The BMPO adopted the 2nd Surtax ILA

- On January 28, 2021 the Broward MPO policy Board adopted the SECOND AMENDMENT TO AND RESTATEMENT OF THE TRANSPORTATION SYSTEM SURTAX INTERLOCAL AGREEMENT.

What is the summary of the changes?

- 1) No swap outs will be allowed
- 2) The process will start April 1, 2021
- 3) No Rehabilitation and Maintenance applications will be accepted until the current list of 61 projects is completed.
- 4) We will be using the same ranking process as used in cycle one.
- 5) Our recommended five-year plan will be only utilizing the Minimum Annual Guarantee (10%) of total Surtax funds.

- Now that Amendment 2 has been adopted, we know the scope of work to be delivered.
- At the April 1, 2021 Executive Board meeting, we have a contract amendment to increase scope of service from our consultant (Whitehouse Group, Inc.), to provide necessary services to deliver the required goods to Broward County no later than June 1, 2021.

Follow-up from the January 2021 CAC meeting.

CAC members requested the Broward MPO to reach out to Broward County MAP administration and invite a member of the independent Oversight Board to the meeting to answer questions.

I am happy to introduce Mrs. Gretchen Cassini the MAP administrator and Ms. Angela Wallace MAP general counsel.

Thank you Broward County for attending.

- Let us thank Mrs. Cassini and Ms. Wallace for attending our meeting and answering your questions!
