

Broward MPO Meeting

Widening of Sawgrass Expressway (SR 869)
from North of Atlantic Boulevard to C-5 Bridge (MP 9-12)

August 24, 2022

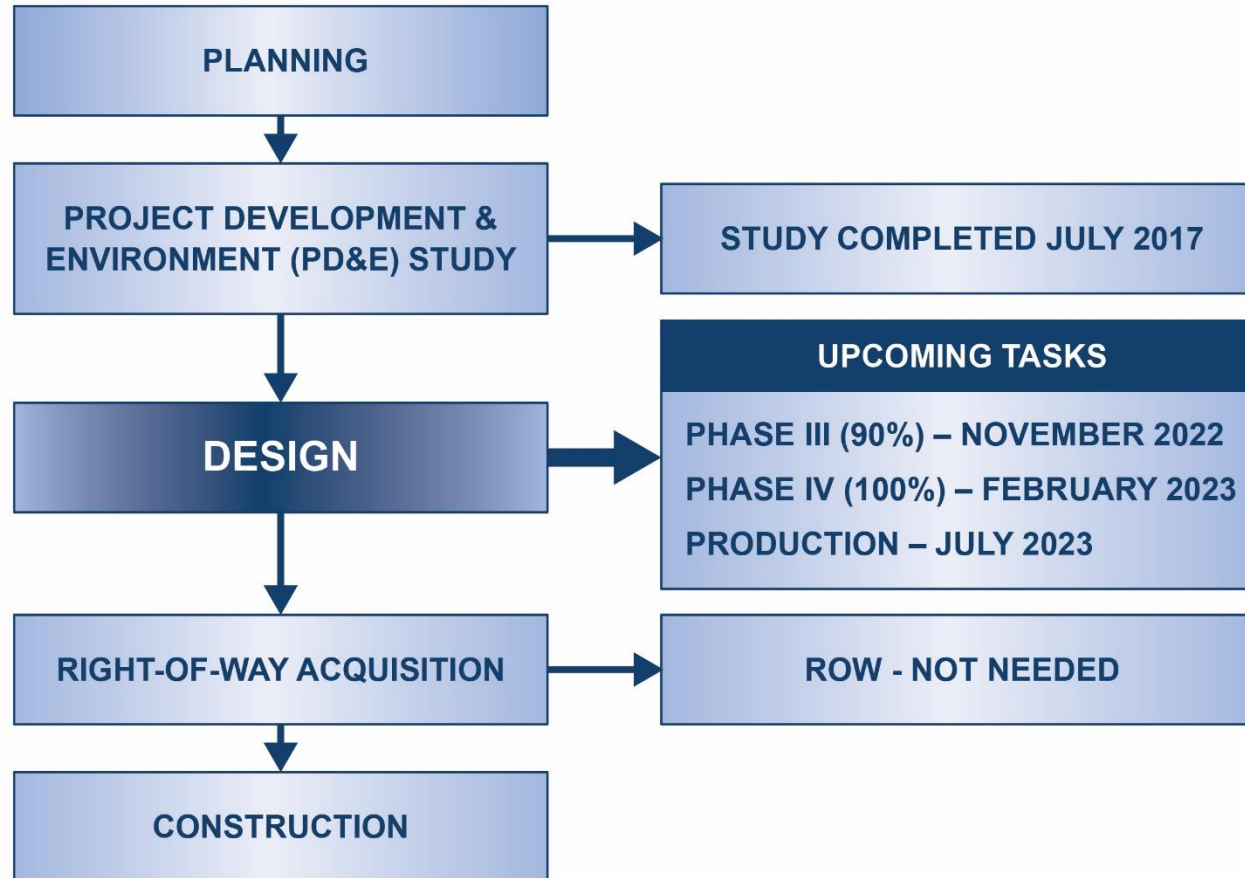

Financial Project Identification Number (FPID No.): 435461-1

Agenda

1. Project Development
2. Project Background
3. Proposed Improvements
4. Maintenance of Traffic
5. Temporary Detour Routes
6. Schedule
7. Questions

