of \$348 at June 30, 2022.

**Notes and Interest Receivable**

Notes and interest receivable are carried at amounts advanced, net of reserve for uncollectable accounts, if any. As of June 30, 2022, all notes and interest are considered to be fully collectible.

**Certificates of Deposit**

Certificates of deposit are recorded at cost.

**Capital Assets**

Capital assets purchased or acquired with an original cost of \$5,000 or more are stated at historical or estimated historical cost. Depreciation is computed using the straight-line method and is provided over the following estimated useful lives:

|                       |             |
|-----------------------|-------------|
| Buildings             | 30-40 years |
| Building improvements | 20 years    |
| Infrastructure        | 40 years    |
| Equipment             | 3-10 years  |

Long-lived assets held and used by an entity are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. No impairment loss has been recognized for the year ended June 30, 2022.

### **Deferred Outflows and Inflows of Resources**

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period and so will *not* be recognized as an outflow of resources (expenses/ expenditure) until then. The Authority has two items that qualify for reporting in this category. They are the contributions made to pension plans after the measurement date and prior to the fiscal year-end, and changes in the net pension liability (asset) not included in pension expense (revenue) reported in the statement of net position.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period and so will *not* be recognized as an inflow of resources (revenue) until that time. The Authority has one type of item that qualifies for reporting in this category. The Authority reports changes in the net pension liability (asset) not included in pension expense (revenue) reported in the statement of net position.

### **Fraud Recovery**

HUD requires the Authority to account for monies recovered from tenants who committed fraud or misrepresentation in the application process for rent calculations and now owe additional rent for prior periods or retroactive rent as fraud recovery. The monies recovered are shared by HUD and the local Housing Authority.

### **Family Self-Sufficiency**

The Family Self-Sufficiency program (FSS) is an incentive program for low-income persons receiving subsidies to help them find ways to increase their income through schooling, technical training, etc. The Authority sets aside in an escrow account the difference between the participants' starting subsidy and their declining subsidy as their wages increase. When the participants achieve an income level at which they no longer receive subsidies in accordance with program guidelines, they will receive the escrow balance in cash. If the participants fail to comply with the program requirements, their escrow balance is forfeited. The total balance of the escrow accounts at June 30, 2022 was \$70,147. The liability and the corresponding restricted cash are shown on the Authority's financial statements.

**Compensated Absences**

*Vacation*

Employees of the Authority, that qualify, begin earning vacation days on the first day of their employment. However, they may not use vacation days until they have been continuously employed for six months. Non-exempt employees accrue vacation leave each pay period proportionate to the below schedule based upon the hours worked each pay period:

| <u>Years of Service</u>   | <u>Rate Earned Per Hours Worked</u> | <u>Maximum Hours Accrual</u> |
|---------------------------|-------------------------------------|------------------------------|
| 1 day through 9 years     | 0.06123                             | 240                          |
| 10 years through 15 years | 0.07439                             | 288                          |
| 15 years through 20 years | 0.08787                             | 336                          |
| Over 20 years             | 0.10170                             | 384                          |

Full-time non-exempt employees earn paid vacation time based upon the number of hours worked. Part-time, temporary, and seasonal employees are not eligible for paid vacation leave.

Non-exempt employees may not accumulate more than two times the annual maximum accrual designated for their years of employment. The accrual cap may be extended if an employee is unable to take leave due to a legitimate business reason. Non-exempt employees are not allowed to cash out vacation leave without the Board of Commissioner authorization. Upon employment termination, all earned and unused vacation time will be paid.

Exempt employees accrue vacation leave per pay period according to the following schedule:

| <u>Years of Service</u>   | <u>Hours</u> | <u>Maximum Hours Accrual</u> |
|---------------------------|--------------|------------------------------|
| 1 day through 9 years     | 6            | 390                          |

*Sick Leave*

Full-time employees earn sick leave based upon the regular hours worked each pay period. Part-time, temporary, and seasonal employees are not eligible for sick leave. Employees may not use sick leave days until they have been continuously employed for 3 months. Employees accrue sick leave at .04898 hours per actual hours worked. Accrued sick time will be capped at 480 hours (12 weeks).

Upon termination of employment, employees will not be paid out sick leave. Current employees, as of July 1, 2020, will receive sick leave payout at .25 of their sick leave accrued hours.

### Components of Net Position

Components of net position include the following:

- Net Investment in Capital Assets—Consists of capital assets, net of accumulated depreciation and reduced by outstanding balances of debt issued to finance the acquisition, improvement, or construction of those assets.
- Restricted Net Position—Consists of assets and deferred outflows less related liabilities and deferred inflows reported in the statement of net position that are subject to restraints on their use by HUD.
- Unrestricted Net Position—Consists of assets and deferred outflows less related liabilities and deferred inflows reported in the statement of net position that are not subject to restraints on their use.

### Restricted Net Position

Unspent Section 18 disposition proceeds in the Public Housing program are considered restricted. As of June 30, 2022, restricted net position for the Public Housing program was \$11,177,745.

Excess HAP funds provided by HUD for the Housing Choice Voucher (HCV) and Mainstream programs are considered restricted. All restricted funds must be used solely for the purpose of the HCV and Mainstream programs HAP expenses with the exception of over-leased units. As of June 30, 2022, there was no restricted net position for the Housing Choice Voucher (HCV) and Mainstream programs.

It is the Authority's policy to first use restricted net position, prior to the use of unrestricted net position, when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

### Pensions

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense (revenue), information about the fiduciary net position of the Montana Public Employee Retirement Administration (MPERA) and additions to/ deletions from MPERA's fiduciary net position have been determined on the same basis as they are reported by MPERA. Authority contributions and net pension liability (asset) are recognized on an accrual basis of accounting. Investments are reported at fair value.

**Note 2 - Deposits and Certificates of Deposit****Deposit and Investment Policy**

The Authority's funds are required to be deposited and invested under the terms of a general depository agreement pursuant to PIH 95-27 "Required HA Cash Management and Investment Policies and Procedures." The depository bank deposits for safekeeping and trust with the Authority's agent approved pledged securities in an amount sufficient to protect Authority funds on a day-to-day basis during the period of the agreement. The pledge of approved securities is waived only to the extent of the dollar amount of Federal Deposit Insurance Corporation insurance. Under the general depository agreement, the Authority, at its own discretion, invests funds in demand and savings deposits and certificates of deposit provided by the depository bank at interest rates approximating United States Treasury Bill rates.

The agreement authorizes the Authority to invest in the following approved investment instruments:

- A. Direct obligations of the Federal Government backed by the full faith and credit of the United States including U.S. Treasury Bills; U.S. Treasury Notes; and U.S. Treasury Bonds
- B. Obligations of Federal Government Agencies including Federal Financing Bank; Government National Mortgage Association (GNMA), Mortgage-Backed Securities (GNMA I and GNMA II); GNMA Participation Certificates; Maritime Administration Merchant Marine Bonds, Notes and Obligations; Small Business Administration (SBA), Small Business Investments Corporation (SBIC) Debentures; and Tennessee Valley Authority (TVA) Power Bonds and Notes
- C. Securities of Government-Sponsored Agencies including Farm Credit Consolidated System-Wide Discount Notes; Federal Farm Credit Banks Consolidated System-Wide Bonds; Federal Home Loan Banks Consolidated Bonds, Notes and Discount Notes; FHLMC Mortgage Participation Certificates (PC) (Guaranteed); FHLMC Collateralized Mortgage Obligations (CMOs); Federal National Mortgage Association (FNMA) Debentures; FNMA Notes; FNMA Short-Term Discount Notes; FNMA Capital Debentures; and Student Loan Marketing Associations (SLMA) Obligations
- D. Demand and Savings Deposits
- E. Money-Market Deposit Accounts
- F. Municipal Depository Fund
- G. Super NOW Accounts
- H. Certificates of Deposit
- I. Repurchase Agreements
- J. Sweep Accounts
- K. Separate Trading of Registered Interest and Principal of Securities
- L. Mutual Funds

**Primary Government****Custodial Credit Risk**

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. Beyond what is stated in the Century Code, the Authority does not have a formal policy to further limit exposure to custodial credit risk.

The carrying amounts of the Authority's deposits (cash and certificates of deposit) with financial institutions as of June 30, 2022 totaled \$17,931,086 and the cash bank balances totaled \$18,108,298.

For the bank balances as of June 30, 2022, \$500,000 was covered by Federal Depository Insurance and the remaining balance was collateralized with securities held by a pledging financial institution's agent in the government's name.

#### **Interest Rate Risk**

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of investments. The Authority does not have a formal policy that limits investments maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

#### **Credit Risk**

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Beyond what is stated in the Century Code, the Authority does not have a formal policy to further limit exposure to credit risk. All certificates of deposit held by the Authority as of June 30, 2022 mature within 1 year.

#### **Concentration of Credit Risk**

Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investments in a single issuer. The Authority places no limit on the amount which may be invested with a single issuer.

#### **Discretely Presented Component Unit**

##### **Custodial Credit Risk**

Custodial credit risk is the risk that in the event of a bank failure, Red Fox Apartments, LLLP deposits may not be returned to it.

## Note 7 - Pension and Retirement Plan

### Description of the Plans

The PERS-Defined Benefit Retirement Plan (DBRP), administered by the Montana Public Employee Retirement Administration (MPERA), is a multiple-employer, cost-sharing plan established July 1, 1945, and governed by Title 19, chapters 2 & 3, Montana Code Annotated (MCA). This plan provides retirement benefits to covered employees of the State, and local governments, and certain employees of the Montana University System, and school districts. Benefits are established by state law and can only be amended by the Legislature.

All new members are initially members of the PERS-DBRP and have a 12-month window during which they choose to remain in the PERS-DBRP or join the PERS-DCRP by filing an irrevocable election. Members may not be participants of both the defined benefit and defined contribution retirement plans. All new members from the universities also have a third option to join the university system's Montana University System Retirement Program (MUS-RP).

### Benefits Provided

The PERS-DBRP provides retirement, disability, and death benefits to plan members and their beneficiaries. Benefits are based on eligibility, years of service, and highest average compensation (HAC). Member rights are vested after five years of service.

#### Service retirement:

- Hired prior to July 1, 2011:
  - Age 60, 5 years of membership service;
  - Age 65, regardless of membership service; or
  - Any age, 30 years of membership service.
- Hired on or after July 1, 2011:
  - Age 65, 5 years of membership service;
  - Age 70, regardless of membership service.

**Early retirement, actuarially reduced:**

- Hired prior to July 1, 2011:
  - Age 50, 5 years of membership service; or
  - Any age, 25 years of membership service.
  
- Hired on or after July 1, 2011:
  - Age 55, 5 years of membership service;

**Second Retirement** (requires returning to PERS-covered employer or PERS service):

- Retired before January 1, 2016 and accumulate less than 2 years additional service credit or retire on or after January 1, 2016 and accumulate less than 5 years additional service credit:
  - A refund of member's contributions plus return interest (currently 2.02% effective July 1, 2018).
  - No service credit for second employment;
  - Start the same benefit amount the month following termination; and
  - Guaranteed Annual Benefit Adjustment (GABA) starts again in the January immediately following the second retirement.
- Retired before January 1, 2016 and accumulate at least 2 years of additional service credit:
  - A recalculated retirement benefit based on provisions in effect after the initial retirement; and
  - GABA starts on the recalculated benefit in the January after receiving the new benefit for 12 months.
- Retired on or after January 1, 2016 and accumulates 5 or more years of service credit:
  - The same retirement as prior to the return to service;
  - A second retirement benefit as prior to the second period of service based on laws in effect upon the rehire date; and
  - GABA starts on both benefits in the January after receiving the original and the new benefit for 12 months.

**Member's highest average compensation (HAC)**

- Hired prior to July 1, 2011 - highest average compensation during any consecutive 36 months;
- Hired on or after July 1, 2011 – highest average compensation during any consecutive 60 months;

**Compensation Cap**

- Hired on or after July 1, 2013 – 110% annual cap on compensation considered as a part of a member's highest average compensation.

**Monthly benefit formula**

- Members hired prior to July 1, 2011:
  - Less than 25 years of membership service: 1.785% of HAC per year of service credit;
  - 25 years of membership service or more: 2% of HAC per year of service credit.

- Members hired on or after July 1, 2011:
  - Less than 10 years of membership service: 1.5% of HAC per year of service credit;
  - 10 years or more, but less than 30 years of membership service: 1.785% of HAC per year of service credit;
  - 30 years or more of membership service: 2% of HAC per year of service credit.

**Guaranteed Annual Benefit Adjustment (GABA)**

After the member has completed 12 months of retirement, the member’s benefit increases by the applicable percentage (provided below) each January, inclusive of all other adjustments to the member’s benefit.

- 3.0% for members hired prior to July 1, 2007
- 1.5% for members hired between July 1, 2007 and June 30, 2013
- Members hired on or after July 1, 2013:
  - a. 1.5% for each PERS is funded at or above 90%
  - b. 1.5% reduced by 0.1% for each 2.0% PERS is funded below 90%; and
  - c. 0% whenever the amortization period for PERS is 40 years or more.

**Contributions**

The state Legislature has the authority to establish and amend contribution rates. Member and employer contribution rates are specified by state law and are a percentage of the member’s compensation. Contributions are deducted from each member’s salary and remitted by participating employers.

**Special Funding**

The state of Montana, as the non-employer contributing entity, paid to the Plan, additional contributions that qualify as special funding. Those employers who received special funding are all participating employers.

**Not Special Funding**

Per Montana law, state agencies and universities paid their own additional contributions. The employer paid contributions are not accounted for as special funding for state agencies and universities but are reported as employer contributions.

Member and employer contribution rates are shown in the table below.

| Fiscal Year | Member         |                | State and Universities | Local Government |        | School Districts |        |

1. Member contributions to the system of 7.9% are temporary and will be decreased to 6.9% on January 1, following actuary valuation results that show the amortization period has dropped below 25 years and would remain below 25 years following the reduction of both the additional employer and additional member contribution rates.
2. Employer contributions to the system:
  - a. Effective July 1, 2014, following the 2013 Legislative Session, PERS-employer contributions increase an additional 0.1% a year and will continue over 10 years through 2024. The additional employer contributions including the 0.27% added in 2007 and 2009, will terminate on January 1 following an actuary valuation that shows the amortization period of the PERS-DBRP has dropped below 25 years and remains below the 25 years following the reduction of both the additional employer and member contribution rates.
  - b. Effective July 1, 2013, employers are required to make contributions on working retirees' compensation. Member contributions for working retirees are not required.
  - c. The portion of employer contributions allocated to the PCR are included in the employers reporting. The PCR was paid off effective March 2016 and the contributions previously directed to the PCR are now directed to member accounts.
3. Non-Employer Contributions
  - a. Special Funding
    - i. The State contributes 0.1% of members' compensation on behalf of local government entities.
    - ii. The State contributes 0.37% of members' compensation on behalf of local government entities.
    - iii. The State contributed a Statutory Appropriation from the General Fund of \$34,290,660.

### Discount Rate

The discount rate used to measure the Total Pension Liability was 7.06%. The projection of cash flows used to determine the discount rate assumed that contributions from participating plan members, employers, and non-employer contributing entities will be made based on the Board's funding policy, which establishes the contractually required rates under Montana Code Annotated. The State contributes 0.1% of salaries for local governments and 0.37% for school districts. In addition, the State contributes a statutory appropriation from the general fund. Based on those assumptions, the Plan's fiduciary net position was projected to be adequate to make all the projected future benefit payments of current plan members through the year 2126. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the Total Pension Liability. A municipal bond rate was not incorporated in the discount rate.

**Target Allocations**

The long-term rate of return as of June 30, 2021, was calculated using the average long-term capital market assumptions published in the Survey of Capital Market Assumptions 2021 Edition by Horizon Actuarial Service, LLC, yielding a median real return of 4.66%. The assumed inflation is based on the intermediate inflation assumption of 2.40% in the 2021 OASDI Trustees Report used by the Chief Actuary for Social Security to produce 75-year cost projections. Combining these two results yields a nominal return of 7.06%. Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation as of June 30, 2021, are summarized in the table on the top of the next page. Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation (78c & 78f) as of June 30, 2021, are summarized in the table below.

**Sensitivity Analysis**

The following presents the Authority's sensitivity of the NPL to the discount rate in the table below. A small change in the discount rate can create a significant change in the liability. The Net Pension Liability was calculated using the discount rate of 7.06%, as well as what the Net Pension Liability would be if it were calculated using a discount rate 1.00% lower or 1.00% higher than the current rate.

**Summary of Significant Accounting Policies**

MPERA prepared financial statements using the accrual basis of accounting. The same accrual basis was used by MPERA for the purposes of determining the Net Pension Liability (NPL); Deferred Outflows of Resources and Deferred Inflows of Resources related to pensions; Pension Expense; the Fiduciary Net Position; and Additions to or Deductions from Fiduciary Net Position. Member contributions are recognized in the period in which contributions are due. Employer contributions are recognized when due and the Authority has made a formal commitment to provide the contributions. Revenues are recognized in the accounting period they are earned and become measurable. Benefit payments and refunds are recognized in the accounting period in which they are due and payable in accordance with the benefit terms. Expenses are recognized in the period incurred. Investments are reported at fair value. MPERA adhered to all accounting principles generally accepted by the United States of America. MPERA applied all applicable pronouncements of the Governmental Accounting Standards Board (GASB).

**Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflow of Resources**

GASB Statement 68 allows a measurement date of up to 12 months before the Authority’s fiscal year-end can be utilized to determine the Plan’s Total Pension Liability. The basis for the Total Pension Liability as of June 30, 2021, was determined by taking the results of the June 30, 2020, actuarial valuation and applying standard roll forward procedures. The roll forward procedure uses a calculation that adds the annual normal cost (also called the service cost), subtracts the actual benefit payments and refunds for the plan year, and then applies the expected investment rate of return for the year. The roll forward procedure will include the effects of any assumption changes and legislative changes. The update procedures are in conformity with Actuarial Standards of Practice issued by the Actuarial Standards Board.

The Total Pension Liability (TPL) minus the Fiduciary Net Position equals the Net Pension Liability (NPL). The proportionate shares of the Authority’s and the state of Montana’s NPL for June 30, 2021, are displayed below. The Authority’s proportionate share equals the ratio of the Authority’s contributions to the sum of all employer and non-employer contributions during the measurement period. The state’s proportionate share for a particular employer equals the ratio of the contributions for a particular employer to the total state contributions paid. The Authority recorded a liability of \$1,363,298 as of June 30, 2021. The Authority’s proportionate share was 0.075187 percent as of June 30, 2021, which was an decrease of 0.005357% from its proportion measured as of June 30, 2020.

**Changes in benefit terms:** There have been no changes in benefit terms since the previous measurement date.

**Changes in proportionate share:** There were no changes between the measurement date of the collective NPL and the Authority's reporting date that are expected to have a significant effect on the Authority's proportionate share of the collective NPL. However, each employer may have unique circumstances that will impact the Authority's proportionate share of the collective net pension. If there were changes that are expected to have an impact on the net pension liability, the Authority should disclose the amount of the expected resultant change in the Authority's proportionate share of the collective net pension liability, if known.

**Pension Expense**

For the year ended June 30, 2022, the Authority recognized a Pension Expense of \$60,230 for its proportionate share of the Plan's pension expense. The Authority recognized grant revenue of \$112,512 for the support provided by the State of Montana for its proportionate share of the pension expense associated with the Authority.

