Comments (Optional):

Mr. Stuart is extremely knowledgeable at his job. He will go out of the way to assist and respond to any and all inquiries. He literally works without a timeclock in that he is not a 9 to 5 kind of person. He is respectful and professional, despite not always being treated in the same manner. I have witnessed nothing but mutual respect and admiration between him and his staff. They appear to work very well together, as he has done with the Board.