Project Development Process

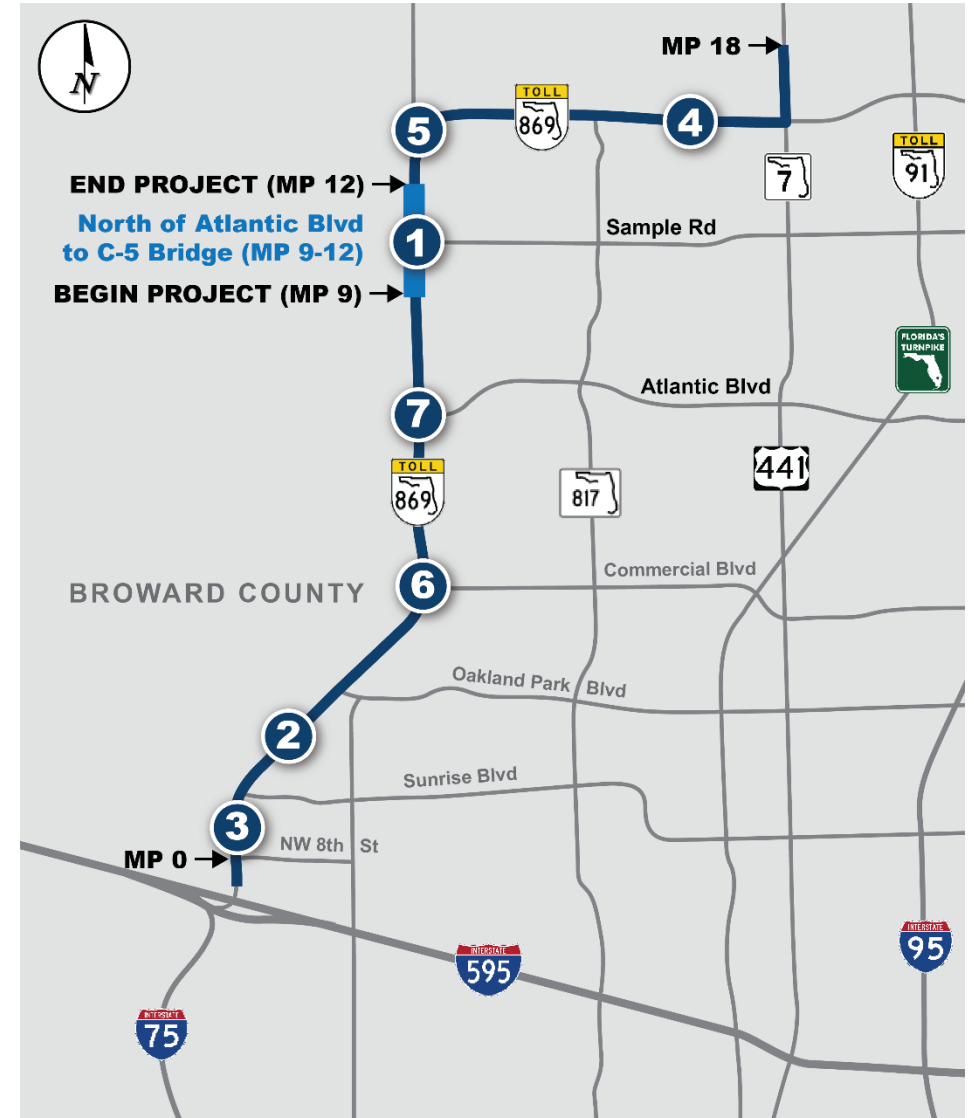

Project Background