**Recognition of Deferred Inflows and Outflows**

At June 30, 2022, the Authority reported its proportionate share of PERS' deferred outflows of resources and deferred inflows of resources from the following sources:

|                                                                                                                     | Deferred Outflows<br>of Resources | Deferred Inflows<br>of Resources |

**Defined Contribution Plan**

The Authority contributes to the state of Montana Public Employee Retirement System Defined Contribution Retirement Plan (PERS-DCRP) for employees that have elected the DCRP. The PERS-DCRP is administered by the PERB and is reported as a multiple-employer plan established July 1, 2002, and governed by Title 19, chapters 2 & 3, MCA.

All new PERS members are initially members of the PERS-DBRP and have a 12-month window during which they may choose to remain in the PERS-DBRP or join the PERS-DCRP by filing an irrevocable election. Members may not be participants of both the *defined benefit* and *defined contribution* retirement plans.

Member and employer contribution rates are specified by state law and are a percentage of the member’s compensation. Contributions are deducted from each member’s salary and remitted by participating employers. The state Legislature has the authority to establish and amend contribution rates.

Benefits are dependent upon eligibility and individual account balances. Participants are vested immediately in their own contributions and attributable income. Participants are vested after 5 years of membership service for the Authority’s contributions to individual accounts and the attributable income. Non-vested contributions are forfeited upon termination of employment per 19-3-2117(5), MCA. Such forfeitures are used to cover the administrative expenses of the PERS-DCRP.

Employer contributions to the defined contribution plan were \$16,397 in 2022.

**Note 8 - Risk Management**

The Authority’s risk management activities include purchase of commercial insurance for employee health care, workers’ compensation, buildings, personal property, loss of income, auto, employee dishonesty, boiler and machinery and general liability. The Authority retains no risk of loss except losses exceeding insurance coverage amounts. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years. There have been no significant reductions in insurance coverage.

**Note 9 - TCAP Grant**

Whitetail Run Apartments, LLP received total TCAP funds of \$2,658,141 in 2010 and 2011 from the Montana Board of Housing in lieu of receiving tax credits under the Low-Income Housing Tax Credit Program. TCAP funds are subject to the same limitations, including rent, income, use restrictions and compliance monitoring, as are projects awarded low income housing tax credits under Section 42 of the Internal Revenue Code. The Partnership must comply with these provisions for fifteen years. A violation of the terms of the agreement may require the Partnership to repay all or a portion of the funds.

**Note 10 - HOME Funds**

The Authority received funding used for the Red Fox project through a grant under the HOME program. Grants provided under the terms of the HOME program are subject to a variety of requirements, including period of affordability provisions for twenty years. In the event a project is not in compliance with the HOME provisions within the period of affordability, the full amount of the HOME grant for that project may need to be repaid by the Authority.

**Note 11 - Related Party Transactions****Developer Fees**

The Authority earns developer fees for the development of affordable housing based on its agreement with Red Fox Apartments LLLP (Red Fox). Developer fees are earned and received in accordance with its development agreement. During 2022, the Authority earned developer fee income of \$0 from Red Fox. As of June 30, 2022, the Authority was owed \$126,265 for developer fees.

**Due from Related Party**

The Authority has advanced funds to Red Fox throughout construction. As of June 30, 2022, the Authority was owed \$88,094 from Red Fox. This amount is to be repaid from available cash flow of Red Fox.

**Management Contract**

The Authority has entered into a management agreement with Red Fox for services in management of the project. During 2022, the Authority earned \$45,598 in management fee income from Red Fox.

**Note 12 - Subsequent Event**

Subsequent to year-end, the Authority purchased several parcels of land totaling \$1,093,850. The land was purchased using existing cash.

**Note 13 - Condensed Component Unit Information**

Condensed component unit information for Whitetail Run Apartments, LLP, HAB Development Corporation, and HAB Education and Wellness Corporation, the Authority's blended component units, as of and for the year ended June 30, 2022 are summarized below. Blended component units Whitetail Run Apartments Development, LLC and Red Fox Developer, LLC had no significant balances or activity.

## Note A - Changes of Benefit Terms

The following changes to the plan provisions were made as identified:

### 2017 Legislative Changes:

#### Working Retiree Limitations - for PERS

- Effective July 1, 2017, if a PERS retiree returns as an independent contractor to what would otherwise be PERS-covered employment, general contractor overhead costs are excluded from PERS working retiree limitations.

#### Refunds

- 1) Terminating members eligible to retire may, in lieu of receiving a monthly retirement benefit, refund their accumulated contributions in a lump sum.
- 2) Terminating members with accumulated contributions between \$200 and \$1,000 who wish to rollover their refund must do so within 90 days of termination of service.
- 3) Trusts, estates, and charitable organizations listed as beneficiaries are entitled to receive only a lump-sum payment.

**Interest credited to member accounts**-Effective July 1, 2017, the interest rate credited to member accounts increased from 0.25% to 0.77%.

#### Lump Sum Payouts

- Effective July 1, 2017, lump-sum payouts in all systems are limited to the member's accumulated contributions rate than the present value of the member's benefits.

#### Disabled PERS Defined Contribution (DC) Members

PERS members hired after July 1, 2011 have a normal retirement age of 65. PERS DC members hired after July 1, 2011 who become disabled were previously only eligible for a disability benefit until age 65. Effective July 1, 2017, these individuals will be eligible for a disability benefit until they reach 70, thus ensuring the same 5-year time period available to PERS DC disabled members hired prior to July 1, 2011 who have a normal retirement age of 60 and are eligible for a disability benefit until age 65.

**Note B - Changes in Actuarial Assumptions and Methods**

**Method and assumptions used in calculations of actuarially determined contributions**

**Note A – Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal award activity of the Housing Authority of Billings, Montana (the Authority) under programs of the federal government for the year ended June 30, 2022. The information is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

**Note B – Summary of Significant Accounting Policies**

Expenditures reported in the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance. No federal financial assistance has been provided to subrecipients.

**Note C – Indirect Cost Rate**

The Authority does not draw for indirect administrative expenses and has not elected to use the 10% de minimis cost rate.

**Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

Board of Commissioners  
Housing Authority of Billings, Montana  
Billings, Montana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities and discretely presented component unit of Housing Authority of Billings, Montana (the Authority), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Authority’s basic financial statements and have issued our report thereon dated December 15, 2022. The financial statements of Red Fox Apartments, LLC were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances or reportable noncompliance associated with the discretely presented component unit.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Housing Authority of Billings, Montana’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **Independent Auditor’s Report on Compliance for the Major Federal Program; Report on Internal Control over Compliance Required by the Uniform Guidance**

Board of Commissioners  
Housing Authority of Billings, Montana  
Billings, Montana

### **Report on Compliance for the Major Federal Program**

#### ***Opinion on the Major Federal Program***

We have audited Housing Authority of Billings, Montana’s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Housing Authority of Billings, Montana’s major federal program for the year ended June 30, 2022. Housing Authority of Billings, Montana’s major federal program is identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, Housing Authority of Billings, Montana complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

#### ***Basis for Opinion on the Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Housing Authority of Billings, Montana and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Housing Authority of Billings, Montana’s compliance with the compliance requirements referred to above.

### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Housing Authority of Billings, Montana's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Housing Authority of Billings, Montana's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Housing Authority of Billings, Montana's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Housing Authority of Billings, Montana's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Housing Authority of Billings, Montana's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Housing Authority of Billings, Montana's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## Report on Internal Control over Compliance

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

*Provide a brief budget narrative for each line item identified above. Include an explanation and justification on costs per beneficiary.*

**Outside Provider Payments:**  
*Rent Assistance: 1st and last months rent for \$2,400 x 10 clients x 3 years = \$72,000*  
*Application Fees: \$50/application x 300 clients x 3 years = \$45,000*  
*Security Deposits: \$1,200 x 100 clients x 3 years = \$36,000*  
*Rental Arrears: \$500 x 30 clients x 3 years = \$45,000*  
*Sober Living Housing Deposits: \$600 x 50 applicants = \$30,000*

**Supplies:**  
*General Office supplies for Support Specialist at \$300/specialist x 3 years = \$1,800*

**Insurance:**  
*NA*

**Printing:**  
*1,000 copies/ year x \$.07/copy x 3 years = \$210.00*

**Travel:**  
*Approximately \$25/month x 36 months for support specialists to travel to where clients are located on the streets, to meet with landlords, take clients to appointments, etc. This equates to approximately ~44.6 miles/month or ~22.3 miles per month per support specialist. 22.3 miles x .56/mile x 2 specialists x 12 months x 3 years = ~\$900*

**Contract Services:**

*NA*

**Other (identify): Cell Phones**

*for clients to maintain contact with support specialists \$50/phone x 50 clients x 3 years = \$7,500*

**Other (identify): Personal Client Supplies**

*Personal supplies for clients such as hygiene, basic items for house \$20/client x 100 clients x 3 years = \$6,000*

**Other (identify): Bus Passes**

*\$28/pass x 2 pass per client x 100 clients x 3 years = \$20,160.00*

## FOR ALL HOME-ARP APPLICANTS / ORGANIZATIONS

1. Organizations providing supportive services must ensure services are delivered equitably. A chronological waiting list, including the usage of date / Time stamps, must be maintained for ***every*** service offered under HOME-ARP. This may differ from your organization's current waiting list policies and procedures. ***Please describe your organization's ability to maintain and manage multiple waiting lists.***

HomeFront has over 50 years of experience managing multiple wait lists that hold over 7,000 families. Our waiting lists are maintained in chronological order with a Date and Time Stamp. HomeFront has moved to digital applications effective January 1, 2024. Paper applications can still be used to accommodate applicants if needed.

2. Procedures for managing waiting lists may include information on handling referrals internally within an organization. If multiple services or programs are offered at your organization, ***please describe your policies and procedures for internal program referrals for participants within the organization.***

Internal program referrals are treated the same as anyone else. Their application for programs is date and time stamped and is processed in chronological order along with all other applicants.

3. ***Please describe your organization's understanding of housing discrimination and [The Fair Housing Act](#).***

HomeFront understands that the Fair Housing Act is the law of the "housing" providers. We understand that Fair Housing responsibilities and accountability start long before a family is served in our programs. Phone calls, written communication and face to face interactions are all held to the same accountability given the fair housing laws.

HomeFront has participated in fair housing complaints and have the experience of working through a complaint from beginning, investigation, mediation, and to end.

4. ***Has your staff participated in any Fair Housing training in the last three years? If yes, please list training type(s) and date(s) of training:***

All members of the HomeFront TEAM participate in annual fair housing training. Training participants are tested each year as well. The fair housing we participate in is offered through E & A Team.

5. Demonstrating long-term outcomes and participant success following a HOME-ARP funding allocation is crucial. ***What procedures will your organization implement in order to collect follow-up data from participants?***

HomeFront continues to meet with program participants until stabilized in housing. If a participant needs assistance after housing has been achieved, participants are encouraged to reach out. We will continue to support them with their needs to ensure housing remains in place. HomeFront collects multiple data points to ensure participants are set up with appropriate community services/agencies as well as the length of time our services are

provided to applicants. As part of the Continuum of Care HomeFront is available for staffing cases in the coordinated entry services as appropriate. HomeFront reports on outcome measures for placements, waitlists, and other data as necessary,

6. **How will you continue to serve clients after HOME-ARP funding is fully expended?** i.e. describe how your organization will provide aftercare services for program participants.

One of HomeFront's goals for our applicants is to obtain housing sustainability. We continue to serve clients with ongoing support as emergent situations arise. To ensure housing stability we will work closely with participants in identifying other resources such as LIEAP, furniture, counseling services, and budgeting. Needs and services are identified during our meetings and individualized based on each applicant's case. Referrals are made to other agencies and coordination occurs during coordinated entry staffing meetings as appropriate.

7. Organizations will be required to use HMIS (Homeless Management Information System) to coordinate services and check for duplication of benefits. **Does your organization currently use HMIS? If not, is your organization willing to implement HMIS to meet program requirements?**

HomeFront has participated in the HMIS system for several years and also is an active, participating, member of the Coordinated Entry Services Case Management Team.

8. **After reviewing the additional questions / requirements / clarifications attached, would your organization like to adjust any of the supportive service activities that were proposed in your original application?**

Not at this time but we are open to a modification discussion if selected for funding.

#### HomeFront

- Bylaws for the Housing Authority / HomeFront were submitted. **Are there Articles of Incorporation for the Housing Authority / HomeFront available (not HAB Development Corporation)? If yes, please submit. If no, please explain.**

Yes, Please see attached.

- **Are there IRS determination documents for the Housing Authority / HomeFront available (not HAB Development Corporation)? If yes, please submit. If no, please explain.**

Yes, Please see attached.

- **If the organization is not hiring staff to carry out HOME-ARP supportive services, how are the positions funded today and why is HOME-ARP funding needed?**

HomeFront will be hiring additional staff to carry out HOME-ARP supportive services. There is currently one staff member in this position, but there is a need for two additional staff.

- **What building is being rented to carry out these activities and how is the rent currently being paid? Why is HOME-ARP needed?**

**All services that are provided with HOME-ARP funds are based out of the main HomeFront offices. Based on conversations with Carly Collins, this has been removed from the sources and uses as an unallowable expense.**

- Outreach Services were not proposed in the original application, although the following was proposed:
  - Costs for hygiene kits and home supplies. *These can only be provided for participants receiving Outreach Services – in need of immediate support and intervention.*
  - Costs for cell phones. *Costs associated with cell phone plans will only be reimbursed if used for Outreach Services.*
  - *General equipment costs are not covered by the City's HOME-ARP funds.*

***Please consider adding Outreach Services to your proposed activities.***

**The positions that HomeFront is requesting for this grant are outreach services. The Tenancy Support Specialists role are to meet people where they are. They often leave the facility to find individuals in need of care, collaborate with landlords, work with individuals during the move in process, and assist along the way. Travel into the community is part of this position. Additionally, HomeFront prides itself on being an agency that is easily accessible for our community members and applicants. By having an open-door policy, our participants are able to see quick turnarounds when scheduling appointments or even be seen same day. Individuals feel comfortable coming in during emergent situations. Through Outreach Services, our staff is available to serve individuals in crisis with compassion and integrity.**

**Hygiene kits and home supplies will be used for immediate support and intervention.**

**We have removed the cell phones from the sources and uses based on conversations with Carly Collins.**

**We have removed general equipment costs. We have maintained postage, general office supplies, and printing in our budget.**

Please note: bus passes may only be used by participants for eligible HOME-ARP services including to and from medical care, employment, childcare, etc. Participants must regularly certify funds used for public transportation / bus passes were used for eligible services.

**This is understood and we will develop necessary acknowledgement forms for clients to certify the use of the bus passes.**

Gentlemen:

The following information is furnished in reply to your inquiry of February 3, 1983.

As an instrumentality of a governmental unit, you are not subject to Federal income tax under the provisions of section 115(1) of the 1954 Internal Revenue Code, which states in part:

"Gross income does not include income derived from the exercise of any essential governmental function and accruing to a state or any political subdivision thereof."

As an instrumentality of a government unit, you are not an exempt organization as described in section 501(c) of the Internal Revenue Code and, therefore, cannot receive a determination letter as evidence of exemption under Section 501(c); however, your income is not taxable as explained above. You would not be required, therefore, to file Form 1120 taxable returns.

Please let us know if we may be of further assistance.

Sincerely yours,

*Max Wilson*

We, ALLEN L. LARSON, DONA OVERFELT, DONOVAN G. KELLY, EDNA BEST, and PETER LOMBARDOZZI, being duly sworn, depose and state:

That twenty-five qualified residents of the City of Billings have petitioned the City Clerk of the City of Billings for the creation of a Local Housing Authority, as defined by Section 35-128 (35-104), R.C.M., 1947, as amended to function in the City of Billings and the surrounding area.

That pursuant to said petition the said City Clerk has published notice of a public hearing before the City Council of the City of Billings for the purpose of determining the need for such a Housing Authority.

That the Mayor of the City of Billings has duly appointed your affiants and applicants Commissioners of the proposed Housing Authority, a certified copy of which appointment is hereunto attached.

That the terms of office of your affiants and applicants as Commissioners of the proposed Authority are to commence on January 15, 1973, and continue to the dates set opposite their names:

| <u>Names</u>      | <u>Expiration Date</u> |
|-------------------|------------------------|
| Allen L. Larson   | January 15, 1976       |
| Donovan G. Kelly  | January 15, 1975       |
| Dona Overfelt     | January 15, 1974       |
| Edna Best         | January 15, 1977       |
| Peter Lombardozzi | January 15, 1978       |

That upon expiration of the terms set forth above, subsequent appointments will be for a term of five (5) years.

That your affiants and applicants desire the proposed Housing Authority to become a public body and a body corporate and politic under the provisions of Chapter 140 of the 1953 laws of Montana, and acts amendatory thereto.

That the name proposed for such Housing Authority is Housing Authority of Billings. That the location of the principal office of said proposed Authority will be City Hall, Billings, Montana 59101.

That your affiants and applicants hereby request that this application be received, filed and placed upon record in the office of the Secretary of State, and that your affiants and applicants be issued under the seal of the State of Montana a Certificate of Incorporation for said corporation and that the same be duly recorded as aforesaid with this application.

Subscribed and Sworn to this 2nd day of February, 1973.

Unique Entity Identification (UEI) Number: A UEI is a number issued by the federal government's System for Award Management (SAM) to identify businesses and other entities that do business with the federal government. The UEI replaces the DUNS number. If your entity is already registered in SAM.gov, it has already been assigned a UEI number. Simply log into SAM.gov to access it. Entities intending to bid on contracts or grants directly from the federal government should visit SAM.gov and choose "Register Entity" to receive a UEI. Those who would like a UEI for sub-award reporting should choose "Get Unique Entity ID." There is no cost to register for a UEI and it can usually be created within one business day. FREE local assistance is available at the Montana Procurement Technical Assistance Program, 201 N Broadway, Billings, MT 59101 / 406.869.8410 / langman@bigskyeda.org. Enter your UEI number below.

**Q17**

Describe the length of time the organization has been in operation and the organization's purpose. (500 characters maximum)

For 59 years HRDC has actively assisted individuals and families achieve self-reliance and economic independence. As a nonprofit Community Action Agency, HRDC strives to eliminate the barriers that impede the growth and prosperity of all people in the five-county region, including Big Horn, Carbon, Stillwater, Sweet Grass, and Yellowstone Counties. HRDC provides a range of programs to improve family self-sufficiency, promote economic stability, and meet the holistic needs of vulnerable citizens.

---

**Q18**

Describe the types of supportive services currently being provided by the organization. (2,000 characters maximum)

HRDC is HUD-approved to provide housing counseling and navigation services. Other housing services HRDC provides are rental counseling, and home buyer education. Case management services are a crucial component of all HRDC's programs. Case managers are experts on their corresponding programs and also refer participants to other HRDC and external organizations' programs. Through Continuum of Care Rapid Rehousing (CoCRRH), HRDC provides deposit and rent payment assistance. The Emergency Solutions program places emphasis on helping people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. The Family Forward program promotes self-sufficiency and economic independence. The Youth Homeless Demonstration Project as well as Rapid Rehousing are required to participate in the CoC Entry process as well. Harmony House Transitional Living Program provides a supportive, nurturing place for homeless, pregnant, or parenting youth ages 16-22 and their children. General Relief provides rental assistance while individuals are waiting for approval of SSI/SSDI. (LIEAP provides low-income households with energy assistance. The Wheels for Work program assists low-income individuals who need a ride to and from work to maintain employment by reducing transportation barriers. Financial Education class offers a great opportunity for individuals and families to learn the basics about personal fiscal management. Youth Employment & Training provides year-round training and Work Experience opportunities to better prepare Montana's youth ages 14-24 for employment. The Pathways program is designed to support individuals who are receiving Temporary Assistance for Needy Families (TANF) in their pursuit for self-sufficiency. The HELP-Link Program focuses on career coaching, career support and employment for recipients of Montana Medicaid.

