Hunter and Tyler,

This email is being sent to formally request that the City Zone Change 1079 at the intersection of Shiloh and Hesper Road be delayed to action at the May 11<sup>th</sup> City Council meeting instead of its current scheduled date of April 27<sup>th</sup>. This delay is being requested to allow additional time for the landowner and the City to work out final details of the development agreement.

Thanks, and please let me know if anything additional is needed to facilitate this request.