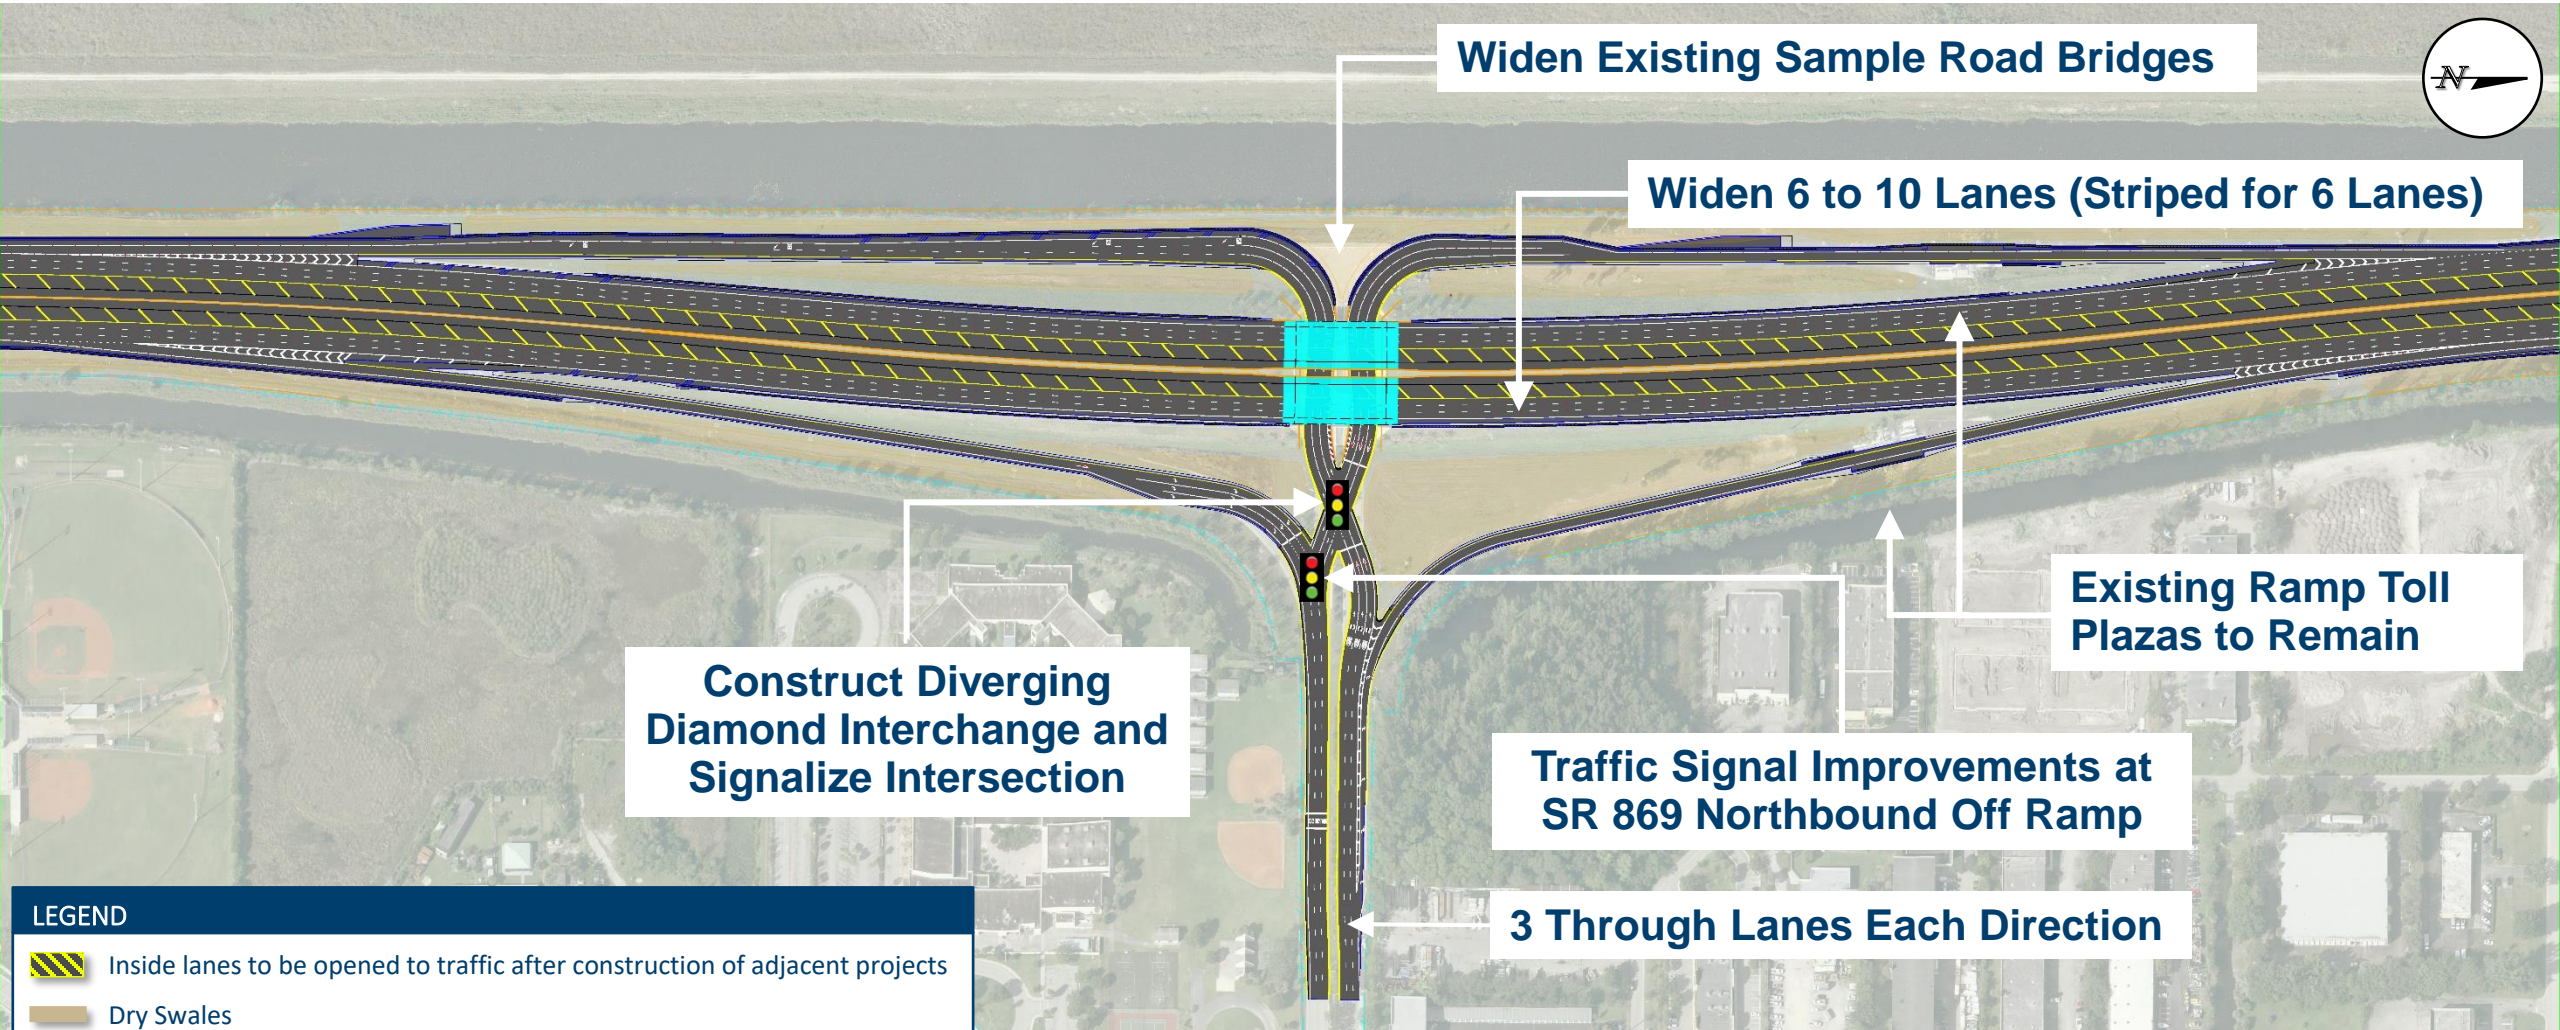

The Sawgrass Expressway (SR 869) is a 21-mile limited access roadway that is part of Florida’s Strategic Intermodal System (SIS) and the National Highway System (NHS).