**Q21**

Describe the organization's experience and compliance with federally funded programs. (1,000 characters maximum)

HRDC currently administers over 40 grants funded through local, state, and federal sources. Annually, the organization's grant funded programs comprise more than \$10 million in funds directed to services that support vulnerable populations. Agency-wide program outcomes for 2021-2022 represent the wide range of services provided by HRDC and the ability of the agency to help low-income vulnerable populations transition into permanent housing. Many federal grants that are administered by the agency filter down through the state and support a myriad of programs. HRDC receives and is compliant with several U.S. Department of Health and Human Services agencies' grants: Agriculture Housing and Urban Development (HUD), Labor, Treasury, Energy, and Homeland Security. HRDC has been compliant with these grants including all requirements during the entire time it has received HUD funding.

---

**Q22**

Describe the agency's policy for maintaining confidentiality of individuals and families served. (1,000 characters maximum)

HRDC ensures the confidentiality of all client information and data through agency policies and procedures that have been established related to the protection of personally identifiable information (PII). PII protection procedures include: encrypted devices for email communications; only agency approved email addresses are allowed to be used by staff and social security numbers are not delivered through email; staff are trained to be discreet when communicating personal and confidential information and information is only shared with those that are authorized to receive it for a specific purpose; data is stored in password protected databases which have limited access for only staff that need information for specific work duties; and client or program participant are notified of confidentiality requirements and written authorization is needed for staff sharing. HRDC policies ensure staff accountability and that only necessary client data is collected.

---

**Q23**

Describe the organization's policies, procedures, and experience in each of the following three areas: (1,500 character maximum for each)

Financial Management & Accountability

**HRDC maintains its accounting records in accordance with Generally Accepted Accounting Principles (GAAP). Although HRDC presents its financial statements according to three classes of net assets, it maintains its accounting statements and records using fund accounting principles. Each grant is maintained in its own fund to allow segregation of funding sources, assets, liabilities (or unobligated balances), income and expenditures. HRDC's accounting procedures and internal controls provide an environment in which the computerized fund accounting software is supported by paper source documentation, reconciliations, and other working papers. All elements together allow for timely preparation and delivery of reports. Funds and supporting documentation are maintained at levels to allow for easy detail tracing, assuring funds are properly used as allowed by the grants. HRDC utilizes direct costing for all identifiable costs and an allocation plan approved by the State of Montana, for common costs such as administration and space costs. A copy of this cost allocation plan is attached (see Attachment). Statistics we maintain on the results of this allocation plan are used for projections, budgeting, and program management.**

Personnel Management

HRDC ensures its new and existing employees are competent with job duties and compliant with all agency policies by using multiple recruitment strategies that adhere to all federal requirements including background checks and a focus on diversity and onboards staff by providing an employee handbook that describes the expectations of employees and outlines the policies, programs, and benefits available to eligible employees. Employees are trained in cyber security, emergency disaster preparedness, and other organizational wide mandatory training as well as individual program training. Each program requires specific training and certifications. As a community action agency, HRDC is part of a nationwide network of CACs and has access to online trainings for organizations who work with low-income diverse populations that focus on motivational interviewing, avoiding intrinsic bias, and conflict resolution. Other training requested by employees is considered and can be included as part of professional development. Each employee has a direct supervisor and is expected to follow the chain of command in decision making, problem solving, and conflict management. Employees are able to reach out to human resources for questions on the organization's grievance policy. Professional development is encouraged and depending on grant deliverables may be required.

Procurement & Purchasing

HRDC requires the practice of ethical, responsible, and reasonable procedures related to purchasing, agreements and contracts, and related forms of commitment. HRDC's Fiscal Policy Manual describes the principles of the procurement policy that all staff are required to adhere to in the completion of their designated responsibilities. The goal of HRDC's procurement policy is to ensure that materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. For instance, the procurement policy addresses the code of conduct for staff participating in the process; defines the roles and responsibilities for staff who engage in procurement; describes the requirements for HRDC procurement transactions to be conducted in a manner providing free and open competition without any discrimination; and lists procedures for procurement transactions based on categories and dollar amounts.

## Recordkeeping &amp; Reporting

HRDC uses the required Results Oriented Management and Accountability Approach (ROMA) for data collection and goal monitoring. As part of the ROMA approach, HRDC assesses benchmarks on outreach efforts and participant and landlords/owner recruitment along with process goals to assure quality. HRDC uses the ROMA process and other activities to monitor and continuously improve agency approaches to using data from the management systems to drive program quality improvements and to make assessments of the agency's success in administering various programs. Data is collected on program efficiency, quality, and the effectiveness of services. The data collected is monitored monthly by both the report feature in the ROMA system, but also by hard copies of the files by the Program Director to ensure it is timely and complete. The data entered in the ROMA database is then compared to reports offered in the HAPPY software to ensure they can be reconciled. HRDC resolves all quality assurance issues in a timely manner (30 calendar days). Another method of measuring the quality of services is through the Central Database System (CDS). Through the CDS, outcomes are measured through performance indicators established during the planning period that are reported in an on-going process of reports produced by the system, reflecting all services offered to program participants throughout the year. HRDC's data systems provide for meticulous measurement of service delivery geographically or by program.

**Q24**

If the organization currently manages grant funding, describe the method for tracking staff time on grant-specific tasks. (500 characters maximum)

HRDC uses an employee data management system that requires daily input. Employees code the number of hours they work for the project or grant they worked on that day. Most employees are assigned to and work on a specific grant duty daily, so the process is less complicated. For those support staff who work on multiple projects with different funding sources accuracy is achieved by consistent processes and multiple layers of supervision revision work logs. Any discrepancies are reconciled immediately

---

**Q25**

Describe the standards the organization uses for code-of-conduct covering conflicts of interest and governing the actions of its officers, Board of Directors, and employees. (2,000 characters maximum)

HRDC's has developed a written conflict of interest policy that is provided to all staff and board members upon commencement of duties. The policy asserts that all trustees and employees have an obligation to: avoid conflicts of interest, or the appearance of conflicts, between their personal interests and those of the Agency in dealing with outside entities or individuals; disclose real and apparent conflicts of interest to the CEO and/or the Board of Trustees; and refrain from participation in any decisions on matters that involve a real conflict of interest or the appearance of a conflict. The policy defines conflicts of interest and describes examples, disclosure requirements, and the process for resolution. The policy describes reporting responsibilities, whistleblower protection, investigative responsibilities, protection of records, disciplinary action, and confidentiality.

Describe the need for the proposed supportive services at your organization in relation to homeless prevention and increasing housing stability. (1,000 character maximum)

According to HUD 2022 there are 1600 homeless people with only 304 Emergency safe Haven family units available across the state, including only 23 child-only beds and 669 Emergency family beds. Billings has 338 homeless people (30 homeless people for every 10,000. There are over 28% of housing units within service area with at least one substandard conditions (inadequate plumbing, lack of kitchen facilities, over occupancy, etc.) and is identified as a primary risks to homelessness. HRDC shares the priorities of the City of Billings to focus on homelessness prevention and services. With more resources, HRDC can expand its efforts to provide adequate emergency homeless prevention programs and expand treatment / service capacity and linkage to essential services, while using its bundled services to help increase citizen's personal income levels and economic opportunities. HRDC is the only Certified Housing Counseling Program that can also use this credential as a housing support service.

Provide a detailed description of the organization's ability to serve the identified qualifying population(s). Describe similar projects or activities that have been / are being successfully carried out at the organization, as well as sources of funding for the programs or activities. (2,000 character maximum)

HRDC outcomes for 2021-2022 represent the wide range of services and the ability of the agency to help low-income vulnerable populations transition into permanent housing. In 2021, 57 households received security deposits through the CoC Rapid Re-Housing Program and the Youth Homeless Demonstration Project as well as 2104 months of rent were paid from the over 9 programs at HRDC including: ARRA Essential services program, Emergency Solutions, Rapid Re-housing, Housing Plus and Section 8. The total amount of rent paid to community members totaled \$1,108,541.93 in 2021. In regard to home ownership, 363 families graduated from HRDC homebuyer education, 370 homeownership planning sessions were conducted, and 52 home purchases were made as a result of individual planning sessions. Youth employment services were also provided to 63 youth who participated in the Work Investment Act Employment and Training Program administered by HRDC. These youths were supported by 67 local businesses that provided employment sites. Specific program experiences include as a HUD-approved housing counseling agency, HRDC provides no-cost counseling in the areas of mortgage delinquency, default resolution, and pre-purchase. Each client receives intensive one-on-one assistance provided by a trained and certified housing counselor. HRDC manages the Home Center that offers one-on-one guidance provided by a trained and certified counselor who will help the client focus on how to secure and maintain a rental unit. HRDC is also a certified educators and industry experts teach prospective homeowners about the process of purchasing a home. Case management is a crucial component of all HRDC's programs. Case managers are experts on their corresponding programs and also refer participants to other internal and external organizations' programs.

**Q13**

Please explain any identified obstacles to carrying out this activity prior to the expenditure deadline of September 30, 2030. (1,000 character maximum)

HRDC is confident it will be able to meet all requirements by the project deadline, however, landlord participation is an obstacle, but vital to the success of this grant. HRDC will focus on outreach and landlord education on the benefits of being involved with the project. HRDC is engaged with property managers, private landlords and the local landlord associations that serves Billings to ensure accurate program knowledge can be obtained as well as breaking down the stigma of the client who may be receiving housing assistance. HRDC uses ROMA to measure project outcomes and monitors expenditures closely to ensure responsible budget spend down and resource allocation.

---

**Q14**

Describe how the organization plans to market the program to participants to ensure people know how to access services or resources. (1,000 character maximum)

HRDC develops an outreach plan that identifies goals for enrollment and landlord/owner participation, new and current partners that will be targeted, and events and activities to promote the program. Staff sets timelines and uses a calendar to ensure that recruitment and outreach occurs continuously with a pool of eligible participants and landlords/owner are always engaged. HRDC uses its vast network of organizations to recruit both participants and landlords/owners. Outreach activities to reach and engage participants and landlords/owners include utilizing relationships with agency partners that make referrals to the program, sharing information about the program through multiple outlets, in multiple languages, and presenting information about services to local agencies. Annually, digital, social media, printed outreach and recruitment materials, as well as targeted messaging about service will be produced and updated to ensure all materials are current and reflect relevant resources.

**Q15**

The City has not implemented a preference for any qualifying populations or subpopulations. Describe how the agency will maintain a waiting list of any program participants and/or a waiting list for services. (1,000 character maximum)

Because housing stock is low throughout the region the Housing Navigator establishes connections with clients to support them with immediate assistance with starting the housing search. HRDC has a Vast knowledge of other programs that can help with other needs of clients such as application fees to ensure clients have wrap around service when applying for housing and are not held up by lack of resources. Resources can include mental health services, medical services, emergency shelter as well as wrap-around case management services on top of what the housing program can provide including family forward and housing stability services. The goal is to reach the entirety of the waiting list within a 2-month time period to ensure that applicants do not have to wait a long period of time before they are engaged in starting the process to enter the program. Many times, if there is a longer waiting period clients either move or are unresponsive when their names come up on the list.

---

**Q16**

Describe how the agency will verify a program participant meets at least one of the qualifying populations prior to service approval. (1,000 character maximum)

HRDC uses a one-point entry system regardless of how a participant enters agency programs either by referral, through the Continuum of Care, or other means. HRDC has an established intake process which determines eligibility based upon established criterion. Once classified as eligible and accepted into the program, the participant is immediately assigned a case manager for further assessment and determination of additional services that might be bundled into a comprehensive individualized management plan. All case managers undergo stringent and ongoing training under the supervision of the program manager to ensure compliance.

**Q17**

How will the organization verify the income of the individuals / households served? Check all that apply.

- Federal Tax Forms,**
  - Pay Stubs,**
  - Client Self-Report,**
  - Verified through other assistance (TANF, Medicaid, etc.),**
  - Perform Asset Review,**
  - Third Party Verification**
- 

**Q18**

Describe how the agency will assess duplication of benefits, including a process for verifying that a program participant is not currently receiving and/or been approved to receive the same service through another funding source. (1,000 characters maximum)

HRDC initially certifies and re-certifies eligibility by enrolling participants, completing applications, verifying financial status, assists in voucher extensions under the Programs, and complete data entry and uploads documentation into the designated software system. HRDC requires all new participants to be present onsite during the Enterprise Income Verification (EIV) process and annually after unless HRDC conducts a random sample of participants or HRDC has reason to believe that participants income has changed. The Housing Navigator is required to perform re-examinations if there is a household change, a move or income change. After the re-examination is completed, the process is reviewed by the Program Director, inputted into the proper reporting system which will then be received by HUD to ensure accuracy.

---

**Q19**

Has any program participant been required to repay due to an overpayment and / or duplication of funds at your agency? If yes, how were repaid funds reinvested into another program participant and / or activity?

**Yes,**

Other (please specify):

In the rare case of overpayment and or duplication of services, all transactions are audited and follow best practices in financial management and reporting. In these unique situations, any over payment is reinvested into the program in which the overpayment occurred. All services are tracked and coded into (ROMA), Results Oriented Management and accountability and reported not only to the state or Federal grantor where overpayment or duplication may have occurred, but to State CSBG through its annual report in its services count. Data is also collected through internal and external databases with monthly, quarterly, and annual reports generated by programs and services provided

---

**Q20**

Describe the methods or programs the agency will use to document and verify a program participant's eligibility. (1,000 characters maximum)

HRDC provides motivation interviewing to all new clients and enters information into the Pathways system to determine case management needs along with income verification to determine if the client is at risk for homelessness.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**

A Montana Nonprofit Corporation  
(as Amended and Restated October 25, 2022)

**Article I**

**NAME AND LOCATION**

Section 1. Name. The name of this organization shall be **District 7 Human Resources Development Council** (the “Corporation”), a nonprofit corporation incorporated in the State of Montana.

Section 2. Location. Offices of the Corporation shall be located in Billings, Montana, and in such other localities as may be determined by the Board of Trustees.

Section 3. Registered Office. The Corporation shall have and continuously maintain, in the State of Montana, a registered office and a registered agent whose office is located in such registered office. The registered office may be, but need not be, located in the principal office of the Corporation. The address of the registered office may from time to time be changed by the Board of Trustees.

**Article II**

**PURPOSES**

Section 1. Purposes. As stated in the Articles of Incorporation of the Corporation, the Corporation is organized and shall be operated for exclusively charitable and educational purposes within the meaning of Code Section 501(c)(3), including, but not limited to, the promotion of human development and economic betterment and the relief of poverty in Big Horn, Carbon, Stillwater, Sweet Grass, and Yellowstone Counties in the State of Montana. In furtherance of these purposes, the Corporation shall develop

programs to help the local communities mobilize resources to combat poverty in conformity with the Economic Opportunity Act of 1964 (as amended), and the provisions of any future law.

Section 2. Restriction on Activities. The Corporation shall operate under the following restrictions:

- (a) The Corporation shall have and exercise all rights and powers conferred on Montana nonprofit corporations under Montana law, provided, however, that the Corporation shall not engage in any activities or exercise any powers that are not in furtherance of the primary purposes of the Corporation.
- (b) The Corporation shall not carry on any other activities not permitted to be carried on by a corporation that is exempt from federal income tax as an organization described in Code Section 501(c)(3).
- (c) No part of the net earnings or assets of the Corporation shall inure to the benefit of any Trustee, officer, or other private individual; and, except to an insubstantial degree, the Corporation shall not engage in a regular business of a kind ordinarily carried on for profit.
- (d) No substantial part of the activities of the Corporation shall consist of carrying on propaganda, or otherwise attempting to influence legislation; and the Corporation shall not participate or intervene in any political campaign (including publishing or distributing statements), in connection with any candidate for public office. However, the Corporation may conduct appropriate lobbying activities as described by Code Section 4911 on issues of importance to the Corporation and the individuals that it serves.

### Article III

#### MEMBERSHIP

Section 1. Members. The Corporation shall have no Members. Any action which would otherwise require approval by a majority of all members or approval by the members shall require only approval by the Board. All rights which would otherwise vest in the members shall vest in the Board of Trustees.

#### Article IV

### BOARD OF TRUSTEES

Section 1. Authority and Responsibility. The governing body of the Corporation shall be the Board of Trustees. The Board of Trustees shall have supervision, control, and direction of the affairs of the Corporation, shall actively promote and pursue the Corporation's objectives, shall identify the human resource development needs of Montana District 7, and shall supervise the disbursement of the Corporation's funds. The Board may adopt such rules and regulations for the conduct of its business as shall be deemed advisable, and may, in the execution of the powers granted, delegate certain of its authority and responsibility to one or more committees.

Section 2. Number and Qualifications of Trustees. The number of Trustees that shall constitute the entire Board shall be fifteen (15). The number of Trustees may be increased (but not to more than fifty-one (51)) or decreased (but not to less than fifteen (15)) by resolution of the board, but no decrease shall have the effect of shortening the term of any incumbent Trustee. All Trustees must reside within the boundaries of Montana District 7.

Section 3. Selection of Trustees. The Trustees shall be divided into three groups as follows:

- (a) Public Official Trustees. One third (5) of the Trustees shall be Public Official Trustees. One Public Office Trustee shall be appointed from each of the five counties that make up Montana District 7. The individuals appointed as Public Official Trustees shall represent either elected or appointed public officials with general government responsibilities or responsibilities which require them to deal with poverty-related issues. The representatives shall be appointed by the governing officials of the political jurisdictions they represent (i.e. County Commissioners). If a vacancy occurs in any seat (including refusal of the appointed individual

to serve as trustee), the appropriate sponsoring group shall be notified, and shall have the right to appoint a replacement.

- (b) Low-Income Trustees. At least one third (no less than 5) of the Trustees shall be Low-Income Trustees. Low-Income Trustees shall be appointed by the Board of Trustees in accordance with selection procedures adequate to assure that the individuals selected adequately represent the low-income population in the area served by the Corporation. At least two (2) Low-Income Trustees shall be from rural counties served by the Corporation and three (3) shall come from Yellowstone County. Low-Income Trustees need not, themselves, qualify as low-income, so long as they are representatives of the low income residents served by the Corporation. Upon the occurrence of a vacancy for a Low Income Trustee seat, the Board shall make reasonable efforts to provide notice of the vacancy to the residents of the area and to the members of the low-income groups to be served.
- (c) Private Sector Trustees. The remaining members of the Board (no more than 5) of the Trustees shall be Private Sector Trustees. The Private Sector Trustees shall be elected by the Board of Trustees. The board of Trustees shall adopt nomination procedures for Private Sector Trustees that ensures that the Corporation will benefit from broad community involvement. Private Sector Trustees shall be individuals that represent civic, professional, business, industry, labor, law enforcement, religious, welfare, education or other groups within the counties of Montana District 7.
- (d) Notwithstanding the foregoing, action taken by the Board of Trustees which is otherwise valid shall not be deemed invalid due to failure to comply with Board membership requirements, provided diligent effort has been made to ensure that all membership criteria are met.

Section 4. Petitions for Representation on the Board of Trustees. Representative groups of the low income population and community agencies that feel themselves inadequately represented on the Board of Trustees may petition for adequate representation according to the following guidelines:

- (a) Petitions shall be in writing, signed by at least twenty-five (25) members of the petitioning group or agency, and shall state why the Board of Trustees is not adequately representative of the petitioning group.
- (b) The completed petition shall be delivered to the Board at its regular meeting. The Board shall set the date for a hearing of the petition within sixty (60) days of receipt, and notify the petitioners thereof, in writing.
- (c) The petition hearing shall be informal and open to the community, in order to provide a fair opportunity for the petitioning group to present its case for more adequate representation.
- (d) The Board shall provide a written statement of reasons supporting whatever action the Board takes on the petition. This statement shall be provided to the petitioners.
- (e) The Board must adjust and realign Board membership in any case where a petition is granted, in order to maintain proper representation of public officials and the poor.

