Motion: Approval of the meeting minutes of September 29th, 2026, meeting. Stephanie Donovan motioned to approve, Kristy Halderman 2nd. Motion passed.

Multi-Modal Planner update:

Mike talked about the Trails for All feasibility study that the planning department has received a draft of the final report and staff is working through it.

Old Business:

A. Council Presentation discussion:

Mike thanked Stephaine for doing the presentation and Ty and Dave for coming to support.

Mike talked with the committee about going to The County Commissioners and the Yellowstone County Board of Planning. The date wasn't decided but it was talked about how the presentation needs to be changed some to fit the County and the Planning Board.

Stephanie talked about the different comments and questions that City Council had about the presentation. Most of the discussion was around E-bikes and what can be done to help the City find a solution.

B. Cameras:

Kristy Halderman sent a list of possible intersections to be recorded.

This item still needs to be discussed more.

C. E - bikes:

Many different ideas were talked about when it came to what can be done with E-bikes. The committee is going to investigate what Montana State law is and what other communities are doing.

The committee will talk more about this in the future.

New Business:

A. Education and Outreach:

Mike asked the committee to start thinking about ways they can educate the public on bike and pedestrian safety. It was talked about possibly doing a short video of the Downtown cycle track and how it operates. This was just example of something that could be done.

Future Agenda Items:

- Work on Presentation to County Commissioners

Adjourned at 1:00pm: Kristy Halderman motioned to adjourn and Stephanie Donovan 2nd.