Adjacent Design Projects/Construction Segments

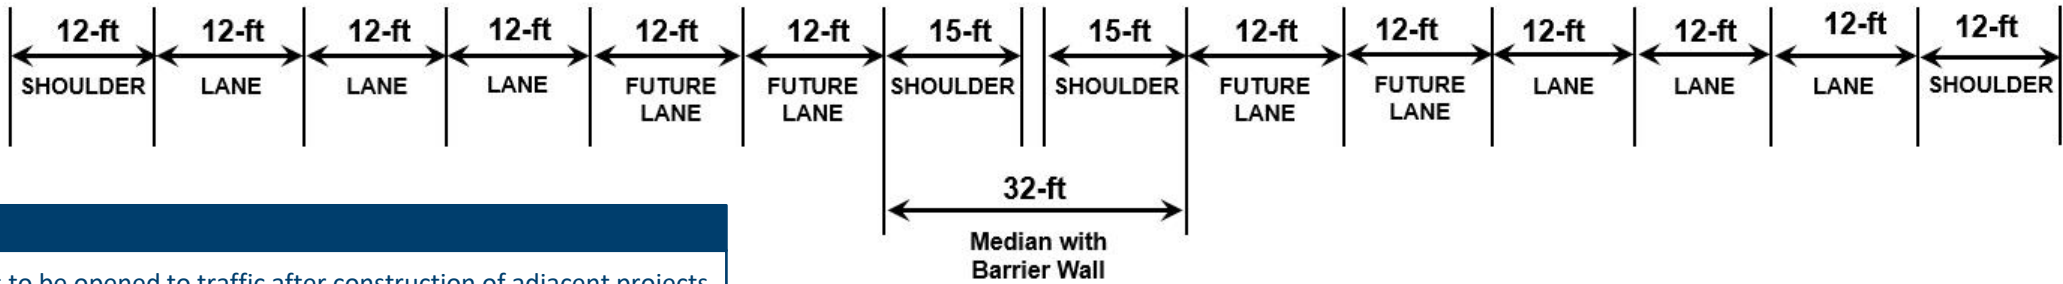

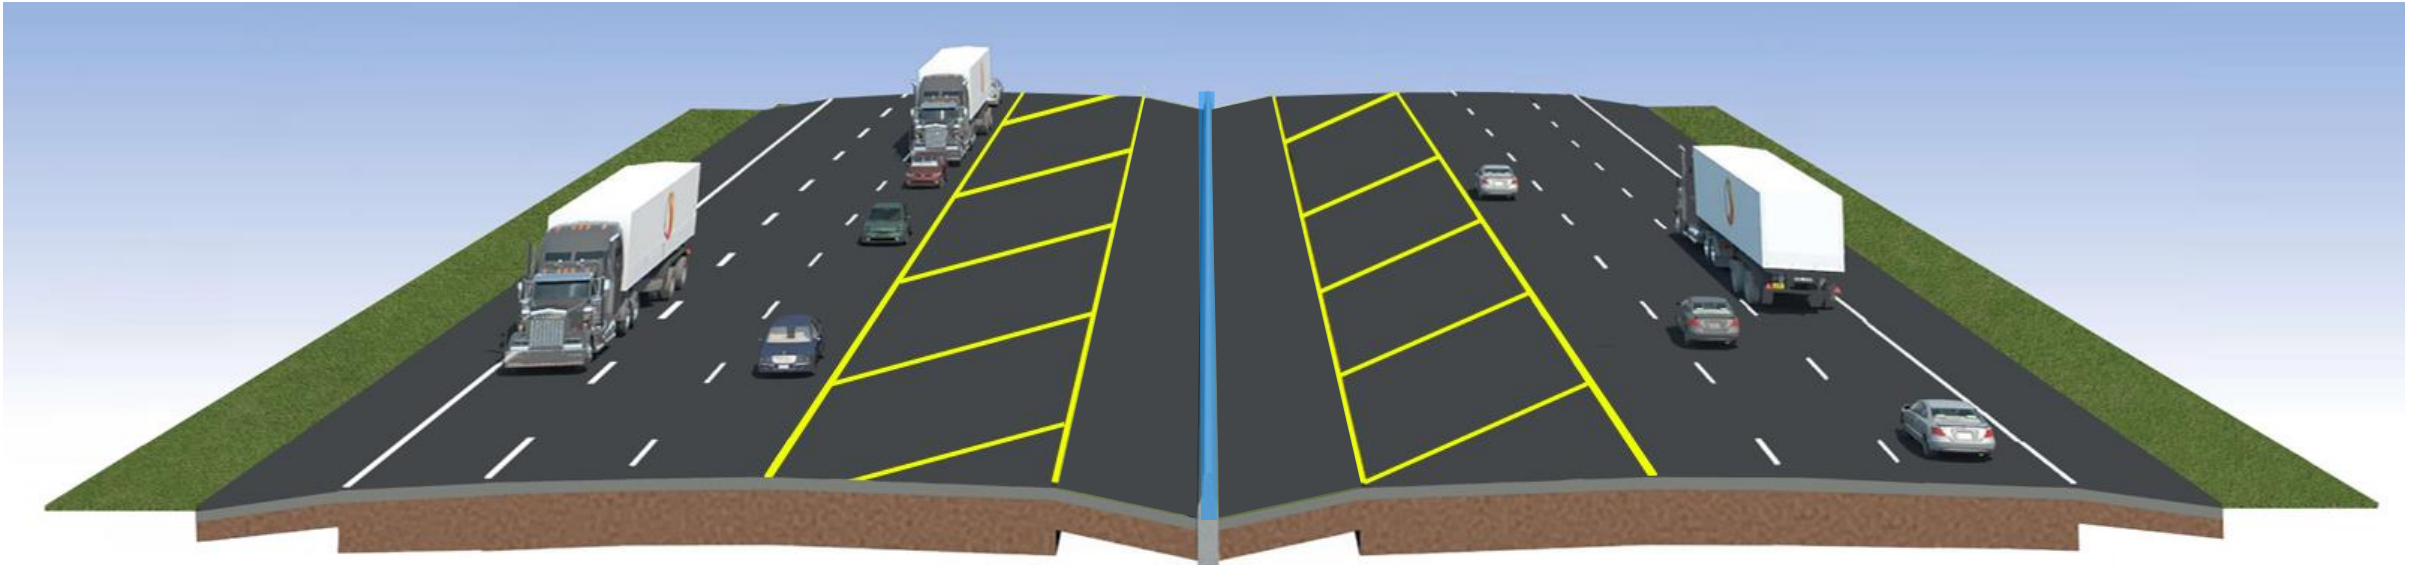

1. 435461-1: Atlantic Boulevard to Sample Road
2. 437155-1: Sunrise Boulevard to Oakland Park Boulevard
3. 437155-5: NW 8th Street to Sunrise Boulevard
4. 435461-5: University Drive to SR 7/US 441
5. 435461-4: Sample Road to University Drive
6. 437155-6: Oakland Park Boulevard to Commercial Boulevard
7. 443956-1: Atlantic Blvd Interchange