Section 5. Terms of Office.

- (a) **Low Income and Private Sector Trustees.** All Low-Income Trustees and Private Sector Trustees shall serve for a term of three (3) years. Terms shall be staggered, with one-third of the total number of Low Income and Private Sector Trustee positions on the Board being replaced each year. If necessary following the adoption of restated and amended bylaws, initial terms of less than three (3) years may be determined by lot to accomplish a staggered replacement of Trustees. Low Income and Private Sector Trustees may serve consecutive terms of office.
- (b) **Public Official Trustees.** Public Official Trustees shall serve for a term of three (3) years at the discretion of the appointing group for each Public Official Trustee as determined in Section 3 of this Article. Public Official Trustees may serve consecutive terms of office.
- (c) **Term Start Date.** Terms of office shall begin on the date of the first Corporate meeting following the appointment of any Board members, or on the date of appointment if the Board member is appointed at the annual Corporate meeting.

Section 6. Removal of Trustees. A Low-Income Trustee or Private Sector Trustee may be removed with or without cause by the vote of two-thirds of the Trustees of the Corporation. In the event that a Low-Income Trustee or Private Sector Trustee has three consecutive unexcused absences from meetings of the Board of Trustees, the Trustee may be removed by the vote of a majority of the Board of Trustees. It is understood that Public Official Trustees cannot be removed by action of the Board. However, the elected official and the appointing body will be notified when three consecutive meetings have been missed and The Board shall encourage the elected official to attend the Board meetings or have the appointing body recall the Trustee and appoint a replacement that will be able to attend. Board members who are representatives of a public official, private organization or any other group may be removed by the individual or entity by written notice to the Trustee and the Corporation.

Section 7. Community Recall of Trustees. A written complaint seeking recall of any Trustee who is serving as a Trustee of the Corporation as the representative of a public official, private organization or any other group may be filed with the Chair of the Corporation by any person. The Trustee against whom such claim is made shall be personally contacted by the Chair regarding the issues raised by the complaint. Following such notification, copies of all such complaints shall be forwarded by the Chair to the body or individual who appointed the Trustee and to the Trustee against whom the claim is made. Only the appointing body shall be entitled to take action against a Trustee on the basis of such complaint.

Section 8. Resignation of Trustees. Any Trustee may resign from the Board by giving written notice to the Chair of the Corporation. Such resignation shall be effective upon receipt of notice by the Chair or at such later date as specified in the notice.

Section 9. Vacancies. Vacancies on the Board of Trustees shall be filled in the same manner as the vacating Trustee was elected or appointed. If the vacancy is not filled in this manner, the Board of Trustees, by majority vote, is empowered to appoint temporary Trustees to fill any vacancies on the Board caused by death, resignation, or otherwise. Such temporary Trustees shall serve until the term of the vacating Trustee expires and shall be selected to represent as closely as possible the same constituency and county as the vacating Trustee.

Section 10. Specific Powers. In addition to all other powers granted by law, the Corporation's Articles of Incorporation or these bylaws, the Board of Trustees shall have the power:

- (a) To appoint the Chief Executive Officer of the Corporation;
- (b) To determine, subject to applicable laws and regulations, major personnel, organizational, fiscal and programmatic policies of the Corporation;
- (c) To determine overall program plans and priorities for the Corporation including provisions for evaluating progress against performance;
- (d) To make final approval of all program proposals and budgets;
- (e) To determine, subject to applicable laws and regulations, rules and procedures for the Board of Trustees;
- (f) To elect the officers of the Board and appoint the officers of the Corporation;
- (g) To appoint committees of the Board of Trustees; and
- (h) To receive and administer funds under the Community Services Block Grant Program, and amendments thereto, funds and contributions from private and local public sources and funds under any Federal or State Assistance Program.

Section 11. Place and Manner of Meeting. The annual meeting of the Board of Trustees shall be held each year in June. Regular meetings of the Board of Trustees shall be held approximately every 10 weeks at the offices of the Corporation or at such other place and time as the Chair of the Corporation or the Trustees may determine. Special meetings of the Board of Trustees may be held from time to time upon call of the Chair, or a majority of the Trustees. In the matter of closed sessions, all decisions made in such sessions must be finalized in an open meeting. Members of the Board of Trustees may act by means of conference telephone network or similar communication methods by which all persons participating in the meeting can hear each other. A Trustee participating in the meeting by conference telephone or electronic means is deemed present in person at the meeting. The Chair of the meeting may establish reasonable rules as to conducting the meeting by telephone or electronic means.

Section 12. Action Without a Meeting; Use of Electronic Mail. The Board of Trustees shall not take any action without a meeting at which a quorum is present. The Trustees may, however, act on any matter generally required or permitted at a Board meeting, without actually meeting, including voting on any matter properly brought before the Board of Trustees, through a unanimous written consent. Such action can be taken by e-mail if an electronic copy of the resolution of action is included in an e-mail notice to the Trustees at the e-mail addresses on record for each Trustee. The action shall be approved when each of the Trustees entitled to vote on the matter respond with an affirmative vote via e-mail from the Trustee's e-mail address on record with the Corporation. Upon receiving an electronic response from each Trustee, a copy of each Director's vote shall be printed and the written version of the electronic responses shall be kept in the Corporation's minute book. The unanimous consent shall have the same effect as a unanimous vote.

Section 13. Notice of Meeting. Written or printed notice of every annual, regular and special meeting of the Board of Trustees, stating the place, day and hour of the meeting along with an agenda must be given to each Trustee not less than five days prior to the date of the meeting; provided that notice must be given to each Trustee at least seven days prior to the date of the meeting if the purpose of the meeting is to consider: (i) removing a Trustee from office; (ii) an amendment to the Articles of Incorporation; (iii) a plan of merger, (iv) the sale, lease, exchange, or disposition of all or substantially all of the Corporation's property or (v) the dissolution of the Corporation. In such case, the notice must be accompanied by a copy of, or summary of, the proposed amendment, plan of merger, transaction for the disposition of property, or proposed dissolution. Public notice of every annual, regular and special meeting of the Board of Trustees, stating the place, day, and hour of the meeting must be posted at least 72 hours prior to the time of the meeting. No notice need be given to any Trustee who actually attends, or who executes and files written waiver of notice of such meeting, either before or after the meeting. Notices of special meetings shall state the purpose for which the meeting is called.

Section 14. Date of Notice. Any notice to a Trustee of the Corporation that is required or permitted under these Bylaws shall be delivered to the Trustee at the Trustee's mailing address, electronic mail address, facsimile number, or telephone number as shown on the records of the Corporation. If mailed, such notice shall be deemed to be delivered five days after being deposited in the United States mail in a

sealed envelope so addressed, with postage thereon prepaid. If given by telephone, such notice shall be deemed to be delivered when spoken to the Trustee or to a person at the office of the Trustee who the person giving the notice has reason to believe will promptly communicate it to the recipient. If given by electronic transmission, such as by facsimile or electronic mail, such notice shall be deemed to be delivered when transmitted, unless information is received promptly by the sender that the transmission was not received.

Section 15. Quorum. A majority of the members of the Board of Trustees shall constitute a quorum at all meetings of the Board of Trustees. No vote shall be taken unless a quorum is present.

Section 16. Voting. At all meetings of the Board of Trustees, each Trustee shall have one vote. The vote of a majority of the Trustees present at a meeting at which a quorum is present shall be sufficient to constitute action of the Board of Trustees except for actions for which a greater vote may be required by statute, the Articles of Incorporation, or these Bylaws.

Section 17. Compensation of Trustees. No Trustee shall receive any compensation from the Corporation for services rendered as a Trustee. Nothing contained herein shall be construed to preclude any Trustee from serving the Corporation in any other capacity and receiving reasonable compensation for personal services rendered to the Corporation that are reasonable and necessary to carry out one or more of the tax-exempt purposes of the Corporation. Trustees may receive such reimbursement for expenses, if any, as may be fixed or determined by the Board.

## Article V

### COMMITTEES OF THE BOARD

Section 1. Standing Committees.

- (a) The Board may have standing committees including an Executive/Business Committee, and a Program/Mobilization of Resources Committee.
- (b) No Trustee may serve as chairperson of more than one standing committee; however Trustees may serve as member(s) of any or all standing committees.

- (c) The Chair of the Board, with the consent of the Board of Trustees, will appoint the chairpersons and members of each standing committee, except the Executive/Business Committee.
- (d) Membership of standing committees shall be so constituted that they reflect the composition of the Board. One-third being public officials, one-third being private officials and one-third being low-income officials.
- (e) The Executive/Business Committee shall be appointed from the Board by the Chair. The Executive Committee shall be chaired by the Board Chair. The Board Chair shall appoint the Chairman of the Business Committee. The Executive/Business Committee shall be approved by the Board, shall not be less than three nor more than six in number and shall represent the balance between public, private and low-income, as in item (d) above.
- (f) The board of Trustees shall delegate to the Executive/Business Committee the work of providing advice and counsel to the Chief Executive Officer.
- (g) The Program/Mobilization of Resources Committee shall be appointed from the Board by the Chair and the Chair shall appoint the Chairman of this committee. The Program/Mobilization of Resources Committee shall be approved by the Board, shall not be less than three nor more than six in number and shall represent the balance between public, private, and low-income, as in item (d) above.
- (h) The Board of Trustees shall delegate to the Programs/Mobilization of Resources Committee those issues that are associated with the programs operated by the corporation, and the committee shall seek aid from persons/businesses/special groups who have a concern for the poor and who will assist in mobilizing local, state, and federal resources that support the programs to fulfill the corporation's objectives.

Section 2. Other Committees. The Board may, by a majority vote of the full Board, create additional committees. Such committees shall include no less than three Trustees who shall represent the balance between public, private and low-income as in Section 1 (d) of this Article. The members of any such committee shall serve at the pleasure of the Board of Trustees. Committees shall exercise such powers as may be designated by the Board of Trustees.

Section 3. Restrictions on Committees. Pursuant to the Montana Nonprofit Corporation Act, a committee shall not have the authority to:

- (a) Authorize distributions;

- (b) Elect, appoint or remove Trustees or fill vacancies on the Board or on any of its committees, or
- (c) Adopt, amend or repeal the Articles of Incorporation or Bylaws of the Corporation.

Section 4. Committee Meetings. Each committee may, subject to the approval of the Board of Trustees, prescribe rules and regulations for the call and conduct of committee meetings and other matters relating to its procedure that are consistent with these bylaws. A majority of the members of a committee shall constitute a quorum for the transaction of business at any meeting of the committee.

### OFFICERS

Section 1. Officers of the Board. The officers of the Board of Trustees shall be a Chair, a Vice Chair, a Secretary, a Treasurer, and such other officers as the Board of Trustees deems advisable from time to time. Any two offices, except the offices of Chair and Treasurer, may be held by the same person. The Board may attempt to have the officers selected by the Board of Trustees to approximately represent the distribution of representation on the Board of Trustees, however a direct correlation to the tri-partite structure of the Board is not required. All of the Officers of the Board must be voting members of the Board in good standing. Failure to appoint officers shall not require the Corporation to be dissolved.

Section 2. Officers of the Corporation. In addition to the officers of the Board, the Board may appoint officers and assistant officers of the Corporation if the Board deems it necessary or desirable to do so; or by resolution the Board may delegate such authority to an officer of the Board or officer of the Corporation. Such officers of the Corporation may include a Chief Executive Officer; Chief Operating Officer; and Chief Financial Officer. Any number of offices may be held by the same person, and officers of the Corporation do not need to be members of the Board of Trustees. Failure to appoint officers of the Corporation shall not require the Corporation to be dissolved.

Section 3. Election. The officers of the Board shall be elected by the Board of Trustees each year at the June meeting of the Corporation.

Section 4. Term of Office. Each officer shall hold office for one year, or until the officer's successor has been duly elected and qualified, or until removed. Trustees may serve a maximum of three consecutive one year terms in the same position as an officer of the Board. There is no limit to the number of consecutive terms that Officers of the Corporation may serve. A designation of a specified term does not grant to the officer any contract rights, and the Board can remove the officer at any time prior to the termination of the designated term.

Section 5. Removal of Officers.

- (a) Any officer of the Board or officer of the Corporation may be removed either with or without cause by a two-thirds (2/3) super majority vote of the Board of Trustees.
- (b) The Chief Executive Officer may be removed with or without cause by a two-thirds majority vote of the Board of Trustees. Such removal from the office of Chief Executive Officer shall be subject to any employment or contract rights existing between the Chief Executive Officer and the Corporation.
- (c) Any Officer of the Corporation other than the Chief Executive Officer may be removed from office by action of the Chief Executive Officer with notification to the Board of Trustees. Such removal from a position as an Officer of the Corporation shall be subject to any employment or contract rights existing between the individual and the Corporation.

Section 6. Duties of Officers of the Board. The duties and powers of the officers of the Board shall be as follows or as shall hereafter be set by resolution of the Board of Trustees:

- (a) Chair. The Chair shall, subject to the direction and supervision of the Board, (i) preside at all meetings of the Board; (ii) see that all orders and resolutions of the Board are carried into effect; and (iii) perform all other duties incidental to the office of Chair and as from time to time may be assigned to him or her by the Board.
- (b) Vice Chair. The Vice Chair shall assist the Chair to the extent determined by the chair or the Board of Trustees, and, in the absence or incapacity of the Chair, shall succeed to the duties of the Chair.

- (c) Secretary. The Secretary shall keep the minutes of the meetings of the Board of Trustees in one or more books provided for that purpose; see that all notices are duly given in accordance with these Bylaws or as required by law; present to the Board of Trustees at its meetings all official communications received by the Secretary; be custodian of the Corporation's records; and in general, perform all duties incident to the office of Secretary and such other duties as the Chair or Board of Trustees may assign. The Secretary may delegate the specific duties set forth above to another individual or receive assistance from another individual in performing such duties, so long as the Secretary retains oversight and review of the records and documents prepared and distributed.
- (d) Treasurer. The Treasurer shall, be responsible for all the funds and securities of the Corporation; deposit such funds and securities in such banks or safe deposit companies as the Board of Trustees may designate; receive and give receipts for moneys due and payable to the Corporation under the direction of the Chair or the Board of Trustees; keep accurate books of account of all of the Corporation's business and transactions and exhibit the books and accounts to any person duly authorized to inspect such records; and in general, perform all duties incident to the office of the Treasurer and such other duties as the Chair or Board of Trustees may assign from time to time. The Treasurer may delegate certain acts or receive assistance from another individual in performing the duties set forth above, so long as the Treasurer retains oversight and review of the related records or documents.

Section 7. Duties of Officers of the Corporation. The duties and powers of the officers of the Corporation shall be as follows or as shall hereafter be set by resolution of the Board of Trustees:

- (a) Chief Executive Officer. The Chief Executive Officer shall, subject to the supervision of the Board, be the chief executive of the Corporation and shall perform all such duties as may be assigned to him or her by the Board. The Chief Executive Office shall advise and counsel the Chair and other officers of the Board of Trustees and shall oversee all officers of the Corporation. The Chief Executive Officer may execute bonds, mortgages

and other contracts or documents as authorized or delegated by the Board of Trustees.

- (b) Chief Operating Officer. The Chief Operating Officer, if any, shall, subject to the supervision of the Chief Executive Officer, be the person in charge of the day to day operations of the Corporation's activities and shall perform all duties as may be assigned to him or her by the Chief Executive Officer.
- (c) Chief Financial Officer. The Chief Financial Officer, if any, shall, subject to the supervision of the Chief Executive Officer and Treasurer, be the principal financial officer of the Corporation and have the care and custody of all its funds, securities, evidences of indebtedness and other personal property and shall perform all duties as from time to time may be assigned to him or her by the Treasurer or Chief Executive Officer.

Section 8. Vacancies. Any officer of the Board may resign at any time subject to any rights or obligations under any existing contracts between the officer and the Corporation by giving written notice to the Corporation. An officer's resignation shall take effect at the time specified in such notice, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. All vacancies in any office shall be filled promptly by the Board of Trustees either at a regular meeting or at a special meeting called for that purpose.

## Article VII

### CONFLICT OF INTEREST

Section 1. Conflict of Interest. Because the Corporation's Trustees and Staff may be involved with other organizations that may have business dealings or affiliations with or seek grants from the Corporation, the following general principles have been established.

- (a) A Public Official Trustee sitting on the Board of Trustees will not be in conflict if the Corporation should contract with his/her jurisdiction to perform a component of the program.

- (b) Each member of the Board of Trustees and the Staff of the Corporation has a duty of loyalty to the Corporation. The duty of loyalty generally requires a Director or staff member to prefer the interests of the Corporation over the director's/staff's interest or the interests of others. In addition, Trustees and staff of the Corporation shall avoid acts of self-dealing which may adversely affect the tax-exempt status of the Corporation or cause there to arise any sanction or penalty by a governmental authority.
- (c) In the event any Trustee or a member of his or her family has a personal or business interest in, or is involved in any way with, an organization with whom the Board is considering a business contract, such interest or involvement shall be disclosed to the Board. In such event, the interested Trustee shall neither vote nor participate in the discussion of the matter. The interested Trustee shall be excused from the actual discussion and presence at that portion of the meeting when the matter giving rise to the apparent conflict is discussed. However, any Trustee who is excluded from voting or presence pursuant to this policy may answer pertinent questions of other Trustees and be present when the interested Trustee's knowledge regarding the matter will assist the Board.
- (d) The minutes of the meeting shall indicate that the interested Trustee disclosed the interest or involvement in the matter being considered by the Board, recused herself/himself from the discussion, and abstained from voting on the matter.

### LIABILITY, INDEMNIFICATION, AND INSURANCE

#### Section. 1. Indemnification.

- (a) Mandatory Indemnification. The Corporation shall indemnify each person who is or was a Trustee or officer of the Corporation, or who is serving or has served at the request of the Corporation as a Trustee, trustee or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, to the fullest extent from time to time permitted

by the laws of the State of Montana in the event any of such persons was or is a party, or is threatened to be made a part to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

- (b) Allowable Indemnification. The Corporation may indemnify any person who is or was an employee or agent of the Corporation and any person who is serving or has served at its request as an employee or agent of any other enterprise, to the fullest extent from time to time permitted by the laws of the State of Montana in the event any of such persons was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

Section 2. Authorization of Indemnification. Any indemnification under this Article (unless the indemnification is ordered by a court) shall be made by the Corporation only as authorized in the specific case, upon a determination that indemnification of the Trustee, officer, employee or agent is proper in the circumstances. In the case of indemnification that is mandatory under Section 2(a) of this Article, the determination shall be limited to whether the person to be indemnified has met the standards specified in Section 2 and the amount of the indemnification permitted by law. Any determination under this Section shall be made (a) by the Board of Trustees by a majority vote of a quorum consisting of Trustees not at the time parties to the proceeding, or (b) if such a quorum is not obtainable, by majority vote of a committee designated by the Board of Trustees consisting solely of two or more Trustees not at the time parties to the proceeding, or (c) by special legal counsel selected by the Board of Trustees or a committee as provided in (a) or (b) of this section or, if a quorum cannot be obtained under (a) and a committee cannot be designated under (b), the special legal counsel shall be selected by majority vote of the full Board, in which selected Trustees who are parties to the proceeding may participate.

Section 3. Advance Payments. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding, as authorized by the Board of Trustees in the specific case, upon receipt of (a) a written affirmation from the Trustee, officer, employee or agent of his or her good faith belief that he or she is entitled to

indemnification as authorized in this Article; and (b) an undertaking by or on behalf of the Trustee, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the Corporation as authorized in this Article.

