RE: Pond E Expansion
Billings Logan International Airport

Dear Paul,

We have reviewed the bids for the Pond E Expansion project and found everything in order. There were several bidders with K2 Civil, Inc., Donnes, Inc., and Knife River – Billings being the three lowest bidders. K2 Civil Inc. is the apparent low bidder, approximately 6.8% lower than Donnes, Inc. and 50% lower than the engineer's estimate. The large differences in bid items between the low bidder and the engineer's estimate are the excavation and erosion control cellular confinement items.

We are recommending the award of the Pond E Expansion project, Schedule 1, to K2 Civil Inc. with the apparent low bid of \$442,350.00.

We have checked for debarment of the Pond E Expansion prime contractor. There is no record of debarment on the Excluded Parties List System (EPLS).

Sincerely,

MORRISON MAIERLE

Heather Mosser, P.E.
Project Manager