Proposed Improvements

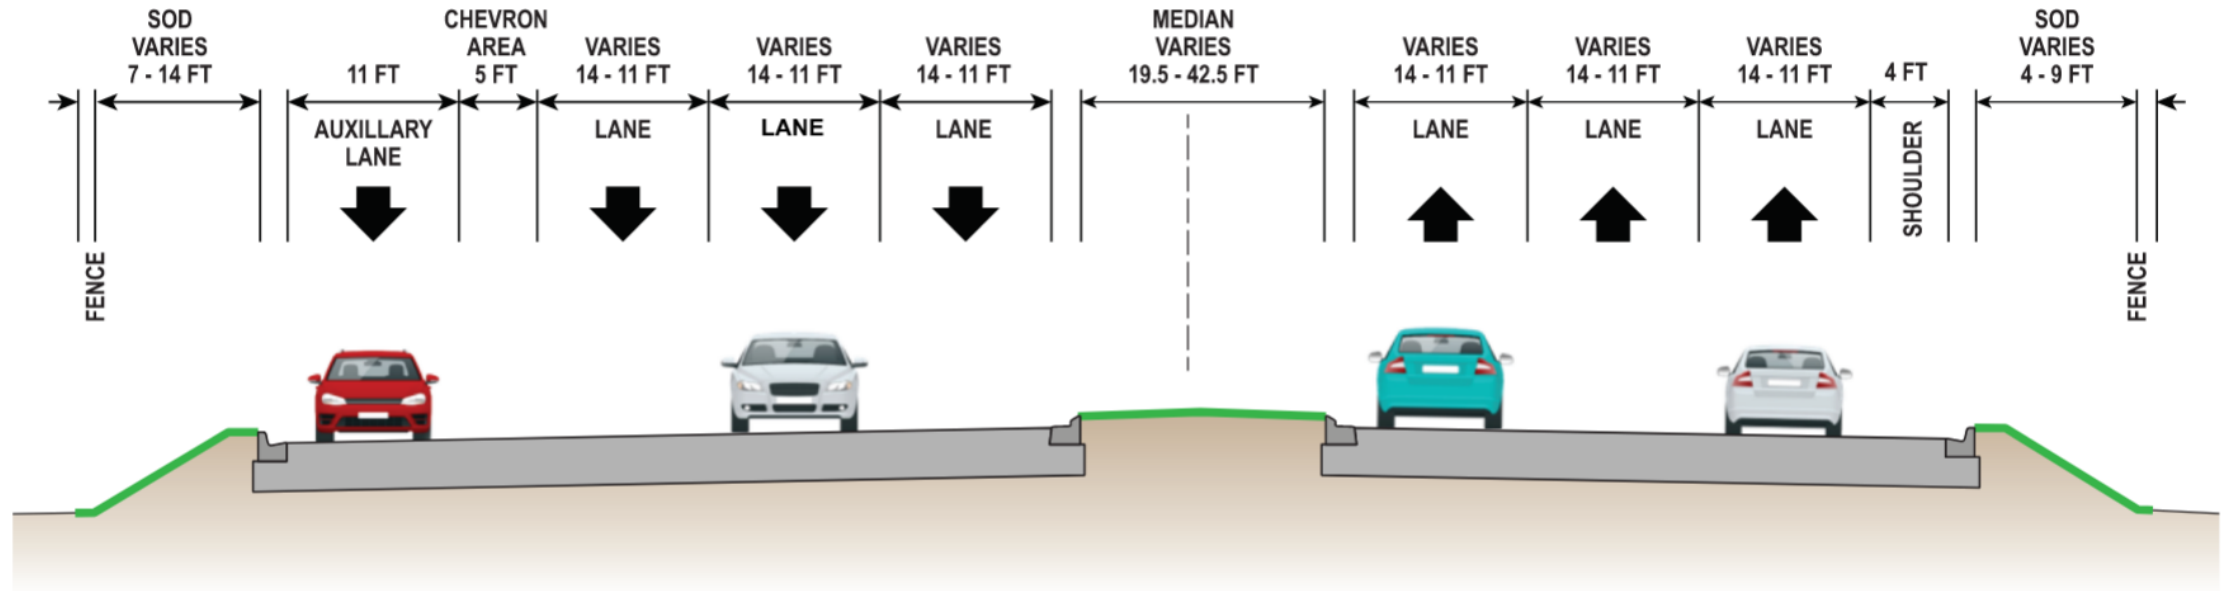

Sawgrass Expressway (SR 869) Typical Section

LEGEND
 Inside lanes to be opened to traffic after construction of adjacent projects

Sample Road Typical Section

Community Awareness During Construction

- Advanced Signage Placed Prior to Closure
- Continue Communication with Local Municipalities and Broward County Government
- Communicate with Property Owners and Businesses
- Communicate with Stakeholders via a Project Website, Email and Newsletters