Section 4. Non-Exclusivity and Continuation. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled under any agreement, vote of disinterested Trustees, or otherwise, both as to action in the person's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Trustee, officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 5. Insurance. The Corporation may purchase and maintain insurance (a) to insure itself with respect to the indemnification payments it is authorized or obligated to make pursuant to this Article, and (b) on behalf of any person who is or was a Trustee, officer, employee or agent of the Corporation, or who is or was serving at the request of the Corporation as a Trustee, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, to insure against any liability asserted against such person and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify the person against such liability under the provisions of this Article.

## Article VIII

### GENERAL PROVISIONS

Section 1. Execution of Contracts. The Board of Trustees, except as otherwise provided in these Bylaws, may prospectively or retroactively authorize any officer or officers, agent or agents, in the name, and on behalf of the Corporation, to enter into any contract, or execute or deliver any instrument as may be necessary to carry out the purposes of the Corporation. Any such authority may be general or confined to specific instances.

Section 2. Loans. The Board of Trustees may authorize the Chair or any other officer or agent of the Corporation to: (i) obtain loans and advances at any time for the Corporation from any bank, trust company, firm, corporation, individual, or other

institution; (ii) make, execute, and deliver promissory notes, bonds, or other evidence of indebtedness of the Corporation; and (iii) pledge and hypothecate, or transfer any securities or other property of the Corporation as security for any such loans or advances. Such authority conferred by the Board of Trustees may be general or confined to specific instances. The Corporation shall make no loans to any Trustee or officer.

Section 3. Investments. The Corporation shall have the right to retain all or part of any securities or property acquired by it in whatever manner, and to invest or reinvest any funds held by it according to the judgment of the Board of Trustees. The Board of Trustees is restricted to the prudent investments which a Trustee is or may hereafter be permitted by law to make. The Board of Trustees may delegate to the Treasurer the day-to-day management of such investments as the Board of Trustees may authorize.

Section 4. Books and Records. There shall be kept and made available, at the principal office of the Corporation, correct books of accounts of all the business and transactions of the Corporation.

Section 5. Depositories. The funds of the Corporation not otherwise employed shall from time to time be deposited to the order of the Corporation in such banks, trust companies, or other depositories as the Board of Trustees may select, or as may be selected by any one or more officers or agents of the Corporation to whom such power may from time to time be delegated by the Board of Trustees.

Section 6. Signatories. All checks, drafts, and other orders for payment of money out of the funds of the Corporation, and all notes and other evidences of indebtedness of the Corporation, shall be signed on behalf of the Corporation in such manner as shall from time to time be determined by the Board of Trustees. In the absence of such determination by the Board of Trustees, such instruments shall be signed by the Chair and the Treasurer of the Corporation.

Section 7. Annual Audit. The Board of Trustees may require an annual audit of the books and accounting records of the Corporation.

Section 8. Code. All references in these bylaws to Code Sections are to Sections of the Internal Revenue Code of 1986, and shall include future amendments to such sections and corresponding provisions of future federal tax laws, all as from time to time in effect.

Section 9. Electronic Transmissions. Unless otherwise provided in these Bylaws, and subject to any guidelines and procedures that the Board of Trustees may adopt from time to time, the terms "written" and "in writing" as used in these Bylaws include any form of recorded message in the English language capable of comprehension by ordinary visual means, and may include electronic transmissions, such as facsimile or e-mail, provided (i) for electronic transmissions from the Corporation, the Corporation sends the transmission to the fax number, email address or other electronic address provided by the recipient to the Corporation for its records; (ii) for electronic transmissions to the Corporation, the Corporation has in effect reasonable measures to verify that the sender is the individual purporting to have sent such transmission; and (iii) the transmission creates a record that can be retained, retrieved, reviewed, and rendered into clearly legible tangible form.

Section 10. Electronic Signatures. The provisions of the Uniform Electronic Transaction Act, Sections 30-18-101, *et. seq.*, MCA shall apply to all documents executed in connection with the operation and governance of the Corporation so that signatures transmitted electronically shall be effective in all respects as originals.

### Article IX

### DISSOLUTION

Upon dissolution or final liquidation of the Corporation, all assets remaining after creditors have been paid shall be distributed as required under Section 35-2-725(f) of the Montana Nonprofit Corporation Act. Such a plan of dissolution, adopted pursuant to Section 35-2-721 of the Montana Nonprofit Corporation Act, shall transfer or convey the Corporation's remaining assets to:

- (a) one or more domestic corporations, societies, or organizations which have qualified for nonprofit and tax-exempt status under Code Section 501(c)(3), and which are engaged in activities substantially similar to those of the Corporation, or
- (b) the federal, state or local government for exclusively public purposes.

Article X

AMENDMENT OF BYLAWS

The Bylaws of the Corporation may be altered, amended, added to, or repealed by majority vote of the entire Board of Trustees as is necessary or appropriate to carry out the purposes of the Corporation to the fullest extent permitted by law. No such alteration, amendment, repeal or adoption shall in any way conflict with the purposes of the Corporation as stated in its Articles of Incorporation or otherwise cause the Corporation to lose its qualifications as an organization described in Code Section 501(c)(3). Specific notice of the proposed amendments to the Bylaws must be given to each Trustee along with the general notice for the meeting at which the amendments will be considered.

BYLAWS CERTIFICATE

The foregoing restated and amended Bylaws consisting of this and the 19 preceding pages, were adopted as the Bylaws of this corporation on October 25, 2022. A quorum consisting of nine members of the existing thirteen member board were present and voted in favor of adoption of the foregoing Bylaws. Written notice of this meeting, including notice of changes to the Bylaws was given to all members of the Board on October 18, 2022.

Dated: October 25, 2022

**BYLAWS**  
**OF**  
**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**

A Montana Nonprofit Corporation  
(as Amended and Restated October 25, 2022)

**Article I**

**NAME AND LOCATION**

Section 1. Name. The name of this organization shall be **District 7 Human Resources Development Council** (the “Corporation”), a nonprofit corporation incorporated in the State of Montana.

Section 2. Location. Offices of the Corporation shall be located in Billings, Montana, and in such other localities as may be determined by the Board of Trustees.

Section 3. Registered Office. The Corporation shall have and continuously maintain, in the State of Montana, a registered office and a registered agent whose office is located in such registered office. The registered office may be, but need not be, located in the principal office of the Corporation. The address of the registered office may from time to time be changed by the Board of Trustees.

**Article II**

**PURPOSES**

Section 1. Purposes. As stated in the Articles of Incorporation of the Corporation, the Corporation is organized and shall be operated for exclusively charitable and educational purposes within the meaning of Code Section 501(c)(3), including, but not limited to, the promotion of human development and economic betterment and the relief of poverty in Big Horn, Carbon, Stillwater, Sweet Grass, and Yellowstone Counties in the State of Montana. In furtherance of these purposes, the Corporation shall develop

programs to help the local communities mobilize resources to combat poverty in conformity with the Economic Opportunity Act of 1964 (as amended), and the provisions of any future law.

Section 2. Restriction on Activities. The Corporation shall operate under the following restrictions:

- (a) The Corporation shall have and exercise all rights and powers conferred on Montana nonprofit corporations under Montana law, provided, however, that the Corporation shall not engage in any activities or exercise any powers that are not in furtherance of the primary purposes of the Corporation.
- (b) The Corporation shall not carry on any other activities not permitted to be carried on by a corporation that is exempt from federal income tax as an organization described in Code Section 501(c)(3).
- (c) No part of the net earnings or assets of the Corporation shall inure to the benefit of any Trustee, officer, or other private individual; and, except to an insubstantial degree, the Corporation shall not engage in a regular business of a kind ordinarily carried on for profit.
- (d) No substantial part of the activities of the Corporation shall consist of carrying on propaganda, or otherwise attempting to influence legislation; and the Corporation shall not participate or intervene in any political campaign (including publishing or distributing statements), in connection with any candidate for public office. However, the Corporation may conduct appropriate lobbying activities as described by Code Section 4911 on issues of importance to the Corporation and the individuals that it serves.

### Article III

#### MEMBERSHIP

Section 1. Members. The Corporation shall have no Members. Any action which would otherwise require approval by a majority of all members or approval by the members shall require only approval by the Board. All rights which would otherwise vest in the members shall vest in the Board of Trustees.

#### Article IV

### BOARD OF TRUSTEES

Section 1. Authority and Responsibility. The governing body of the Corporation shall be the Board of Trustees. The Board of Trustees shall have supervision, control, and direction of the affairs of the Corporation, shall actively promote and pursue the Corporation's objectives, shall identify the human resource development needs of Montana District 7, and shall supervise the disbursement of the Corporation's funds. The Board may adopt such rules and regulations for the conduct of its business as shall be deemed advisable, and may, in the execution of the powers granted, delegate certain of its authority and responsibility to one or more committees.

Section 2. Number and Qualifications of Trustees. The number of Trustees that shall constitute the entire Board shall be fifteen (15). The number of Trustees may be increased (but not to more than fifty-one (51)) or decreased (but not to less than fifteen (15)) by resolution of the board, but no decrease shall have the effect of shortening the term of any incumbent Trustee. All Trustees must reside within the boundaries of Montana District 7.

Section 3. Selection of Trustees. The Trustees shall be divided into three groups as follows:

- (a) Public Official Trustees. One third (5) of the Trustees shall be Public Official Trustees. One Public Office Trustee shall be appointed from each of the five counties that make up Montana District 7. The individuals appointed as Public Official Trustees shall represent either elected or appointed public officials with general government responsibilities or responsibilities which require them to deal with poverty-related issues. The representatives shall be appointed by the governing officials of the political jurisdictions they represent (i.e. County Commissioners). If a vacancy occurs in any seat (including refusal of the appointed individual

to serve as trustee), the appropriate sponsoring group shall be notified, and shall have the right to appoint a replacement.

- (b) Low-Income Trustees. At least one third (no less than 5) of the Trustees shall be Low-Income Trustees. Low-Income Trustees shall be appointed by the Board of Trustees in accordance with selection procedures adequate to assure that the individuals selected adequately represent the low-income population in the area served by the Corporation. At least two (2) Low-Income Trustees shall be from rural counties served by the Corporation and three (3) shall come from Yellowstone County. Low-Income Trustees need not, themselves, qualify as low-income, so long as they are representatives of the low income residents served by the Corporation. Upon the occurrence of a vacancy for a Low Income Trustee seat, the Board shall make reasonable efforts to provide notice of the vacancy to the residents of the area and to the members of the low-income groups to be served.
- (c) Private Sector Trustees. The remaining members of the Board (no more than 5) of the Trustees shall be Private Sector Trustees. The Private Sector Trustees shall be elected by the Board of Trustees. The board of Trustees shall adopt nomination procedures for Private Sector Trustees that ensures that the Corporation will benefit from broad community involvement. Private Sector Trustees shall be individuals that represent civic, professional, business, industry, labor, law enforcement, religious, welfare, education or other groups within the counties of Montana District 7.
- (d) Notwithstanding the foregoing, action taken by the Board of Trustees which is otherwise valid shall not be deemed invalid due to failure to comply with Board membership requirements, provided diligent effort has been made to ensure that all membership criteria are met.

Section 4. Petitions for Representation on the Board of Trustees. Representative groups of the low income population and community agencies that feel themselves inadequately represented on the Board of Trustees may petition for adequate representation according to the following guidelines:

- (a) Petitions shall be in writing, signed by at least twenty-five (25) members of the petitioning group or agency, and shall state why the Board of Trustees is not adequately representative of the petitioning group.
- (b) The completed petition shall be delivered to the Board at its regular meeting. The Board shall set the date for a hearing of the petition within sixty (60) days of receipt, and notify the petitioners thereof, in writing.
- (c) The petition hearing shall be informal and open to the community, in order to provide a fair opportunity for the petitioning group to present its case for more adequate representation.
- (d) The Board shall provide a written statement of reasons supporting whatever action the Board takes on the petition. This statement shall be provided to the petitioners.
- (e) The Board must adjust and realign Board membership in any case where a petition is granted, in order to maintain proper representation of public officials and the poor.

Section 5. Terms of Office.

- (a) **Low Income and Private Sector Trustees.** All Low-Income Trustees and Private Sector Trustees shall serve for a term of three (3) years. Terms shall be staggered, with one-third of the total number of Low Income and Private Sector Trustee positions on the Board being replaced each year. If necessary following the adoption of restated and amended bylaws, initial terms of less than three (3) years may be determined by lot to accomplish a staggered replacement of Trustees. Low Income and Private Sector Trustees may serve consecutive terms of office.
- (b) **Public Official Trustees.** Public Official Trustees shall serve for a term of three (3) years at the discretion of the appointing group for each Public Official Trustee as determined in Section 3 of this Article. Public Official Trustees may serve consecutive terms of office.
- (c) **Term Start Date.** Terms of office shall begin on the date of the first Corporate meeting following the appointment of any Board members, or on the date of appointment if the Board member is appointed at the annual Corporate meeting.

Section 6. Removal of Trustees. A Low-Income Trustee or Private Sector Trustee may be removed with or without cause by the vote of two-thirds of the Trustees of the Corporation. In the event that a Low-Income Trustee or Private Sector Trustee has three consecutive unexcused absences from meetings of the Board of Trustees, the Trustee may be removed by the vote of a majority of the Board of Trustees. It is understood that Public Official Trustees cannot be removed by action of the Board. However, the elected official and the appointing body will be notified when three consecutive meetings have been missed and The Board shall encourage the elected official to attend the Board meetings or have the appointing body recall the Trustee and appoint a replacement that will be able to attend. Board members who are representatives of a public official, private organization or any other group may be removed by the individual or entity by written notice to the Trustee and the Corporation.

Section 7. Community Recall of Trustees. A written complaint seeking recall of any Trustee who is serving as a Trustee of the Corporation as the representative of a public official, private organization or any other group may be filed with the Chair of the Corporation by any person. The Trustee against whom such claim is made shall be personally contacted by the Chair regarding the issues raised by the complaint. Following such notification, copies of all such complaints shall be forwarded by the Chair to the body or individual who appointed the Trustee and to the Trustee against whom the claim is made. Only the appointing body shall be entitled to take action against a Trustee on the basis of such complaint.

Section 8. Resignation of Trustees. Any Trustee may resign from the Board by giving written notice to the Chair of the Corporation. Such resignation shall be effective upon receipt of notice by the Chair or at such later date as specified in the notice.

Section 9. Vacancies. Vacancies on the Board of Trustees shall be filled in the same manner as the vacating Trustee was elected or appointed. If the vacancy is not filled in this manner, the Board of Trustees, by majority vote, is empowered to appoint temporary Trustees to fill any vacancies on the Board caused by death, resignation, or otherwise. Such temporary Trustees shall serve until the term of the vacating Trustee expires and shall be selected to represent as closely as possible the same constituency and county as the vacating Trustee.

Section 10. Specific Powers. In addition to all other powers granted by law, the Corporation's Articles of Incorporation or these bylaws, the Board of Trustees shall have the power:

- (a) To appoint the Chief Executive Officer of the Corporation;
- (b) To determine, subject to applicable laws and regulations, major personnel, organizational, fiscal and programmatic policies of the Corporation;
- (c) To determine overall program plans and priorities for the Corporation including provisions for evaluating progress against performance;
- (d) To make final approval of all program proposals and budgets;
- (e) To determine, subject to applicable laws and regulations, rules and procedures for the Board of Trustees;
- (f) To elect the officers of the Board and appoint the officers of the Corporation;
- (g) To appoint committees of the Board of Trustees; and
- (h) To receive and administer funds under the Community Services Block Grant Program, and amendments thereto, funds and contributions from private and local public sources and funds under any Federal or State Assistance Program.

Section 11. Place and Manner of Meeting. The annual meeting of the Board of Trustees shall be held each year in June. Regular meetings of the Board of Trustees shall be held approximately every 10 weeks at the offices of the Corporation or at such other place and time as the Chair of the Corporation or the Trustees may determine. Special meetings of the Board of Trustees may be held from time to time upon call of the Chair, or a majority of the Trustees. In the matter of closed sessions, all decisions made in such sessions must be finalized in an open meeting. Members of the Board of Trustees may act by means of conference telephone network or similar communication methods by which all persons participating in the meeting can hear each other. A Trustee participating in the meeting by conference telephone or electronic means is deemed present in person at the meeting. The Chair of the meeting may establish reasonable rules as to conducting the meeting by telephone or electronic means.

Section 12. Action Without a Meeting; Use of Electronic Mail. The Board of Trustees shall not take any action without a meeting at which a quorum is present. The Trustees may, however, act on any matter generally required or permitted at a Board meeting, without actually meeting, including voting on any matter properly brought before the Board of Trustees, through a unanimous written consent. Such action can be taken by e-mail if an electronic copy of the resolution of action is included in an e-mail notice to the Trustees at the e-mail addresses on record for each Trustee. The action shall be approved when each of the Trustees entitled to vote on the matter respond with an affirmative vote via e-mail from the Trustee's e-mail address on record with the Corporation. Upon receiving an electronic response from each Trustee, a copy of each Director's vote shall be printed and the written version of the electronic responses shall be kept in the Corporation's minute book. The unanimous consent shall have the same effect as a unanimous vote.

Section 13. Notice of Meeting. Written or printed notice of every annual, regular and special meeting of the Board of Trustees, stating the place, day and hour of the meeting along with an agenda must be given to each Trustee not less than five days prior to the date of the meeting; provided that notice must be given to each Trustee at least seven days prior to the date of the meeting if the purpose of the meeting is to consider: (i) removing a Trustee from office; (ii) an amendment to the Articles of Incorporation; (iii) a plan of merger, (iv) the sale, lease, exchange, or disposition of all or substantially all of the Corporation's property or (v) the dissolution of the Corporation. In such case, the notice must be accompanied by a copy of, or summary of, the proposed amendment, plan of merger, transaction for the disposition of property, or proposed dissolution. Public notice of every annual, regular and special meeting of the Board of Trustees, stating the place, day, and hour of the meeting must be posted at least 72 hours prior to the time of the meeting. No notice need be given to any Trustee who actually attends, or who executes and files written waiver of notice of such meeting, either before or after the meeting. Notices of special meetings shall state the purpose for which the meeting is called.

Section 14. Date of Notice. Any notice to a Trustee of the Corporation that is required or permitted under these Bylaws shall be delivered to the Trustee at the Trustee's mailing address, electronic mail address, facsimile number, or telephone number as shown on the records of the Corporation. If mailed, such notice shall be deemed to be delivered five days after being deposited in the United States mail in a

sealed envelope so addressed, with postage thereon prepaid. If given by telephone, such notice shall be deemed to be delivered when spoken to the Trustee or to a person at the office of the Trustee who the person giving the notice has reason to believe will promptly communicate it to the recipient. If given by electronic transmission, such as by facsimile or electronic mail, such notice shall be deemed to be delivered when transmitted, unless information is received promptly by the sender that the transmission was not received.

Section 15. Quorum. A majority of the members of the Board of Trustees shall constitute a quorum at all meetings of the Board of Trustees. No vote shall be taken unless a quorum is present.

Section 16. Voting. At all meetings of the Board of Trustees, each Trustee shall have one vote. The vote of a majority of the Trustees present at a meeting at which a quorum is present shall be sufficient to constitute action of the Board of Trustees except for actions for which a greater vote may be required by statute, the Articles of Incorporation, or these Bylaws.

Section 17. Compensation of Trustees. No Trustee shall receive any compensation from the Corporation for services rendered as a Trustee. Nothing contained herein shall be construed to preclude any Trustee from serving the Corporation in any other capacity and receiving reasonable compensation for personal services rendered to the Corporation that are reasonable and necessary to carry out one or more of the tax-exempt purposes of the Corporation. Trustees may receive such reimbursement for expenses, if any, as may be fixed or determined by the Board.

