Dear Jeremiah,

You are notified that your bid, dated April 7, 2026 for the above contract has been considered. You are the apparent successful, low, responsive, and responsible bidder. Your bid for Schedule 1 of \$442,350.00 has been recommended to the City of Billings for award, subject to City Council approval, FAA approval, and compliance with Buy American. This will go to the City Council on Monday, April 27, 2026 for award.

Once funds are available from the FAA, you will be notified that the contract documents are ready for completion, including signatures, bonds, and insurance forms. A set of the Contract Documents will be returned to you after all the signatures are complete.

Enclosed are the Buy American Exhibits for the material to be used on the above project. The Exhibits from each subcontractor need to be filled out prior to the Notice to Proceed.

The Notice to Proceed will be issued after the contracts are executed by the City of Billings and FAA has issued concurrence. The Notice to Proceed shall be issued when federal funds are available per Special Provisions Section 10.0.

We look forward to working with you on this project.