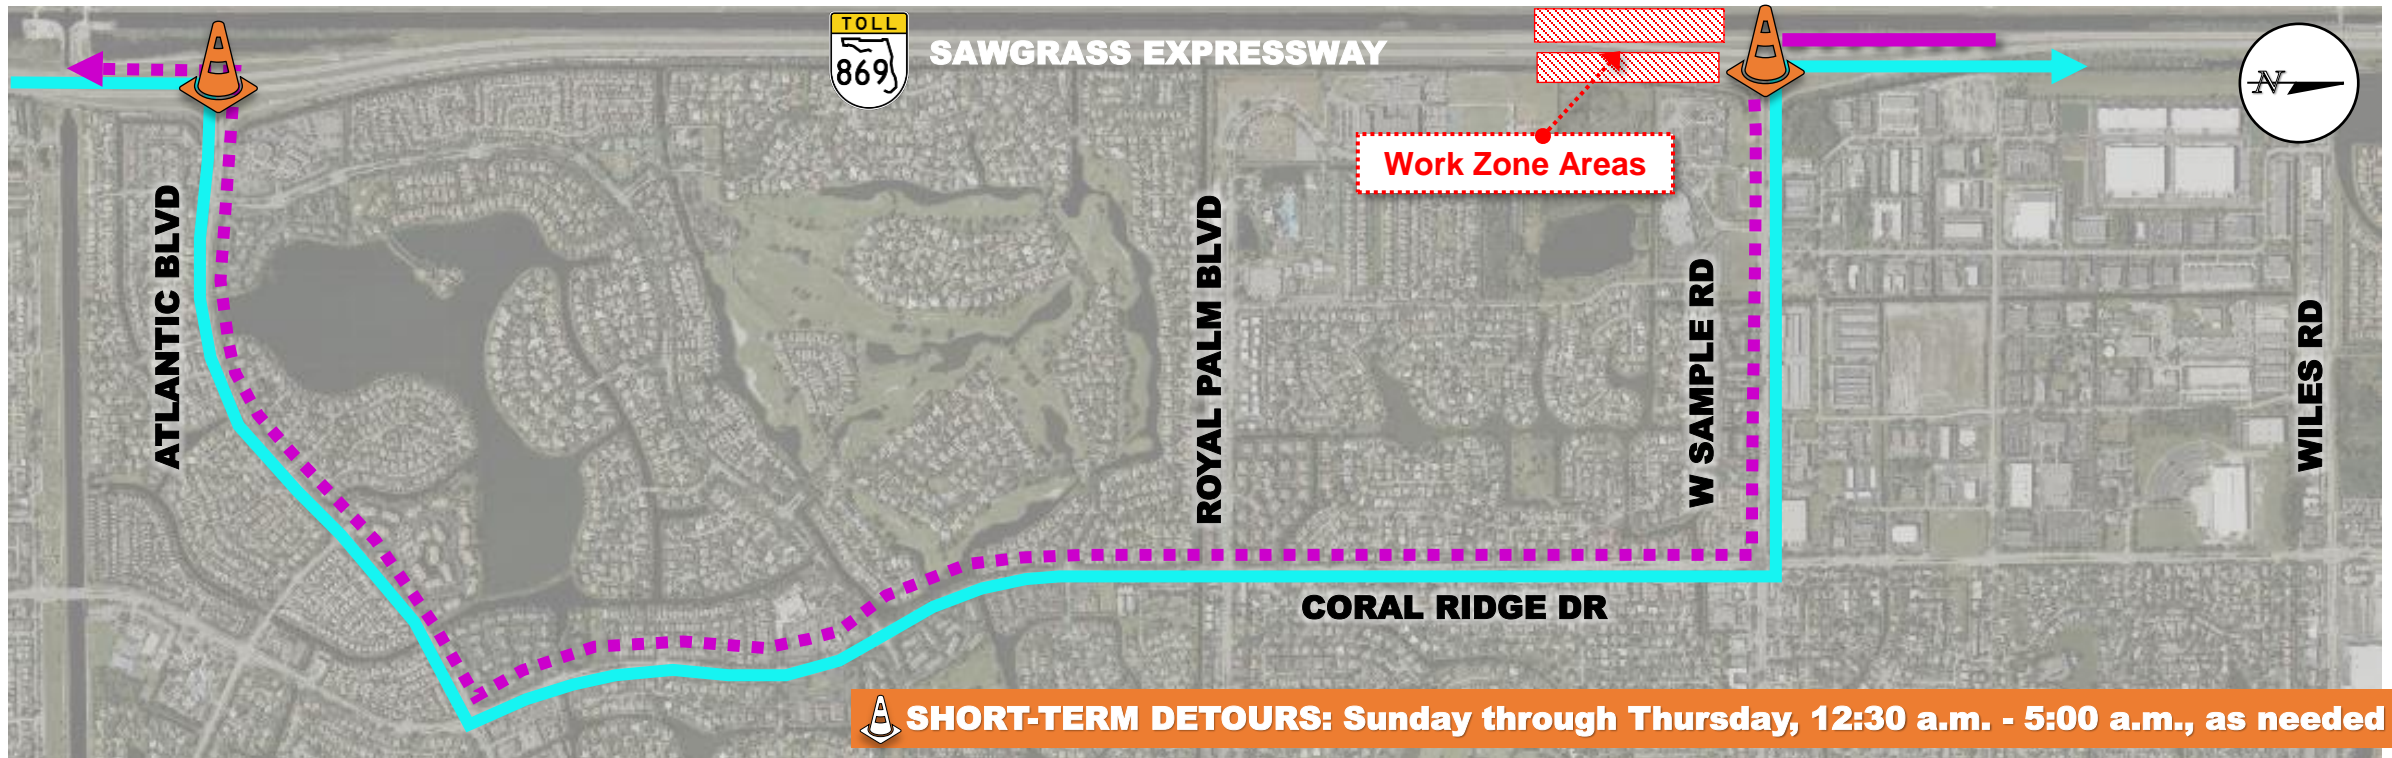

Maintenance of Traffic

- Mainline construction to occur in phases
- Existing travel lanes to remain open during peak hours
- To minimize disruptions, lane closures when needed, will occur during off-peak hours

Temporary Detours

-  This short-term detour will be used by northbound travelers during construction of the Sawgrass Expressway (SR 869) northbound off ramp and installation of overhead signs and demolition of existing overhead signs and DMS structure on the Sawgrass Expressway (SR 869).
-  This short-term detour will be used by southbound travelers during construction of the Sawgrass Expressway (SR 869) southbound on ramp and installation of overhead signs and demolition of existing overhead signs on the Sample Road.