### COMMITTEES OF THE BOARD

Section 1. Standing Committees.

- (a) The Board may have standing committees including an Executive/Business Committee, and a Program/Mobilization of Resources Committee.
- (b) No Trustee may serve as chairperson of more than one standing committee; however Trustees may serve as member(s) of any or all standing committees.

- (c) The Chair of the Board, with the consent of the Board of Trustees, will appoint the chairpersons and members of each standing committee, except the Executive/Business Committee.
- (d) Membership of standing committees shall be so constituted that they reflect the composition of the Board. One-third being public officials, one-third being private officials and one-third being low-income officials.
- (e) The Executive/Business Committee shall be appointed from the Board by the Chair. The Executive Committee shall be chaired by the Board Chair. The Board Chair shall appoint the Chairman of the Business Committee. The Executive/Business Committee shall be approved by the Board, shall not be less than three nor more than six in number and shall represent the balance between public, private and low-income, as in item (d) above.
- (f) The board of Trustees shall delegate to the Executive/Business Committee the work of providing advice and counsel to the Chief Executive Officer.
- (g) The Program/Mobilization of Resources Committee shall be appointed from the Board by the Chair and the Chair shall appoint the Chairman of this committee. The Program/Mobilization of Resources Committee shall be approved by the Board, shall not be less than three nor more than six in number and shall represent the balance between public, private, and low-income, as in item (d) above.
- (h) The Board of Trustees shall delegate to the Programs/Mobilization of Resources Committee those issues that are associated with the programs operated by the corporation, and the committee shall seek aid from persons/businesses/special groups who have a concern for the poor and who will assist in mobilizing local, state, and federal resources that support the programs to fulfill the corporation's objectives.

Section 2. Other Committees. The Board may, by a majority vote of the full Board, create additional committees. Such committees shall include no less than three Trustees who shall represent the balance between public, private and low-income as in Section 1 (d) of this Article. The members of any such committee shall serve at the pleasure of the Board of Trustees. Committees shall exercise such powers as may be designated by the Board of Trustees.

Section 3. Restrictions on Committees. Pursuant to the Montana Nonprofit Corporation Act, a committee shall not have the authority to:

- (a) Authorize distributions;

- (b) Elect, appoint or remove Trustees or fill vacancies on the Board or on any of its committees, or
- (c) Adopt, amend or repeal the Articles of Incorporation or Bylaws of the Corporation.

Section 4. Committee Meetings. Each committee may, subject to the approval of the Board of Trustees, prescribe rules and regulations for the call and conduct of committee meetings and other matters relating to its procedure that are consistent with these bylaws. A majority of the members of a committee shall constitute a quorum for the transaction of business at any meeting of the committee.

## Article VI

### OFFICERS

Section 1. Officers of the Board. The officers of the Board of Trustees shall be a Chair, a Vice Chair, a Secretary, a Treasurer, and such other officers as the Board of Trustees deems advisable from time to time. Any two offices, except the offices of Chair and Treasurer, may be held by the same person. The Board may attempt to have the officers selected by the Board of Trustees to approximately represent the distribution of representation on the Board of Trustees, however a direct correlation to the tri-partite structure of the Board is not required. All of the Officers of the Board must be voting members of the Board in good standing. Failure to appoint officers shall not require the Corporation to be dissolved.

Section 2. Officers of the Corporation. In addition to the officers of the Board, the Board may appoint officers and assistant officers of the Corporation if the Board deems it necessary or desirable to do so; or by resolution the Board may delegate such authority to an officer of the Board or officer of the Corporation. Such officers of the Corporation may include a Chief Executive Officer; Chief Operating Officer; and Chief Financial Officer. Any number of offices may be held by the same person, and officers of the Corporation do not need to be members of the Board of Trustees. Failure to appoint officers of the Corporation shall not require the Corporation to be dissolved.

Section 3. Election. The officers of the Board shall be elected by the Board of Trustees each year at the June meeting of the Corporation.

Section 4. Term of Office. Each officer shall hold office for one year, or until the officer's successor has been duly elected and qualified, or until removed. Trustees may serve a maximum of three consecutive one year terms in the same position as an officer of the Board. There is no limit to the number of consecutive terms that Officers of the Corporation may serve. A designation of a specified term does not grant to the officer any contract rights, and the Board can remove the officer at any time prior to the termination of the designated term.

Section 5. Removal of Officers.

- (a) Any officer of the Board or officer of the Corporation may be removed either with or without cause by a two-thirds (2/3) super majority vote of the Board of Trustees.
- (b) The Chief Executive Officer may be removed with or without cause by a two-thirds majority vote of the Board of Trustees. Such removal from the office of Chief Executive Officer shall be subject to any employment or contract rights existing between the Chief Executive Officer and the Corporation.
- (c) Any Officer of the Corporation other than the Chief Executive Officer may be removed from office by action of the Chief Executive Officer with notification to the Board of Trustees. Such removal from a position as an Officer of the Corporation shall be subject to any employment or contract rights existing between the individual and the Corporation.

Section 6. Duties of Officers of the Board. The duties and powers of the officers of the Board shall be as follows or as shall hereafter be set by resolution of the Board of Trustees:

- (a) Chair. The Chair shall, subject to the direction and supervision of the Board, (i) preside at all meetings of the Board; (ii) see that all orders and resolutions of the Board are carried into effect; and (iii) perform all other duties incidental to the office of Chair and as from time to time may be assigned to him or her by the Board.
- (b) Vice Chair. The Vice Chair shall assist the Chair to the extent determined by the chair or the Board of Trustees, and, in the absence or incapacity of the Chair, shall succeed to the duties of the Chair.

- (c) Secretary. The Secretary shall keep the minutes of the meetings of the Board of Trustees in one or more books provided for that purpose; see that all notices are duly given in accordance with these Bylaws or as required by law; present to the Board of Trustees at its meetings all official communications received by the Secretary; be custodian of the Corporation's records; and in general, perform all duties incident to the office of Secretary and such other duties as the Chair or Board of Trustees may assign. The Secretary may delegate the specific duties set forth above to another individual or receive assistance from another individual in performing such duties, so long as the Secretary retains oversight and review of the records and documents prepared and distributed.
- (d) Treasurer. The Treasurer shall, be responsible for all the funds and securities of the Corporation; deposit such funds and securities in such banks or safe deposit companies as the Board of Trustees may designate; receive and give receipts for moneys due and payable to the Corporation under the direction of the Chair or the Board of Trustees; keep accurate books of account of all of the Corporation's business and transactions and exhibit the books and accounts to any person duly authorized to inspect such records; and in general, perform all duties incident to the office of the Treasurer and such other duties as the Chair or Board of Trustees may assign from time to time. The Treasurer may delegate certain acts or receive assistance from another individual in performing the duties set forth above, so long as the Treasurer retains oversight and review of the related records or documents.

Section 7. Duties of Officers of the Corporation. The duties and powers of the officers of the Corporation shall be as follows or as shall hereafter be set by resolution of the Board of Trustees:

- (a) Chief Executive Officer. The Chief Executive Officer shall, subject to the supervision of the Board, be the chief executive of the Corporation and shall perform all such duties as may be assigned to him or her by the Board. The Chief Executive Office shall advise and counsel the Chair and other officers of the Board of Trustees and shall oversee all officers of the Corporation. The Chief Executive Officer may execute bonds, mortgages

and other contracts or documents as authorized or delegated by the Board of Trustees.

- (b) Chief Operating Officer. The Chief Operating Officer, if any, shall, subject to the supervision of the Chief Executive Officer, be the person in charge of the day to day operations of the Corporation's activities and shall perform all duties as may be assigned to him or her by the Chief Executive Officer.
- (c) Chief Financial Officer. The Chief Financial Officer, if any, shall, subject to the supervision of the Chief Executive Officer and Treasurer, be the principal financial officer of the Corporation and have the care and custody of all its funds, securities, evidences of indebtedness and other personal property and shall perform all duties as from time to time may be assigned to him or her by the Treasurer or Chief Executive Officer.

Section 8. Vacancies. Any officer of the Board may resign at any time subject to any rights or obligations under any existing contracts between the officer and the Corporation by giving written notice to the Corporation. An officer's resignation shall take effect at the time specified in such notice, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. All vacancies in any office shall be filled promptly by the Board of Trustees either at a regular meeting or at a special meeting called for that purpose.

## Article VII

### CONFLICT OF INTEREST

Section 1. Conflict of Interest. Because the Corporation's Trustees and Staff may be involved with other organizations that may have business dealings or affiliations with or seek grants from the Corporation, the following general principles have been established.

- (a) A Public Official Trustee sitting on the Board of Trustees will not be in conflict if the Corporation should contract with his/her jurisdiction to perform a component of the program.

- (b) Each member of the Board of Trustees and the Staff of the Corporation has a duty of loyalty to the Corporation. The duty of loyalty generally requires a Director or staff member to prefer the interests of the Corporation over the director's/staff's interest or the interests of others. In addition, Trustees and staff of the Corporation shall avoid acts of self-dealing which may adversely affect the tax-exempt status of the Corporation or cause there to arise any sanction or penalty by a governmental authority.
- (c) In the event any Trustee or a member of his or her family has a personal or business interest in, or is involved in any way with, an organization with whom the Board is considering a business contract, such interest or involvement shall be disclosed to the Board. In such event, the interested Trustee shall neither vote nor participate in the discussion of the matter. The interested Trustee shall be excused from the actual discussion and presence at that portion of the meeting when the matter giving rise to the apparent conflict is discussed. However, any Trustee who is excluded from voting or presence pursuant to this policy may answer pertinent questions of other Trustees and be present when the interested Trustee's knowledge regarding the matter will assist the Board.
- (d) The minutes of the meeting shall indicate that the interested Trustee disclosed the interest or involvement in the matter being considered by the Board, recused herself/himself from the discussion, and abstained from voting on the matter.

## Article VII

### LIABILITY, INDEMNIFICATION, AND INSURANCE

#### Section. 1. Indemnification.

- (a) Mandatory Indemnification. The Corporation shall indemnify each person who is or was a Trustee or officer of the Corporation, or who is serving or has served at the request of the Corporation as a Trustee, trustee or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, to the fullest extent from time to time permitted

by the laws of the State of Montana in the event any of such persons was or is a party, or is threatened to be made a part to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

- (b) Allowable Indemnification. The Corporation may indemnify any person who is or was an employee or agent of the Corporation and any person who is serving or has served at its request as an employee or agent of any other enterprise, to the fullest extent from time to time permitted by the laws of the State of Montana in the event any of such persons was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

Section 2. Authorization of Indemnification. Any indemnification under this Article (unless the indemnification is ordered by a court) shall be made by the Corporation only as authorized in the specific case, upon a determination that indemnification of the Trustee, officer, employee or agent is proper in the circumstances. In the case of indemnification that is mandatory under Section 2(a) of this Article, the determination shall be limited to whether the person to be indemnified has met the standards specified in Section 2 and the amount of the indemnification permitted by law. Any determination under this Section shall be made (a) by the Board of Trustees by a majority vote of a quorum consisting of Trustees not at the time parties to the proceeding, or (b) if such a quorum is not obtainable, by majority vote of a committee designated by the Board of Trustees consisting solely of two or more Trustees not at the time parties to the proceeding, or (c) by special legal counsel selected by the Board of Trustees or a committee as provided in (a) or (b) of this section or, if a quorum cannot be obtained under (a) and a committee cannot be designated under (b), the special legal counsel shall be selected by majority vote of the full Board, in which selected Trustees who are parties to the proceeding may participate.

Section 3. Advance Payments. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding, as authorized by the Board of Trustees in the specific case, upon receipt of (a) a written affirmation from the Trustee, officer, employee or agent of his or her good faith belief that he or she is entitled to

indemnification as authorized in this Article; and (b) an undertaking by or on behalf of the Trustee, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the Corporation as authorized in this Article.

Section 4. Non-Exclusivity and Continuation. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which a person seeking indemnification may be entitled under any agreement, vote of disinterested Trustees, or otherwise, both as to action in the person's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Trustee, officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 5. Insurance. The Corporation may purchase and maintain insurance (a) to insure itself with respect to the indemnification payments it is authorized or obligated to make pursuant to this Article, and (b) on behalf of any person who is or was a Trustee, officer, employee or agent of the Corporation, or who is or was serving at the request of the Corporation as a Trustee, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, to insure against any liability asserted against such person and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify the person against such liability under the provisions of this Article.

## Article VIII

### GENERAL PROVISIONS

Section 1. Execution of Contracts. The Board of Trustees, except as otherwise provided in these Bylaws, may prospectively or retroactively authorize any officer or officers, agent or agents, in the name, and on behalf of the Corporation, to enter into any contract, or execute or deliver any instrument as may be necessary to carry out the purposes of the Corporation. Any such authority may be general or confined to specific instances.

Section 2. Loans. The Board of Trustees may authorize the Chair or any other officer or agent of the Corporation to: (i) obtain loans and advances at any time for the Corporation from any bank, trust company, firm, corporation, individual, or other

institution; (ii) make, execute, and deliver promissory notes, bonds, or other evidence of indebtedness of the Corporation; and (iii) pledge and hypothecate, or transfer any securities or other property of the Corporation as security for any such loans or advances. Such authority conferred by the Board of Trustees may be general or confined to specific instances. The Corporation shall make no loans to any Trustee or officer.

Section 3. Investments. The Corporation shall have the right to retain all or part of any securities or property acquired by it in whatever manner, and to invest or reinvest any funds held by it according to the judgment of the Board of Trustees. The Board of Trustees is restricted to the prudent investments which a Trustee is or may hereafter be permitted by law to make. The Board of Trustees may delegate to the Treasurer the day-to-day management of such investments as the Board of Trustees may authorize.

Section 4. Books and Records. There shall be kept and made available, at the principal office of the Corporation, correct books of accounts of all the business and transactions of the Corporation.

Section 5. Depositories. The funds of the Corporation not otherwise employed shall from time to time be deposited to the order of the Corporation in such banks, trust companies, or other depositories as the Board of Trustees may select, or as may be selected by any one or more officers or agents of the Corporation to whom such power may from time to time be delegated by the Board of Trustees.

Section 6. Signatories. All checks, drafts, and other orders for payment of money out of the funds of the Corporation, and all notes and other evidences of indebtedness of the Corporation, shall be signed on behalf of the Corporation in such manner as shall from time to time be determined by the Board of Trustees. In the absence of such determination by the Board of Trustees, such instruments shall be signed by the Chair and the Treasurer of the Corporation.

Section 7. Annual Audit. The Board of Trustees may require an annual audit of the books and accounting records of the Corporation.

Section 8. Code. All references in these bylaws to Code Sections are to Sections of the Internal Revenue Code of 1986, and shall include future amendments to such sections and corresponding provisions of future federal tax laws, all as from time to time in effect.

Section 9. Electronic Transmissions. Unless otherwise provided in these Bylaws, and subject to any guidelines and procedures that the Board of Trustees may adopt from time to time, the terms "written" and "in writing" as used in these Bylaws include any form of recorded message in the English language capable of comprehension by ordinary visual means, and may include electronic transmissions, such as facsimile or e-mail, provided (i) for electronic transmissions from the Corporation, the Corporation sends the transmission to the fax number, email address or other electronic address provided by the recipient to the Corporation for its records; (ii) for electronic transmissions to the Corporation, the Corporation has in effect reasonable measures to verify that the sender is the individual purporting to have sent such transmission; and (iii) the transmission creates a record that can be retained, retrieved, reviewed, and rendered into clearly legible tangible form.

Section 10. Electronic Signatures. The provisions of the Uniform Electronic Transaction Act, Sections 30-18-101, *et. seq.*, MCA shall apply to all documents executed in connection with the operation and governance of the Corporation so that signatures transmitted electronically shall be effective in all respects as originals.

### Article IX

### DISSOLUTION

Upon dissolution or final liquidation of the Corporation, all assets remaining after creditors have been paid shall be distributed as required under Section 35-2-725(f) of the Montana Nonprofit Corporation Act. Such a plan of dissolution, adopted pursuant to Section 35-2-721 of the Montana Nonprofit Corporation Act, shall transfer or convey the Corporation's remaining assets to:

- (a) one or more domestic corporations, societies, or organizations which have qualified for nonprofit and tax-exempt status under Code Section 501(c)(3), and which are engaged in activities substantially similar to those of the Corporation, or
- (b) the federal, state or local government for exclusively public purposes.

Article X

AMENDMENT OF BYLAWS

The Bylaws of the Corporation may be altered, amended, added to, or repealed by majority vote of the entire Board of Trustees as is necessary or appropriate to carry out the purposes of the Corporation to the fullest extent permitted by law. No such alteration, amendment, repeal or adoption shall in any way conflict with the purposes of the Corporation as stated in its Articles of Incorporation or otherwise cause the Corporation to lose its qualifications as an organization described in Code Section 501(c)(3). Specific notice of the proposed amendments to the Bylaws must be given to each Trustee along with the general notice for the meeting at which the amendments will be considered.

BYLAWS CERTIFICATE

The foregoing restated and amended Bylaws consisting of this and the 19 preceding pages, were adopted as the Bylaws of this corporation on October 25, 2022. A quorum consisting of nine members of the existing thirteen member board were present and voted in favor of adoption of the foregoing Bylaws. Written notice of this meeting, including notice of changes to the Bylaws was given to all members of the Board on October 18, 2022.

Community Action Program of Billings  
and Yellowstone County  
1803 Virginia Lane  
Billings, Montana 50102

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code. Any changes in operation from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name or address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. Our determination as to your liability for filing the annual information return, Form 990-A, is set forth above. That return, if required, must be filed on or before the 15th day of the fifth month after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to this office, as should any questions concerning excise, employment or other Federal taxes.

This is a determination letter.

Very truly yours,

*Nelson L. Sealey*

INDEPENDENT AUDITOR'S REPORT

## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of  
District 7 Human Resources Development Council  
Billings, Montana

### **Opinion**

We have audited the financial statements of District 7 Human Resources Development Council, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of District 7 Human Resource Development Council as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of District 7 Human Resources Development Council and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about District 7 Human Resources Development Council's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the accompanying Supplemental Schedules of Statements of Net Assets and/or Statements of Revenues, Expenses, and Changes in Net Assets (Supplemental Schedules) as listed in the Table of Contents, are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards and Supplemental Schedules are fairly stated in all material respects in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2022 on our consideration of District 7 Human Resources Development Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of District 7 Human Resources Development Council's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering District 7 Human Resources Development Council's internal control over financial reporting and compliance.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**Organization Structure:**

District 7 Human Resources Development Council (the HRDC) is a not-for-profit corporation organized under Internal Revenue Code Section 501(c)(3). The HRDC is located in Billings, Montana and administers a variety of federal grants, State of Montana sub-grants and contracts which provide services and activities designed to impact poverty and promote self-sufficiency. The HRDC's service area includes Yellowstone, Big Horn, Carbon, Stillwater, and Sweet Grass counties. The Board of Trustees is composed of individuals from private industry, the public sector, and low-income representatives.

**Basis of Accounting:**

The HRDC's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) as codified by the Financial Accounting Standards Board.

**Cash and Cash Equivalents:**

For purposes of the statement of cash flows, the HRDC considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents.

**Receivables:**

Accounts receivable represents miscellaneous amounts owed to the HRDC for services and are reported at unpaid principle balances less an allowance for uncollectible accounts. Allowances for uncollectible accounts are a percentage of the receivables based on past collection history. For those receivables considered fully collectible, no provision is made for bad debts. Accounts receivable at June 30, 2022 and 2021 amounted to \$41,794 and \$32,896, respectively. All amounts were considered collectible; therefore, no allowance for uncollectible accounts was considered necessary as of June 30, 2022 and 2021.

Grants receivable represents the balance of earned grant funds not received in cash. Most grants allow monthly draw-downs of cash which provide operating cash flows for program operations.

Loans receivable relates to the Home Funds Program which provided no-payment deferred home loans through the Montana Department of Commerce. (See Note 4)

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

**Land, Buildings and Equipment**

The HRDC capitalizes equipment purchased with HRDC funds which has a purchase price of at least \$5,000 and an expected life of one year or more at cost. Straight-line depreciation is used over estimated lives of one to twenty years. Depreciation is recorded and allocated to the programs according to the approved allocation plan. The HRDC land and building are carried at cost and are the collaterals under the Mortgage Payable.

**Compensated Absences:**

The HRDC follows generally accepted accounting principles when accounting for compensated absences. Those principles require a liability to be accrued for vacation benefits that employees have earned but have not yet taken. However, it generally does not require a liability to be accrued for future sick pay benefits, holidays and similar compensated absences until employees are actually absent.

Eligible employees may accumulate vacation and sick leave up to 480 hours. Upon termination, employees are paid 100% of their accrued vacation and may be paid for one quarter of their unused sick leave, up to 120 hours.

The HRDC records a liability and expense for vacation as it is earned. As of June 30, 2022 and 2021, the HRDC's liabilities include \$257,498 and \$226,800, respectively, for accumulated vacation. The HRDC records a liability and expense for 25% of accrued sick leave. As of June 30, 2022 and 2021, the HRDC recorded a sick leave liability of \$51,939 and \$50,573 respectively. The HRDC accrued related payroll taxes equaling \$29,203 and \$26,286 as of June 30, 2022 and 2021, respectively.

**Revenue Recognition:**

Contract revenue, grant revenue and other revenues are recognized when earned. Cash contributions are recognized when received. The HRDC does not receive pledges in its fund-raising activities.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

**Revenue Recognition, Continued:**

In-kind revenue represents contributed goods and services that create or enhance non-financial assets or require specialized skills, and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by contribution. These contributions are valued at their estimated fair market value at the date of donation. Various individuals and organizations contributed \$1,922 and \$7,145 for program activities to the HRDC for the years ended June 30, 2022 and 2021, respectively. These contributions consisted of operating supplies, items for clients, health care, and fundraising materials and facilities. Volunteered time to assist the HRDC has not been recorded because these contributed services do not meet the requirements for recognition under generally accepted accounting principles.

**Expense Allocation and Classification:**

The HRDC has a cost allocation plan under which expenses are charged to individual programs on the following basis:

- Administrative and clerical costs are allocated on the basis of direct labor hours.
- Management and general expenses are allocated on the basis of direct labor hours.
- Building and occupancy costs are allocated on the basis of square footage.

Expenses of the individual programs are classified by function. The primary functions utilized by the HRDC are:

Direct services and program operations are expenses paid for direct goods or services for clients or are directly associated with client assistance. Examples include: rent, fuel payments, day care, work experience, weatherization, direct program staff and related expenses.

Fundraising expenses are costs which relate to fundraising activities for the operation of HRDC programs. Examples include: contracted services and space, staff and the related expenses.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL  
NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended June 30, 2022 and 2021**

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

**Expense Allocation and Classification, Continued:**

General & administrative expenses allow the HRDC to operate and provide services to clients that are not directly attributed to client services. General and administrative expenses consist of the common costs associated with the general management of the HRDC. These costs are accumulated in cost centers and then are allocated to the various programs based on the approved allocation plan. Examples include: building, secretarial and accounting costs.

**Fund Accounting and Program Groups:**

Resources for various activities are classified for accounting and grant reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund. However, in the accompanying financial statements, funds that have similar characteristics have been combined into program groups and inter-fund balances have been eliminated. The HRDC's primary program groups and their related purposes are summarized as follows:

Community Development programs provide community services, loan programs, and the general operations of the HRDC not accounted for elsewhere.

Emergency Food and Housing programs provide the distribution of commodities, housing assistance, emergency food and shelter, and indigent burial services.

Energy programs provide weatherization and fuel assistance.

Employment Assistance programs provide job counseling, career selection and prepare the eligible economically disadvantaged youth and adults for entry into the workplace.

Family Development programs provide childcare assistance and dependent care food.

**Advertising Costs:**

Costs incurred for outreach and advertising are expensed as incurred. The HRDC incurred outreach and advertising costs of \$12,417 and \$16,648 for the years ended June 30, 2022 and 2021, respectively.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

**Net Asset Classification:**

*Net assets without donor restrictions* represent net amounts that have been earned and expended according to contract restrictions and net amounts from generally unrestricted activities. Grant designated net assets represents the book value of equipment purchased with federal funds.

*Net assets with donor restrictions* represent net assets subject to donor- (or certain grantor-) imposed restrictions. The HRDC had \$296,687 and \$248,729 of net assets with donor restrictions as of June 30, 2022 and 2021, respectively, relating to contributions for energy assistance.

Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support. There were no net assets restricted in perpetuity.

**Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires that management make estimates and assumptions that affect the reported assets, liabilities, revenues, and expenses during the reporting period. Actual results could differ from those estimates.

**Concentration of Risks:**

The HRDC receives a substantial portion of its revenue from federal grants and contracts. A significant reduction in these revenues, should such an event occur, would have an effect on the HRDC's programs and activities. During the fiscal years ending June 30, 2022 and 2021, the HRDC expended \$9,718,882 and \$10,332,462 in federal grant awards. Program grants revenue represents 93.2% and 96.9% of the total revenue for the years ended June 30, 2022 and 2021, respectively.

**Income Taxes:**

Provisions for income taxes have not been recorded in these financial statements because the HRDC believes it had no net income unrelated to its exempt purposes in 2022 and 2021. With few exceptions, the HRDC is no longer subject to U.S. federal or state tax examinations by tax authorities for years before 2019.

**Subsequent Events/Risks and Uncertainties:**

Management has evaluated subsequent events through November 30, 2022, the date on which the financial statements were available to be issued.

**NOTE 2. LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

|                                      | <u>2022</u>             | <u>2021</u>             |

| <br>Total financial assets available | <br><u>\$ 1,855,040</u> | <br><u>\$ 1,917,167</u> |

As part of the HRDC's liquidity management plan, they invest cash in excess of daily requirements in government securities.

**NOTE 3. CASH AND CASH EQUIVALENTS**

The HRDC participates in a Master Sweep Repurchase Agreement through a local financial institution. This agreement, entered into September 2003 and revised April 11, 2012, increases interest earnings while maintaining access to funds. After the close of the business day, the HRDC's available funds are lent to the financial institution for overnight investment and are re-deposited before the opening of business the next day. Interest earnings for the use of these funds are deposited the day after the redeposit. The funds swept in the Agreement are considered to be immediately available funds by the financial institution.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 3. CASH AND CASH EQUIVALENTS, (CONTINUED)**

Daily, the financial institution secures the funds from the HRDC with a specific undivided fractional interest in the principal amount of government securities. The securities must be direct obligations of, and guaranteed by, the United States, its agencies, or instrumentalities. Market risks associated with this agreement are similar to market risks of any government security. Potential credit risks associated with this agreement are similar to risks of a creditor if the financial institution defaulted and the security collateral did not perfect with the creditor. The securities have a current market value equal to or greater than the principal amount of the transaction. The funds invested in the Sweep Agreement are not considered deposits and are not insured by the Federal Deposit Insurance Corporation. However, the funds are collateralized by the government securities pledged by the financial institution. Due to the short-term nature of the repurchase agreement, funds swept through the agreement are considered to be cash and cash equivalents. Although Management has expressed no intention to do so, the HRDC may terminate the agreement at any time.

The interest rate was 0.05% and 0.05% for the repurchase agreement account for the years ended June 30, 2022 and 2021, respectively.

The HRDC maintains cash balances primarily in one financial institution located in Billings, Montana. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC). The HRDC's primary financial institution has pledged securities for the federal portions of dollars in excess of the FDIC limits.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 4. LOANS RECEIVABLE**

During the year ended June 30, 2011, eleven clients received no-payment deferred home loans through the Montana Department of Commerce. The loans are for a period of 10 to 15 years. The loans are not repayable as long as the home is occupied by the owner, the owner is not in default under any mortgage applicable to the property, and the property is not rented. If all loan requirements are met, the borrower is released from obligations to re-pay the amounts due under the loan. Should a condition be violated, or the home is sold to a non-qualifying occupant, the HRDC shall share in the appreciation in the value of the property and interest and principal payments then become due. The total amount loaned under the program was \$450,898. Due to the high likelihood that these amounts will not be collected in future years under the program, the HRDC has recorded an allowance for the full amount of the loans.

Loan loss reserves have been established at a percentage of the principal amount of the loans outstanding based upon the past history of the type of loan and risk rating of the loan recipients. The HRDC uses multiple bases to estimate the allowance for credit losses including historical losses of loan program, existing economic conditions related to the industry in which the loan recipient operates, collateral and personal guarantees of the loan recipient, loan payment history and actual or likely events which have or will occur. The HRDC operates loan programs for recipients who cannot generally obtain conventional financing under the requirements and restrictions placed on them by federal and state loan funding sources. Therefore, due to the nature of the loan programs operated, the HRDC's loan portfolio is generally of inherently higher risk than the typical conventional financing loans. Impaired loans are valued at the estimated value of the remaining recoverable assets after consideration of collateral and guarantees. An allowance for bad debt is recorded against these impaired loans for the difference between the balance of the loan and estimated recovery value.

Equipment purchased with grant funds is subject to rights of rescission of the grantors. Equipment purchased with grant monies are limited to use by the grant program that purchases the equipment. Should the program terminate, grantors may invoke claim to that equipment purchased through the grant agreement terms. Grant equipment purchases are not considered available for collateral purposes.

Depreciation Expense was \$137,407 and \$80,458 for the years ended June 30, 2022 and 2021, respectively.

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Years Ended June 30, 2022 and 2021**

**NOTE 6. DEFERRED LIABILITIES**

The HRDC records a grant award as a deferred liability until it is expended for the purpose of the grant, at which time it is recognized as revenue. For financial reporting purposes, deferred revenues and other support represent unearned revenues which correspond with cash advances received for grant contracts. The HRDC has additional grant commitments of \$4,890,755 and \$7,013,917 respectively, as of June 30, 2022 and 2021. The deferred revenues and other support activity are as follows:

| 2027  |  | 0                |
| Total |  | \$ <u>75,261</u> |

During the year ended June 30, 2021 the HRDC entered into a loan agreement to purchase flooring. Interest paid on the note for the years ending June 30, 2022 and 2021 was \$2,686 and \$1,527, respectively. The note was secured by a certificate of deposit.

The note payable relates to the remodel completed in September 2007 on the corner building. The interest rate can be adjusted up to prime plus 0.25% every three years. Interest paid on the note for the year ended June 30, 2022 and 2021 is \$369 and \$1,088, respectively. The loan is secured by the two main office buildings and land.

**NOTE 8. EMPLOYEE BENEFITS**

Employees of the HRDC may participate in a Tax Shelter Annuity Plan (TSA). Employees may participate at the time of employment.

After an initial two-year period, with at least 1,000 hours of service per year, employees are eligible for a 3% match of their gross earnings, provided the employee contributes at least 3%. The employer's match may increase to 6% and 8% depending on years of service. Year-to-year funding of these plans is based upon available resources. The HRDC contributed \$123,106 and \$123,122, respectively, to employee TSAs during the years ended June 30, 2022 and 2021.

NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended June 30, 2022 and 2021**

**NOTE 9. OPERATING LEASES**

The HRDC classifies its leases as either operating or capitalized leases. Currently all leases are operating leases. The HRDC leases two automobiles and office equipment for use in its program operations. Lease expense totaled \$11,460 and \$13,932 for June 30, 2022 and 2021, respectively.

The HRDC rents warehouse and office space for the Food Distribution Program in Hardin, Montana on a month-to-month basis. The monthly rental amount is \$2,000 beginning in February 2019. The HRDC leases office space in Hardin, Montana, on an annual basis, for the Big Horn County Child Care and Work Readiness Component. The monthly rental amount is \$2,000 for calendar years 2022 and 2021.

The HRDC rents storage and office space for the Weatherization Program in Billings, Montana on a month-to-month basis. The office space for Weatherization staff is for \$570 per month through April of 2022 and increases to \$670 per month in May 2022. The storage of Weatherization vehicles and inventory used by the Weatherization Program is for \$800 per month.

The future lease obligations are as follows:

|                       |       |                  |
|-----------------------|-------|------------------|

**NOTE 10. UNRECORDED VALUE OF SERVICES PROVIDED**

The HRDC contracts with various State of Montana departments to determine eligibility, process client benefits and provide administrative and program support. Since the client benefits are distributed directly by the State, the value of these services is not recorded in these financial statements. During the years ended June 30, 2022 and 2021, the HRDC provided administrative and program support for the following direct services (per information provided by the State of Montana):

|                                        | 2022          | 2021          |
|----------------------------------------|---------------|---------------|
| Program                                |               |               |
| Child Day care assistance              | \$ 7,873,983  | \$ 7,898,482  |
| Low-income energy assistance           | 5,461,447     | 2,210,712     |
| Section 8 housing (estimate)           | 708,380       | 798,142       |
| Pathways client direct assistance      | 54,675        | 72,504        |
| Total Financial Assistance             | 14,098,485    | 10,979,840    |
| Crow reservation food distribution     | 99,030        | 92,814        |
| Total financial and commodity services | \$ 14,197,515 | \$ 11,072,654 |

Child day care assistance provides financial support for an eligible child’s day care, while low-income energy assistance provides assistance for heating fuel to qualified house-holds. Clients participating in the Pathways program receive various assistance to prepare them and/or enable them to obtain and maintain employment.

The HRDC distributes food commodities to Crow Reservation eligible households. Section 8 housing provides rental cost subsidies to eligible households and escrow assistance through the Family Self Sufficiency program for those participating households.

SUPPLEMENTAL  
SCHEDULES

DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL  
NOTES TO THE SUPPLEMENTAL SCHEDULES  
For the Year Ended June 30, 2022

NOTE 1. BUDGET COLUMN

The grant award budget column is based upon the last formally approved budget provided by the grantor. In addition, the grantee is allowed to make certain budget transfers within prescribed limits. These latter transfers are not reflected. The intention of the HRDC is to show the budget based upon the final budget including all transfers, to provide a more meaningful presentation.

NOTE 2. PROGRAM SCHEDULES

Program schedules are included for all grants, contracts, and projects with ending dates that occurred during the reporting period July 1, 2021 through June 30, 2022. **DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL**  
**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**For the Year Ended June 30, 2022**

**NOTE 1. BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards includes the federal award activity of the District under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 *US Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the District, it is not intended to and does not present the financial position, changes in net assets, or cash flows of District 7.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

**NOTE 3. INDIRECT COST RATE**

The HRDC has elected not to use the 10 percent *de minimis* indirect cost rate allowed under Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees of  
District 7 Human Resources Development Council  
Billings, Montana

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of District 7 Human Resources Development Council, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated November 30, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered District 7 Human Resources Development Council's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of District 7 Human Resources Development Council's internal control. Accordingly, we do not express an opinion on the effectiveness of District 7 Human Resources Development Council's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether District 7 Human Resources Development Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees of  
District 7 Human Resources Development Council  
Billings, Montana

**Opinion on Each Major Federal Program**

We have audited District 7 Human Resources Development Council's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on District 7 Human Resources Development Council's major federal programs for the year ended June 30, 2022. District 7 Human Resources Development Council's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, District 7 Human Resources Development Council complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2022.

**Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of District 7 Human Resources Development Council and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of District 7 Human Resources Development Council's compliance with the compliance requirements referred to above.

### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to District 7 Human Resources Development Council's federal programs.

### **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on District 7 Human Resources Development Council's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about District 7 Human Resources Development Council's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding District 7 Human Resources Development Council's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of District 7 Human Resources Development Council's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of District 7 Human Resources Development Council's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a certain deficiency in internal control over compliance that we consider to be significant deficiency.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2022-001 to be significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. *Government Auditing Standards* requires the auditor to perform limited procedures on District 7 Human Resource Council's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. District 7 Human Resource Council's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**DISTRICT 7 HUMAN RESOURCES DEVELOPMENT COUNCIL  
SUMMARY SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
For the Year Ended June 30, 2022**

**SECTION II – FINANCIAL STATEMENT FINDINGS**

None Noted

**SECTION III – FEDERAL AWARDS FINDINGS & QUESTIONED COSTS**

**2022 – 001 INSURANCE COVERAGE - ALLOWABLE COSTS PRINCIPLES**

Criteria: 2 CFR § 200.447 explains that costs which should have been covered by permissible insurance are unallowable.

Condition: During our testing of the TANF program we found the District incurred a cost in the amount of \$7,905 for hail damage that would have been covered by insurance if the damage had been reported to the insurance company in a timely manner.

Cause: The District did not follow their policy for vehicle inspection and maintenance wherein vehicles should be inspected on a monthly basis nor was management aware that these costs were not allowable under the grant.

Effect: Reimbursement for an unallowable cost under the grant was received.

Questioned Cost: Less than \$25,000, actual known cost of \$7,905.

Recommendation: We recommend that management follow their policy for vehicle inspection and maintenance. Furthermore, management should continue striving to more clearly understand federal cost principles.

**SECTION IV – SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS**

The audit for the year ended June 30, 2021 contained no findings.

Re: Management Response to – Section III – Federal Awards Findings & Questioned Costs

During Fiscal Year 2022 HRDC management acknowledges that there were key changes within the organizational structure including changes to personnel within the employment & training department, as well as, various other operating changes. Included below is management's response to Section III – Federal Awards Findings & Questioned Costs for the Fiscal Audit ended June 30, 2022.

### **2022 – 001 INSURANCE COVERAGE - ALLOWABLE COSTS PRINCIPLES**

The agency carries adequate insurance coverage for all vehicles and property as required by the Code of Federal Regulations. The agency has a written vehicle inspection and maintenance procedure which includes detailed procedures for vehicle inspection, maintenance, reporting of problems, cleaning procedures, and recordkeeping.

The agency followed its procedures for vehicle inspections and maintenance and minor observable damage was noted to the vehicle. Shortly after the inspection, key staffing changes occurred and the manager failed to follow up on the report nor continue to note the damage on subsequent monthly reports. Upon return of the leased vehicle to the dealership, the dealership noted hail damage. While the damage was noted in our inspection reports, the length of time to report such a claim to insurance had expired and would not be covered through an insurance claim.

Under CFR Section 200.447 Insurance and Indemnification, losses which could have been covered by permissible insurance are unallowable, *however costs incurred because of losses not covered under nominal insurance coverage provided in keeping with sound management practice*, and minor losses not covered by insurance are allowable.