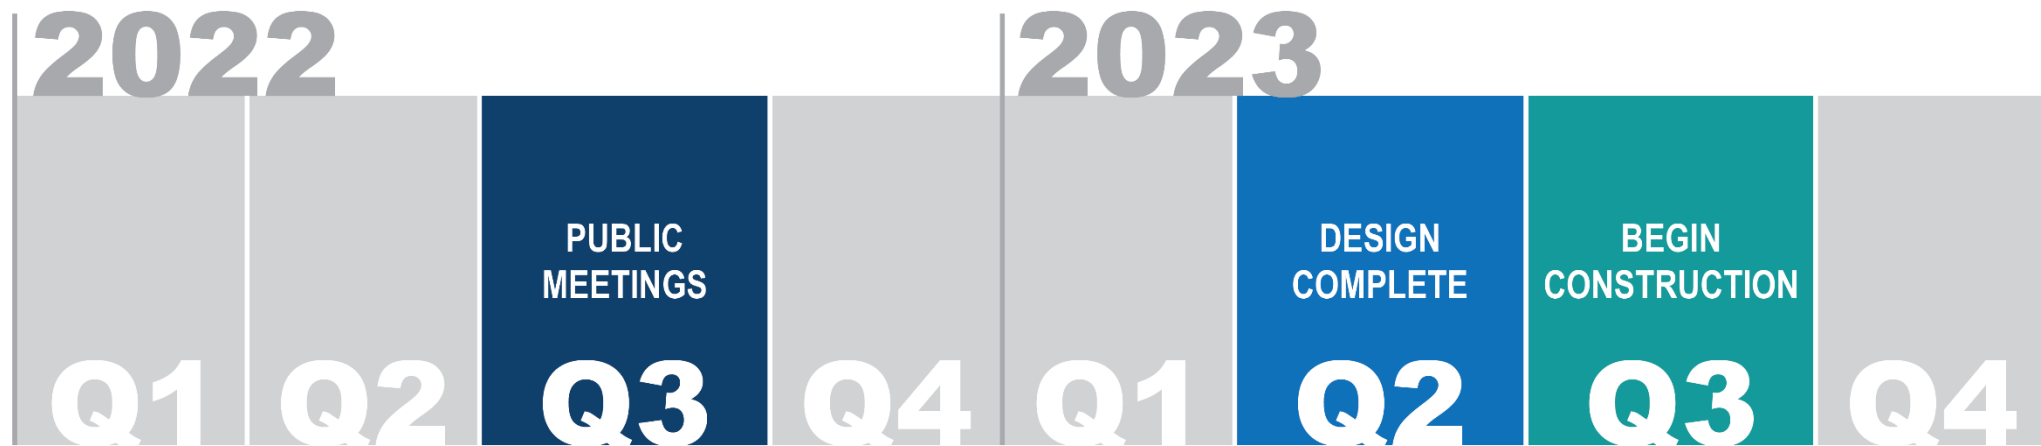

Project Schedule

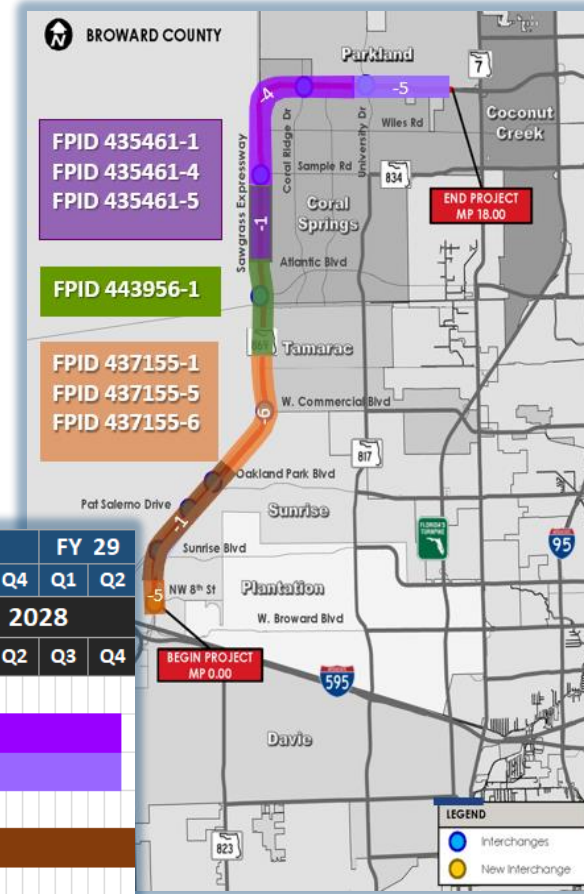

Design: To be completed by May 2023

Letting Date: October 2023

Construction: Anticipated to start December 2023