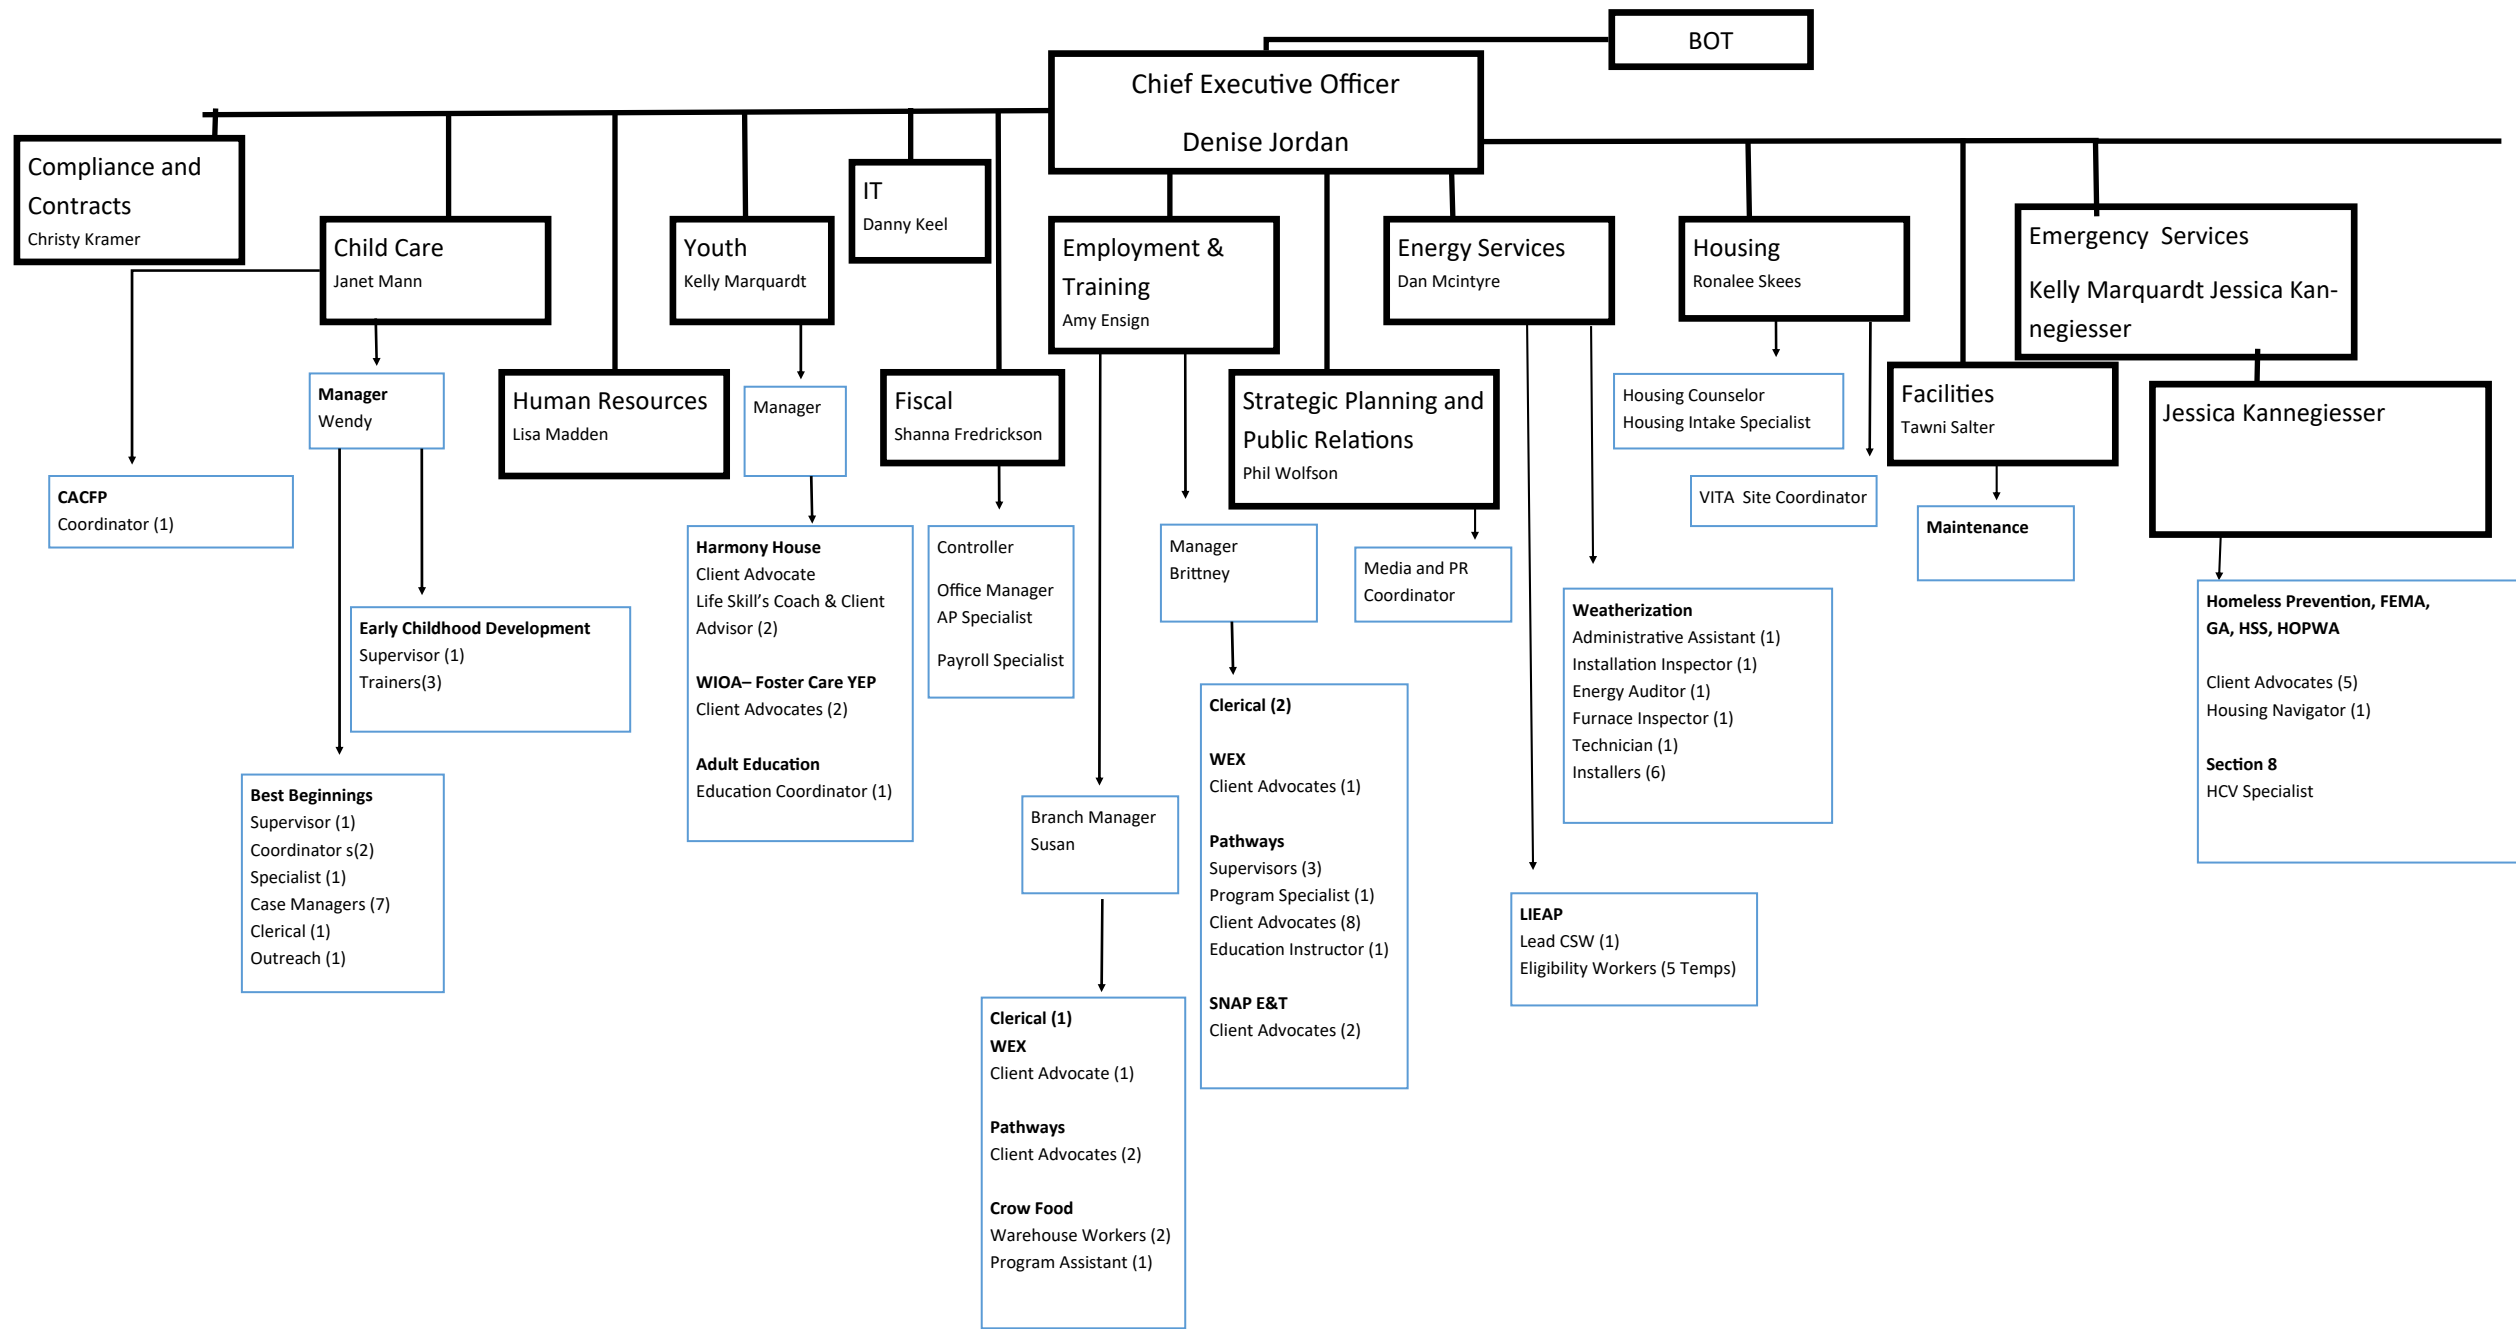

The agency has interpreted this provision as a loss not covered under nominal insurance coverage provided in keeping with sound management practices which would be an allowable cost under CFR 200.447. The Auditors disagreed with our interpretation of the regulations.

The agency will continue to inspect vehicles on a regular basis under procedures that have been in effect and are part of our control systems. In addition program managers and directors will be instructed to continue to include any damage on vehicle inspections reports until fixed. The agency believes this is an isolated instance but will continue to try to ensure that all outstanding items are resolved during any staff transition period. The agency also will consider the interpretation of CFR 200.447 for further clarification on what may be included as allowable costs from granting Agencies and federal regulations.

Sincerely,

| Pool accumulates the postage, advertisements and outreach activities, costs of long distance charges, internet access, and telephone fees directly associated with the programs. COMMON COSTS - These costs are pooled and allocated to programs based on an approved allocation plan using labor hours as a base. Common costs include operating costs for the clerical/intake and administrative pools, as well as common insurance, communications, equipment use, and supply costs that are cost effectively purchased in bulk and are cost ineffective to directly cost allocate. These costs are accumulated in both the program and administrative functional categories. These costs also include advertisements and outreach activities directly associated with the program. CLERICAL AND INTAKE POOLS COSTS - This pool accumulates the costs for employees that are providing program and administrative support within the organization. | \$ 2,325.00          |

## FOR ALL HOME-ARP APPLICANTS / ORGANIZATIONS

1. Organizations providing supportive services must ensure services are delivered equitably. A chronological waiting list, including the usage of date / Time stamps, must be maintained for every service offered under HOME-ARP. This may differ from your organization's current waiting list policies and procedures. Please describe your organization's ability to maintain and manage multiple waiting lists.

HRDC is an approved HUD provider and is familiar with the use of Date/Time stamping and other waiting list processes. The agency has significant experience with chronological waiting list procedures, extending into date stamp activities related to several agency programs. Some agency's departments also offices utilize a date/time stamp. All incoming documents are stamped, and staff is fully trained to implement the waiting list processes and procedures.

2. Procedures for managing waiting lists may include information on handling referrals internally within an organization. If multiple services or programs are offered at your organization, please describe your policies and procedures for internal program referrals for participants within the organization.

District 7 HRDC uses multiple state and/or HUD approved software including, but not limited to Client Data System, Chimes, HMIS, and the agency's proprietary software to track multiple program and service information including referred clients. These systems allow for tracking unduplicated individuals/households as well as multiple services per individual/households. For agency reporting, it is imperative that a client is only counted once at intake. Regardless of point of entry from an external referral, staff have access to an internal website for internal program and contact information. This also helps the staff to identify potential services and provide a point of contact. The staff also follow-up with the client and/or the contact point.

A number of agency programs are designed to administer bundled services. This includes the Family Forward program promoting self-sufficiency and economic independence through a strength-based program of bundled services and long-term case management. The Youth Homeless Demonstration Project as well as Rapid Rehousing are required to participate in the CoC Entry process. Harmony House Transitional Living Program provides a supportive, nurturing place for homeless, pregnant, or parenting youth ages 16-22 and their children. All use a bundled services referral platform. Referrals are counted, and service outcome counts are tracked.

3. Please describe your organization's understanding of housing discrimination and The Fair Housing Act.

HRDC is a Section 8, Housing Choice Voucher provider and works closely with The Billings Housing Authority, HUD, NeighborWorks, and the agency's home Center. HRDC has a full and complete understanding of housing discrimination and the Fair Housing ACT. All Homebuyer counselors and the Housing Navigator are HUD certified to ensure there is never an incident of housing discrimination. Simply put, it illegal to harass persons because of race, color, religion, sex (including gender identity and

sexual orientation), disability, familial status, or national origin. It prohibits discrimination in housing. This statement carries over into all agency programs and employment opportunities.

4. Has your staff participated in any Fair Housing training in the last three years? If yes, please list training type(s) and date(s) of training:

**(YES)** The following seminars, conferences, and educational training programs that included a “Fair Housing” training component are listed by date. They are:

- **12/7/21 Homeless Response System Diversion part 1**
  - **12/14/21 Homeless Response System Diversion part 2**
  - **3/9/22, 3/23/22, 4/6/22, 4/13/22, 4/20/22 Housing Stability Services Training**
  - **6/14/22-6/15/22 Montana Housing Partnership Conference**
  - **7/1/22 Department of Housing and Urban Development, Office of Healthy Homes & Lead Hazard Control**
  - **8/9/22 The National Housing Conference-pivotal role of non-profits in the Emergency Rental Assistance Program**
  - **8/15/22-8/26/22 Homelessness and Housing First Training Series**
  - **5/15/23-5/17/23 State of Montana; Montana Housing Partnership Conference**
  - **7/19/23-7/20/23 Region 8 Cohort: Region 8 Conference**
  - **9/29/23 Montana Legal Services Association; Landlord/Tenant Rights and Regulations**
  - **11/22 – Section 8 Training including Fair Housing Module**
  - **2/23 – HOPWA Training including Fair Housing Training Module**
5. Demonstrating long-term outcomes and participant success following a HOME-ARP funding allocation is crucial. What procedures will your organization implement in order to collect follow-up data from participants?

Many HRDC Programs and specifically HUD related activities focus on post program case management. As clients will be working with Housing Stability Services they will be scheduled to meet with a staff member who monitors their progress at 3 and 6 months after services are provided to ensure follow up data is collected. During that time, the client will be managed through the benchmarks achieved as determined by the grant and the services provided. These outcomes will define the types and scope of additional services that may be later needed by the client. Through the use of outcomes, including service outcome counts, the agency is able to measure not only the client’s performance, but its own. Documentation, such as case notes, logs, certificates, and data entries become a part of the client file.

6. How will you continue to serve clients after HOME-ARP funding is fully expended? i.e. describe how your organization will provide aftercare services for program participants.

HRDC currently offers 24 programs through 50 funding sources. The agency has a diverse menu of programs and services to assist individuals in crisis. Additional discretionary funding would hopefully take its place, but other available funding sources can assist. Over 58 years of service to the community the agency has been skilled in identifying additional funding resources. The issue is to assist as many individuals as possible that find themselves in a housing crisis. Through a myriad of financial education

programs including homebuyer education, Landlord rental mediation, financial counseling, and bundled services the agency has successfully helped people in a housing crisis. Diverse financial partners often provide the types of funding the agency is trying to secure, but for HRDC, assisting as many households as possible to stay housed is our ultimate goal. The agency's housing navigator, its home center programs, its HUD approved counselors, its association with NeighborWorks, Montana and its ability to network, and respond to changing external factors is the management style that keeps the agency responsive and able to support its programs and services.

7. Organizations will be required to use HMIS (Homeless Management Information System) to coordinate services and check for duplication of benefits. Does your organization currently use HMIS? If not, is your organization willing to implement HMIS to meet program requirements?

YES! HRDC uses HMIS!

8. After reviewing the additional questions / requirements / clarifications attached, would your organization like to adjust any of the supportive service activities that were proposed in your original application?

No changes to our application are necessary.

9. If the organization is not hiring staff to carry out HOME-ARP supportive services, how are the positions funded today and why is HOME-ARP funding necessary?

No staff positions are being funded out of the HOME-ARP application. Staff positions are supported through other programs that have very limited and or no direct service funds available to meet the needs of the community. With funding at pre-COVID levels, the agency estimates 10 household will be assisted with current homeless prevention funding. The need for additional funding has increased as a result of escalating housing costs and inflation.

Unique Entity Identification (UEI) Number: A UEI is a number issued by the federal government's System for Award Management (SAM) to identify businesses and other entities that do business with the federal government. The UEI replaces the DUNS number. If your entity is already registered in SAM.gov, it has already been assigned a UEI number. Simply log into SAM.gov to access it. Entities intending to bid on contracts or grants directly from the federal government should visit SAM.gov and choose "Register Entity" to receive a UEI. Those who would like a UEI for sub-award reporting should choose "Get Unique Entity ID." There is no cost to register for a UEI and it can usually be created within one business day. FREE local assistance is available at the Montana Procurement Technical Assistance Program, 201 N Broadway, Billings, MT 59101 / 406.869.8410 / langman@bigskyeda.org. Enter your UEI number below.

**Q17**

Describe the length of time the organization has been in operation and the organization's purpose. (500 characters maximum)

The Native American Development Corporation (NADC) is a nonprofit corporation operating continuously since 1996. NADC was founded on the basic premise of "combating community deterioration, poverty, unemployment, racial discrimination and prejudice" by providing programs and resources that seek to alleviate the underlying issues related to generational poverty.

**Q18**

Describe the types of supportive services currently being provided by the organization. (2,000 characters maximum)

NADC has historically and consistently remained an organization that works to create, stimulate, and advocate for Native American people and societies. Late in 2018, the organization opened the Billings Urban Indian Health and Wellness Center (BUIHWC) to serve the American Indian and non-Indian population living in Billings and Yellowstone County through a range of culturally appropriate medical and behavioral health services. The organization serves entrepreneurs, individuals, families, and regions working towards self-sufficiency, economic and social stability through core activity areas of: Health and Wellness; Technical Assistance; Business Lending; and Entrepreneurial Advocacy and Support. Our work is driven by a desire to provide a "hand up" and not a "hand out". NADC services are designed to be culturally appropriate for Native Americans, but services are not limited to those who are of Native heritage. BUIHWC serves insured and uninsured individuals through full ambulatory care services. Current supportive services include medical care, substance use disorder, suicide prevention, diabetes care, health promotion and disease prevention, and positive parenting. In addition to Health Division supportive services, the organization offers credit counseling, financial literacy, and workforce development programs through the Economic Development Division and NADC is the state-wide certification body for Recovery Residences. The organization also houses the Native American Empowerment Project (NAEP) which is a community-based service coordination program that offers support services to individuals experiencing the effects of domestic violence, mental health issues, or substance use disorder. The core components of the program include: • Outreach and Case Management with a Social Services Approach • Cultural Approach to Healing • Participant-Driven Empowerment Plans • Professional Development Support Services • Network Building to Support Self-Empowerment
